Analysis by the Legislative Reference Bureau
This bill prohibits the sale of vapor products to minors and the purchase of those products by or for minors.

Current law prohibits certain actors, such as retailers and manufacturers, from selling cigarettes, tobacco products, or nicotine products to a person who is under the age of 18 (a minor), and from providing cigarettes, tobacco products, or nicotine products for free to any person unless the cigarettes or products are provided in a place where minors are generally not permitted to enter. This bill similarly prohibits the sale or provision of vapor products, such as e-cigarettes and vape pens, to minors.

Current law also prohibits a minor from purchasing, attempting to purchase, possessing, or falsely representing his or her age for the purpose of receiving any cigarette, nicotine product, or tobacco product, with certain limited exceptions. Current law also prohibits any person from purchasing cigarettes, nicotine products, or tobacco products on behalf of a minor. This bill similarly prohibits the purchase of vapor products by or on behalf of minors.
