
**Analysis by the Legislative Reference Bureau**

With certain exceptions, this bill requires the owner of a public building or place of employment (commercial building) that is constructed or renovated after the effective date of the bill and that has restrooms that are open to the public to install and maintain a diaper changing station in 1) a restroom designated for use by all genders; or 2) a restroom designated for use by women and a restroom designated for use by men.

The bill also requires the owner of a commercial building that has restrooms that are open to the public to identify any restroom in the commercial building that contains a diaper changing station with an appropriate sign.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
