
AN ACT to amend 350.101 (1) (c) and 350.11 (3) (a) 4.; and to create 350.01 (9j) of the statutes; relating to: the intoxicated operation of snowmobiles and providing a penalty.

Analysis by the Legislative Reference Bureau
This bill establishes an absolute sobriety requirement for the purpose of operating a snowmobile for any person under the age of 21. Under current law, no one may operate an all-terrain vehicle, utility terrain vehicle, off-highway motorcycle, boat, or snowmobile (recreational vehicle) with a prohibited alcohol concentration. Under most circumstances, a prohibited alcohol concentration is 0.08. For a person who has not attained the age of 21, current law requires absolute sobriety for the purpose of operating any recreational vehicle except for snowmobiles. For the purpose of operating a snowmobile, absolute sobriety is required for a person who has not attained the age of 19. This bill increases this age so that the absolute sobriety requirement applies to a person under the age of 21 operating any recreational vehicle.
