AN ACT to amend 154.19 (2) (b) 2., 154.19 (3) (b) 2., 154.21 (1) (a), (b) and (c), 154.225 (2) (a), (b) and (c), 154.25 (1), 154.29 (1) and 154.29 (2); and to create 154.17 (1m), 154.19 (2) (b) 1m., 154.25 (6d) and 154.28 of the statutes; relating to: allowing do-not-resuscitate necklaces or pendants, requiring the exercise of rule-making authority, and providing a penalty.

Analysis by the Legislative Reference Bureau

This bill adds do-not-resuscitate necklaces or pendants that meet certain requirements to the types of standardized do-not-resuscitate jewelry that a person may wear to signify that the person is a qualified patient who has obtained a do-not-resuscitate order from a physician and that the order has not been revoked. Under current law, the only type of do-not-resuscitate jewelry allowed for qualifying patients is a do-not-resuscitate bracelet meeting certain criteria.

The bill also requires the Department of Health Services to establish rules for a uniform standard for the size, color, and design of all do-not-resuscitate necklaces and pendants, but as under current law for do-not-resuscitate bracelets, DHS may also approve a do-not-resuscitate necklace or pendant developed and distributed by a commercial vendor if certain requirements are met.
Because this bill creates a new crime or revises a penalty for an existing crime, the Joint Review Committee on Criminal Penalties may be requested to prepare a report.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
