The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

JOINT LEGISLATIVE COUNCIL PREFATORY NOTE: This bill was prepared for the Joint Legislative Council's Study Committee on Alcohol Beverages Enforcement.

The bill requires any common carrier that transports into and delivers within the state any alcohol beverages to submit a monthly report to the Department of Revenue (DOR) in the form and manner prescribed by DOR. Under the bill, a "common carrier" is any of the following: (1) any person (other than a local messenger service or the U.S. Postal Service) that holds itself out to the general public as a provider for hire of the transportation by water, land, or air of merchandise (regardless of whether the person actually operates the vessel, vehicle, or aircraft by which the transportation is provided) between a port or place and a port or place in the U.S.; or (2) every railroad company, express company, common or contract carrier, and every firm or corporation, that brings, carries, or transports into this state alcohol beverages from outside this state.

ASSEMBLY BILL 91

The report must be submitted no later than the 15th day of the month and must include all of the following information for each shipment of beer or liquor during the preceding month:

- The name and address of the manufacturer of the beer or liquor.
- The name and address of the consignor of the shipment, if different from the manufacturer.
- The name and address of the consignee of the shipment.
- The date of the shipment.
- The quantity of the beer or liquor shipped to the consignee.
- The parcel tracking number, waybill number, or other identifying number for the shipment.

The reporting requirement created by the bill first applies to shipments of alcohol beverages into the state occurring on the first day of the 3rd month after the bill takes effect. If a common carrier fails to submit a report required under the bill, then the common carrier will be subject to a forfeiture of not more than \$2,000.

The name and address of the consignee of the shipment reported by a common carrier must be kept confidential by DOR and is not subject to public copying or inspection under the public records law. The bill also specifies all other information in the reports submitted by common carriers are not confidential and are subject to the public records law.

Any common carrier required to submit reports under the bill must maintain for 3 years all records related to the reports, as well as any other record required to be kept under current law related to the purchase, sale, production, storage, warehousing, importation, or transportation of alcohol beverages. The bill also requires DOR to retain for 3 years all reports submitted under the bill and all records received by it relating to the reports.

The bill specifies that nothing in the bill alters the requirement that a person shipping alcohol beverages into this state obtain all required permits under ch. 125, stats., (the Alcohol Beverages Chapter) prior to shipment, including any direct wine shippers' permit. The provisions created under the bill also do not grant a manufacturer, rectifier, or shipper of alcohol beverages, including a winery, authority to ship alcohol beverages into this state. Lastly, the bill specifies that nothing in the bill alters the face-to-face sales requirement found in the Alcohol Beverages Chapter.
