Under the bill, a “common carrier” is any of the following: (1) any person (other than a local messenger service or the U.S. Postal Service) that holds itself out to the general public as a provider for hire of the transportation by water, land, or air of merchandise (regardless of whether the person actually operates the vessel, vehicle, or aircraft by which the transportation is provided) between a port or place and a port or place in the U.S.; or (2) every railroad company, express company, common or contract carrier, and every firm or corporation, that brings, carries, or transports into this state alcohol beverages from outside this state.
