Analysis by the Legislative Reference Bureau
This bill is explained in the NOTES provided by the Joint Legislative Council in the bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

JOINT LEGISLATIVE COUNCIL PREFATORY NOTE: This bill was prepared for the Joint Legislative Council’s Study Committee on Alcohol Beverages Enforcement.

Background
Current law regulating alcohol beverages is generally found in chs. 125 and 139, stats. The former sets forth the law regarding the authority and restrictions applicable to the manufacture, wholesale (distribution), and retail sales of alcohol beverages. The latter sets forth the law regarding the occupational (excise) taxation of alcohol beverages.
There are 3 types of alcohol beverages permits that the Department of Revenue (DOR) may issue to a person, corporation, or limited liability company located outside of the state. These permits are: (1) the out-of-state fermented malt beverages (beer) shippers’ permit; (2) the out-of-state intoxicating liquor (distilled spirits and wine, “liquor”) shippers’ permit; and (3) the direct wine shippers’ permit. Subject to various restrictions, the out-of-state beer shippers’ permit authorizes a person located outside of the state to ship beer to a person holding a beer wholesalers’ permit. The out-of-state liquor shippers’ permit, subject to various restrictions, authorizes a person located outside of the state to ship liquor to a person holding a liquor wholesaler permit, manufacturer’s or rectifier’s permit, or a winery permit. The direct wine shippers’ permit, also subject to various restrictions, authorizes the manufacturer of wine located either inside or outside of the state to ship wine directly to individuals in the state who are of the legal drinking age, acknowledge receipt of the wine shipped, and are not intoxicated at the time of delivery.

The Bill

The bill requires out-of-state beer shippers’ permittees, out-of-state liquor shippers’ permittees, and direct wine shippers’ permittees located outside of the state to consent to jurisdiction in this state for any proceeding in this state to enforce alcohol beverages laws found in chs. 125 and 139, stats. Out-of-state beer shippers’ permittees, out-of-state liquor shippers’ permittees, and direct wine shippers’ permittees located outside of the state must also accept service of process in this state for any proceeding in this state to enforce alcohol beverages laws found in chs. 125 and 139, stats. In order to accept service of process in this state, these permittees must do all of the following:

• Appoint and continually engage the services of an agent in this state to act as agent for the service of process on whom all processes, and any action or proceeding against it concerning or arising out of the enforcement of any provision of chs. 125 and 139, stats., may be served in any manner authorized by law. That service constitutes legal and valid service of process on the permittee.
• Provide to DOR, in the form and manner prescribed by DOR, the name, address, phone number, and proof of the appointment and availability of the agent.
• Provide notice to DOR 30 calendar days before termination of the authority of an agent appointed to accept service of process described above, and proof to DOR’s satisfaction of the appointment of a new agent no less than 5 calendar days before the termination of an existing agent appointment.
• In the event an agent terminates an agency appointment, notify DOR of that termination within 5 calendar days and include proof to DOR’s satisfaction of the appointment of a new agent.

Under the bill, if an out-of-state beer shippers’ permittee, out-of-state liquor shippers’ permittee, or direct wine shippers’ permittee located out-of-state fails to maintain an agent in this state after a permit is issued, the permittee is considered to have appointed the Department of Financial Institutions (DFI) as the permittee’s agent and the permittee may be proceeded against in courts of this state by service of process upon DFI. The bill also codifies in ch. 125, stats., requirements regarding the payment of occupational taxes, filing reports and tax returns, keeping records, submitting to DOR inspections and examinations, and paying expenses reasonably attributable to these inspections and examinations made by DOR at any premises of the permittee located outside of the state, which are already required under ch. 139, stats.

The bill also authorizes DOR to revoke or suspend any alcohol beverages license or permit issued in the state if the licensee or permittee ships alcohol into another state in violation of that state’s law.

Lastly, the bill first applies to permits that are issued after the effective date of the bill, except with respect to suspending or revoking a permit if the permittee illegally ships
alcohol into another state, and the bill has a delayed effective date of approximately 2 months.
