ASSEMBLY BILL 945

3., 111.70 (7m) (e), 111.71 (4) and 111.71 (5) of the statutes; relating to: bargaining over wages, hours, and conditions of employment for public employees.

Analysis by the Legislative Reference Bureau

Under current law, the only subject that most state and municipal employees may collectively bargain is a percentage increase in base wages that does not exceed the percentage increase in the consumer price index. This bill removes that limitation so that state and municipal employees may bargain over any increase in wages.

Also, under current law, certain protective occupation participants under the Wisconsin Retirement System, known as public safety employees, and certain municipal transit employees may collectively bargain wages, hours, and conditions of employment. Under the bill, most state and general municipal employees may collectively bargain hours and conditions of employment.

The bill also allows all municipal employers and labor organizations to agree to a dispute settlement procedure, including binding interest arbitration, to resolve an impasse over the terms of a collective bargaining agreement under the Municipal Employment Relations Act.

Under current law, representatives for most municipal and state employee bargaining units must be selected by at least 51 percent of the employees in the bargaining unit. The bill changes that requirement to a simple majority of the employees voting in the collective bargaining unit.

Finally, under current law, representatives for most municipal and state employee bargaining units must be certified annually by receiving at least 51 percent of the vote of the employees in the bargaining unit. The bill repeals this certification requirement.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

111.94 (3), for the preparation of publications, transcripts, reports, and other copied

application of the terms of a collective bargaining agreement or to accept the terms

award as final and binding upon them or to violate any collective bargaining

by the parties with respect to wages.

SECTION 11. 111.70 (3) (b) 6. of the statutes is created to read:

111.70 (4) (c) 1m. ‘Mediation.’ The commission may function as a mediator in labor disputes involving a collective bargaining unit containing a public safety employee. Such mediation may be carried on by a person designated to act by the commission upon request of one or both of the parties or upon initiation of the commission. The function of the mediator is to encourage voluntary settlement by the parties but no mediator has the power of compulsion.

**SECTION 15.** 111.70 (4) (c) 1g. of the statutes is created to read:

111.70 (4) (c) 1g. ‘Applicability.’ This paragraph applies only to municipal employees who are engaged in law enforcement or fire fighting functions.

**SECTION 16.** 111.70 (4) (c) 2. of the statutes is amended to read:

111.70 (4) (c) 2. ‘Arbitration.’ Parties to a dispute pertaining to the meaning or application of the terms of a written collective bargaining agreement involving a collective bargaining unit containing a public safety employee may agree in writing to have the commission or any other appropriate agency serve as arbitrator or may designate any other competent, impartial and disinterested person to so serve.

**SECTION 17.** 111.70 (4) (c) 3. (intro.) of the statutes is amended to read:

111.70 (4) (c) 3. ‘Fact-finding.’ (intro.) Unless s. 111.77 applies, if a dispute involving a collective bargaining unit containing a public safety employee has not been settled after a reasonable period of negotiation and after the settlement procedures, if any, established by the parties have been exhausted, and the parties are deadlocked with respect to any dispute between them arising in the collective
bargaining process, either party, or the parties jointly, may petition the commission, in writing, to initiate fact-finding, and to make recommendations to resolve the deadlock, as follows:

**SECTION 18.** 111.70 (4) (cg) of the statutes is repealed.

**SECTION 19.** 111.70 (4) (cm) (title) of the statutes is amended to read:

111.70 (4) (cm) 1m. ‘Notice of commencement of contract negotiations.’ For the purpose of advising the commission of the commencement of contract negotiations involving a collective bargaining unit containing general municipal employees, whenever either party requests the other to reopen negotiations under a binding collective bargaining agreement, or the parties otherwise commence negotiations if no such agreement exists, the party requesting negotiations shall immediately notify the commission in writing. Upon failure of the requesting party to provide such notice, the other party may so notify the commission. The notice shall specify the expiration date of the existing collective bargaining agreement, if any, and shall set forth any additional information the commission may require on a form provided by the commission.

**SECTION 21.** 111.70 (4) (cm) 1g. of the statutes is created to read:

111.70 (4) (cm) 1g. ‘Application.’ a. Chapter 788 does not apply to arbitration proceedings under this paragraph.

b. This paragraph does not apply to labor disputes involving municipal employees who are engaged in law enforcement or fire fighting functions.
**SECTION 22.** 111.70 (4) (cm) 2., 3. and 4. of the statutes are amended to read:

111.70 (4) (cm) 2. ‘Presentation of initial proposals; open meetings.’ The meetings between parties to a collective bargaining agreement or proposed collective bargaining agreement under this subchapter that involve a collective bargaining unit containing a general municipal employee and that are held for the purpose of presenting initial bargaining proposals, along with supporting rationale, shall be open to the public. Each party shall submit its initial bargaining proposals to the other party in writing. Failure to comply with this subdivision is not cause to invalidate a collective bargaining agreement under this subchapter.

3. ‘Mediation.’ The commission or its designee shall function as mediator in labor disputes involving general municipal employees upon request of one or both of the parties, or upon initiation of the commission. The function of the mediator shall be to encourage voluntary settlement by the parties. No mediator has the power of compulsion.

4. ‘Grievance arbitration.’ Parties to a dispute pertaining to the meaning or application of the terms of a written collective bargaining agreement involving a collective bargaining unit containing a general municipal employee may agree in writing to have the commission or any other appropriate agency serve as arbitrator or may designate any other competent, impartial and disinterested person to so serve.

**SECTION 23.** 111.70 (4) (cm) 5. of the statutes is created to read:

111.70 (4) (cm) 5. ‘Voluntary impasse resolution procedures.’ In addition to the other impasse resolution procedures provided in this paragraph, a municipal employer and labor organization may, as a permissive subject of bargaining, agree in writing to a dispute settlement procedure, including binding interest arbitration,
that is acceptable to the parties for resolving an impasse over terms of any collective bargaining agreement under this subchapter. The parties shall file a copy of the agreement with the commission. If the parties agree to any form of binding interest arbitration, the arbitrator shall give weight to the factors enumerated under subds. 7. and 7g. for a collective bargaining unit consisting of municipal employees who are not school district employees and under subd. 7r. for a collective bargaining unit consisting of municipal employees.

SECTION 24. 111.70 (4) (cm) 6. of the statutes is created to read:

111.70 (4) (cm) 6. ‘Interest arbitration.’ a. If in any collective bargaining unit a dispute relating to any issue has not been settled after a reasonable period of negotiation and after mediation by the commission under subd. 3. and other settlement procedures, if any, established by the parties have been exhausted, and the parties are deadlocked with respect to any dispute between them over wages, hours, or conditions of employment to be included in a new collective bargaining agreement, either party, or the parties jointly, may petition the commission, in writing, to initiate compulsory, final, and binding arbitration, as provided in this paragraph. At the time the petition is filed, the petitioning party shall submit in writing to the other party and the commission its preliminary final offer containing its latest proposals on all issues in dispute. Within 14 calendar days after the date of that submission, the other party shall submit in writing its preliminary final offer on all disputed issues to the petitioning party and the commission. If a petition is filed jointly, both parties shall exchange their preliminary final offers in writing and submit copies to the commission at the time the petition is filed.

am. Upon receipt of a petition to initiate arbitration, the commission shall investigate, with or without a formal hearing, whether arbitration should be
commenced. If in determining whether an impasse exists the commission finds that
the procedures under this paragraph have not been complied with and that the
compliance would tend to result in a settlement, it may order compliance before
ordering arbitration. The validity of any arbitration award or collective bargaining
agreement is not affected by failure to comply with the procedures. Prior to the close
of the investigation, each party shall submit in writing to the commission its single
final offer containing its final proposals on all issues in dispute that are subject to
interest arbitration under this subdivision. If a party fails to submit a single final
offer, the commission shall close the investigation based on the last written position
of the party. Such final offers may include only mandatory subjects of bargaining,
except that a permissive subject of bargaining may be included by a party if the other
party does not object and shall then be treated as a mandatory subject. The parties
shall also submit to the commission a written stipulation with respect to all matters
that are agreed upon for inclusion in the new or amended collective bargaining
agreement. The commission, after receiving a report from its investigator and
determining that arbitration should be commenced, shall issue an order requiring
arbitration and immediately submit to the parties a list of 7 arbitrators. The parties
shall alternately strike names from the list until a single name is left, who shall be
appointed as arbitrator. The petitioning party shall notify the commission in writing
of the identity of the arbitrator selected. Upon receipt of the notice, the commission
shall formally appoint the arbitrator and submit to him or her the final offers of the
parties. The final offers are public documents and the commission shall make them
available. In lieu of a single arbitrator and upon request of both parties, the
commission shall appoint a tripartite arbitration panel consisting of one member
selected by each of the parties and a neutral person designated by the commission
who shall serve as a chairperson. An arbitration panel has the same powers and
duties as provided in this section for any other appointed arbitrator, and all
arbitration decisions by a panel shall be determined by majority vote. In place of
selection of the arbitrator by the parties and upon request of both parties, the
commission shall establish a procedure for randomly selecting names of arbitrators.
Under the procedure, the commission shall submit a list of 7 arbitrators to the
parties. Each party shall strike one name from the list. From the remaining 5
names, the commission shall randomly appoint an arbitrator. Unless both parties
to an arbitration proceeding otherwise agree in writing, every individual whose
name is submitted by the commission for appointment as an arbitrator must be a
resident of this state at the time of submission and every individual who is
designated as an arbitration panel chairperson must be a resident of this state at the
time of designation.

b. The arbitrator shall, within 10 days of his or her appointment, establish a
date and place for the arbitration hearing. Upon petition of at least 5 citizens of the
jurisdiction served by the municipal employer, filed within 10 days after the date on
which the arbitrator is appointed, the arbitrator shall hold a public hearing in the
jurisdiction to provide the opportunity to both parties to explain or present
supporting arguments for their positions and to members of the public to offer their
comments and suggestions. The final offers of the parties, as transmitted by the
commission to the arbitrator, are the basis for any continued negotiations between
the parties with respect to the issues in dispute. At any time prior to the arbitration
hearing, either party, with the consent of the other party, may modify its final offer
in writing.
c. Prior to the arbitration hearing, either party may, within a time limit established by the arbitrator, withdraw its final offer and any mutually agreed upon modifications and shall immediately provide written notice of any withdrawal to the other party, the arbitrator, and the commission. If both parties withdraw their final offers and mutually agreed upon modifications, the labor organization, after giving 10 days’ written notice to the municipal employer and the commission, may strike. Unless both parties withdraw their final offers and mutually agreed upon modifications, the final offer of neither party is considered withdrawn and the arbitrator shall proceed to resolve the dispute by final and binding arbitration as provided in this paragraph.

d. Before issuing his or her arbitration decision, the arbitrator shall, on his or her own motion or at the request of either party, conduct a meeting open to the public to provide to both parties the opportunity to explain or present supporting arguments for their complete offer on all matters to be covered by the proposed agreement. The arbitrator shall adopt without modification the final offer of one of the parties on all disputed issues submitted under subd. 6. am., except those items that the commission determines not to be mandatory subjects of bargaining and those items that have not been treated as mandatory subjects by the parties, and including any prior modifications of the offer mutually agreed upon by the parties under subd. 6. b. The decision is final and binding on both parties and shall be incorporated into a written collective bargaining agreement. The arbitrator shall serve a copy of his or her decision on both parties and the commission.

e. Arbitration proceedings may not be interrupted or terminated by reason of any prohibited practice complaint filed by either party at any time.
f. The parties shall equally divide the costs of arbitration. The arbitrator shall submit a statement of his or her costs to both parties and to the commission.

g. If a question arises as to whether any proposal made in negotiations by either party is a mandatory, permissive, or prohibited subject of bargaining, the commission shall determine the issue under par. (b). If either party to the dispute petitions the commission for a declaratory ruling under par. (b), the proceedings under subd. 6. c. and d. may not occur until the commission renders a decision in the matter and the decision is final. The arbitrator’s award shall be made in accordance with the commission’s ruling, subject to automatic amendment by any subsequent court reversal.

**SECTION 25.** 111.70 (4) (cm) 7. of the statutes is created to read:

111.70 (4) (cm) 7. ‘Factor given greatest weight.’ In making any decision under the arbitration procedures authorized by this paragraph, except for any decision involving a collective bargaining unit consisting of school district employees, the arbitrator or arbitration panel shall give the greatest weight to any state law or directive lawfully issued by a state legislative or administrative officer, body, or agency that limits expenditures that may be made or revenues that may be collected by a municipal employer. The arbitrator or arbitration panel shall give an accounting of the consideration of this factor in the decision.

**SECTION 26.** 111.70 (4) (cm) 7g. of the statutes is created to read:

111.70 (4) (cm) 7g. ‘Factor given greater weight.’ In making any decision under the arbitration procedures authorized by this paragraph, except for any decision involving a collective bargaining unit consisting of school district employees, the arbitrator or arbitration panel shall give greater weight to economic conditions in the
SECTION 26

jurisdiction of the municipal employer than to any of the factors specified in subd. 7r.

SECTION 27. 111.70 (4) (cm) 7r. of the statutes is created to read:

111.70 (4) (cm) 7r. ‘Other factors considered.’ In making any decision under the arbitration procedures authorized by this paragraph, the arbitrator or arbitration panel shall give weight to the following factors:

a. The lawful authority of the municipal employer.

b. Stipulations of the parties.

c. The interests and welfare of the public and the financial ability of the unit of government to meet the costs of any proposed settlement.

d. Comparison of wages, hours, and conditions of employment of the municipal employees involved in the arbitration proceedings with the wages, hours, and conditions of employment of other employees performing similar services.

e. Comparison of the wages, hours, and conditions of employment of the municipal employees involved in the arbitration proceedings with the wages, hours, and conditions of employment of other employees generally in public employment in the same community and in comparable communities.

f. Comparison of the wages, hours, and conditions of employment of the municipal employees involved in the arbitration proceedings with the wages, hours, and conditions of employment of other employees in private employment in the same community and in comparable communities.

g. The average consumer prices for goods and services, commonly known as the cost of living.

h. The overall compensation presently received by the municipal employees, including direct wage compensation, vacation, holidays and excused time, insurance
and pensions, medical and hospitalization benefits, the continuity and stability of
employment, and all other benefits received.

i. Changes in any of the foregoing circumstances during the pendency of the
arbitration proceedings.

j. Factors, not included in subd. 7r. a. to i., which are normally or traditionally
taken into consideration in the determination of wages, hours, and conditions of
employment through voluntary collective bargaining, mediation, fact-finding,
arbitration, or otherwise between the parties, in the public service, or in private
employment.

SECTION 28. 111.70 (4) (cm) 8. of the statutes is created to read:
111.70 (4) (cm) 8. ‘Rule making.’ The commission shall adopt rules for the
conduct of all arbitration proceedings under subd. 6., including rules for all of the
following:

a. The appointment of tripartite arbitration panels when requested by the
parties.

b. The expeditious rendering of arbitration decisions, such as waivers of briefs
and transcripts.

c. The removal of individuals who have repeatedly failed to issue timely
decisions from the commission’s list of qualified arbitrators.

d. Proceedings for the enforcement of arbitration decisions.

SECTION 29. 111.70 (4) (cm) 8m. of the statutes is amended to read:
111.70 (4) (cm) 8m. ‘Term of agreement; reopening of negotiations.’ Except for
the initial collective bargaining agreement between the parties and except as the
parties otherwise agree, every collective bargaining agreement covering general
municipal employees subject to this paragraph shall be for a term of one year and
may not be extended 2 years, but in no case may a collective bargaining agreement
for any collective bargaining unit consisting of municipal employees subject to this
paragraph other than school district employees be for a term exceeding 3 years nor
may a collective bargaining agreement for any collective bargaining unit consisting
of school district employees subject to this paragraph be for a term exceeding 4 years.
No arbitration award may contain a provision for reopening of negotiations during
the term of a collective bargaining agreement covering general municipal employees
may be reopened for negotiations unless both parties agree to reopen the collective
bargaining agreement. The requirement for agreement by both parties does not
apply to a provision for reopening of negotiations with respect to any portion of an
agreement that is declared invalid by a court or administrative agency or rendered
invalid by the enactment of a law or promulgation of a federal regulation.

SECTION 30. 111.70 (4) (d) 1. of the statutes is amended to read:

111.70 (4) (d) 1. A representative chosen for the purposes of collective
bargaining by a majority of the public safety employees or transit municipal
employees voting in a collective bargaining unit shall be the exclusive representative
of all employees in the unit for the purpose of collective bargaining. A representative
chosen for the purposes of collective bargaining by at least 51 percent of the general
municipal employees in a collective bargaining unit shall be the exclusive
representative of all employees in the unit for the purpose of collective bargaining.
Any individual employee, or any minority group of employees in any collective
bargaining unit, shall have the right to present grievances to the municipal employer
in person or through representatives of their own choosing, and the municipal
employer shall confer with the employee in relation thereto, if the majority
representative has been afforded the opportunity to be present at the conferences.
Any adjustment resulting from these conferences may not be inconsistent with the conditions of employment established by the majority representative and the municipal employer.

**SECTION 31.** 111.70 (4) (d) 2. a. of the statutes is amended to read:

111.70 (4) (d) 2. a. The commission shall determine the appropriate collective bargaining unit for the purpose of collective bargaining and shall whenever possible avoid fragmentation by maintaining as few collective bargaining units as practicable in keeping with the size of the total municipal workforce. The commission may decide whether, in a particular case, the municipal employees in the same or several departments, divisions, institutions, crafts, professions, or other occupational groupings constitute a collective bargaining unit. Before making its determination, the commission may provide an opportunity for the municipal employees concerned to determine, by secret ballot, whether they desire to be established as a separate collective bargaining unit. The commission may not decide, however, that any group of municipal employees constitutes an appropriate collective bargaining unit if the group includes both professional employees and nonprofessional employees, unless a majority of the professional employees vote for inclusion in the unit. The commission may not decide that any group of municipal employees constitutes an appropriate collective bargaining unit if the group includes both school district employees and general municipal employees who are not school district employees. The commission may not decide that any group of municipal employees constitutes an appropriate collective bargaining unit if the group includes both public safety employees and general municipal employees, if the group includes both transit employees and general municipal employees, or if the group includes both transit employees and public safety employees. The commission may not decide that any
group of municipal employees constitutes an appropriate collective bargaining unit
if the group includes both craft employees and noncraft employees unless a majority
of the craft employees vote for inclusion in the unit. The commission shall place the
professional employees who are assigned to perform any services at a charter school,
as defined in s. 115.001 (1), in a separate collective bargaining unit from a unit that
includes any other professional employees whenever at least 30 percent of those
professional employees request an election to be held to determine that issue and a
majority of the professional employees at the charter school who cast votes in the
election decide to be represented in a separate collective bargaining unit.

SECTION 32. 111.70 (4) (d) 3. a. and c. of the statutes are consolidated and
renumbered 111.70 (4) (d) 3.

SECTION 33. 111.70 (4) (d) 3. b. of the statutes is repealed.

SECTION 34. 111.70 (4) (mb) of the statutes is repealed.

SECTION 35. 111.70 (4) (mbb) of the statutes is repealed.

SECTION 36. 111.70 (4) (n) of the statutes is created to read:

111.70 (4) (n) Mandatory subjects of bargaining. In a school district, in addition
to any subject of bargaining on which the municipal employer is required to bargain
under sub. (1) (a), the municipal employer is required to bargain collectively with
respect to all of the following:

1. Time spent during the school day, separate from pupil contact time, to
prepare lessons, labs, or educational materials, to confer or collaborate with other
staff, or to complete administrative duties.

2. The development of or any changes to a teacher evaluation plan under s.
118.225.

SECTION 37. 111.70 (4) (p) of the statutes is amended to read:
111.70 (4) (p) **Permissive subjects of collective bargaining: public safety and transit employees.** A municipal employer is not required to bargain with public safety employees or transit employees on subjects reserved to management and direction of the governmental unit except insofar as the manner of exercise of such functions affects the wages, hours, and conditions of employment of the public safety employees or of the transit municipal employees in a collective bargaining unit.

**SECTION 38.** 111.70 (7m) (c) 3. of the statutes is created to read:

111.70 (7m) (c) 3. ‘Strike in violation of award.’ Any person who authorizes or participates in a strike after a final and binding arbitration award or decision under sub. (4) (cm) is issued and before the end of the term of the agreement which the award or decision amends or creates shall forfeit $15 per offense. Each day of continued violation constitutes a separate offense.

**SECTION 39.** 111.70 (7m) (e) of the statutes is created to read:

111.70 (7m) (e) **Civil liability.** Any party refusing to include an arbitration award or decision under sub.
