**The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:**

3 **SECTION 1.** 46.48 (33) of the statutes is created to read:

4 46.48 (33) **TRAUMA-INFORMED CARE POSITION GRANTS.** (a) The department shall award 50 grants, each lasting for 2 fiscal years and in the amount of $75,000 per fiscal year per grant, to local branches of statewide private nonprofit organizations that
apply on a form prepared by the department and that satisfy all of the following criteria:

1. The organization is affiliated with a national organization that provides evidence-based services directly to children who are 5 years of age and older throughout this state.

2. The local branch is governed by a board of directors or other governing body that is representative of the community it serves or of a significant segment of the community it serves.

3. The organization has demonstrated an ability to raise $25,000 in moneys for trauma-informed care programming.

4. The local branch agrees in its application that it will use any grant moneys received to fund a trauma-informed care position and to pay administrative costs associated with trauma-informed care programming, including training for staff, to serve children who are 5 years of age or older and who live in the community served by the local branch.

(b) A local branch that receives a grant under this subsection shall contribute $25,000 of moneys raised by the organization to support the trauma-informed care position and administrative expenses for trauma-informed care programming, including training for staff.

SECTION 2. Fiscal changes.
