2019 SENATE BILL 439

AN ACT to amend 765.05, 765.08, 765.09 (3) (a), 765.09 (3) (b), 765.12 (2), 765.16 (1m) (intro.), 765.23 and 765.30 (3) (a) and (b) of the statutes; relating to: marriage license application requirements, issuance, and validity.

Analysis by the Legislative Reference Bureau

This bill makes various changes to the requirements relating to marriage licenses. Under the bill, an applicant for a marriage license is required to present a birth record, a driver’s license, or other comparable evidence for the purposes of proof of identification and date of birth. Current law requires that an applicant exhibit a certified copy of a birth record, but if a birth record is unobtainable, allows the applicant to present other “satisfactory documentary proof of the requisite facts” in lieu of the birth record. The bill maintains the provision existing under current law that if the clerk is not satisfied with the documentary proof presented, the clerk is required to submit the proof to a judge of a court of record in the county of application for an opinion as to its sufficiency.

Current law also includes a requirement that the marriage license application contain the social security number for each party who has a social security number. This bill maintains that requirement, but specifies that the clerk is prohibited from requiring an applicant to present his or her social security card issued by the federal Social Security Administration.

This bill eliminates current law residency requirements and allows parties, resident or nonresident, to obtain a marriage license in any county of the state. The bill also reduces the waiting period for a marriage license from five days to three days.
days. The county clerk retains discretion as under current law to waive the minimum waiting period and charge a fee of up to $25 to cover any additional processing cost incurred by the county for expediting the license. This bill extends the period for which a marriage license is valid from 30 days to 60 days. Finally, this bill creates an exception to the requirement that two competent adult witnesses other than the officiating person be present for the solemnization of marriage to be valid. Under the bill, if one of the parties is in the active military service of the United States, the presence of only one competent adult witness other than the officiating person is required.
