February 28, 2019 - Introduced by Joint Committee on Finance. Referred to Joint Committee on Finance.

1 AN ACT relating to: state finances and appropriations, constituting the executive budget act of the 2019 legislature.

Analysis by the Legislative Reference Bureau

INTRODUCTION

This bill is the executive budget bill under section 16.47 (1) of the statutes. It contains the governor’s recommendations for appropriations for the 2019-21 fiscal biennium.

The bill sets the appropriation levels in chapter 20 of the statutes for the 2019-21 fiscal biennium. The descriptions that follow in this analysis relate to the most significant changes in the law that are proposed in the bill.

For additional information concerning the bill, see the Department of Administration’s publication Budget in Brief and the executive budget books, the Legislative Fiscal Bureau’s summary document, and the Legislative Reference Bureau’s drafting files, which contain separate drafts on each policy item.

GUIDE TO THE BILL

The budget bill is organized like other bills. First, treatments of statutes appear in ascending numerical order of the statute affected. Next, any treatments of prior session laws appear ordered by the year of original enactment and then by act number (for instance, a treatment of 2015 Wisconsin Act 15 would precede a treatment of 2017 Wisconsin Act 6).

The remaining sections of the budget bill are organized by type of provision and, within each type, alphabetically by state agency. The first two digits of the four-digit

1. Mental health assistance for farmers

This bill authorizes DATCP to provide mental health assistance to farmers and farm families and creates an appropriation for that purpose.

2. Grants to local organizations that coordinate grazing

Under current law, DATCP promotes the growth of the dairy industry by making grants and loans to dairy producers, making grants to dairy processing plants, and through research, planning, and assistance. This bill requires DATCP to promote the dairy industry by providing grants to local organizations that coordinate grazing.

3. Preference for grants to small dairy processing plants

This bill requires DATCP, in awarding grants to dairy processing plants, to give preference to small dairy processing plants.

4. Preference for farm to school grants to certain districts

Current law requires DATCP to promote farm to school programs, which connect schools with nearby farms to provide children with locally produced foods in school meals. This bill requires DATCP, in awarding grants under the farm to school program, to give preference to school districts that have a high percentage of students who are eligible for free or reduced-price lunches under federal law.

5. Bonding authority for soil and water conservation grants

This bill increases the general obligation bonding authority for the Soil and Water Resource Management Program by $10,000,000. The program, which is administered by DATCP, awards grants to counties to help fund their land and water conservation activities. The total amount of debt that may now be obligated for this purpose is $78,075,000.

6. Type of appropriation for regulating food, lodging, and recreation

This bill converts a DATCP appropriation for regulation of food, lodging, and recreation from annual to continuing. An annual appropriation is expendable only in the fiscal year for which the appropriation is made. A continuing appropriation may be expended until fully depleted.

COMMERCE AND ECONOMIC DEVELOPMENT

COMMERCE

1. Minimum markup for motor vehicle fuel

Under current law, the Unfair Sales Act a) prohibits below-cost sales of any merchandise if the sale is intended to induce the purchase of other merchandise or
SENATE BILL 59

divert trade unfairly from a competitor; and b) requires a “minimum markup” (a specified amount over the cost of the merchandise to the seller) to be added to sales of motor vehicle fuel, tobacco products, fermented malt beverages, liquor, or wine. The required minimum markup for motor vehicle fuel is 3, 6, or 9.18 percent of the cost of the fuel to the seller, depending on whether the fuel is sold by a retailer or a wholesaler and whether the fuel is sold from a retail station. This bill exempts sales of motor vehicle fuel from the minimum markup requirement under the Unfair Sales Act.

ECONOMIC DEVELOPMENT

1. Cap on enterprise zones

This bill provides that WEDC may designate up to 35 enterprise zones under the enterprise zone tax credit program. The bill also repeals the requirement that WEDC receive approval from JCF prior to designating an enterprise zone. Under current law, WEDC may designate an unlimited number of enterprise zones, with each designation subject to approval by JCF under passive review.

2. WEDC grants to regional economic development organizations

This bill requires that WEDC annually award at least $1,000,000 in grants to regional economic development organizations to be spent on economic development activities, including marketing activities. Under current law, WEDC is required to provide grants to these organizations, but there is no minimum level of grants that must be awarded and the grants may be used only to fund marketing activities.

3. Energy efficiency and use of renewable resources in certain building projects

Subject to certain limitations, current law authorizes WEDC to award tax credits to a person making an investment in a building project in this state. The award may equal up to 5 percent of the investment. Under this bill, WEDC may award additional tax credits to such a person if the project satisfies certain requirements under current law and the investment is made for purposes of energy efficiency or the generation of energy from renewable resources.

4. WEDC board membership

Under the law prior to 2017 Wisconsin Act 369, the board of directors of WEDC consisted of 12 voting members as follows:

a. Six members appointed by the governor, subject to senate confirmation, to serve at the pleasure of the governor.

b. Three members appointed by the speaker of the assembly, consisting of one majority and one minority party representative to the assembly and one person employed in the private sector, all of whom serve at the speaker’s pleasure.

c. Three members appointed by the senate majority leader, consisting of one majority and one minority party senator and one person employed in the private sector, all of whom serve at the majority leader’s pleasure.

Act 369 provides for two compositions of the WEDC board, one to be in effect until September 1, 2019, and the second to be in effect after that date. After September 1, 2019, the act provides for a 16-voting member board, consisting of six members nominated by the governor; four members appointed by the assembly

senate bill 59

Speaker; four members appointed by the senate majority leader; one member appointed by the assembly minority leader; and one member appointed by the senate minority leader. All of the members appointed by legislators serve four-year terms.

Before September 1, 2019, the act authorizes the assembly speaker and the senate majority leader to each appoint one additional board member, resulting in a board with 18 voting members until that date.

This bill restores prior law with respect to the membership of the WEDC board.

5. WEDC CEO

Under the law prior to 2017 Wisconsin Act 369, the chief executive officer of WEDC was nominated by the governor, and with the advice and consent of the senate appointed, to serve at the pleasure of the governor. Under Act 369, the chief executive officer of WEDC is appointed by the board of directors of WEDC until September 1, 2019, at which point the governor again nominates the chief executive officer. This bill repeals that provision in Act 369.

6. WEDC contracting requirements

This bill creates certain requirements for contracts between WEDC and recipients of grants, loans, or tax credits awarded by WEDC. Under the bill, WEDC may not enter into a contract for a grant, loan, or tax credit before all of the following occur:

a. WEDC verifies the applicant's number of full-time employees through payroll or other business records.

b. WEDC's underwriting staff completes a review of the application for the grant, loan, or tax credit, including an evaluation of all statutory requirements and all requirements under WEDC's policies and procedures that apply to the grant, loan, or tax credit.

The bill also requires that all terms of each contract WEDC executes must, at the time the contract is executed, be in compliance with all applicable state laws and all applicable WEDC policies and procedures.

Finally, the bill specifies that each contract WEDC executes must require the award recipient to submit payroll records, or other business records WEDC deems sufficient, to WEDC for the purpose of accounting for jobs created or retained.

7. Disclosure of WEDC contracts; material changes to contracts or projects

Under this bill, any WEDC contract under which a taxpayer may be eligible to claim total tax benefits in excess of $5,000,000 must require the taxpayer to notify WEDC of any material change to the project and the effect of the material change on the contract’s performance goals or requirements. The bill requires WEDC to notify JCF of these material changes and any other material change to such a contract that is due to an amendment to the contract. The bill also requires that WEDC’s Internet site contain a searchable database of all final contracts, including amendments, that provide a grant, loan, or tax credit.

8. Reports to WEDC concerning job elimination or relocation

This bill requires that a recipient of a grant, loan, or tax credit from WEDC report certain job losses or job relocations outside Wisconsin to WEDC within seven business days after the jobs are eliminated or relocated. If the recipient shows that
extenuating circumstances prevent meeting the seven-day requirement, the recipient may submit the report within 30 days. The bill further requires that no grant, loan, or tax credit from WEDC may be used to relocate jobs outside Wisconsin or to reduce net employment in Wisconsin.

9. WEDC reporting on job creation and retention

This bill requires that WEDC, when reporting on jobs created or retained in the state as a result of an economic development program administered by WEDC, include only those jobs that meet the criteria for receiving a grant, loan award, or tax credit under the program.

10. Repayment of tax credits

Under this bill, no later than seven days after WEDC receives a repayment of tax credits, WEDC must remit the full amount of the payment to the secretary of administration for deposit in the general fund.

11. Information sharing between WEDC and DOR

This bill allows WEDC and DOR to enter into an agreement under which WEDC may obtain copies of tax returns and related documents from DOR. The bill requires that WEDC keep the records confidential. The bill also authorizes WEDC to examine tax returns and related documents held by DOR to the extent necessary to administer WEDC’s economic development programs. Under current law, WEDC’s examination authority is limited to the development zone tax credit program.

12. Modifications to WEDC reporting requirements

This bill modifies WEDC’s reporting requirements to the legislature and DOR. First, the bill alters the requirement that WEDC, prior to the beginning of each calendar year, report to the legislature on the economic development projects it intends to develop and implement during the year. Under the bill, the reporting period is the fiscal year not the calendar year. Second, the bill repeals the requirement that WEDC report to the legislature on the economic development tax credit program. This program ended in 2015, and taxable year 2019 is the final year for which taxpayers may claim the credit under contracts with WEDC. Third, the bill modifies the requirement that WEDC’s quarterly reports to DOR include the amount of tax credits claimed by a person whose certification to claim credits has been revoked. Under the bill, WEDC must report the amount of tax credits that WEDC determined the person was eligible to claim, rather than the amount of credits already claimed.

13. Economic development liaison project position

Under current law, WEDC has the authority to appoint and supervise an economic development liaison project position in DOA. DOA had that authority when the position was first created. This bill returns that authority to DOA.

14. WEDC appropriation adjustments

This bill adjusts the calculation used to determine the amount of WEDC’s general purpose revenue appropriation. The bill does not raise the cap on that appropriation, which is $16,512,500 per fiscal year.
1. Art in state buildings program

This bill establishes a program administered by the Arts Board for the acquisition and display of works of art in and on the grounds of state buildings open to the general public. Under the bill, for building projects costing at least $250,000, at least two-tenths of 1 percent of the appropriation for the construction, reconstruction, remodeling of, or addition to a state building must be used to acquire one or more works of art to be incorporated into the building or displayed in or on the grounds of the building. The Arts Board must appoint an advisory committee for each building project and, after reviewing the committee’s recommendations, must select one or more works of art for the project. The bill contains specific contract requirements for the Arts Board's acquisition of works of art, including vesting ownership of the works of art in the state but reserving certain rights to the artists. Under the bill, the Arts Board is required to ensure that selected works of art represent a wide variety of art forms and artists, except that preference must be given to Wisconsin artists, and that each work of art is maintained and displayed for at least 25 years, unless earlier removal is in the public interest.

2. Housing quality standards grants

This bill requires DOA to award grants to owners of rental housing units in Wisconsin for purposes of satisfying applicable housing quality standards.

2. Increased bonding authorization

This bill increases from $600,000,000 to $1,000,000,000 WHEDA's bonding limit for most of its programs, including housing programs for individuals and families of low or moderate income.

CORRECTIONAL SYSTEM

1. Age of juvenile court jurisdiction

Under current law, a person 17 years of age or older who is alleged to have violated a criminal law is subject to the procedures specified in the Criminal Procedure Code and, on conviction, is subject to sentencing under the Criminal Code, which may include a sentence of imprisonment in the Wisconsin state prisons. Currently, subject to certain exceptions, a person under 17 years of age who is alleged to have violated a criminal law is subject to the procedures specified in the Juvenile Justice Code and, on being adjudicated delinquent, is subject to an array of dispositions under that code including placement in a juvenile correctional facility. This bill raises from 17 to 18 the age at which a person who is alleged to have violated a criminal law is subject to the procedures specified in the Criminal Procedure Code and, on conviction, to sentencing under the Criminal Code.

Similarly, under current law, a person 17 years of age or older who is alleged to have violated a civil law or municipal ordinance is subject to the jurisdiction and procedures of the circuit court or, if applicable, the municipal court, while a person under 17 years of age who is alleged to have violated a civil law or municipal
ordinance, subject to certain exceptions, is subject to the jurisdiction and procedures of the court assigned to exercise jurisdiction under the Juvenile Justice Code. This bill raises from 17 to 18 the age at which a person who is alleged to have violated a civil law or municipal ordinance is subject to the jurisdiction and procedures of the circuit court or, if applicable, the municipal court.

2. Closing Lincoln Hills and Copper Lake schools

This bill makes certain changes to the grant program for the design and construction of new secured residential care centers for children and youth (SRCCCYs) under 2017 Wisconsin Act 185. Act 185 created a grant program for counties to construct new SRCCCYs for the purpose of holding in secure custody juveniles who are adjudicated delinquent and given a correctional placement under the Juvenile Justice Code. Act 185 formed a juvenile corrections grant committee for the purpose of awarding the grants, including three members appointed from each house of the legislature. This bill requires that one member appointed from each house is appointed by the appropriate minority party leader. Under Act 185, grant applications are due by March 31, 2019, and plan recommendations must be submitted by the grant committee to JCF by July 1, 2019. This bill extends the grant program deadlines by three months, so that applications are due by June 30, 2019, and plan recommendations are due to JCF by October 1, 2019.

Act 185 also required the current juvenile correctional facility owned and operated by DOC (Lincoln Hills and Copper Lake schools) to be closed no later than January 1, 2021, or when all of the juveniles that are held there are transferred to the new county-run SRCCCYs or a new state-run juvenile correctional facility, also funded by and required under Act 185. This bill removes the deadline for closing Lincoln Hills and Copper Lake schools and for constructing the new SRCCCYs and new state-run juvenile correctional facility.

3. Mendota Juvenile Treatment Center

Under Act 185, a juvenile under the supervision of a county at an SRCCCY may be transferred to the Mendota Juvenile Treatment Center (MJTC), which is a Type 1 juvenile correctional facility (Type 1 facility) operated by DHS, on the recommendation of DHS and after a court hearing. Under this bill, a court may place such a juvenile at MJTC only if DHS approves. In addition, only the Mendota Mental Health Institute director or his or her designee may make decisions regarding the admission of juveniles to and the treatment of juveniles at MJTC and the release and return of juveniles to the appropriate state or county facility.

Under current law, a county pays DOC a daily rate for each juvenile from that county placed at a Type 1 facility under DOC supervision. DOC may transfer juveniles from a Type 1 facility to MJTC, and DOC is required to transfer an amount specified by statute each fiscal year to DHS for services DHS provides for those juveniles. Under Act 185, if a juvenile is transferred from an SRCCCY to MJTC, the juvenile is under DOC supervision just as if the juvenile were at a DOC-operated Type 1 facility, and the county pays DOC a daily rate for that juvenile. Similarly, DOC reimburses DHS for the juvenile’s care at MJTC the same way it pays for other juveniles under its supervision at MJTC. Under this bill, such a juvenile remains
under the supervision of the county, and DHS may directly charge the county a rate that DHS sets for care provided to such juveniles at MJTC.

Act 185 requires DHS to construct an expansion of MJTC to accommodate no fewer than 29 additional juveniles, subject to the approval of JCF. This bill eliminates the requirement that DHS obtain approval of JCF before constructing the expansion.

4. Costs for the placement of juveniles in a Type 1 facility

This bill updates the daily rate paid by counties to DOC for services provided to juveniles in a Type 1 facility, and increases the amount transferred from DOC to DHS for the operation of MJTC. Under the bill, the daily rate for care in a Type 1 facility is $501 for fiscal year 2019-20, $513 for the first half of fiscal year 2020-21, and $588 for the second half of fiscal year 2020-21. Under the bill, DOC is required to transfer $3,224,100 to DHS for the operation of MJTC in fiscal year 2019-20, and $5,878,100 in fiscal year 2020-21.

5. Community youth and family aids

Under current law relating to community youth and family aids, generally referred to as “youth aids,” DCF is required to allocate to counties various state and federal moneys to pay for state-provided juvenile correctional services and local delinquency-related and juvenile justice services. This bill sets the amounts of youth aids that DCF must allocate to counties in the 2019-21 fiscal biennium.

The bill appropriates to DCF a sum sufficient for youth aids-related purposes but only to reimburse counties, beginning on January 1, 2021, for costs associated with juveniles who were alleged to have violated a state or federal criminal law or any civil law or municipal ordinance at age 17. The bill also provides funding and requires DCF to reimburse counties for one-time start-up costs incurred for youth aids-related purposes in establishing, alone or jointly with one or more counties, a secured residential care center for children and youth. The bill requires DCF to consult with county representatives to determine those expenses that are eligible for reimbursement and to evaluate modifications to the youth aids formula.

6. Eliminating report on reduced sentences

Current law requires DOC to submit a report to the legislature, upon request, regarding individuals who, since the previous report or during a date range specified in the request, were pardoned or released from imprisonment before completing their sentences. The report must identify each individual by name, include the crime for which he or she was convicted, and provide the name of the person who pardoned the individual or authorized the early release. This bill eliminates this report.

COURTS AND PROCEDURE

PUBLIC DEFENDER

1. Public defender private attorney rate increase

This bill changes the rate at which the public defender must pay a private local attorney to whom a case is assigned from $40 per hour for time spent related to a case, excluding travel, to $70 per hour for time spent related to a case, excluding travel,
SENATE BILL 59

with certain exceptions. Under the bill, the rate must be adjusted biennially by a percentage that correlates with the federal Department of Labor’s consumer price index.

DOMESTIC RELATIONS

1. Elimination of birth cost recovery

This bill eliminates the requirement that a court include in a judgment or order relating to paternity an order for a father to pay for a portion of pregnancy and birth expenses. Under current law, a court is required to include in a paternity order an order for the father to repay a portion of pregnancy and birth expenses, taking into account the father’s income and ability to pay. This bill eliminates orders relating to pregnancy and birth expenses. The bill also expressly prohibits the state from seeking recovery of birth expenses. Under current law, if the mother of a child was enrolled in a health maintenance organization or other prepaid health care plan under the Medical Assistance program at the time of the child’s birth, the state could seek to recover from the father the birth expenses incurred by the health maintenance organization or other prepaid health care plan.

2. Child support custodial parent fee

This bill changes the annual fee collected from every individual receiving child support or family support payments from $25 to $35 in order to conform to applicable federal law, specifically changes enacted in the federal Bipartisan Budget Act of 2018.

GENERAL COURTS AND PROCEDURE

1. Qui tam actions for false claims

This bill restores a private individual’s authority to bring a qui tam claim against a person who makes a false or fraudulent claim for medical assistance, which was eliminated in 2015 Wisconsin Act 55, and further expands qui tam actions to include any false or fraudulent claims to a state agency. A qui tam claim is a claim initiated by a private individual on his or her own behalf and on behalf of the state against a person who makes a false claim relating to medical assistance or other moneys from a state agency. The bill provides that, of moneys recovered as a result of a qui tam claim, a private individual may be awarded up to 30 percent of the amount recovered, depending upon the extent of the individual’s contribution to the prosecution of the action. The individual may also be entitled to reasonable expenses incurred in bringing the action, as well as attorney fees. The bill also includes additional changes not included in the prior law to incorporate provisions enacted in the federal Deficit Reduction Act of 2005 and conform state law to the federal False Claims Act, including expanding provisions to facilitate qui tam actions and modifying the bases for liability to parallel the liability provisions under the federal False Claims Act. In addition to qui tam claims, DOJ has independent authority to bring a claim against a person for making a false claim for medical assistance. The bill modifies provisions relating to DOJ’s authority to parallel the liability and
penalty standards relating to qui tam claims and to parallel the forfeiture amounts provided under the federal False Claims Act.

CRIMES

1. Decriminalizing 25 grams or less of marijuana

Current law prohibits a person from possessing or attempting to possess; possessing with the intent to manufacture, distribute, or deliver; and manufacturing, distributing, or delivering marijuana. The penalties vary based on the amount of marijuana or plants involved or the number of previous controlled-substance convictions the person has. Current law also allows local governments to enact ordinances prohibiting the possession of marijuana.

This bill eliminates a) the penalty for possession of marijuana if the amount of marijuana involved is no more than 25 grams; b) the penalty for manufacturing or for possessing with the intent to manufacture, distribute, or deliver if the amount of marijuana involved is no more than 25 grams or the number of plants involved is no more than two; and c) the penalty for distributing or delivering marijuana if the amount of marijuana involved is no more than 25 grams or the number of plants involved is no more than two. The bill retains the current law penalty for distributing or delivering any amount of marijuana to a minor who is no more than 17 years of age by a person who is at least three years older than the minor. The bill limits local governments to enacting ordinances prohibiting only the possession of more than 25 grams of marijuana.

The bill also prohibits establishing probable cause that a person is violating the prohibition against possessing more than 25 grams of marijuana by an odor of marijuana or by the possession of not more than 25 grams of marijuana. Current law requires that, when determining the weight of controlled substances, the weight includes the weight of the controlled substance together with any compound, mixture, or other substance mixed or combined with the controlled substance. Under the bill, when determining the amount of tetrahydrocannabinols, only the weight of the marijuana may be considered. Finally, the bill creates a process for expunging or dismissing convictions involving less than 25 grams of marijuana that occurred before this bill takes effect.

EDUCATION

PRIMARY AND SECONDARY EDUCATION: SCHOOL DISTRICT FUNDING

1. School district funding; fair funding for our future

This bill makes a number of changes in the laws relating to public school financing, including the following:

a. Currently, the amount appropriated each fiscal year for general school aid is a sum set by law. Beginning in the 2020–21 school year, this bill directs DPI, DOA, and the Legislative Fiscal Bureau annually to jointly certify to JCF an estimate of the amount necessary to appropriate in the following school year to ensure that state school aids equal two-thirds of partial school revenues (in general, the sum of state
SENATE BILL 59

school aids and school property taxes). Under the bill, JCF determines the amount appropriated as general school aids in each odd-numbered fiscal year and the amount is set by law in each even-numbered fiscal year.

b. For purposes of determining a school district’s general school aid amount, this bill changes how a pupil enrolled in a four-year-old full-day kindergarten program is counted for purposes of general school aid from 0.5 pupil to one pupil. Additionally, for purposes of the general school aid formula, the bill requires each pupil who is eligible for a free or reduced-price lunch to be counted as an additional 0.2 pupil solely for the purpose of determining a school district’s property value per member.

c. Currently, if a school district would receive less in general state aid in any school year than 85 percent of the amount it received in the previous school year, its state aid for the current school year is increased to 85 percent of the aid received in the previous school year. This bill increases the percentage to 90 percent.

d. This bill provides that a school district’s state aid in any school year may not be less than an amount equal to the school district’s membership multiplied by $3,000.

e. Under current law, there is no per pupil adjustment for purposes of calculating a school district’s revenue limit. This bill provides a per pupil adjustment of $200 per pupil for the 2019–20 school year and $204 for the 2020–21 school year. Under the bill, in the 2021–22 school year and thereafter, the per pupil adjustment is the per pupil adjustment for the previous school year as adjusted for any increase in the consumer price index.

f. Current law provides a minimum per pupil revenue limit for school districts, known as the revenue limit ceiling. Under the bill, the revenue limit ceiling for school districts is $9,700 in the 2019–20 school year and $10,000 in the 2020–21 school year and each school year thereafter. Under current law, the revenue limit ceiling is $9,500 in the 2019–20 school year, and increases by $100 each school year until the ceiling reaches $9,800 in the 2022–23 school year. Current law also provides that during the three school years following a school year in which an operating referendum fails in a school district, the school district’s revenue limit ceiling is the revenue limit ceiling that applied in the school year during which the referendum was held. This bill eliminates this consequence for a failed operating referendum.

g. This bill creates a revenue limit adjustment for a school district that incurs costs to remediate lead contamination in drinking water in the school district, including costs to test for the presence of lead in drinking water, to provide safe drinking water, and to replace lead pipe water service lines to school buildings in the school district.

h. Currently, if at least 50 percent of a school district’s enrollment is eligible for a free or reduced-price lunch under the federal school lunch program, the school district is eligible for a prorated share of the amount appropriated as high-poverty aid. This bill eliminates this aid beginning in the 2020–21 school year. The bill provides additional state aid for the 2020–21 school year to hold school districts harmless from the loss of high-poverty aid.
i. Currently, $75,000,000 in general school aid payments is delayed until the following school year. Under the bill, there are no delayed payments in the 2019-20 school year. Beginning in the 2020-21 school year, this bill delays $1,090,000,000 in general school aid payments until the following school year.

j. In the school district equalization aid formula, the guaranteed evaluations represent the amount of property tax base support that the state guarantees behind each pupil. There are three guaranteed valuations used; each applies to a different level of expenditures. The first level is for expenditures up to the primary cost ceiling of $1,000 per pupil. The second level is for costs per pupil that exceed $1,000 but are less than the secondary cost ceiling, which is set at 90 percent of the prior school year statewide shared cost per pupil. This bill changes the secondary cost ceiling to 100 percent of the prior school year statewide shared cost per pupil.

k. The bill eliminates the school levy property tax credit and the first dollar property tax credit in 2021. See Taxation—Property taxation.

2. Per pupil aid

This bill provides that the amount of per pupil aid in the 2018-19 school year, which is $654 per pupil, continues at that level for future school years. Under current law, the amount of per pupil aid decreases to $630 per pupil in the 2019-20 school year and in each school year thereafter.

3. Special education funding

Additional special education aid. This bill increases the amount DPI pays to school boards, cooperative educational service agencies, county children with disabilities education boards, and operators of independent charter schools for costs incurred to provide special education and related services to a child with a disability that exceed $30,000 in one school year from 90 percent of the costs that exceed $30,000 to 100 percent of the costs that exceed $30,000 (additional special education aid). Under current law, if the amount appropriated for additional special education aid is insufficient to pay the full amount to the eligible entities, DPI must prorate payments among all eligible entities. The bill converts the appropriation for the aid to a sum sufficient, eliminating the need to prorate aid due to an insufficient appropriation.

Supplemental special education aid. This bill eliminates supplemental special education aid on July 1, 2020. Under current law, DPI provides supplemental special education aid to a school district that in the previous year had revenue limit authority per pupil that was below the statewide average, that had expenditures for special education that were more than 16 percent of the school district’s total expenditures, and that had a membership that was less than 2,000 pupils. Under current law, a school district may not receive both supplemental special education aid and additional special education aid in the same school year.

Special education transition grants. This bill changes the per individual amount for grants awarded to school districts and independent charter schools under the special education transition grant program. Under current law, a school district or independent charter school is awarded $1,000 per qualifying individual. Under the bill, a school district or independent charter school is awarded the lesser of a) $1,500 per qualifying individual or b) an amount per qualifying individual that is
SENATE BILL 59

determined by dividing the amount appropriated for these grants in a school year by the total number of individuals who qualify for the grants in that school year.

4. Sparsity aid

This bill makes certain additional school districts eligible for sparsity aid. Under current law, a school district is eligible for sparsity aid in the amount of $400 per pupil if the school district’s membership in the previous school year did not exceed 745 pupils and if the membership divided by the school district’s area in square miles is less than ten. Also, under current law, a school district that was eligible to receive sparsity aid in the previous school year but that is not eligible to receive sparsity aid in the current school year because the school district’s membership exceeded 745 pupils may receive up to 50 percent of the aid the school district received in the previous school year.

Under this bill, beginning in the 2020-21 school year, a school district with the same density of pupils per square mile and a membership that exceeds 745 pupils is eligible for sparsity aid in the amount of $100 per pupil. The bill also provides that, beginning in the 2020-21 school year, a school district that is ineligible for sparsity aid because it no longer satisfies the pupils per square mile requirement may receive 50 percent of the aid the school district received in the previous school year.

5. Transportation aid

This bill increases the reimbursement rate to school districts and independent charter school operators, beginning in the 2019-20 school year, for transporting a pupil who lives more than 12 miles from the school the pupil attends from $365 per school year to $375 per school year. Under current law, a school district that provides transportation to pupils to and from summer classes may be reimbursed for certain transportation costs, but, if a pupil is transported fewer than 30 days, that aid is proportionately reduced. The bill eliminates the requirement that DPI reduce the amount of state aid a school district receives for transporting a pupil if the pupil is transported fewer than 30 days.

6. High cost transportation aid

Under current law, a school district that qualified for high cost transportation aid in the previous school year but did not qualify in the current school year is eligible to receive aid equal to 50 percent of the high cost transportation aid the school district received in the previous school year, commonly called a “stop-gap” payment. However, current law provides that, if the total amount of stop-gap payments to all school districts in a school year exceeds $200,000, the state superintendent of public instruction must prorate the payments. This bill eliminates that cap and instead provides that, if the total amount of high cost transportation aid, including stop-gap payments, for a school year exceeds the amount appropriated for high cost transportation aid for the school year, all high cost transportation aid must be prorated.

7. Bilingual-bicultural education; aid programs

Limited-English pupils; targeted aid program. Beginning in the 2020-21 school year, this bill requires DPI to provide additional aid to school districts for limited-English proficient (LEP) pupils whose English proficiency is in one of the
SENATE BILL 59

three lowest classifications. The amount of the additional aid is $100 per eligible pupil, unless the amount appropriated for the aid program is insufficient, in which case DPI prorates the aid payments. Current law requires each school board to assess the language proficiency of each LEP pupil and to classify, among other things, the pupil’s English language proficiency.

_Bilingual-bicultural education supplemental aid._ This bill creates a new bilingual-bicultural aid program for school districts. Under the bill, beginning in the 2020-21 school year, DPI must annually pay each school district an amount equal to $100 times the number of LEP pupils enrolled in the school district in the previous school year for whom the school district was not required to provide a bilingual-bicultural education program. If there are insufficient funds to provide the total aid amount in any fiscal year, DPI must prorate the payments.

Under current law, a school district is required to provide a bilingual-bicultural education program to LEP pupils who attend a school in the school district if the school meets any of the following thresholds: a) within a language group, ten or more LEP pupils are enrolled in kindergarten to grade three; b) within a language group, 20 or more LEP pupils are enrolled in grades four to eight; or c) within a language group, 20 or more LEP pupils are enrolled in grades nine to twelve.

_Bilingual-bicultural education program grants._ This bill creates a grant program under which DPI may award grants beginning in the 2020-21 school year, in amounts determined by DPI, to school districts and independent charter schools to support bilingual-bicultural education programs or other educational programming for LEP pupils enrolled in the school district or independent charter school.

8. _Driver education aid_

This bill creates a new aid program for school boards, independent charter schools, and cooperative educational service agencies that offer a driver education program to pupils who meet the income eligibility standard for a free or reduced-price lunch in the federal school lunch program. To be eligible for this aid, a school board, independent charter school, or CESA must demonstrate to DPI that it reduced program participation fees for eligible pupils. Under the bill, DPI pays the school board, operator of the independent charter school, or CESA an amount equal to the number of eligible pupils who completed the driver education program in the previous school year multiplied by the lesser of $200 or the amount by which it reduced its program participation fees.

PRIMARY AND SECONDARY EDUCATION: CHOICE, CHARTER, OPEN ENROLLMENT, AND OTHER RELATED PROGRAMS

1. _Parental choice program caps_

This bill caps the total number of pupils who may participate in the Milwaukee Parental Choice Program, the Racine Parental Choice Program, or the statewide parental choice program (parental choice program) at the number of pupils who attended a private school under the parental choice program in the 2019-20 school year. Under the bill, beginning in the 2020-21 school year, if the number of applications to participate in a parental choice program exceeds the program cap, DPI must determine which applications to accept on a random basis.
2. **Teacher licensure in parental choice programs and the Special Needs Scholarship Program**

With certain exceptions, the bill requires that, beginning on July 1, 2022, teachers at private schools participating in a parental choice program or in the Special Needs Scholarship Program must hold a license or permit issued by DPI. Under current law, teachers at choice schools must have at least a bachelor’s degree from a nationally or regionally accredited institution of higher education, but they are not required to be licensed by DPI. There are no current law requirements regarding who may teach at SNSP schools.

3. **Accreditation in parental choice programs**

The bill requires that a private school that begins participation in a parental choice program in the 2021–22 school year or in any school year thereafter must be accredited by August 1 of the school year in which the private school begins participation in the parental choice program. Under current law, a private school must do all of the following:

   a. Obtain preaccreditation by a preaccrediting entity by August 1 (December 15 for new private schools) before the first school term in which the private school begins participation in the parental choice program, or by May 1 if the private school begins participating in the parental choice program during summer school.

   b. Apply for accreditation by an accrediting entity by December 31 of the first school year in which the private school begins participation in the parental choice program.

   c. Obtain accreditation by an accrediting entity by December 31 of the third school year following the first school year in which the private school begins participation in the parental choice program.

4. **Changes to the Special Needs Scholarship Program**

Under current law, a child with a disability who meets certain eligibility criteria may receive a scholarship to attend a private school participating in the SNSP. This bill makes the following changes to the SNSP:

   a. The bill provides that, beginning in the 2020–21 school year, DPI may not provide an SNSP scholarship to a child to attend a private school unless the child was attending a private school under the SNSP in the 2019–20 school year. In addition, if the child does not attend a private school under an SNSP scholarship in any school year after the 2019–20 school year, DPI may not provide an SNSP scholarship to the child for any subsequent school year.

   b. 2017 Wisconsin Act 59, the 2017 biennial budget act, created a process that allows the scholarship amount under the SNSP to be determined based on the actual costs to educate the child in the previous school year, as reported by the private school. The first SNSP scholarship payments based on the actual costs will be paid in the 2019–20 school year based on the actual costs reported for the 2018–19 school year. The bill eliminates the process for determining SNSP scholarships based on actual costs and reinstates the scholarship amount under the SNSP that existed prior to the 2017 biennial budget act. Under the bill, the SNSP scholarship amount is the same for all pupils and is determined by law. For the 2018–19 school year, the amount is $12,431.
SENATE BILL 59

c. The bill provides that, with certain exceptions explained below, a private school participating in the SNSP may participate only if the private school also participates in a parental choice program. Under current law, a private school may participate in the SNSP if the private school is accredited or if the private school’s educational program meets certain criteria.

The bill provides that, if a private school that is participating in the SNSP in the 2019-20 school year does not participate in a parental choice program, the private school must, if the private school is not accredited by August 1, 2019, do all of the following: i) obtain preaccreditation by August 1, 2020; ii) apply for accreditation by December 31, 2020; and iii) obtain accreditation by December 31, 2023. In addition, a private school that does not participate in a parental choice program must, after obtaining accreditation, comply with other requirements relating to accreditation, including maintaining accreditation and providing information to DPI regarding the private school’s accreditation status. A private school that meets the accreditation requirement may continue to participate under that requirement for so long as the private school continuously participates in the SNSP.

d. The bill provides that, beginning in the 2020-21 school year, a private school participating in the SNSP may not charge a child receiving an SNSP scholarship tuition, in addition to the payments the private school receives under the SNSP, if i) the child is enrolled in a grade from kindergarten to eighth; or ii) the child’s family income does not exceed 220 percent of the federal poverty line. The bill also provides that, beginning in the 2020-21 school year, a private school participating in the SNSP may recover reasonable fees from a child receiving an SNSP scholarship for certain enumerated items and services the school provides to the child but may not expel or discipline a child for failing to pay those fees.

e. The bill provides that a private school participating in the SNSP must allow a child attending the private school under the SNSP to refrain from participating in any religious activity if the child’s parent submits to the child’s teacher or the private school’s principal a written request that the child be exempt from such activities.

5. **Authorization of new independent charter schools**

This bill provides that, beginning on the effective date of the bill and ending on July 1, 2023, an authorizer of an independent charter school generally may not enter into a contract with a person to operate a charter school that was not operating on the effective date of the bill. Under current law, an independent charter school may be authorized by the director of the Office of Educational Opportunity in the UW System, the common council of the city of Milwaukee, the chancellor of any institution in the UW System, any technical college district board, the College of Menominee Nation, the Lac Courte Oreilles Ojibwa Community College, or the county executive of Waukesha County.

6. **Eliminate Open Enrollment transfer amount based on actual costs**

This bill eliminates the process for determining a full-time Open Enrollment transfer amount for a child with a disability based on the actual cost to educate the child in the previous year and reinstates the OEP transfer amount for a child with a disability that existed prior to the 2017 biennial budget act. Under the bill, the OEP
transfer amount for a child with disability is the same for all children and is determined by law. In the 2018–19 school year, the amount is $12,431. This change is similar to the elimination of the process for determining the SNSP scholarship amount based on actual costs, as described in item 4.

2017 Wisconsin Act 59, the 2017 biennial budget act, created a process that allows the transfer amount for a child with a disability in the full-time OEP to be determined based on the actual costs to educate the child in the previous school year, as reported by the nonresident school district. The maximum OEP transfer amount based on actual costs is $30,000. Under current law, an OEP transfer amount based on actual costs will first be transferred in the 2019–20 school year.

7. Payment Indexing: parental choice programs, the SNSP, independent charter schools, full-time open enrollment program, and whole grade sharing agreements

Under current law, the per pupil payment amounts under the parental choice programs and the SNSP, the per pupil payment amount to independent charter schools, the transfer amounts under the full-time open enrollment program, and the required transfer amount for a child with a disability in a whole grade sharing agreement (collectively, per pupil payments) are adjusted annually. The annual adjustment for per pupil payments is an amount equal to the sum of any per member revenue limit increase that applies to school districts in that school year and any per member increase in categorical aids between the current school year and the previous school year. Under the bill, beginning in the 2019–20 school year, the annual adjustment for per pupil payments is the sum of the per member revenue limit increase that applies to school districts in that school year, if any, and the increase, if any, in the per member amount of per pupil aid paid to school districts between the previous school year and the current school year.

8. The Early College Credit and Dual Enrollment Programs

This bill eliminates the Early College Credit Program. Under the ECCP, a high school pupil, including a high school pupil attending a private school, may enroll in an institution of higher education for the purpose of taking one or more courses to earn high school credit or postsecondary credit or both. An institution of higher education is defined to mean an institution within the UW System, a tribally controlled college, or a private, nonprofit institution of higher education located in this state. The cost of tuition for each course is divided among the state, the school board of the pupil’s school or the governing body of the private school the pupil attends, and the pupil. The share that each responsible party pays is dependent on whether the course is taken for high school credit or postsecondary credit and whether a course similar to the course taken at the institution of higher education is comparable to a course offered by the school district or private school.

The bill replaces the ECCP with a requirement that the UW System implement a program to provide tuition-free courses to high school students. See Higher education.

This bill also eliminates a program under which high school students may take courses at technical colleges. Under this program, a public school pupil who satisfies certain criteria, including providing timely notice to the pupil’s school district, may
apply to attend a technical college for the purpose of taking one or more courses. With an exception, the technical college district board must admit the pupil to the technical college if the pupil meets course prerequisites and there is space available in the course. The pupil is eligible to receive both high school and technical college credit for courses successfully completed at the technical college. If the course is not comparable to courses offered in the school district, the school district must pay to the technical college the pupil’s tuition and fees for each course taken for high school credit, and the pupil is not responsible for any portion of the tuition and fees for the course.

The bill replaces this program with a requirement that the technical college districts implement a program to provide tuition-free courses to high school students. See Higher education.

9. Eliminate Opportunity Schools and Partnership Programs

This bill eliminates the Opportunity Schools and Partnership Programs. Under current law, there are three OSPPs: a first class city OSPP applicable only to Milwaukee Public Schools; the MPS superintendent of schools OSPP; and the OSPP for certain eligible school districts. Current law provides that the first class city OSPP and each eligible school district OSPP are under the supervision of a commissioner appointed by the county executive of the county in which the school district is located. Currently, under each OSPP, either the commissioner or the MPS superintendent of schools grants supervision over the operation and general management of each eligible school in the school district to an entity other than the school board. Those entities include a person that operates a charter school and the governing body of a nonsectarian private school participating in a parental choice program. Under current law, an eligible school is a school that was assigned to the lowest performance category on the most recent accountability report published for the school.

10. Milwaukee Parental Choice Program state aid reduction

Under current law, the estimated cost of the payments made to private schools participating in the Milwaukee Parental Choice Program is partially offset by two reductions in the general school aid otherwise paid to the Milwaukee Public Schools. For the 2010-11 school year and in each school year thereafter, one of the reductions to MPS is an amount equal to 6.6 percent of the cost of payments made to private schools participating in the MPCP. Current law requires DPI to pay an amount equal to that reduction amount to the City of Milwaukee and requires the City of Milwaukee to pay that amount to the board of school directors of MPS. This bill eliminates the 6.6 percent aid reduction and the requirements that the reduction amount be paid by DPI to the city and by the city to the board. The bill does not make any changes to other state aid reduction. See Taxation—Property taxation.

Primary and Secondary Education: Grant Programs

1. Urban school districts; grant programs

This bill provides various grant opportunities for urban school districts. Under the bill, an “urban school district” is a school district in which at least 18,000 pupils were enrolled in the 2018-19 school year (Green Bay Area Public School District,
SENATE BILL 59

Madison Metropolitan School District, Milwaukee Public Schools, Kenosha Unified School District, and Racine Unified School District) and, in future school years, any other school district in which at least 18,000 pupils were enrolled in the previous school year.

*Early childhood education grants.* This bill creates an annual grant program under which DPI must award grants to urban school districts to develop, implement, and administer new or expanded early childhood education programs to enhance learning opportunities for young children residing in the urban school district and to prepare those children for entry into the elementary grades. Under the grant program, DPI must, with certain exceptions, award grants in the amount of $1,000 per eligible child who attends an urban school district’s early childhood education program in the current school year. An “eligible child” is a child who resides in the urban school district and who is a) three years old on or before September 1 in the relevant school year, or b) less than three years old but eligible to attend the early childhood education program under the urban school district’s early admission standards.

*Summer school grants.* Under current law, DPI must award a grant to a first class city school district (currently, only MPS) for the purpose of developing, redesigning, or implementing a summer school program. This bill expands eligibility for these summer school grants to include all urban school districts. Under the bill, DPI must annually allocate $2,000,000 in summer school grant funding to MPS and must allocate the remaining funding equally among the other urban school districts.

*Grants for national teacher certification or master educator licensure.* Under current law, DPI awards annual grants of $5,000 each to an individual who is certified by the National Board for Professional Teaching Standards or licensed by DPI as a master educator and who works in a high poverty school. This bill increases the amount of these grants to $15,000, if the individual works at a high poverty school located in an urban school district, and to $10,000, if the individual works at a high poverty school located in a school district that is not an urban school district.

*Community engagement grants.* Under the bill, DPI must award grants to urban school districts for the purpose of supporting projects that include collaboration with a nonprofit corporation, a cooperative educational service agency, a UW System institution, a technical college district board, or a local unit of government and that are intended to improve academic achievement, the well-being of pupils and their families, or relationships between pupils, school staff, and the community.

*Principal training grants.* Under the bill, DPI must annually award a grant to a nonprofit organization or an urban school district for the purpose of providing training, coaching, and professional support to principals who work in urban school districts.

2. *Mental health programs; aid for pupil services professionals*

Under current law, DPI must make payments to school districts, independent charter schools, and private schools participating in a parental choice program that increased the amount they spent to employ, hire, or retain social workers during the two previous school years (eligible local education agency). Under current law, DPI
SENATE BILL 59

first pays each eligible local education agency 50 percent of the amount by which the eligible local education agency increased its expenditures for social workers over the previous two school years. If, after making these payments, there is money remaining in the appropriation for this aid program, DPI makes additional payments to eligible local education agencies. The amount of these additional payments is determined based on the amount remaining in the appropriation and the amount spent by eligible local education agencies to employ, hire, and retain social workers during the previous school year.

This bill expands eligibility for the first round of payments under this aid program to include increased spending on school counselors, school social workers, school psychologists, or school nurses, or any combination thereof (pupil services professionals), during the previous two school years. Additionally, the bill expands eligibility for the second round of payments to any school district, independent charter school, or private school participating in a parental choice program that made expenditures to employ, hire, or retain pupil services professionals during the previous school year. In other words, for the second round of payments, the bill eliminates the requirement that a school district, independent charter school, or private school increased its expenditures on pupil services professionals.

3. Mental health and school climates; training and grants

Under current law, DPI must provide training to school districts and independent charter schools on three specific evidence-based strategies to address student mental health: Screening, Brief Interventions, and Referral to Treatment; Trauma Sensitive Schools; and Youth Mental Health First Aid. Under the bill, DPI must provide training on mental health, school safety, and improving school climate, including training on the three evidence-based strategies listed above. In addition, the bill requires DPI to award grants to the Wisconsin Safe and Healthy Schools Training and Technical Assistance Center, Wisconsin Family Ties, Inc., and the Center for Suicide Awareness.

4. After-school program grants

This bill creates a grant program under which DPI must award grants to support high-quality after-school programs and out-of-school-time programs to organizations that provide services to school-age children.

5. Grants to support gifted and talented pupils

This bill changes the purposes for which DPI awards grants to support gifted and talented pupils. Under current law, DPI must award the grants for the purpose of providing services and activities to gifted and talented pupils that will allow the pupils to fully develop their capabilities. Under the bill, DPI must award the grants for the purposes of providing such services and activities to underrepresented gifted and talented pupils, specifically gifted and talented pupils who are minority pupils, economically disadvantaged pupils, children with disabilities, or LEP pupils; and for providing teachers with professional development and training related to identifying and educating all gifted and talented pupils.
6. Milwaukee mathematics partnership grant

Under this bill, beginning in the 2020-21 school year, DPI must award a grant to the school board of a first class city school district (currently, only MPS) to develop and implement a plan to improve mathematics instruction in the school district. The bill requires the school board to work with UW-Milwaukee to develop and implement the plan.

7. Grant program to recruit minority teachers

This bill creates a minority teacher grant program under which DPI awards grants to school districts for the purpose of recruiting minorities to teach in the school district. Under the bill, a minority is defined as a Black American, an American Indian, an individual of any race whose ancestors originated in Mexico, Puerto Rico, Cuba, Central America, or South America or whose culture or origin is Spanish, or an individual admitted to the United States after December 31, 1975, who is either a former citizen of Laos, Vietnam, or Cambodia or whose ancestor was or is a citizen of Laos, Vietnam, or Cambodia. The bill requires DPI to award half of the moneys appropriated for these grants to a first class city school district (currently, only MPS). DPI must award the other half of the moneys appropriated for these grants to school districts other than MPS and give a preference to school districts that have a high percentage of minority pupils. Under the bill, this grant program replaces the minority teacher loan program administered by HEAB. See Higher education.

8. Tribal language revitalization grants

Under current law, a school board, cooperative educational service agency, or Head Start agency (applicant) may apply to DPI for a grant to support instruction in one or more American Indian languages. Under this bill, beginning in the 2020-21 school year, an applicant also may apply to DPI for a two-year grant to develop, implement, and provide American Indian heritage, language, and cultural instruction programs for children participating in Head Start programs and for pupils in grades kindergarten to two.

The bill also authorizes DPI to contract with the Great Lakes Inter-Tribal Council, Inc., to implement and administer those grant programs.

9. Grants for water bottle filling stations

This bill requires DPI to award grants to school districts to purchase water bottle filling stations that provide filtered drinking water.

10. Eliminate personal electronic computing devices grant program

The bill eliminates the personal electronic computing devices grant program after the 2019-20 school year. Under the personal electronic devices grant program, DPI awards grants to public, private, and tribal schools to purchase personal electronic computing devices, software for personal electronic computing devices, and curricula that is accessible on personal electronic computing devices. The grants may also be used to train professional staff on the effective use of personal electronic devices in an educational setting. For a grant awarded to a school district in the 2019-20 school year, the bill specifies that the grant amount is based on the number of pupils enrolled in the school district in the current school year. Under current law,
SENATE BILL 59

a grant to a school district is calculated based on the school district's membership in the previous school year.

11. **Eliminate school performance improvement grants**

   This bill eliminates school performance improvement grants on July 1, 2020. Under current law, beginning in the 2018-19 school year, DPI must award a school performance improvement grant to an eligible school located in a first class city school district (currently, only MPS) or in a school district that was in the lowest category on the school and school district accountability report (report card) if the eligible school develops a written school improvement plan to improve pupil performance and receives a higher score on the report card than it did in the previous school year.

12. **Eliminate information technology education grants**

   This bill eliminates a grant program under which DPI awarded grants in the 2017-18 and 2018-19 school years to certain entities to provide information technology education opportunities to public school pupils in grades 6 to 12, technical college district students, and patrons of public libraries.

13. **Transfer teacher development, training, and recruitment grant program to DPI**

   Under current law, DWD must award the following grants:
   
   a. Grants to nonprofit organizations that operate programs to recruit and prepare individuals to teach in public or private schools located in low-income or urban school districts in this state.
   
   b. Grants to school boards, governing bodies of private schools, and charter management organizations that have partnered with an educator preparation program approved by DPI and headquartered in this state to design and implement teacher development programs.

   This bill combines the grant programs and transfers from DWD to DPI the authority and obligation to award the grants. Under the combined grant program, DPI may award grants only to school boards, governing bodies of private schools, and charter management organizations.

14. **Transfer career and technical education incentive grant and completion award program to DPI**

   This bill transfers from DWD to DPI the authority and obligation to award career and technical education (CTE) incentive grants and completion awards. Under current law, DWD approves industry-recognized certification programs designed to a) mitigate workforce shortages; and b) prepare individuals for occupations as fire fighters, emergency medical responders, and emergency medical services practitioners (public safety occupations). Currently, DWD must award CTE incentive grants to school districts that have programs approved by DWD, and the amount of each grant depends on the number of pupils who complete the school district’s programs. DWD also must award CTE completion awards to pupils for each DWD-approved program the pupil completes that is related to public safety occupations. The bill also transfers program approval authority from DWD to DPI.
SENATE BILL 59

15. Transfer technical education equipment grant program to DPI

This bill transfers from DWD to DPI the authority to award technical education equipment grants to school districts for the acquisition of equipment that is used in advanced manufacturing fields in the workplace.

16. Wisconsin Reading Corps grant

Under current law, DPI must, in the 2017-18 and 2018-19 school years, distribute to Wisconsin Reading Corps to provide one-on-one tutoring to pupils all amounts appropriated to DPI for that purpose. This bill requires DPI to continue annually making the distribution to Wisconsin Reading Corps going forward.

17. Bullying prevention grants

This bill requires DPI to annually award a bullying prevention grant to the nonprofit organization that received the grant in the 2017-18 and 2018-19 school years.

18. Robotics league participation grants

This bill clarifies that DPI may award a robotics league participation grant to an eligible team to participate in more than one robotics competition.

PRIMARY AND SECONDARY EDUCATION: OTHER

1. Eliminate restriction on the number of school district referenda in a calendar year

Under current law, if a school board wants to borrow money through a bond issue or exceed the revenue limit otherwise applicable to the school district, the school board must obtain the approval of the school district’s electors at a referendum. Under current law, a school board may submit a resolution to borrow money or exceed the revenue limit to electors for approval or rejection no more than two times in any calendar year. The bill eliminates that restriction.

2. Eliminate teacher licensure based on an alternative teacher certification program

This bill eliminates the requirement that DPI issue an initial teaching license to an individual who completes an alternative teacher certification program operated by a provider that is a nonprofit organization and that meets all of the following criteria: a) the organization operates in at least five states; b) the organization has been operating an alternative teacher certification program for at least ten years; and c) the organization requires candidates for certification to pass a subject area exam and the pedagogy exam known as the Professional Teaching Knowledge Exam.

3. Teacher planning time

This bill requires school boards to provide teachers with at least 45 minutes of paid planning time each day.

4. School breakfast program

This bill expands who is eligible for reimbursement under the school breakfast program to include operators of independent charter schools, the director of the Wisconsin Educational Services Program for the Deaf and Hard of Hearing, the
director of the Wisconsin Center for the Blind and Visually Impaired, and operators of residential care centers for children and youth. This bill also prohibits DPI from making reimbursements under the school breakfast program for breakfasts served in the prior school year if the school ceased operations during the prior school year. This prohibition does not apply to reimbursements to a school district.

5. Licensing fees

Under the bill, all fees collected by DPI for the certification or licensure of school and public library personnel are credited back to DPI to fund DPI’s administrative costs related to licensure. Under current law, 90 percent of the fees are credited back to DPI and the remaining 10 percent are deposited into the general fund.

6. Digital archiving projects in public libraries

Under current law, DPI must develop and maintain an online resource, called WISElearn, to provide educational resources for parents, teachers, and pupils; offer online learning opportunities; provide regional technical support centers; provide professional development for teachers; and enable video conferencing. This bill expands WISElearn to include supporting digital archiving projects in public libraries.

Higher Education

1. Resident undergraduate tuition freeze

The bill prohibits the Board of Regents of the UW System from charging resident undergraduate academic fees in the 2019-20 and 2020-21 academic years that are more than the fees charged in the 2018-19 academic year.

2. Nonresident tuition exemption for undocumented individuals

The bill creates a nonresident tuition exemption for certain technical college and UW System students.

Current law allows the Board of Regents to charge different tuition rates to resident and nonresident students. Current law also includes nonresident tuition exemptions, under which certain nonresident students pay resident tuition rates. This bill creates an additional exemption for an alien who is not a legal permanent resident of the United States and who: a) graduated from a Wisconsin high school or received a declaration of equivalency of high school graduation from Wisconsin; b) was continuously present in Wisconsin for at least three years following the first day of attending a Wisconsin high school or immediately preceding receipt of a declaration of equivalency of high school graduation; and c) enrolls in a UW System institution and provides the institution with an affidavit stating that he or she has filed or will file an application for permanent residency with U.S. Citizenship and Immigration Services as soon as the person is eligible to do so.

The bill also provides that an alien described above is considered a resident of this state for purposes of admission to and payment of fees at a technical college.

3. Technical college revenue limits

Under the bill, with certain exceptions, a technical college district board’s revenue, defined as the sum of its tax levy for operations and the amount of aid it receives for property tax relief and tax-exempt personal property, in a school year may not exceed its revenue in the previous school year increased by 2 percent, or the
district’s valuation factor, whichever is greater. A district’s valuation factor is the percentage change in the district’s equalized value due to new construction, less improvements removed. Current law limits the increase to a district’s valuation factor.

4. Dual enrollment at UW schools and technical colleges

The bill requires the Board of Regents and technical college district boards to establish policies and implement programs under which students attending high school in this state are admitted, respectively, to the UW System or technical colleges as nondegree students and may enroll in courses offered for credit at a UW System school or technical college. The student must meet the requirements and prerequisites of the course and there must be space available in the course. In establishing the policies and implementing the program, the Board of Regents or technical college district board must consult with DPI and coordinate with the school districts and the governing bodies of private schools where the high school students are enrolled. The Board of Regents and technical college district boards may not charge tuition or fees to any high school student, or to the school district or private school in which the student is enrolled, in connection with the student’s participation in the program or the student’s enrollment in any course under this program. The UW school or technical college in which the student is enrolled must award postsecondary credit for any course successfully completed. The student must notify the school board of the public high school he or she attends, or the governing body of the private school he or she attends, of the student’s intention to enroll in a UW school or technical college and of any course to be taken. If the student will be taking the course for high school credit, the school board or private school governing body must determine whether the course satisfies high school graduation requirements and the number of high school credits to award the student for the course, if any, and notify the student of these determinations. These programs replace the existing Early College Credit Program and dual enrollment program in technical colleges. See Primary and secondary education.

5. Student Loan Refinancing Study Committee

The bill creates the Student Loan Refinancing Study Committee consisting of the secretary of financial institutions, the state treasurer, and the executive secretary of HEAB. The committee’s purpose is to study the creation and administration of a bonding authority for the refinancing of student loans to ease the student loan debt burden. The committee must submit a report to the governor and the legislature that includes a) recommendations regarding the corporate and legal structure of the refinancing entity, including governance; b) a profile of the loan portfolio, projected costs, estimated staffing needs, underwriting requirements, and other information pertinent to the creation of a financing entity that offers interest rate savings to student loan debtors; and c) an assessment of the feasibility of and options for offering borrower protections similar to those under federal student loan programs.
6. **Student success and attainment**
   The bill requires the Board of Regents to allocate $20,000,000 of its general program operations appropriation in fiscal year 2019–20 and $25,000,000 of that appropriation in fiscal year 2020–21 to advance student success and attainment.

7. **Additional funding for UW Colleges**
   The bill requires the Board of Regents to allocate at least $2,500,000 each year from its general program operations appropriation to provide additional funding to the UW Colleges for student support services.

8. **Supplemental talent incentive grants**
   The bill allows HEAB to award supplemental grants in a fiscal biennium to students to whom HEAB has awarded talent incentive grants in that biennium. Under current law, HEAB awards talent incentive grants to uniquely needy students enrolled at public and private nonprofit institutions of higher education in this state. Current law limits the amount of a talent incentive grant to $1,800 for an academic year. The bill allows HEAB to award the supplemental grants from funding that is available after HEAB makes all of the talent incentive grants in a fiscal biennium. Supplemental grants are not subject to the $1,800 limit.

9. **UW System supplemental pay plans**
   The bill allows the Board of Regents and the chancellor of the UW–Madison to provide supplemental pay plans for their employees during the 2019–21 fiscal biennium. The chancellor must submit his or her plan to the Board of Regents for approval. Current law requires the Board of Regents to annually allocate $26,250,000 of its general program operations funding to UW institutions in accordance with a performance-based funding formula described below. In the 2019–21 fiscal biennium, this bill allows the Board of Regents to allocate all or a portion of that amount to fund the pay plans allowed under the bill, instead of in accordance with that formula. If the Board of Regents allocates a portion, the remainder must be allocated in accordance with the formula.

10. **Rural dentist educational loan repayment**
    The bill allows dentists who agree to practice in rural areas under an educational loan repayment assistance program to receive the same amount of assistance as physicians. The program is administered by the Board of Regents. Under current law, dentists and physicians who agree to practice at least 32 clinic hours per week for three years in areas with shortages of dental or primary care professionals may receive up to $50,000 in assistance under the program. In addition, a physician who agrees to practice for the same duration in a rural area may receive up to $100,000 in assistance under the program. However, dentists who agree to practice for the same duration in a rural area are eligible for up to $50,000 in assistance. This bill makes dentists who agree to practice for the same duration in rural areas eligible for up to $100,000 in assistance.

11. **Nurse educators**
    The bill requires the Board of Regents to establish a program that provides a) fellowships to students who enroll in certain advanced nursing degree programs; b) postdoctoral fellowships to recruit faculty for UW System nursing programs; and c)
educational loan repayment assistance to recruit and retain faculty for UW System nursing programs. In addition, the program must require individuals who receive fellowships or educational assistance to make a three-year commitment to teaching in a UW System nursing program.

12. Minority teacher loan program

The bill prohibits HEAB from making a loan under the minority teacher loan program after the date on which the bill becomes law. Under the bill, HEAB continues to administer the repayment and loan forgiveness of all minority teacher loans made on or before the date the bill becomes law.

Under current law, HEAB administers a minority teacher loan program for minority students who meet certain eligibility criteria, including enrollment in a program of study leading to a teacher’s license in a teacher shortage field. A minority student is defined as a student who is a Black American, an American Indian, an individual of any race whose ancestors originated in Mexico, Puerto Rico, Cuba, Central America, or South America or whose culture or origin is Spanish, or an individual admitted to the United States after December 31, 1975, who is either a former citizen of Laos, Vietnam, or Cambodia or whose ancestor was or is a citizen of Laos, Vietnam, or Cambodia. Under the program, HEAB may award, to an eligible minority student, a loan of up to $10,000 annually for up to three years. HEAB must forgive 25 percent of the loan for each school year that the loan recipient a) is employed in the city of Milwaukee as a full-time elementary or secondary school teacher in a high-demand, teacher shortage field; and b) receives a teacher rating of proficient or distinguished.

The bill replaces the minority teacher loan program with a grant program under which DPI awards grants to school districts to recruit minority teachers. See Primary and secondary education.

13. Mid-year changes to the Wisconsin grant formula

The bill allows HEAB, under certain circumstances, to modify the formula used to award Wisconsin grants without JCF approval.

Under current law, HEAB administers the Wisconsin grant program, which provides grants to resident postsecondary students enrolled at least half time and registered as freshmen, sophomores, juniors, or seniors in UW System schools, technical colleges, private nonprofit colleges, and tribal colleges in this state. Each of these four types of higher education institutions must annually submit to HEAB a proposed formula for awarding Wisconsin grants to students enrolled in these institutions for the next year, and HEAB must then approve, modify, or disapprove these proposed formulas for awarding grants for the next year. If HEAB determines during the year that any formula approved during the prior year needs to be modified in order to expend the entire amount appropriated for grants to students at the applicable type of institution, HEAB must submit a modified formula to JCF and may implement the formula with JCF approval under a 14-day passive review process.

The bill eliminates the JCF submission and passive review process, allowing HEAB to implement modifications to the approved Wisconsin grant formula if HEAB determines during the year that any formula approved during the prior year needs
to be modified in order to expend the entire amount appropriated for grants to students at the applicable type of institution.

14. Environmental education grants

The bill requires UW-Stevens Point to award grants, funded from the conservation fund, to nonprofit corporations and public agencies for the development, dissemination, and presentation of environmental education programs. To receive a grant, the grant recipient must match at least 25 percent of the amount of the grant, which matching may include in-kind contributions. No more than one-third of the total amount of grants awarded each year may be awarded to state agencies.

15. Distribution of performance-based funding for UW Schools

The bill specifies the UW System institutions eligible to receive performance funding after the UW System’s restructuring under the plan approved by the Higher Learning Commission on or about June 28, 2018.

Current law requires the Board of Regents to identify at least four metrics to measure a UW System institution’s progress toward meeting each of the following goals: a) growing and ensuring student access; b) improving and excelling at student progress and completion; c) expanding contributions to the workforce; and d) enhancing operational efficiency and effectiveness. An institution includes the extension, but the Board of Regents may specify different metrics for the extension. The Board of Regents must develop a formula for distributing money to UW System institutions based on each institution’s performance with respect to these metrics. The Board of Regents must submit this formula to JCF for approval before using the formula to distribute money. The amount of money allocated for distribution under the formula is $26,250,000 in each fiscal year.

This bill modifies the definition of an institution for purposes of performance funding. Under the bill, an institution eligible to receive performance funding, based on the Board of Regents’ metrics and distribution formula, is any of the following:

a. A four-year UW System school, including any two-year UW System school associated with it as a branch campus under the UW System restructuring plan.

b. Any operational unit of the UW-Madison assigned former functions of the UW-Extension as a result of the UW System restructuring.

c. Any operational unit of the UW System administration assigned former functions of the UW-Extension as a result of the UW System restructuring.

16. UW-Extension county-based agriculture positions

The bill requires the Board of Regents to allocate $1,500,000 in fiscal year 2019–20 and $2,000,000 in each fiscal year thereafter for UW-Extension county-based agriculture positions.

17. Funding for the Paper Science Program at UW-Stevens Point

The bill requires the Board of Regents to fund at least 1.0 FTE position in the Paper Science Program at UW-Stevens Point from an appropriation from the conservation fund, replacing a provision of current law allocating $78,000 annually from this appropriation for the program.
18. Handicapped references

The bill refers to impaired individuals or individuals with disabilities, instead of handicapped individuals, in statutes administered by HEAB and the TCS Board.

OTHER EDUCATIONAL AND CULTURAL AGENCIES

1. Instructional material related to public radio and television programs

This bill allows the Educational Communications Board to procure or publish instructional material related to state educational radio and television network programs and to impose a reasonable charge for providing this material.

ELECTIONS

1. Nonpartisan redistricting

This bill creates a new procedure for the preparation of legislative and congressional redistricting plans. The bill directs the LRB to draw redistricting plans based upon standards specified in the bill and establishes a Redistricting Advisory Commission to oversee the LRB’s work in drawing redistricting plans and to perform certain tasks in the redistricting process. The commission consists of five members. The speaker and minority leader of the assembly and the majority and minority leaders of the senate must each appoint one person to serve on the commission. The four appointed commissioners then select a fifth commissioner to serve as chairperson. The bill prohibits all of the following individuals from being commission members: individuals who are not eligible electors of this state at the time of the appointment, individuals who hold partisan public office or political party office, and individuals who are a relative of or are employed by a member of the legislature or of Congress or are employed directly by the legislature or Congress.

If requested to do so by the LRB, the commission must provide direction to the LRB concerning any decision the LRB must make in preparing a redistricting plan. The bill permits the commission to establish policies limiting the information that the LRB may provide to persons outside of LRB staff concerning any redistricting plan. However, the bill also provides that any draft maps, along with the data sets used to create them, that the LRB produces in the course of preparing a redistricting plan must be open to the public and made available on the Internet site of the LRB as soon as they are produced. The bill further provides that in preparing a redistricting plan, the LRB must test the efficiency gap and competitiveness of each district and make the test results available to the public, including on its Internet site. The efficiency gap is, generally, a method that purports to test the fairness of a redistricting plan based on measuring the number of votes cast for a candidate beyond the number needed to be elected.

In preparing the plan, the LRB must be strictly nonpartisan. No district may be drawn for the purpose of favoring a political party, incumbent legislator or member of Congress, or other person or group, or, except to the extent necessary to meet the requirements of the Voting Rights Act, for the purpose of augmenting or diluting the voting strength of a language or racial minority group. The LRB may not use residence addresses of incumbent legislators or members of Congress, political affiliations of registered voters, previous election results, or, except as
necessary to meet the requirements of the Voting Rights Act, demographic information.

After the LRB submits a plan to the legislature, the commission must hold public hearings on the plan and submit a report to the legislature summarizing information and testimony received at the hearings. The bill requires either the assembly or the senate to bring the redistricting plan to a vote expeditiously, but not less than seven days after the report of the commission is received and made available to the members of the legislature. That plan may not be amended. If the first plan fails to pass, the legislature must submit to the LRB the reasons for why the plan failed. The LRB then must submit a second plan that also may not be amended. If the second plan fails, the LRB must produce a third plan. The third plan may be amended, but the plan and all amendments to it may be passed only with the approval of three-fourths of all the members elected in each house.

2. Automatic voter registration

This bill requires the Elections Commission to facilitate the registration of all eligible electors of this state and to maintain the registration of all eligible electors for so long as they remain eligible. The bill directs the commission and DOT to enter into an agreement so that DOT may transfer information in DOT’s records to the commission. The bill requires the commission to maintain the confidentiality of any information it obtains under the agreement and allows a driver’s license or identification card applicant to “opt out” of DOT’s transfer of this information to the commission. Once the commission obtains all the information required under current law to complete an elector’s registration, the commission adds the elector’s name to the statewide registration list.

The bill also directs the Elections Commission to report to the appropriate standing committees of the legislature, no later than July 1, 2020, concerning its progress in implementing the registration system created by the bill. The report must contain an assessment of the feasibility of integrating registration information with information maintained by other agencies.

3. Voter identification

Current law allows an individual to use as voter identification an unexpired identification card issued by a technical college, college, or university in this state if the card meets certain criteria. The card must have an expiration date that is no later than two years after the date it was issued, and the individual must establish proof of enrollment. This bill eliminates the proof of enrollment requirement and allows the use of a card that expires no later than five years after the issuance date. The bill also eliminates the requirement that the card contain the student’s signature. In addition, the bill requires each technical college in this state and each UW System institution to issue student identification cards that meet the criteria to be used as voter identification no later than August 1, 2019.

Current law also allows an individual to use as voter identification an identification card issued by DOT. DOT may issue a receipt as a temporary identification card to use for voting and other purposes to an individual who is waiting for the permanent card. The receipt expires in 60 days. The bill extends the expiration date to 180 days.
SENATE BILL 59

4. Voting absentee in person

Current law allows an individual to complete an absentee ballot in person no earlier than 14 days preceding the election and no later than the Sunday preceding the election. The bill eliminates the restriction on how soon a person may complete an absentee ballot in person and provides that a person must complete such a ballot no later than the Friday preceding the election.

EMINENT DOMAIN

1. Condemnation authority for recreational trails

This bill eliminates the prohibition in current law on certain entities, such as DOT, DNR, and county or village boards, from using the power of condemnation to acquire land or interests in land for the purpose of establishing or extending bicycle lanes or certain pedestrian ways.

EMployment

EMPLOYMENT REGULATION

1. Minimum wage

This bill raises the minimum wages to be paid to most employees annually, from the effective date of the bill to January 1, 2024. After that date, the bill requires DWD to annually revise the minimum wage to reflect the change in the consumer price index and publish those amounts in the Wisconsin Administrative Register and on the DWD website.

The bill requires the secretary of workforce development to establish a committee to study options to achieve a $15 per hour minimum wage and other options to increase compensation for workers in this state. Under the bill, the committee consists of nine members, with five appointed by the governor, and one each appointed by the speaker of the assembly, the assembly minority leader, the senate majority leader, and the senate minority leader. The committee is required to submit a report containing its recommendations for options to achieve a $15 per hour minimum wage and other options to increase compensation for workers in this state to the governor and the appropriate standing committees of the legislature no later than October 1, 2020.

2. Eliminating the right-to-work law

This bill eliminates the state right-to-work law. The current state right-to-work law prohibits a person from requiring, as a condition of obtaining or continuing employment, an individual to refrain or resign from membership in a labor organization, to become or remain a member of a labor organization, to pay dues or other charges to a labor organization, or to pay any other person an amount that is in place of dues or charges required of members of a labor organization.

3. Prevailing wage

This bill requires that laborers, workers, mechanics, and truck drivers employed on the site of certain state and local projects of public works be paid the
prevailing wage and not be required or allowed to work a greater number of hours per day and per week than the prevailing hours of labor unless they are paid overtime for all hours worked in excess of the prevailing hours of labor. Under the bill, “prevailing wage rate” is defined as the hourly basic rate of pay, plus the hourly contribution for bona fide economic benefits, paid for a majority of the hours worked in a trade or occupation in the area in which the project is located, except that, if there is no rate at which a majority of those hours is paid, “prevailing wage rate” means the average hourly basic rate of pay, plus the average hourly contribution for bona fide economic benefits, paid for the highest-paid 51 percent of hours worked in a trade or occupation in the area. The bill requires DWD to conduct investigations and hold public hearings as necessary to define the trades or occupations that are commonly employed on projects that are subject to the prevailing wage law and to inform itself of the prevailing wage rates in all areas of the state for those trades or occupations, in order to determine the prevailing wage rate for each trade or occupation. The bill contains certain other provisions regarding the calculation of prevailing wage rates by DWD, including provisions allowing persons to request recalculations or reviews of the prevailing wage rates determined by DWD. The bill also establishes a requirement that state agencies and local governments post prevailing wage rates and hours of labor in areas readily accessible to persons employed on the project or in sites regularly used for posting notices.

The bill makes a contractor that fails to pay the prevailing wage rate or overtime pay to an employee as required under the prevailing wage law liable to the affected employee for not only the amount of unpaid wages and overtime pay, but also for liquidated damages in an amount equal to 100 percent of the unpaid wages and overtime pay.

Finally, the bill includes, for both state and local projects of public works, provisions regarding coverage, compliance, enforcement, and penalties, including a) requirements for affidavits to be filed by contractors affirming compliance with the prevailing wage law; b) record retention requirements for contractors regarding wages paid to workers and provisions allowing for the inspection of those records by DWD; c) liability and penalty provisions for certain violations; and d) provisions prohibiting contracts from being awarded to persons who have failed to comply with the prevailing wage law.

4. Family and medical leave expansion

Under current law, an employer that employs at least 50 individuals on a permanent basis in this state must allow an employee who has been employed by the employer for more than 52 consecutive weeks and who has worked for the employer for at least 1,000 hours during the preceding 52 weeks to take up to eight weeks of family leave in a 12-month period for the birth or adoptive placement of a child or to care for a child, spouse, parent, or domestic partner of the employee or a parent of the spouse or domestic partner of the employee who has a serious health condition; and up to two weeks of medical leave in a 12-month period when the employee has a serious health condition.

This bill requires an employer that employs at least 25 individuals on a permanent basis in this state to allow an employee to take family or medical leave
SENATE BILL 59

as provided under current law. The bill also allows an employee to take family leave as provided under current law to care for a grandparent, grandchild, or sibling of the employee who has a serious health condition. In addition, the bill requires an employer to allow an employee to take family leave because of any qualifying exigency, as determined by DWD by rule, arising out of the fact that the spouse, child, domestic partner, parent, grandparent, grandchild, or sibling of the employee is on deployment with the U.S. armed forces to a foreign country (covered active duty), has been notified of an impending call or order to covered active duty, or because of an unforeseen school or child care facility closure.

5. Employment discrimination based on conviction record

This bill provides that employment discrimination because of a conviction record includes requesting an applicant for employment, on an application form or otherwise, to supply information regarding the conviction record of the applicant, or otherwise inquiring into or considering the conviction record of an applicant for employment, before the applicant has been selected for an interview by the prospective employer. The bill, however, does not prohibit an employer from notifying applicants for employment that an individual with a particular conviction record may be disqualified by law or the employer’s policies from employment in particular positions.

6. State and local employment regulations; repeal preemption of local government regulations

This bill repeals the preemption of local governments from enacting or enforcing ordinances related to various employment matters. Under current law, a local government may not enact an ordinance regulating wages, overtime pay, employee hours, and benefits. See Local Government.

UNEMPLOYMENT INSURANCE

1. Drug testing

Current state law requires DWD to establish a program to test for the presence of controlled substances certain claimants who apply for unemployment insurance (UI) benefits. A claimant who tests positive for a controlled substance for which the claimant does not have a prescription is ineligible for UI benefits until certain requalification criteria are satisfied or unless he or she enrolls in a substance abuse treatment program and undergoes a job skills assessment, and a claimant who declines to submit to a test is simply ineligible for benefits until he or she requalifies. However, under federal law, the state may require the drug testing under the program only in accordance with regulations issued by the federal secretary of labor. As of February 26, 2019, final federal regulations have not been issued. This bill repeals the requirement to establish the drug testing program.

Also under current law, an employer may voluntarily submit to DWD the results of a preemployment test for the presence of controlled substances that was conducted on an individual as a condition of an offer of employment or notify DWD that an individual declined to submit to such a test. If DWD then verifies that submission, the employee may be ineligible for benefits until he or she requalifies. However, a claimant who tested positive may maintain eligibility by enrolling in a
substance abuse treatment program and undergoing a job skills assessment. This bill repeals these preemployment drug testing provisions.

2. Increasing maximum weekly benefit rate

This bill increases the maximum amount of weekly unemployment benefits payable from $370 to $406.

3. Ineligibility due to substantial fault

Under current law, an employee whose work is terminated for substantial fault is ineligible to receive UI benefits until the employee satisfies certain requalification criteria. With certain exceptions, current law defines “substantial fault” to include those acts or omissions of an employee over which the employee exercised reasonable control and which violate reasonable requirements of his or her employer.

This bill repeals the provision on substantial fault and replaces it with a provision on absenteeism and tardiness by an employee. Under the bill, if an employee is discharged for failing to notify an employer of absenteeism or tardiness that becomes excessive, the employee is ineligible to receive UI benefits until the employee satisfies certain requalification criteria.

4. Acceptance of suitable work

Under current law, if a claimant for UI benefits fails, without good cause, to accept suitable work when offered, the claimant is ineligible to receive UI benefits until he or she satisfies certain requalification criteria. Current law specifies what is considered “suitable work” for purposes of these provisions, with different standards applying depending on how many weeks have elapsed since the claimant became unemployed. Current law also specifies circumstances in which a claimant has good cause for failing to accept what would otherwise be considered suitable work.

This bill repeals the provisions described above regarding what is considered suitable work and what is considered good cause for failing to accept suitable work and replaces them with a) a different provision regarding what constitutes good cause for a failure to accept suitable work; and b) a requirement for DWD to define what constitutes suitable work for claimants by rule, with the rule specifying different levels of suitable work based upon the number of weeks that a claimant has received benefits in a given benefit year.

5. Benefit waiting period

Currently, a claimant must wait one week after becoming eligible to receive UI benefits before the claimant may receive benefits for a week of unemployment. The waiting period does not affect the maximum number of weeks of a claimant’s benefit eligibility. This bill deletes the one-week waiting period, thus permitting a claimant to receive UI benefits beginning with his or her first week of eligibility.

6. Eligibility following voluntary termination of work

Under current law, unless an exemption applies, if an individual quits his or her job, the individual is generally ineligible to receive UI benefits until the individual satisfies certain requalification criteria. One of the exemptions under current law is for an employee whose spouse is a member of the U.S. armed forces on active duty, if the employee’s spouse is required to relocate to a location from which it is
impractical for the employee to commute, and the employee relocates with his or her spouse.

This bill repeals the requirement that, in order for the exemption to apply, the employee's spouse be a member of the U.S. armed forces. Instead, the bill extends the exemption to cover any employee whose spouse is required by an employer to relocate.

7. Wage threshold for receipt of benefits
Under current law, a claimant for UI benefits is generally ineligible to receive any benefits for a week if the claimant receives or is considered to have received wages or other amounts from employment totaling more than $500. This bill requires DWD to annually raise this $500 threshold figure by a percentage equal to the change in the U.S. consumer price index.

8. Work search and registration
Under current law, a claimant for UI benefits is generally required to register for work and to conduct searches for work each week in order to remain eligible, but DWD is required to waive these requirements under certain circumstances. This bill deletes the waiver provisions in current law and instead allows DWD to establish such waivers by rule.

JOB TRAINING

1. Fast Forward grants to shipbuilders
This bill requires DWD to allocate $1,000,000 in the 2019-21 fiscal biennium for grants to shipbuilders in Wisconsin for the purpose of training incoming and current staff.

2. Wisconsin Career Creator program
The bill eliminates the worker training and employment program known as the Wisconsin Career Creator Program. Under current law, DWD is required provide $20,000,000 in the 2019-21 fiscal biennium to facilitate worker training and employment in the state. Under the program, DWD must consult with WEDC and the Technical College System Board regarding the implementation of the program, and must submit a plan for implementing the program to JCF before expending any funds.

3. Project SEARCH program
This bill authorizes DWD to enter into contracts to provide employment skills services to individuals with developmental disabilities under the Project SEARCH program. The program is currently operated by the Cincinnati Children's Hospital and DWD administers the program for residents of this state. The bill also requires DWD to allocate $250,000 each fiscal year to the program.

ADMINISTRATIVE CHANGES

1. Worker’s compensation; authority to conduct hearings
Under current law, DWD performs various administrative and adjudicatory functions relating to worker’s compensation, except that the adjudicatory functions of DWD relating to disputed worker’s compensation claims are performed by the Division of Hearings and Appeals in DOA (DHA). This bill transfers the adjudicatory functions of DHA relating to disputed worker’s compensation claims to DWD.
2. Labor and Industry Review Commission

This bill attaches the Labor and Industry Review Commission (LIRC) to DWD. Under current law, LIRC is attached to DOA. LIRC’s primary responsibility is to decide appeals of cases from administrative law judges in the areas of UI benefits, worker’s compensation, and equal rights.

3. Transfers to DHS for independent living grants

This bill clarifies that DWD is required to transfer money to DHS for the purpose of providing grants to independent living centers only up to the amount DWD receives from the federal Social Security Administration as reimbursement for the fact that individuals who gain employment with assistance from the vocational rehabilitation program no longer receive certain benefits from the federal Social Security Administration. DHS awards grants to independent living centers for providing nonresidential services to severely disabled individuals.

Under current law, DWD is required to transfer $600,000 in each fiscal year to DHS for the grant program.

ENVIRONMENT

WATER QUALITY

1. Well compensation grant program

This bill makes changes to the well compensation grant program currently administered by DNR.

Under current law, an individual owner or renter of a contaminated private well may apply for a grant from DNR to cover a portion of the costs to treat the water, reconstruct the well, construct a new well, connect to a public water supply, or fill and seal the well. To be eligible for a grant the well owner’s or renter’s annual family income may not exceed $65,000. A grant awarded under the program may not cover any portion of a project’s eligible costs in excess of $16,000 and, of those costs, may not exceed 75 percent of a project’s eligible costs, meaning that a grant may not exceed $12,000. In addition, if the well owner’s or renter’s annual family income exceeds $45,000, the amount of the award is reduced by 30 percent of the amount by which the annual family income exceeds $45,000.

The bill increases the family income limit to $100,000. In addition, under the bill, a well owner or renter whose family income is below the state’s median income may receive a grant of up to 100 percent of a project’s eligible costs, not to exceed $16,000. The bill also eliminates the requirement to reduce an award by 30 percent if the well owner’s or renter’s family income exceeds $45,000.

Under current law, a well that is contaminated only by nitrates is eligible for a grant only if the well is a water supply for livestock, is used at least three months in each year, and contains nitrates in excess of 40 parts per million. The bill eliminates these restrictions.

Under current law, DNR must issue grants in the order in which completed claims are received. Under the bill, if there are insufficient funds to pay claims, DNR may, for claims based on nitrate contamination, prioritize claims that are based on higher levels of nitrate contamination.
SENATE BILL 59

2. Concentrated animal feeding operation fees

Under current law, a person who operates a concentrated animal feeding operation (CAFO) must have a Wisconsin Pollutant Discharge Elimination System (WPDES) permit from DNR. A CAFO is a livestock operation that contains at least 1,000 animal units, that discharges pollutants to a navigable water, or that contaminates a well. Current law requires a CAFO operator with a WPDES permit to pay an annual fee of $345 to DNR. The bill increases the amount of this annual fee to $660. In addition to this annual fee, the bill requires an operator to pay a $3,270 fee upon receiving a WPDES permit and every five years after that. Under current law, $95 of every annual fee is deposited into an appropriation account for general program operations relating to DNR’s environmental quality functions. The bill instead requires that the $95 be deposited into an appropriation account for general program operations relating to DNR’s external services. In addition, under the bill, $315 of the annual $660 fee and the full amount of the $3,270 fee is deposited into an appropriation account for the purpose of DNR’s regulation of CAFOs.

3. Local pollution control grants in TMDL watersheds

This bill requires DNR to award grants to municipalities and counties for water pollution control infrastructure projects within watersheds that have a total maximum daily load (TMDL) in effect. A TMDL is the maximum amount of pollutants that an impaired water body can assimilate while still meeting water quality standards. The bill provides for $4,000,000 in general obligation bonding authority for this purpose.

4. Safe Drinking Water Loan Program

This bill authorizes the issuance of revenue bonds for the Safe Drinking Water Loan Program under the environmental improvement fund, similar to the authority for revenue bonding under the Clean Water Fund Program. The program provides low-interest loans to municipalities for drinking water infrastructure projects, to help them comply with federal drinking water standards.

Under current law, the state may contract up to $71,400,000 in public debt for the Safe Drinking Water Loan Program. This bill increases the general obligation bonding authority for the program by $43,550,000 and requires DOA to allocate up to $40,000,000 of the authorized public debt to projects involving forgivable loans to private users of public water systems to cover not more than 50 percent of the cost to replace lead service lines.

5. Bonding for the Clean Water Fund Program

This bill increases by $13,500,000, from $646,283,200 to $659,783,200, the general obligation bonding authority for the Clean Water Fund Program, under which DNR provides financial assistance to local governmental units for projects to control water pollution, such as sewage treatment plants.

6. Bonding for contaminated sediment removal

Under current law, the state may contract up to $32,000,000 in public debt to pay a portion of the costs of a project to remove contaminated sediment from Lake Michigan or Lake Superior, or a tributary of Lake Michigan or Lake Superior, if DNR has identified the body of water as being impaired by the sediment. This bill
SENATE BILL 59

increases the general obligation bonding authority for sediment removal projects by $25,000,000.

7. Bonding for nonpoint water pollution abatement

This bill increases by $6,500,000, from $44,050,000 to $50,550,000, the general obligation bonding authority for financial assistance for nonpoint source water pollution abatement projects and for animal feeding operations to implement best management practices.

8. Bonding for urban storm water, flood control, and riparian restoration

This bill increases by $4,000,000, from $53,600,000 to $57,600,000, the general obligation bonding authority for financial assistance for projects that manage urban storm water and runoff and for flood control and riparian restoration projects.

HAZARDOUS SUBSTANCES AND ENVIRONMENTAL CLEANUP

1. Transfer of abandoned tank removal program

This bill transfers, from DNR to DATCP, the abandoned tank system removal program, which currently allows DNR to hire contractors to remove abandoned underground petroleum storage tanks if the owner is unable to afford to do so.

2. PECFA claim submission deadline

Under current law, DNR administers a program, commonly known as PECFA, to reimburse owners of certain petroleum product storage tanks for a portion of the costs of cleaning up discharges from those tanks. Under current law, a person is not eligible for reimbursement unless the person submits a PECFA claim to DNR before July 1, 2020. The bill changes that date to July 1, 2021.

HEALTH AND HUMAN SERVICES

MEDICAL ASSISTANCE

1. Medicaid expansion

This bill changes the family income eligibility level to up to 133 percent of the federal poverty line for parents and caretaker relatives under BadgerCare Plus and for childless adults currently covered under BadgerCare Plus Core, who are incorporated into BadgerCare Plus in this bill. BadgerCare Plus and BadgerCare Plus Core are programs under the state’s Medical Assistance program, which provides health services to individuals who have limited financial resources. The federal Patient Protection and Affordable Care Act allows a state to receive an enhanced federal medical assistance percentage payment for providing benefits to certain individuals through a state’s Medical Assistance program. The bill requires DHS to comply with all federal requirements and to request any amendment to the state Medical Assistance plan, waiver of Medicaid law, or other federal approval necessary to qualify for the highest available enhanced federal medical assistance percentage for childless adults under the BadgerCare Plus program.

Under current law, certain parents and caretaker relatives with incomes of not more than 100 percent of the federal poverty line, before a 5 percent income disregard is applied, are eligible for BadgerCare Plus benefits. Under current law, childless
adults who a) are under age 65; b) have family incomes that do not exceed 100 percent of the federal poverty line, before a 5 percent income disregard is applied; and c) are not otherwise eligible for Medical Assistance, including BadgerCare Plus, are eligible for benefits under BadgerCare Plus Core. The bill eliminates the childless adults demonstration project known as BadgerCare Plus Core.

2. Eliminating legislative oversight over Medicaid waivers

2017 Wisconsin Act 370 prohibits DHS from submitting a request to a federal agency for a waiver or renewal, modification, withdrawal, suspension, or termination of a waiver of federal law or rules or for authorization to implement a pilot program or demonstration project unless legislation has been enacted specifically directing the submission of the request. For any legislation that requires submission of a request that has not yet been submitted, Act 370 requires DHS to submit an implementation plan to JCF and submit its final proposed request to JCF for approval. Act 370 requires DHS to take certain actions and submit monthly progress reports to JCF once a request has been submitted to the federal agency. When the federal agency has approved the request in whole or in part and the request has not been fully implemented, Act 370 requires DHS to submit its final implementation plan to JCF for approval. Act 370 allows JCF to reduce from moneys allocated for state operations or administrative functions the agency’s appropriation or expenditure authority or change the authorized level of full-time equivalent positions for the agency related to the program for which the request is required to be submitted if JCF determines that the state agency has not made sufficient progress or is not acting in accordance with the enacted legislation requiring the submission of the request. This bill eliminates the requirement that legislation be enacted in order for DHS to submit a request for a waiver or renewal, modification, withdrawal, suspension, or termination of a waiver of federal law or rules or for authorization to implement a pilot program or demonstration project. The bill also eliminates the legislative review procedure for requests for waivers, pilot programs, or demonstration projects required by Act 370.

3. Eliminating legislative oversight of Medicaid state plan amendments

2017 Wisconsin Act 370 requires DHS to submit to JCF under its passive review process any proposed Medical Assistance state plan amendment and any proposed change to a reimbursement rate for or supplemental payment to a Medical Assistance provider that has an expected fiscal effect of $7,500,000 from all revenue sources over a 12-month period. This bill eliminates this requirement to submit for JCF review Medical Assistance state plan amendments, changes to reimbursement rates, or supplemental payments.

4. Repealing implementation of childless adult demonstration waiver

2017 Wisconsin Act 370 requires by statute DHS to implement the BadgerCare Reform waiver as it relates to childless adults as approved by the federal Department of Health and Human Services effective October 31, 2018. The 2015-17 and 2017-19 biennial budget acts required DHS to submit a waiver request to the federal Department of Health and Human Services authorizing DHS to take certain actions including imposing premiums on, requiring a health risk assessment of, and time-limiting eligibility for recipients of BadgerCare Plus under the childless adults demonstration project known as BadgerCare Plus Core.
demonstration project waiver. Act 370 requires DHS to implement the childless adults BadgerCare Reform waiver by no later than November 1, 2019. If JCF determines that DHS has not complied with the implementation deadline, has not made sufficient progress in implementing the BadgerCare Reform waiver, or has not complied with other requirements relating to approved waiver implementation, Act 370 allows JCF to reduce from moneys allocated for state operations or administrative functions DHS's appropriation or expenditure authority, whichever is applicable, or change the authorized level of full-time equivalent positions for DHS related to the Medical Assistance program. This bill eliminates the statutory implementation requirement for the BadgerCare Reform waiver, including the deadline and penalties, eliminates the statutory requirement for DHS to seek the waiver, and allows DHS to modify or withdraw the waiver.

5. Post-partum eligibility

This bill requires DHS to seek approval from the federal Department of Health and Human Services to extend to women who are eligible for Medical Assistance when pregnant Medical Assistance benefits until the last day of the month in which the 365th day after the last day of the pregnancy falls. Currently, post-partum women are eligible for Medical Assistance benefits until the last day of the month in which the 60th day after the last day of the pregnancy falls.

6. Medical Assistance reimbursement for doula services

This bill requires DHS to request any necessary federal approval to allow Medical Assistance program reimbursement for doula services. Under current law, DHS administers the Medical Assistance program, which is a joint federal and state program that provides health services to individuals who have limited resources. DHS is required to pay allowable charges to certified providers for Medical Assistance on behalf of eligible recipients for certain federally mandated benefits and other additional services. Subject to any required federal approval, the bill adds doula services as one of the benefits covered under the Medical Assistance program and establishes a pilot program to provide reimbursement for services provided for pregnant women enrolled in the Medical Assistance program who reside in the counties of Brown, Dane, Milwaukee, Rock, or Sheboygan, or another county as determined by DHS. Under the bill, doula services include continuous emotional and physical support during labor and birth of a child and intermittent services during the prenatal and postpartum periods.

The bill also requires DHS to award in fiscal year 2019–20 grants totaling $192,000 to public or private entities, American Indian tribes or tribal organizations, or community-based organizations for community-based doulas. The recipients must use the grants to identify and train local community workers to mentor pregnant women.

7. Eliminating dental reimbursement pilot project

This bill discontinues the dental reimbursement pilot project that, under current law, requires DHS to distribute moneys to increase Medical Assistance reimbursement rates for pediatric dental care and adult emergency dental services provided in Brown, Marathon, Polk, and Racine counties.
8. **Critical access reimbursement payments to dental providers**

This bill requires DHS to provide enhanced reimbursement payments under the Medical Assistance program to dental providers who meet certain qualifications. In order to qualify, a provider must meet quality of care standards established by DHS. In addition, at least 50 percent of those individuals served by a nonprofit or public provider must be without dental insurance or enrolled in the Medical Assistance program for the provider to qualify for enhanced reimbursement and for-profit providers must have at least 5 percent of patients enrolled in the Medical Assistance program.

For services rendered by a qualified nonprofit critical access dental provider, DHS must increase reimbursement by 50 percent above the reimbursement rate otherwise paid to that provider. For services provided by a for-profit provider, DHS must increase reimbursement by 30 percent above the reimbursement rate otherwise paid to that provider. For providers serving individuals in managed care under the Medical Assistance program, DHS must increase reimbursement to pay an additional amount on the basis of the rate that would have been paid to the provider had the individual not been enrolled in managed care. If a provider has more than one service location, reimbursement is determined separately for each location.

9. **Reimbursement rate increase for direct care for nursing homes and ICF-IIDs**

This bill requires DHS to increase the rates paid for direct care to nursing homes, also known as nursing facilities, and intermediate care facilities for persons with an intellectual disability. A portion of the increase is related to an increase in patient acuity in those facilities and an additional increase is designated to support staff in those facilities who perform direct care.

10. **Reimbursement rate increase for direct care in personal care agencies**

This bill requires DHS to increase the rates paid for direct care to agencies that provide personal care services. A 1.5 percent increase per year is designated to support staff in those agencies who perform direct care.

11. **Services that contribute to determinants of health**

This bill includes services, as determined by DHS, that contribute to the determinants of health as a benefit under the Medical Assistance program. DHS is required to seek any necessary state plan amendment or request any waiver of federal Medicaid law to provide the benefit but is not required to provided the services as a Medical Assistance benefit if the federal Department of Health and Human Services does not provide federal financial participation for the services.

12. **Definition of “telehealth”; reimbursement**

This bill expands the definition of “telehealth” for the purposes of reimbursement of mental health services provided through telehealth under the Medical Assistance program. Currently, the definition of “telehealth” includes only real-time communications between individuals and health care providers. The bill includes in the definition real-time communications between providers and, in circumstances determined by DHS, asynchronous transmissions of digital images or
data between providers, known as store-and-forward technology. The definition of “telehealth” currently and under the bill does not include telephone conversations or Internet-based communications between providers or between providers and individuals.

This bill requires DHS to establish, by rule, a method of reimbursement for providers of Medical Assistance services that are covered under the Medical Assistance program and are provided via a type of telehealth described in the bill. One of the telehealth types for which the bill requires reimbursement is when a service is a consultation between a provider at an originating site and a provider at a remote location using a combination of interactive video, audio, and externally acquired images through a networking environment. The other telehealth method is store-and-forward either between providers or between a provider and a Medical Assistance recipient.

13. Crisis intervention services

Currently, mental health crisis intervention services are a benefit provided by the Medical Assistance program. Current law specifies that for a county that becomes certified as a Medical Assistance provider, the county pays the nonfederal share of the Medical Assistance reimbursement and DHS reimburses the county for the federal share of the Medical Assistance reimbursement. This bill changes the name of the services to “crisis intervention services” and specifies that those services are for the treatment of mental illness, intellectual disability, substance abuse, and dementia. The bill also specifies that for a county that elects to deliver crisis intervention services under the Medical Assistance program on a regional basis, DHS reimburses the service provider both the federal and nonfederal share of the allowable charges for the amount that exceeds a required annual county contribution. After January 1, 2020, the required annual county contribution is equal to 75 percent of the county’s expenditures for crisis intervention services in calendar year 2017, as determined by DHS.

14. Mental health consultation reimbursement

Current law requires DHS to reimburse clinical consultations for students who are under 21 years of age under the Medical Assistance program until June 30, 2019. Clinical consultations are communications from a mental health professional or qualified treatment trainee to another individual to inform, inquire, and instruct on the symptoms, strategies for care and intervention, and treatment expectations for the student and to direct and coordinate clinical service components. The bill eliminates the June 30, 2019, termination date for the clinical consultation reimbursement.

15. Dental services for individuals who have disabilities

This bill requires DHS to allocate $2,000,000 in fiscal year 2019-20 and $3,000,000 in fiscal year 2020-21 from all funding sources to increase reimbursement rates for Medical Assistance dental services that are provided to Medical Assistance recipients who have disabilities.
SENATE BILL 59

16. Disproportionate share hospital payments

This bill increases the amount that DHS is required to pay to hospitals that serve a disproportionate share of low-income patients and meet certain other criteria, including that a) the hospital is located in this state; b) the hospital provides a wide array of services, including services provided through an emergency department; c) the inpatient days for Medical Assistance recipients at the hospital were at least 6 percent of the total inpatient days at that hospital during the most recent year for which such information is available; and d) the hospital meets applicable, minimum requirements to be a disproportionate share hospital under federal law.

The bill also increases the maximum amount that DHS may pay a single such hospital in a fiscal year, provided there is no conflict with federal rules, from $4,600,000 to $9,200,000, except that a hospital located in Wisconsin that is a free-standing pediatric teaching hospital that has a Medicaid inpatient utilization rate greater than 50 percent may receive up to $12,000,000 each fiscal year.

17. Hospital assessment

Currently, each hospital, including each critical access hospital, must pay an assessment for the privilege of doing business in Wisconsin. The percentage of gross patient revenues that each hospital must pay is adjusted so that the total amount of assessments collected for all hospitals that are not critical access hospitals totals $414,507,300 in each state fiscal year. The same percentage of gross patient revenues is also assessed on critical access hospitals, though the amount is collected separately from and deposited into a separate fund from that of other hospitals. Current law requires DHS to use a portion of this total to pay for services provided by hospitals under the Medical Assistance program, including the federal and state share of Medical Assistance, in a total amount that equals the amount collected from hospitals divided by 61.68 percent. Similarly, current law requires DHS to use a portion of the amount collected from critical access hospitals to make payments to critical access hospitals for Medical Assistance services in a total amount that equals the amount collected from critical access hospitals divided by 61.68 percent. This bill decreases the 61.68 percent to 53.69 percent, thus increasing the amount of payments that must be made to critical access hospitals and other hospitals under the Medical Assistance program.

18. Rural critical care access hospital supplemental payment

This bill increases the amount of payments made to rural critical care access hospitals. Currently, DHS pays rural critical care access hospitals a Medical Assistance fee-for-service supplemental payment in a total amount of $250,000 as the state share of payments plus the matching federal share of payments. A hospital must satisfy the following criteria to be eligible for this supplemental payment: the Wisconsin hospital serves a disproportionate share of low-income patients and meets the federal qualifications to be considered a disproportionate share hospital, the hospital provides a wide array of services including emergency department services but excluding obstetric services, and the inpatient days for Medical Assistance recipients at the hospital are at least 6 percent of the total inpatient days at that hospital during the most recent year for which such information is available.
The bill changes the criteria for a hospital’s eligibility for the rural critical care access supplement to the following: the hospital is not eligible for a disproportionate share hospital payment; the hospital is located in Wisconsin and provides a wide array of services, including emergency department services; and the percentage of the hospital’s overall charges for service that are charges to the Medical Assistance program for services provided to Medical Assistance recipients is at least 6 percent. The bill increases to $500,000 the total amount of the state share of payments for the rural critical care access hospital supplement.

19. *Pediatric inpatient supplement*

This bill establishes in statute reference to supplemental funding totaling $2,000,000 to be distributed by DHS to certain acute care hospitals located in Wisconsin that have a total of more than 12,000 inpatient days in the hospital’s acute care pediatric units and intensive care pediatric units, not including neonatal intensive care units. In addition, under the bill, DHS may distribute additional funding of $10,000,000 in each state fiscal year to hospitals that are free-standing pediatric teaching hospitals located in Wisconsin that have a Medicaid inpatient utilization rate greater than 45 percent.

20. *Children’s long-term support waiver program*

This bill requires DHS to ensure that any eligible child who applies for the disabled children’s long-term support waiver program receives services under that program. The disabled children’s long-term support waiver program provides services to children who have developmental, physical, or severe emotional disabilities and who are living at home or in another community-based setting.

21. *Eliminating child support compliance requirement*

2017 Wisconsin Act 268 prohibits the following individuals from being eligible for the Medical Assistance program: certain able-bodied adults and able-bodied parents who refuse to cooperate in determining the paternity of a child, establishing or enforcing any support order, or obtaining any other payments or property to which the adult or the child has rights, and certain parents who are delinquent in child support payments without satisfying an exception or who refuse to cooperate in providing or obtaining support for their child. This bill eliminates this prohibition and reinstates the pre-Act 268 requirement that a person seeking Medical Assistance benefits must cooperate, in accordance with federal law, in good faith with efforts directed at establishing the paternity of a nonmarital child and obtaining support payments or any other payments or property to which the person and the dependent child or children may have rights.

22. *Eliminating savings account program*

2017 Wisconsin Act 271 requires DHS to submit a request to the federal government to establish and implement a savings account program, similar in function and operation to health savings accounts, in the Medical Assistance program. This bill eliminates that requirement.

23. *Long-term care programs; managed care*

This bill generally makes changes to certain long-term care programs that receive funding under the Medical Assistance program. The Family Care program
concluded its expansion statewide replacing the Community Options Program, known as COP. The bill eliminates the statutory language for the COP program, a requirement that DHS certify availability of an aging and disability resource center, and a requirement that aging and disability resource centers perform outreach in new Family Care program counties. The bill requires aging and disability resource centers to provide information and assistance on the self-directed services option, known as IRIS; the Family Care Partnership program; and the program of all-inclusive care for the elderly, known as PACE, in addition to the current requirement to provide information and assistance on the Family Care program. The bill eliminates regional long-term care advisory committees, which, among other things, evaluate the care management organizations that administer the Family Care program.

Current law specifies a 45-day deadline by which an applicant for or recipient of Medical Assistance must file an appeal of his or her eligibility determination. The bill specifies that for appeals of the adverse benefit determinations described in the bill made by a care management organization or managed care organization, the Medical Assistance recipient has 90 days to appeal. The bill also specifies that the individual seeking an appeal must exhaust the internal appeal procedures of the care management organization or managed care organization first.

PUBLIC ASSISTANCE

1. Drug screening and testing requirements

This bill eliminates provisions under current law that, with certain exceptions, require controlled substance abuse screening and, in some cases, testing and treatment of all of the following: a) individuals who apply to participate in certain work experience programs administered by DCF and DWD; b) noncustodial parents who apply for Wisconsin Works (W-2), administered by DCF; and c) with respect to the W-2 program, every adult member of an individual’s W-2 group whose income or assets are included in determining the individual’s eligibility for a W-2 program.

2. Eliminating FSET drug testing requirement

2015 Wisconsin Act 55 required DHS to promulgate rules to develop and implement a drug screening, testing, and treatment policy, which DHS promulgated as DHS 38, Wis. Adm. Code. 2017 Wisconsin Act 370 incorporated into statutes DHS 38 relating to drug screening, testing, and treatment for recipients of the FoodShare employment and training program, known as FSET. This bill eliminates the requirement to implement a drug screening, testing, and treatment policy and removes from the statutes the language incorporated by Act 370.

3. Temporary Assistance for Needy Families allocations

Under current law, DCF allocates federal moneys, including child care development funds and moneys received under the Temporary Assistance for Needy Families (TANF) block grant program for various public assistance programs. This bill modifies certain TANF allocations. This bill specifies that, with respect to a TANF-funded contract for services, “allocation” means the amount under the contract that DCF is obligated to pay.
4. **TANF reallocations**  
Under current law, DCF may reallocate funds for one purpose under the TANF allocations for any other purpose under the TANF allocations through passive review by JCF. Also under current law, if the TANF moneys received from the federal government are less than the amounts appropriated for the purposes under the TANF schedule, DCF is required to create a plan for reducing the amounts of moneys allocated under the TANF allocations and to carry it out subject to passive review by JCF. This bill replaces passive review by JCF with a requirement that the secretary of administration approve a reallocation or a plan to reduce the moneys allocated under TANF.

5. **FSET requirement**  
2017 Wisconsin Act 264 requires DHS, beginning on October 1, 2019, to require all able-bodied adults, with some limited exceptions, who seek benefits from the FoodShare program to participate in the FoodShare employment and training program, known as FSET, unless they are already employed. This bill eliminates that requirement for able-bodied adults with dependents but retains the requirement for able-bodied adults without dependents. FoodShare is also known as the food stamp program and the federal Supplemental Nutrition Assistance Program.

6. **Eliminating FSET pay-for-performance requirement**  
2017 Wisconsin Act 266 requires DHS to create and implement a payment system based on performance for entities that perform administrative functions for the FoodShare employment and training program, known as FSET. Act 266 specified performance outcomes on which the pay-for-performance system must be based. This bill eliminates the requirement for DHS to create a pay-for-performance system for FSET vendors.

7. **FoodShare paternity and child support compliance**  
2017 Wisconsin Act 59 prohibits from being eligible for FoodShare benefits certain individuals and parents who refuse to cooperate in obtaining child support or determining the paternity of a child or who are delinquent in child support payments and do not satisfy an exception. Act 59 prohibits DHS from implementing these ineligibility provisions unless DCF determines the implementation may be done in a budget-neutral manner, DHS or DCF has approval from the federal government to implement the ineligibility provisions in a budget-neutral manner, and DHS and DCF notify the governor and JCF of the federal approval and implementation. This bill eliminates all of the ineligibility provisions in FoodShare for failing to comply with paternity and child support requirements in Act 59.

8. **Transform Milwaukee Jobs for Childless Adults program**  
This bill provides funding for and requires DCF to establish the Transform Milwaukee Jobs for Childless Adults program, which is identical to the Transform Milwaukee Jobs program except that it is open to childless adults. Under current law, the Transform Milwaukee Jobs program provides a wage subsidy for placement into jobs for qualifying individuals in Milwaukee County. Under current law, in
SENATE BILL 59

order to qualify for the Transform Milwaukee Jobs program, a participant must be a parent or relative who is a primary caregiver of a child.

9. **Foster care youth driver’s licensing**

   This bill requires DCF to establish or contract for a driver education program for individuals who are 15 years of age or older and in out-of-home care. The bill requires the program to provide assistance with identifying and enrolling in an appropriate driver education course, obtaining an operator’s license, and obtaining motor vehicle liability insurance. The bill authorizes DCF to pay, for any individual in the program, any fees required to enroll in a driver education course or to obtain an operator’s license and the cost of motor vehicle liability insurance on the vehicle owned or used by the individual during the program and after the individual obtains an operator’s license.

10. **Grants to support child care in Milwaukee**

    This bill authorizes DCF to award grants to child care providers to support access to high-quality child care for families that reside in a geographic area with high-poverty levels, as identified by DCF, in the city of Milwaukee. To receive the grants, child care providers must contribute matching funds or in-kind goods or services equal to 25 percent of the grant. This bill also authorizes DCF to award grants to child care providers and their employees, and to educational institutions for the purpose of educating employees of child care providers, to improve the overall child care quality in that geographic area.

11. **Grants for services for homeless and runaway youth**

    This bill provides an additional $250,000 per year in funding for grants administered by DCF to support programs that provide services for homeless and runaway youth. Under current law, DCF awards $150,000 per year for this purpose.

12. **Tribal family services grants**

    This bill requires tribal family services grants, administered by DCF, to be funded using Indian gaming receipts. The grants may be used for tribal services for adolescents or victims of domestic abuse, tribal child care, or tribal child welfare services.

13. **Special Supplemental Nutrition Program for Women, Infants, and Children**

    This bill makes various changes to the Special Supplemental Nutrition Program for Women, Infants, and Children, known as the WIC program. The WIC program provides supplemental foods, nutrition education, and other services to low-income women, infants, and children that meet eligibility criteria under federal law. DHS administers portions of the WIC program including authorization of vendors and distribution centers to accept the method of payment that participants in the WIC program use to obtain foods approved under the program. Specifically, the bill does all of the following:

    a. Allows DHS to identify an alternate participant, who is someone authorized by a WIC program participant to request benefits and otherwise participate in the WIC program, as the WIC program cardholder for purposes of electronic administration.
SENATE BILL 59

b. Adds to the criteria to be an authorized vendor or authorized distribution center that the vendor or distribution center has an electronic benefit transfer-capable cash register system or payment device that meets the criteria specified in the bill.

c. Specifies that, except for certain mobile stores specially authorized in accordance with federal law, each store is a separate vendor, must have a single, fixed location, and must be separately authorized under the WIC program.

d. Adds to the activities prohibited under the WIC program engaging in trafficking. Trafficking in WIC benefits is defined in the bill as engaging in any of the following: buying, selling, stealing, or otherwise exchanging, including exchanging firearms, ammunition, explosives, or controlled substances, a payment method of obtaining WIC-approved foods for cash or consideration other than WIC approved foods; intentionally purchasing and reselling for cash or consideration a product that is obtained using a method of obtaining WIC-approved foods; or intentionally purchasing with cash or consideration a product that was originally purchased with a method of obtaining WIC-approved foods. A person who performs any of the prohibited practices under the bill or under current law is subject to a felony with a penalty of a fine not to exceed $10,000 or imprisonment not to exceed three years and six months, or both for the first offense and for a second or subsequent offense a felony with a penalty of a fine not to exceed $10,000 or imprisonment not to exceed six years, or both.

e. Incorporates infant formula suppliers into the types of entities for which DHS must promulgate rules regarding standards for authorization.

f. Adds civil monetary penalty, warning letter, and implementation of a corrective action plan to the list of consequences for violating a rule promulgated by DHS relating to the WIC program.

g. Specifies that information about an applicant for, participant in, or vendor in the WIC program is confidential and then specifies who may access that confidential information and for what purposes.

h. Makes some additional changes to the language of the WIC program statutes.

WISCONSIN WORKS

1. W-2 lifetime maximum

The Wisconsin Works (W-2) program under current law, which DCF administers, provides work experience and benefits for low-income custodial parents who are at least 18 years old. This bill increases the lifetime maximum for W-2 participation of an individual or any adult member of the individual’s W-2 group from 48 months to 60 months. Under current law, a W-2 group includes any nonmarital coparent or any spouse of an individual who resides in the same household as the individual.

2. W-2 work experience programs

Under current law, the W-2 program provides a work experience program known as the “Trial Employment Match Program,” or “TEMP.” Under current law, participants in TEMP are placed in a job and the agency administering the W-2 program subsidizes the participants’ employment for up to 40 hours per week. This
SENNATE BILL 59

This bill changes the name of TEMP to “Subsidized Employment Placement,” removes the 40-hour per week cap on the subsidy, and allows a W-2 agency to negotiate with the employer a maximum number of hours per week for which the participant is eligible to receive a subsidy. This bill also removes the current 24-month participation limit for TEMP and community service and transitional placement jobs, which are also under W-2.

3. Work experience program: educational and training component

The work experience programs under W-2 currently include educational and training components, not to exceed ten hours per week in the community service job program or 12 hours per week in the transitional placement program. This bill removes the time limitations on educational and training components of a W-2 program. Also under current law, a person may participate in a technical college education program under W-2, as long as the person works in a community service job or transitional placement for 25 hours per week in addition to participating in the technical college educational program. This bill removes the 25-hour requirement of the work component for participation in the technical college education program under W-2.

4. Program time limit for caretaker of an infant

Under current law, a person who meets the eligibility requirements for W-2 and who is the custodial parent of a child who is eight weeks old or less may receive monthly grants of $673 and may not be required to work in a W-2 employment position during that time, unless another adult member of the custodial parent’s W-2 group is participating in, or is eligible to participate in, a W-2 employment position or is employed in unsubsidized employment. This bill extends these monthly benefits to the custodial parent of a child who is 12 weeks old or less.

5. Wisconsin Shares maximum reimbursement rate

Under the Wisconsin Shares program under W-2, an individual who is the parent of a child under the age of 13 or, if the child is disabled, under the age of 19 who needs child care services to participate in various education or work activities, and who satisfies other eligibility criteria, may receive a subsidy for child care services.

DCF determines the maximum subsidy rates for Wisconsin Shares child care subsidies. DCF also determines the maximum subsidy rates for services provided by certified family child care providers, but may set the rate for Level I certified family child care providers at no more than 75 percent of the licensed child care rate and for Level II certified family child care providers at no more than 50 percent of the licensed child care rate. Under this bill, the maximum rate for Level I or Level II certified family child care providers may not exceed the licensed child care rate.

6. Internet service provider subscriptions

This bill allows a person who meets the eligibility requirements for W-2 to apply for and receive from DCF a monthly amount sufficient to pay the cost of an Internet service provider subscription or $57, whichever is lower.
HEALTH

1. Medical marijuana

Current law prohibits a person from manufacturing, distributing, or delivering tetrahydrocannabinols; possessing THC with the intent to manufacture, distribute, or deliver it; possessing or attempting to possess THC; using drug paraphernalia; or possessing drug paraphernalia. This bill creates a medical use defense to such THC-related prosecutions and forfeiture actions for a person who is registered with DHS as having a specified debilitating medical condition or undergoing a specified debilitating treatment. The bill also prohibits the arrest or prosecution of such a person for those offenses. The defense and prohibition do not apply under certain circumstances, such as a) if the person does not have a valid registry identification card; b) if the amount of cannabis involved is more than 12 plants or three ounces of leaves or flowers; c) if, while under the influence of THC, the person drives a motor vehicle or engages in other conduct that endangers another person; or d) if the person smokes cannabis on a school bus or public transit or on school premises.

Under the bill, DHS must establish a medical cannabis registry, and a person may apply to DHS for a registry identification card. The bill specifies that the following medical conditions or treatments qualify a person for the registry: cancer, glaucoma, AIDS or HIV, Crohn’s disease, a hepatitis C virus infection, Alzheimer’s disease, amyotrophic lateral sclerosis, nail-patella syndrome, Ehlers-Danlos Syndrome, post-traumatic stress disorder, or the treatment of these conditions; opioid abatement or reduction or treatment for opioid addiction; a chronic or debilitating disease or medical condition or the treatment of such a disease or condition that causes cachexia, severe pain, severe nausea, seizures, or severe and persistent muscle spasms; and any other medical condition or treatment DHS designates as a debilitating medical condition or treatment. DHS must issue a qualified applicant a registry identification card unless, in the previous ten years, the applicant was serving a sentence or on probation for certain violent felony convictions. DHS must keep registry information and applications confidential except for verifying status for law enforcement purposes.

Under the bill, DATCP must license and regulate dispensaries to facilitate medical THC. The bill prohibits a dispensary from being located within 500 feet of a school, from distributing to one person more than 12 cannabis plants or three ounces of cannabis leaves or flowers, and from possessing an excessive quantity of cannabis. An applicant for a dispensary license must pay an initial application fee determined by DATCP, but a minimum of $250, and a dispensary must pay an annual fee determined by DHS, but a minimum of $5,000.

The bill requires DATCP to determine policies that allow entities to grow cannabis and distribute it to dispensaries. The bill also requires DATCP to register entities as THC-testing laboratories. The bill also imposes a surcharge on the sale of cannabis and tetrahydrocannabinols by a dispensary. The surcharge is equal to 10 percent of the sales price.

This bill affirmatively states that no employer is required to permit or accommodate the use, consumption, possession, transfer, display, transportation, sale, or cultivation of medical marijuana at a place of employment by an employee.
SENATE BILL 59

The bill expressly allows an employer to have a policy regarding marijuana use by its employees.

2. Prescription drug importation program

This bill requires DHS, in consultation with persons interested in the sale and pricing of prescription drugs and federal officials and agencies, to design and implement a prescription drug importation program for the benefit of and that generates savings for Wisconsin residents. The bill establishes requirements for the program including all of the following: DHS must designate a state agency to become or contract with a licensed wholesale distributor and seek federal certification and approval to import prescription drugs; the importation program must comply with certain federal regulations and import from Canadian suppliers only prescription drugs that are not brand-name drugs, have fewer than four competitor drugs in this country, and for which importation creates substantial savings; DHS must ensure that prescription drugs imported under the program are not distributed, dispensed, or sold outside of Wisconsin; and the importation program must have an audit procedure to ensure the program complies with certain requirements specified in the bill. Before submitting the proposed implementation program to the federal government for certification, DHS must submit the proposed importation to JCF for its approval.

3. Dental therapy training program

This bill requires DHS to award onetime grants on a competitive basis to educational institutions for costs associated with beginning a dental therapy training program.

4. Evidence-based oral health grants and Seal-A-Smile program

This bill expands the grants awarded annually by DHS for the Seal-A-Smile program and modifies the scope of other grants awarded by DHS from fluoride programs to include grants for fluoride varnish and other evidence-based oral health activities. Under current law, DHS annually awards grants totaling $25,000 for fluoride supplements, $25,000 for a fluoride mouth-rinse program, and $120,000 for a school-based dental sealant program. Under the bill, DHS is required to award grants totaling no less than $50,000 for fluoride varnish and other evidence-based oral health activities, $700,000 for school-based preventive dental services, and $100,000 for school-based restorative dental services, except that in fiscal year 2019–20, DHS is required to award $525,000 for school-based preventive dental services, $100,000 for school-based restorative dental services, and $50,000 for fluoride varnish and other evidence-based oral health activities.

5. Minority health grant funding

This bill modifies the funding for the DHS minority health program through which DHS annually awards grants to organizations for activities to improve the health status of economically disadvantaged minority group members. Under current law, DHS awards grants of up to $50,000 per year per applicant from program revenues. The bill instead uses general purpose revenues for these grants and eliminates the program revenues appropriation. Current law requires that applicants that are not federally qualified health centers receive priority for grants.
SENATE BILL 59

The bill requires that applicants providing maternal and child health services also receive priority for these grants.

Under current law, DHS is also required to award, from the same program revenues appropriation, a grant of up to $50,000 to a private nonprofit corporation to conduct a public information campaign on minority health. Under the bill, this grant is also funded by general purpose revenues.

6. Infant mortality prevention program

This bill requires DHS to allocate five of its full-time equivalent positions to staff an infant mortality prevention program.

7. Title V and Title X family planning funding

Current law requires DHS to apply for federal Title X grant funds and to distribute any funds received to public entities for family planning and related preventive health services. This bill eliminates that requirement.

Under current law, DHS must allocate women’s health funds, which are federal Title V funds and women’s health block grant funds, to develop and maintain an integrated system of community health services and maximize coordination of family planning services. Current law excludes from the definition of “family planning” performance, promotion, encouragement, or counseling in favor of, or referral either directly or through an intermediary for, voluntary termination of pregnancy but includes in the definition of “family planning” the provision of nondirective information explaining prenatal care and delivery or infant care, foster care, or adoption. DHS must distribute women’s health funds only to public entities. Currently, those public entities may provide some or all of the funds to other public entities or private entities as long as the recipients of the funds do not provide abortion services, make referrals for abortion services, or have an affiliate that provides abortion services or makes referrals for abortion services. The bill retains the authorization for the public entity that receives funds from DHS to provide some or all of the funds to other public or private entities but eliminates the restriction on which public or private entities may receive those funds. The bill also includes in the definition of “family planning” the provision of nondirective information explaining pregnancy termination.

8. Multiple sclerosis services

This bill allows DHS to allocate and expend, as part of its implementation of the Well-Woman Program, up to $60,000 as reimbursement for the provision of multiple sclerosis services to women. Current law requires DHS to allocate and expend at least $60,000 for these services; the bill sets a limit of $60,000.

9. Youth wellness program

This bill provides funding to American Indian tribes to fund architectural plans for a youth wellness center.

10. Dementia training for health care providers

This bill requires DHS to establish a two-year academic detailing primary care clinic dementia training program for health care providers in ten primary care clinics in the state through a contract with the Wisconsin Alzheimer’s Institute. As part of the training program, DHS must provide primary care providers with clinical
training and access to educational resources on best practices for diagnosis and management of common cognitive disorders and referral strategies to dementia specialists for complicated or rare cognitive or behavioral disorders. DHS must also ensure that the program includes at least the following components: a) the most current research on effective clinical treatments and practices is systematically evaluated by the academic detailing team; b) information gathered and evaluated regarding the effective clinical treatments and practices is packaged into an easily accessible format that is clinically relevant, rigorously sourced, and compellingly formatted; and c) training is provided for clinicians to serve as academic detailers.

11. Healthy aging grant program

This bill requires DHS to award in each fiscal year a grant of $250,000 to an entity that conducts programs in healthy aging.

12. Graduate medical training support grants

This bill combines, in a continuing appropriation, funding for grants DHS awards to assist rural hospitals and groups of rural hospitals in procuring infrastructure and increasing case volume to develop accredited graduate medical training programs with funding for grants DHS awards to hospitals to support existing graduate medical training programs. The bill also expands eligibility for both types of grants to all specialties. Under current law, in order to be eligible for a grant, a hospital has to have an existing graduate medical training program in certain prescribed specialty areas or a plan to develop a graduate medical training program in one or more of those specialties.

13. Assisted living reporting and fees

This bill requires certain assisted living facilities, specifically adult day centers, community-based residential facilities, and residential care apartment complexes, to submit biennial reports to DHS through an online system prescribed by DHS. Under current law, some assisted living facilities have no statutory reporting requirements and others have annual rather than biennial requirements. Current law also requires written reports rather than online submissions.

14. Residential lead abatement grants

Under this bill, DHS must award grants for residential lead abatement and residential lead hazard reduction and for training lead abatement workers.

CHILDREN

1. Family first prevention services

This bill makes certain changes to child welfare laws to allow foster care payments to be made on behalf of a child who is placed with his or her parent in a licensed family-based residential alcohol or drug abuse treatment facility under a voluntary agreement or under an order of the court assigned to exercise jurisdiction under the Children’s Code (juvenile court) in order to claim federal funding under Title IV-E of the federal Social Security Act. Under current law, the juvenile court has jurisdiction over a child alleged to be in need of protection or services (CHIPS). Current law establishes the grounds for alleging CHIPS. This bill adds that the juvenile court has jurisdiction over a child whose parent is residing in a residential family-based alcohol or drug abuse treatment program, if the parent requests
SENATE BILL 59

jurisdiction in order to have his or her child reside at the program. The bill requires DCF to prepare a permanency plan for such a child, and allows DCF to place the child with the parent at the treatment program under a voluntary agreement or by an order of the juvenile court if the parent consents and if such a placement is recommended by the permanency plan. If a child is placed with his or her parent under such a voluntary agreement or an order of the juvenile court, the bill authorizes DCF to provide foster care funding for the placement.

2. Background checks for congregate care workers

This bill requires a licensing entity to perform a fingerprint-based background check for all workers at a congregate care facility, as required under federal law. The bill defines a congregate care facility to be a group home, shelter care facility, or residential care center for children and youth. Under current law, only caregivers and nonclient residents of a congregate care facility are required to receive a background check.

3. Read to Lead program

This bill eliminates the Read to Lead Development Council, which is under DCF, and the read to lead development fund. Under current law, the council makes recommendations to the secretary of DCF and the state superintendent of public instruction regarding recipients of grants for school boards from the fund to support literacy or early childhood development programs. The secretary and the state superintendent may then make grants to school boards from the fund.

4. Subsidized guardianship payments

Under current law, in a county having a population of 750,000 or more, and in other counties under certain circumstances, DCF must provide monthly subsidized guardianship payments to the guardian of a child who has been adjudged to be in need of protection or services, and to an interim caretaker or successor guardian upon the death or incapacity of the guardian. This bill changes the appropriations from which DCF must make monthly subsidized guardianship payments.

5. Foster and kinship care rates

The bill increases the monthly basic maintenance rates that are paid by the state or a county to a foster parent for the care and maintenance of a child by 2 percent beginning on January 1, 2020, and by an additional 2 percent beginning on January 1, 2021. Beginning on January 1, 2020, the monthly rates are $249 for a child of any age in a foster home certified to provide level one care and, for a foster home certified to provide higher than level one care, $412 for a child under five years of age, $451 for a child 5 to 11 years of age, $512 for a child 12 to 14 years of age, and $534 for a child 15 years of age or over. Beginning on January 1, 2021, the monthly rates are increased to $254 for a child of any age in a foster home certified to provide level one care and, for a foster home certified to provide higher than level one care, $420 for a child under five years of age, $460 for a child 5 to 11 years of age, $522 for a child 12 to 14 years of age, and $545 for a child 15 years of age or over.

The bill also increases the monthly basic maintenance rates that are paid by the state or a county to a kinship care relative (a relative other than a parent) who is
providing care and maintenance for a child. These rates are the same as for a foster home certified to provide level one care.

6. Children and family services

Under current law, DCF must distribute not more than $74,308,000 in each fiscal year to counties for children and family services. This bill increases the maximum amount DCF must distribute to counties for these services to $78,708,100 in fiscal year 2019-20 and $90,478,400 in fiscal year 2020-21.

7. Background checks for child care programs

This bill makes various definitional changes, changes who can conduct a rehabilitation review, and changes the timeline for an appeal of a decision of DCF in the context of the background check requirements for people who work or reside at a child care program.

MENTAL HEALTH AND DEVELOPMENTAL DISABILITIES

1. Methadone use in opioid treatment programs

Under current law, DHS is required to create two or three comprehensive opioid treatment programs and two or three additional opioid and methamphetamine treatment programs to provide treatment for opioid, opiate, and methamphetamine addiction in underserved, high-need areas. The programs must provide counseling, medication-assisted treatment, and abstinence-based treatment. Current law prohibits these treatment programs from offering methadone treatment, and this bill removes that prohibition.

2. Regional crisis stabilization facilities for adults

This bill requires DHS to award grants to regional crisis stabilization facilities for adults based on criteria established by DHS. Current law requires certification by DHS in order to operate a youth crisis stabilization facility, which is a facility designed to prevent or de-escalate the minor’s mental health crisis and avoid admission of the minor to a more restrictive setting.

3. Crisis program enhancement grants

This bill requires DHS to award grants each fiscal biennium to counties or regions comprising multiple counties to establish or enhance crisis programs to serve individuals having crises in rural areas. Under current law, DHS is required to award grants, but only for the purpose of establishing certified crisis programs that create mental health mobile crisis teams. The bill allows DHS to award grants for the purpose of establishing or enhancing crisis programs.

4. Mental health consultation program

This bill requires DHS to convene a statewide group of interested persons to develop a concept paper, business plan, and standards for a comprehensive mental health consultation program that incorporates general, geriatric, and addiction
INSURANCE

1. Coverage of individuals with preexisting conditions, essential health benefits, and preventive services

This bill requires certain health plans to guarantee access to coverage; prohibits plans from imposing preexisting condition exclusions; prohibits plans from setting premiums or cost-sharing amounts based on a health status-related factors; prohibits plans from setting lifetime or annual limits on benefits; requires plans to cover certain essential health benefits; and requires coverage of certain preventive services by plans without a cost-sharing contribution by an enrollee.

This bill requires every individual health insurance policy, known in the bill as a health benefit plan, to accept every individual who, and every group health insurance policy to accept every employer that, applies for coverage, regardless of sexual orientation, gender identity, or whether an employee or individual has a preexisting condition. The bill allows health benefit plans to restrict enrollment in coverage to open or special enrollment periods and requires the commissioner of insurance to establish a statewide open enrollment period of no shorter than 30 days for every individual health benefit plan. The bill prohibits a group health insurance policy, including a self-insured governmental health plan, from imposing a preexisting condition exclusion. The bill also prohibits an individual health insurance policy from reducing or denying a claim or loss incurred or disability commencing under the policy on the ground that a disease or physical condition existed prior to the effective date of coverage.

A health benefit plan offered on the individual or small employer market or a self-insured governmental health plan may not vary premium rates for a specific plan except on the basis of whether the plan covers an individual or family, area in the state, age, and tobacco use as specified in the bill. An individual health benefit plan or self-insured health plan is prohibited under the bill from establishing rules for the eligibility of any individual to enroll based on health-status related factors, which are specified in the bill. A self-insured health plan or an insurer offering an individual health benefit plan is also prohibited from requiring an enrollee to pay a greater premium, contribution, deductible, copayment, or coinsurance amount than is required of a similarly situated enrollee based on a health-status related factor. Current state law prohibits group health benefit plans from establishing rules of eligibility or requiring greater premium or contribution amounts based on a health-status related factor. The bill adds to these current law requirements for group health benefit plans that the plan may not require a greater deductible, copayment, or coinsurance amount based on a health-status related factor.

Under the bill, an individual or group health benefit plan or a self-insured governmental health plan may not establish lifetime or annual limits on the dollar value of benefits for an enrollee or a dependent of an enrollee under the plan.
The requirements and prohibitions in this bill related to coverage of individuals with preexisting conditions and prohibition of lifetime and annual benefit limits also apply to short-term, limited-duration health insurance policies.

This bill requires certain health insurance policies, known in the bill as disability insurance policies, and governmental self-insured health plans to cover essential health benefits that will be specified by the commissioner of insurance by rule. The bill specifies a list of requirements that the commissioner must follow when establishing the essential health benefits including certain limitations on cost sharing and the following general categories of benefits, items, or services in which the commissioner must require coverage: ambulatory patient services, emergency services, hospitalization, maternity and newborn care, mental health and substance use disorder services, prescription drugs, rehabilitative and habilitative services and devices, laboratory services, preventive and wellness services and chronic disease management, and pediatric services. If an essential health benefit specified by the commissioner is also subject to its own mandated coverage requirement, the bill requires the disability insurance policy or self-insured health plan to provide coverage under whichever requirement provides the insured or plan participant with more comprehensive coverage.

This bill requires health insurance policies and governmental self-insured health plans to cover certain preventive services and to provide coverage of those preventive services without subjecting that coverage to deductibles, copayments, or coinsurance. The preventive services for which coverage is required are specified in the bill. The bill also specifies certain instances when cost-sharing amounts may be charged for an office visit associated with a preventive service.

2. Registration of pharmacy benefit managers; drug cost reporting

This bill generally requires certain prescription drug cost reporting by drug manufacturers, pharmacy benefit managers, insurers, and hospitals. The bill also requires pharmacy benefit managers to register with OCI in order to perform activities of a pharmacy benefit manager in Wisconsin.

Under the bill, each insurer that offers a health insurance policy that covers prescription drugs must submit to OCI an annual report that identifies the 25 prescription drugs that are the highest cost to the insurer and the 25 prescription drugs that have the highest cost increases over the 12 months before the submission of the report. Health insurance policies are referred to in the bill as disability insurance policies.

The bill requires a drug manufacturer to notify OCI if it increases the wholesale acquisition cost of a brand-name or generic drug on the market in this state by more than an amount specified in the bill, or if it intends to introduce to market a brand-name or generic drug that has an annual wholesale acquisition cost of more than a specified amount. The manufacturer must include with the notice justification for and documentation regarding the price increase. The bill requires each manufacturer to provide OCI an annual description of each manufacturer-sponsored patient assistance program in effect during the previous year. Each manufacturer must also report to OCI the value of price concessions provided to each pharmacy benefit manager for each drug sold.
SENATE BILL 59

The bill requires pharmacy benefit managers to report to OCI the amount received from manufacturers as drug rebates and the value of price concessions provided by manufacturers for each drug. The bill also requires each hospital participating in the federal drug-pricing program, known as the 340B program, to report to OCI the per unit margin for each drug covered under the 340B program dispensed in the previous year, the total margin, and how the margin revenue was used. OCI is required under the bill to publicly post information submitted, analyze data collected, publish a report on emerging trends in prescription prices and price increases, and annually conduct a public hearing based on that analysis. OCI must also conduct a statistically-valid survey of pharmacies in this state regarding whether the pharmacy agreed to not disclose that customer drug benefit cost sharing exceeds the cost of the dispensed drug.

The bill requires OCI to ensure that every health insurance policy that covers prescription drugs does not restrict a pharmacy or pharmacist from or penalize a pharmacy or pharmacist for informing an insured of a difference between the price of a drug or biological product under the policy and the price the insured would pay without using health insurance coverage.

3. Nonresident agent appointment fee

Current law requires a $16 annual fee for appointment or renewal of a resident insurance agent and a $30 annual fee for appointment or renewal of a nonresident insurance agent. The commissioner of insurance may require, by rule, payment of a higher appointment or renewal fee than the statutory fee. This bill increases the statutory annual fee for nonresident agent appointment or renewal to $40.

JUSTICE

1. Powers of the attorney general

This bill repeals changes made to the powers of the attorney general in 2017 Wisconsin Act 369 relating to the power to compromise or discontinue civil actions prosecuted by DOJ and the power to compromise and settle actions in cases where DOJ is defending the state. This bill reestablishes these settlement powers as they existed under the law before Act 369 was enacted.

The bill allows the attorney general to compromise or discontinue actions prosecuted by DOJ a) when directed by the officer, department, board, or commission that directed the prosecution; or b) with the approval of the governor when the action is prosecuted by DOJ on the initiative of the attorney general or at the request of any individual. The bill eliminates the requirement for approval of compromise or discontinuance from a legislative intervenor or JCF. It also eliminates the requirement, in certain circumstances, for the attorney general to obtain approval of a settlement or discontinuance by the Joint Committee on Legislative Organization before submitting a proposed plan to JCF.

Under the bill, when DOJ is representing the defense, the attorney general may compromise and settle the action as the attorney general determines to be in the best interest of the state. The bill eliminates the requirement under current law that, in actions for injunctive relief or if there is a proposed consent decree, the attorney
SENATE BILL 59

general obtain approval of any legislative intervenor or, if there is no intervenor, JCF. The bill also eliminates the requirement, in certain circumstances, that the attorney general obtain approval from JCLO before submitting a proposed plan of settlement or compromise to JCF.

2. Moving office of school safety to DPI

This bill moves the Office of School Safety from DOJ to DPI. The office of school safety was created in 2017 Wisconsin Act 143 to create model practices for school safety, to compile blueprints and geographic information system (GIS) maps of schools for use by law enforcement agencies, to award grants to schools for expenditures related to improving school safety, and to offer training to school staff on school safety. Under the bill, all of those duties, except for the duty to offer training to school staff on school safety move with the office to DPI. Under the bill, DOJ retains the duty to offer such training.

3. Grants for community policing officers

Under current law, DOJ must award grants to cities with a population of at least 25,000 to pay salaries and fringe benefits of beat patrol law enforcement officers so that the cities may employ additional officers or to reimburse overtime hours for the officers. DOJ must award the grants to eligible cities that apply that have the highest rates of violent crime, and recipients must provide matching funds of at least 25 percent of the grant. This bill adds that DOJ may, using the same criteria for the current law grants, also award grants to pay salaries and fringe benefits of law enforcement officers who are assigned to community policing so that the cities may employ additional officers who perform such services or to reimburse overtime hours for those officers.

This bill also changes the funding source for these grants from an annual sum certain program receipts appropriation to an annual sum certain GPR appropriation in the 2019–21 fiscal biennium, and transfers the remaining moneys that had been appropriated to the grants in the 2017–19 fiscal biennium to an appropriation to be used at the discretion of the attorney general.

4. Alternatives to incarceration grant program

Under current law, DOJ must award grants to counties and to tribes to enable them to establish and operate programs, including suspended and deferred prosecution programs and programs based on principles of restorative justice, that provide alternatives to prosecution and incarceration for criminal offenders who abuse alcohol or other drugs. This bill expands the grant program by creating an appropriation to provide grant funds to counties that are not yet a recipient of a grant under the program on the effective date of this bill.

5. Nonviolent offender treatment diversion pilot program

2017 Wisconsin Act 32 created a nonviolent offender treatment diversion pilot program that expires on July 1, 2019. This bill continues the nonviolent offender treatment diversion pilot program until July 1, 2021, and requires that in each fiscal year of the 2019–21 biennium, $250,000 of the moneys appropriated to the program be allocated to police departments in cities of the first class.
6. Settlement funds
This bill creates two appropriations in which all moneys received from settlement funds must be deposited to carry out the purposes for which the settlement was received or, if no purpose was specified in the settlement, to be used at the discretion of the attorney general. The bill also requires DOJ to submit to DOA and JCF a semiannual report on the receipt and use of settlement funds.

The bill also creates an appropriation to hold all money received by DOJ that is owed to a relator, to provide payments to relators. A relator is a type of party in a lawsuit.

7. DNA Surcharges transfer
This bill transfers from DOJ’s appropriation for DNA analysis surcharges to DOJ’s appropriation for investigating Internet crimes against children $750,000 in each fiscal year of the 2019–21 fiscal biennium.

LOCAL GOVERNMENT

Levy limits

Generally, under current law, local levy limits are applied to the property tax levies that are imposed in December of each year. Current law prohibits any political subdivision from increasing its levy by a percentage that exceeds its valuation factor, which is the greater of either 0 percent or the percentage change in the political subdivision’s equalized value due to new construction, less improvements removed (net new construction). Current law also contains a number of exceptions to the levy limit, such as amounts a county levies for a countywide emergency medical system, for a county children with disabilities education board, and for certain bridge and culvert construction and repair.

1. Minimum increase factor
Under the bill, the valuation factor is increased to the greater of either 2 percent or the percentage change in net new construction.

2. Adjustment for shared emergency services and joint fire departments
The bill creates an exception to local levy limits for shared emergency services. Under the bill, fee increases apportioned to each political subdivision operating a joint emergency dispatch center do not apply to the levy limits, but only if the fees would cause the political subdivisions to exceed the levy limits, and only if the total charges imposed by the center for the current year, compared to the previous year, are less than or equal to the rate of inflation plus 1 percent. In addition, all member political subdivisions of a center must adopt a resolution in favor of exceeding the levy limit.

Also under current law, a similar exception applies to municipalities operating a joint fire department. Currently, under this provision, the exception applies only if the total charges imposed by the joint fire department for the current year, compared to the previous year, increase by less than or equal to the rate of inflation plus 2 percent. This bill reduces the permitted yearly increase to the rate of inflation plus 1 percent.
SENATE BILL 59

3. **Exclusion for cross-municipality transit routes**

The bill creates an exception to local levy limits for certain transit services. Under the bill, amounts levied by a political subdivision for costs related to new or enhanced transit services that cross adjacent county or municipal borders do not apply to the limit if the political subdivisions between which the routes operate have entered into an agreement to provide for the services and if the agreement is approved in a referendum.

4. **Negative adjustment for certain service revenues**

Under current law, a political subdivision must reduce its allowable levy by the estimated amount of any revenue from fees or payments in lieu of taxes if the revenue is received for providing certain “covered services” that were funded with property tax revenues in calendar year 2013. The “covered services” are certain garbage collection, fire protection, snow plowing, street sweeping, and storm water management.

This bill repeals the requirement that a political subdivision must reduce its allowable levy by the estimated amount of revenues received for providing covered services that were funded with property tax revenues in calendar year 2013.

**TAX INCREMENTAL FINANCING**

Under the current tax incremental financing program, a city or village may create a tax incremental district in its territory to foster development. Currently, towns and counties also have a limited ability to create a TID. Before a city or village may create a TID, several steps and plans are required. These include public hearings on the proposed TID, preparation and adoption of a proposed project plan for the TID, approval of the proposed project plan by the common council or village board, approval of the proposed TID by a joint review board that consists of members who represent the overlying taxation districts, and adoption of a resolution by the common council or village board that creates the TID. Also under current law, once a tax incremental district has been created, DOR calculates the “tax incremental base” value of the TID, which is the equalized value of all taxable property within the TID at the time of its creation. If the development in the TID increases the value of the property in the TID above the base value, a “value increment” is created. That portion of taxes collected on the value increment in excess of the base value is called a “tax increment.” The tax increment is placed in a special fund that may be used only to pay back the project costs of the TID.

1. **Developer cash grant limitations**

Currently, a TID project plan must include information regarding all proposed public works or improvements within the district, an economic feasibility study, a detailed list of estimated project costs, and a description of financing methods for the project costs. Generally, project costs are defined to include public works such as sewers, streets, and lighting systems; financing costs; site preparation costs; and professional service costs. Current law authorizes a political subdivision to make cash grants, which are included in project costs, to owners, lessees, or developers of land in a TID if the grant recipient has entered into a development agreement with the political subdivision.
SENATE BILL 59

Under this bill, the total of all such cash grants may not exceed 20 percent of the total project costs of a TID, including financing costs attributable to the grants.

2. Tax incremental district project plan stress tests

This bill requires that a TID’s project plan also include alternative economic projections of the TID’s finances and feasibility under different economic situations, including a slower pace of development and lower rate of property value growth than expected in the TID.

3. Erroneous reporting of value increments

Under this bill, for property values reported in 2018, if a city or village erroneously reports a higher value increment for its TIDs by an aggregate amount of at least $50 million, the city’s or village’s TIDs may transfer the excess tax increment collections resulting from this error to the city’s or village’s general fund to reimburse taxpayers for the higher property tax rates imposed on them due to this error. Before making any such transfers, the city or village must verify with DOR the amounts involved.

GENERAL LOCAL GOVERNMENT

1. State and local employment regulations; repeal preemption of local government regulations

This bill repeals the preemption of local governments enacting or enforcing ordinances related to the following:
   a. Regulations related to wage claims and collections.
   b. Regulation of employee hours and overtime, including scheduling of employee work hours or shifts.
   c. The employment benefits an employer may be required to provide to its employees.
   d. An employer’s right to solicit information regarding the salary history of prospective employees.

The bill also repeals a prohibition against a political subdivision from imposing an occupational licensing requirement on an individual that is more stringent than the state requirement. The bill also repeals a provision under which neither the state nor a local government may enact a statute or ordinance, adopt a policy or regulation, or impose a contract, zoning, permitting, or licensing requirement, or any other condition, that would require any person to accept any provision that is a subject of collective bargaining under state or federal labor laws. Current law defines “federal labor laws” as the National Labor Relations Act. Finally, the bill repeals a prohibition under which the state and local governments, and their employees, could require any person to waive the person’s rights under state or federal labor laws as a condition of any other approval by the state or local governmental unit.

2. Municipality construction, ownership, or operation of broadband facilities

Current law prohibits, with several exceptions, a municipality from constructing, owning, or operating a facility for providing video service, telecommunications service, or broadband service to the public unless a) the municipality holds a public hearing on the proposed action, b) notice of the public
hearing is given, and c) the municipality prepares and makes available for public inspection a report estimating the total costs of, and revenues derived from, constructing, owning, or operating the facility for a period of at least three years. Current law specifies the costs that must be estimated under item c. This bill eliminates that specification of costs when the facility is a broadband facility intended to serve an underserved or unserved area.

Currently, under one of the exceptions, the public hearing and cost report do not apply to a facility for providing broadband service if a) the municipality offers use of the facility on a nondiscriminatory basis to persons who provide broadband service to end users of the service, b) the municipality itself does not use the facility to provide broadband service to end users, and c) the municipality determines that, at the time of authorization, the facility does not compete with more than one provider of broadband service. This bill eliminates the requirements under items b and c for facilities that are intended to serve an underserved or unserved area. That is, under the bill, for facilities that are intended to serve an underserved or unserved area, the public hearing and cost report do not apply to a facility for providing broadband service if the municipality offers use of the facility on a nondiscriminatory basis to persons who provide broadband service to end users of the service.

Currently, under another of the exceptions, the public hearing and cost report do not apply to a facility for providing broadband service to an area within the boundaries of a municipality if the municipality asks, in writing, each person that provides broadband service within the boundaries of the municipality whether the person currently provides broadband service to the area or intends to provide broadband service to the area within nine months and a) does not receive an affirmative response within 60 days, b) the municipality determines that a person who responded does not currently provide broadband service to the area, and no other person makes the response to the municipality, or c) the municipality determines that a person who responded that the person intended to provide broadband service to the area within nine months did not actually provide the service within nine months and no other person makes the response to the municipality.

Under the bill, for this exception in the case of an underserved or unserved area, rather than asking whether a person plans to provide broadband service to the area within nine months, the municipality must ask whether the person intends or actively plans to provide broadband service to the area within the relevant time period.

MILITARY AFFAIRS

1. Emergency management

This bill changes the appropriations for fire, crash, and rescue emergencies and for the emergency management assistance compact from sum certain annual appropriations to continuing appropriations. An annual sum certain appropriation is expendable only for the fiscal year for which the appropriation is made and only up to the dollar amount shown in the schedule for that fiscal year. A continuing appropriation is expendable until fully depleted, and the moneys held therein do not
lapse. Therefore, the effect of this change is to allow the moneys in the appropriations to continue to be spent until depleted.

2. Washington Island disaster assistance

This bill requires DMA to pay up to $1,000,000 in each fiscal year of the 2019-21 fiscal biennium from the state disaster assistance appropriation to the Washington Island Electric Cooperative for the costs incurred for the replacement of the cables that bring electricity to Washington Island.

3. Emergency management assistance compact

This bill creates an appropriation account to receive reimbursement funds for emergency services provided under the state and province emergency management assistance compact.

NATURAL RESOURCES

Conservation

This bill reauthorizes the Warren Knowles-Gaylord Nelson Stewardship 2000 Program until 2021-22 and maintains the amount that DNR may obligate under the program and each of its subprograms in each fiscal year. Current law authorizes the state to incur public debt for certain conservation activities under the stewardship program, which is administered by DNR. The state may incur this debt to acquire land for the state for conservation purposes and for property development activities and may award grants to others to acquire land for these purposes. Current law establishes the amounts that DNR may obligate in each fiscal year through fiscal year 2019-20 for expenditure under each of these subprograms.

Fish, Game, and Wildlife

1. Bureau of natural resources science

This bill creates in DNR, under the division responsible for fish, wildlife, and parks, a bureau of natural resources science and requires DNR to convert the existing office of applied science into the bureau of natural resources science. Under the bill, the bureau director reports to and serves as the science advisor to the secretary of natural resources.

2. Hunting, fishing, and trapping approvals

This bill authorizes DNR to develop a system under which, when a person purchases an approval, the person may opt to automatically purchase the same approval for subsequent years. Under current law, “approval” is defined as any type of hunting, fishing, or trapping approval, privilege, or authorization issued or conferred by DNR, including any license, permit, certificate, card, stamp, preference point, or tag, but not including a conservation card. Under the bill, DNR may contract with a third party to store customer information in order to carry out this system.
SENATE BILL 59

RECREATION

1. Snowmobile enforcement

Under current law, funding for certain DNR functions pertaining to snowmobiles, including enforcement, safety training, and fatality reporting, is provided from the conservation fund and from tribal gaming compact program revenues. Under this bill, the funding amounts currently provided from gaming revenues are replaced with general program revenue.

NAVIGABLE WATERS

1. Bonding authority for dam safety projects

This bill increases from $25,500,000 to $29,500,000 the amount of public debt that the state may contract for the dam safety financial assistance program administered by DNR. Under that program, DNR provides financial assistance to counties, cities, villages, towns, and public inland lake protection and rehabilitation districts for dam safety projects.

RETIREMENT AND GROUP INSURANCE

HEALTH INSURANCE

1. Stipend in lieu of health insurance

This bill expands the eligibility of certain state employees to receive a stipend in lieu of health insurance coverage under the group health insurance program. Current law provides that state employees who were eligible for coverage in calendar year 2015 and who did not elect coverage for 2015 are not eligible to receive a stipend in lieu of health care coverage. This bill removes that prohibition if the employee elects to take state health care coverage in any calendar year following calendar year 2015.

2. Employee health clinics

This bill allows the Group Insurance Board to enter into contracts with entities to provide health and wellness services at health clinics to be located in state facilities to individuals who are covered by a state group health insurance plan.

3. Premium subsidy study

This bill requires the Group Insurance Board to conduct a study of the feasibility and potential cost savings of including a fixed-dollar employee premium subsidy in the state group health insurance plan. The bill also requires GIB to submit a report of the study to the governor and JCF.

4. Prescription drug pooling study

This bill requires DETF, in consultation with DOC, DHS, and DVA, to study the options and opportunities for savings to state agencies through prescription drug pooling. The bill also requires DETF to submit a report to the governor and the appropriate standing committees of the legislature.

WISCONSIN RETIREMENT SYSTEM

1. WRS annuities for teachers returning to work

Under current law, if a Wisconsin Retirement System annuitant, or a disability annuitant who has attained his or her normal retirement date, is appointed to a
position with a WRS-participating employer, or provides employee services to a WRS-participating employer in which he or she is expected to work at least two-thirds of what is considered full-time employment by the DETF, the annuity must be suspended and no annuity payment is payable until after the participant again terminates covered employment.

This bill creates an exception to this requirement for an annuitant who retired from employment as a teacher with a school district who is subsequently rehired or provides employee services as a teacher after retirement if a) the participating employer is a school district; b) at least 30 days have elapsed from the date the person left covered employment with a school district; c) at the time the person initially retires from a school district, the person does not have an agreement with any school district to return to employment; and d) the person elects to not become a participating employee at the time the person is rehired as a teacher by a school district or enters into a contract to provide employee services as a teacher after retirement. In other words, the bill allows a teacher annuitant who retired from a school district to return to work as a teacher for a school district that is a participating employer and elect to not become a participating employee for purposes of the Wisconsin Retirement System, and instead continue to receive his or her annuity.

2. Private retirement security plan study

Under current law, DETF administers the Wisconsin Retirement System under which public employees who are covered under the WRS and their employers pay contributions to the WRS and the WRS, from those contributions and the earnings on those contributions, provides retirement annuities to those public employees. This bill directs the secretary of employee trust funds to establish a committee to study the creation of a private retirement security plan to provide retirement benefits for residents of this state who choose to participate in the plan.

Disability plans

1. Oversight of group disability benefit insurance plans

Under current law, the Group Insurance Board oversees the group income continuation insurance plan and the group long-term disability insurance (LTDI) plan. This bill transfers oversight of those plans to the Employee Trust Funds Board. The bill provides explicit statutory authority for the ETF Board to establish the LTDI plan.

Administrative changes

1. Internal auditor

This bill requires the ETF Board to appoint an internal auditor in the classified service who reports directly to the board.
2. **Employee trust funds appropriations**

This bill eliminates certain appropriations to DETF and adjusts the appropriation from which costs for contracting for certain health insurance data collection and analysis may be paid.

**SAFETY AND PROFESSIONAL SERVICES**

1. **Licensure of dental therapists**

Under current law, dentists and dental hygienists are licensed by the Dentistry Examining Board to practice dentistry and dental hygiene, respectively. This bill provides for the licensure of a third type of dental practitioner, dental therapists. Under the bill, the board must grant a dental therapist license to an individual who satisfies certain criteria, including completion of a dental therapy program and passage of required examinations.

Dental therapists may provide dental therapy services only under the general supervision of a dentist with whom the dental therapist has a collaborative management agreement that addresses various aspects of the dental therapist’s practice. Supervision by a dentist requires the dentist’s prior knowledge and consent, but does not require the presence of the dentist at the time a task or procedure is being performed or prior examination or diagnosis of a patient by a dentist prior to the provision of dental therapy services by a dental therapist. Dental therapists are, subject to the terms of a collaborative management agreement, limited to providing services, treatments, and procedures that are specified in the bill, as well as additional services, treatments, or procedures specified by the board by rule. Dental therapists must complete 12 hours of continuing education each biennium.

The bill subjects dental therapists to, or covers dental therapists under, various other laws, including the health care records law, the volunteer health care provider program, the health care worker protection law, and the emergency volunteer health care practitioner law. The bill also provides for loan forgiveness for dental therapists under the health care provider loan assistance program.

Finally, the bill requires, effective when the first individual becomes licensed as a dental therapist in this state, that two dental therapists be added to the board.

2. **Private on-site wastewater treatment systems**

2017 Wisconsin Act 59, the 2017 biennial budget act, eliminated, effective June 30, 2021, a grant program DSPS administers to provide grants to individuals and businesses that are served by failing private on-site wastewater treatment systems (POWTS). This bill restores the POWTS grant program.

The bill also modifies certain obligations of governmental units responsible for the regulation of POWTS. Under current law, a governmental unit responsible for the regulation of POWTS must a) adopt and begin administration of a maintenance program established by DSPS for POWTS before October 1, 2019; b) as part of adopting and administering the maintenance program, conduct and maintain an inventory of all POWTS located in the governmental unit; and c) complete the initial inventory of POWTS located in the governmental unit before October 1, 2017.
Current law also provides that, in order to be eligible for the POWTS grant program, the governmental unit must comply with those deadlines.

The bill extends the deadline for a governmental unit to adopt and begin administration of a maintenance program from October 1, 2019, to October 1, 2024. The bill also eliminates the deadline for completing the initial inventory of POWTS but specifies that the governmental unit is not eligible for POWTS grant funding until the governmental unit completes the initial inventory.

3. **Repeal chiropractic examination appropriation**

This bill eliminates the appropriation for developing and administering examinations required for obtaining a chiropractic license. The requirement to successfully complete an examination administered by the Chiropractic Examining Board was replaced by 2013 Wisconsin Act 20 with a requirement to successfully complete an examination administered by the National Board of Chiropractic Examiners.

---

**SHAREO REVENUE**

1. **Increase in county and municipal aid**

This bill increases the amount that each county and municipality annually receives as a county and municipal aid payment. Currently, a county or municipality receives a payment equal to what it received in 2012. The bill increases that amount by 2 percent.

---

**STATE GOVERNMENT**

**General state government**

1. **Project labor agreements**

Under current law, the state and local units of government are prohibited from engaging in certain practices in letting bids for state procurement or public works contracts. Among these, as established by 2017 Wisconsin Act 3, the state and local governments may not do any of the following in specifications for bids for the contracts: a) require that a bidder enter into an agreement with a labor organization; b) consider, when awarding a contract, whether a bidder has or has not entered into an agreement with a labor organization; or c) require that a bidder enter into an agreement that requires that the bidder or bidder’s employees become or remain members of a labor organization or pay any dues or fees to a labor organization. This bill repeals these limitations related to labor organizations.

2. **Technology for Educational Achievement program**

This bill makes various changes to the Technology for Educational Achievement program, known as TEACH, which is administered by DOA. The TEACH program offers telecommunications access to school districts, private schools, cooperative educational service agencies, technical college districts, independent charter school authorizers, juvenile correctional facilities, private and tribal colleges, and public library boards at discounted rates and by subsidizing the
cost of installing data lines and video links. As part of the TEACH program, DOA awards information technology block grants to rural school districts and public libraries to improve information technology infrastructure. Under current law, the information technology block grant program ends on July 1, 2019. The maximum total amount DOA is allowed to award under the block grant program in the 2018-19 fiscal year is $7,500,000.

The bill continues the information technology block grant program until June 30, 2021. The bill also specifies that in each of the 2019-20 and 2020-21 fiscal years, the maximum total amount DOA may award under the block grant program is $3,000,000. The bill also specifies that a school district’s eligibility for the block grants is based on its membership in the most recent school year for which finalized data is available, instead of membership in the previous year. For other block grant requirements that refer to municipal population, the bill clarifies that population is determined in the first year of a fiscal biennium. For block grants made to public libraries, the bill makes changes to eligibility requirements pertaining to rural territories and makes certain public library systems and consortia of public libraries eligible for the grants.

The bill also eliminates grants to the following under the TEACH program: a) school districts, public libraries, and public library systems for training teacher and librarians to use educational technology; and b) school districts for developing and implementing a technology-enhanced high school curriculum. For the educational telecommunications access program under TEACH, the bill increases the data line speed that applies to a limit on what DOA may charge educational agencies for data lines. The bill also eliminates references to video links under the TEACH program.

3. The office of sustainability and clean energy

This bill creates the office of sustainability and clean energy in DOA to administer certain energy programs. The office is headed by a director outside the classified service who is appointed by the governor to serve at the governor’s pleasure. Under current law, the PSC has established an office of energy innovation to administer various energy-related programs, including utility-funded statewide energy efficiency and renewable resources programs that are commonly referred to as Focus on Energy programs. The bill transfers the administration of those energy-related programs, except for Focus on Energy programs, to the office created in the bill. The bill also transfers to that office certain duties of the PSC regarding state agency energy planning, energy shortage contingency planning, and administering federal energy grants. Also, the bill requires that office to work on initiatives with specified goals regarding clean and renewable energy, innovative sustainability, and diversification of energy resources and imposes duties on the office for advising, supporting, reporting, and assisting state agencies, local governments, and private entities on clean and renewable energy. The bill allows the office to provide technical assistance to governmental units that is similar to technical assistance the PSC is allowed to provide under current law, and the bill requires the office and PSC to consult with each other on that assistance. In addition, the bill requires the office to establish a program for making grants from the environmental fund for clean energy production research.
4. Lease administration efficiencies

Under current law, DOA has the general responsibility for leasing real property by the state. Under current law, DOA, when entering into or renewing such a lease, must conduct a cost–benefit analysis comparing the proposed lease to the purchase of the space or another suitable space and must evaluate comparable lease options within a ten–mile radius to ensure that the proposed lease rates do not exceed lease rates on comparable properties or the market rate by more than 5 percent. This bill modifies those requirements so they apply only if DOA is entering into a new lease and exempts various leases from those requirements including leases costing under $25,000 annually and leases for student housing; public defender office space; towers, hangars, and easements; DWD job centers; DMA recruiting offices; and facilities with a location required by law or designated by necessity or practical purposes.

5. Use of proceeds from the sale or lease of state-owned real property

Currently, with certain exceptions, DOA or the Building Commission may sell or lease state–owned real property. Any sale by DOA is subject to approval of the Building Commission, and any sale by DOA or the Building Commission is subject to approval by JCF. Current law specifies how the net proceeds of the sale or lease of state–owned real property must be used and, in doing so, establishes several steps DOA or the Building Commission must follow in succession.

First, the net proceeds must be used to retire any public debt that was used to finance the acquisition, construction, or improvement of the property that is sold or leased. This bill authorizes DOA or the Building Commission at this step in the process to deposit some or all of the net proceeds into the capital improvement fund for use as a substitute source of funding for a project enumerated under the authorized state building program that is within the same statutory bond purpose, as defined in the bill, as the property that is sold or leased. At this step in the process, DOA or the Building Commission may not deposit more proceeds in the capital improvement fund than would have been used to retire the debt associated with the property.

Next, current law specifies several required uses of the remaining net proceeds. For example, if the sold or leased property was acquired, constructed, or improved with federal financial assistance, DOA or the Building Commission must pay to the federal government any of the net proceeds required by federal law. Once those required payments are satisfied, any remaining net proceeds must be used to pay principal and interest costs on outstanding public debt issued to finance the acquisition, construction, or improvement of property. The bill again authorizes DOA or the Building Commission at this step to deposit some or all of the net proceeds into the capital improvement fund for use as a substitute source of funding for a project enumerated under the authorized state building program that is within the same statutory bond purpose as the property that is sold or leased.

Finally, if net proceeds remain after the first two steps in the process, current law requires that the net proceeds be used to retire other outstanding public debt. The bill authorizes DOA or the Building Commission at this final step to deposit
SENATE BILL 59

some or all of the net proceeds into the capital improvement fund for use as a substitute source of funding for any statutory bond purpose.

6. **Transfer to the state building trust fund**

   This bill transfers $10,000,000 from the general fund to the state building trust fund. The state building trust fund is a segregated, nonlapsible fund that is used for carrying out the state’s building program, especially for advanced planning purposes.

7. **Funding for general program operations of the state treasurer**

   This bill appropriates funds for the general program operations of the Office of the State Treasurer.

8. **Repeal of the homeless employment grant program**

   This bill repeals a grant program under which DOA awards grants of up to $75,000 to a municipality for the purpose of connecting homeless individuals with permanent employment. Under current law, a municipality receiving a grant under the program must itself contribute at least $50,000 for the purpose of the grant. Current law also requires that, in awarding a grant, DOA must give preference to municipalities that place a priority on using the grant moneys to pay the wages of homeless individuals and that obtain an agreement from a nonprofit organization to provide additional employment and support services to homeless individuals participating in the grant program.

9. **Volkswagen settlement grants**

   Under current law, moneys received under a settlement that the state received from a legal action involving Volkswagen are held in an appropriation account that limits spending to two purposes: replacement of state fleet vehicles and issuing grants for the replacement of public transit vehicles. Under this bill, the grants may be awarded both for the replacement of public transit vehicles and the installation of electric vehicle charging stations. During the 2019–21 fiscal biennium, DOA must allocate approximately 60 percent of the grants to the replacement of public transit vehicles and approximately 40 percent of the grants to electric vehicle charging stations, except that the secretary of administration may adjust the allocation if necessary.

10. **Procurement and risk management services**

    This bill authorizes DOA to provide technical assistance and other services relating to procurement and risk management to local governmental units and private organizations. The bill requires DOA to charge fees for its services.

11. **Census activities**

    This bill creates a general purpose revenue appropriation for DOA for U.S. census activities and preparation.

12. **Diesel truck idling reduction grants**

    This bill eliminates the December 31, 2021, sunset for the diesel truck idling reduction grant program, under which DOA makes grants to cover a portion of a grant recipient’s cost to purchase and field test devices that have the effect of reducing the long-duration idling of diesel trucks.
13. **Document sales appropriation**

This bill moves the provision of document sales services and proceeds from document services from one appropriation in DOA to another appropriation in DOA.

14. **Risk management appropriation**

This bill converts a DOA appropriation for risk management administration from annual to continuing.

**LEGISLATURE**

1. **Legislative intervention in certain court proceedings**

Current law, under 2017 Wisconsin Act 369, provides that the legislature may intervene as a matter of right in an action when a party to the action, as part of a claim or affirmative defense, challenges in state or federal court the constitutionality of a statute, facially or as applied, challenges a statute as violating or preempted by federal law, or otherwise challenges the construction or validity of a statute. Act 369 also provides that the legislature must be served with a copy of the proceedings in all such actions, regardless of whether the legislature intervenes. This bill repeals those provisions.

2. **Retention of legal counsel by the legislature**

Prior to 2017 Wisconsin Act 369, representatives to the assembly and senators, as well as legislative employees, could receive legal representation from DOJ in most legal proceedings. Assembly and senate policies and practices also allowed legislators and legislative employees to retain outside legal counsel in some instances.

Act 369 provided all of the following:

a. With respect to the assembly, that the speaker of the assembly may authorize a representative to the assembly or assembly employee who requires legal representation to obtain outside legal counsel if the acts or allegations underlying the action are arguably within the scope of the representative’s or employee’s duties; and that the speaker may obtain outside legal counsel in any action in which the assembly is a party or in which the interests of the assembly are affected, as determined by the speaker.

b. With respect to the senate, that the senate majority leader may authorize a senator or senate employee who requires legal representation to obtain outside legal counsel if the acts or allegations underlying the action are arguably within the scope of the senator’s or employee’s duties; and that the majority leader may obtain outside legal counsel in any action in which the senate is a party or in which the interests of the senate are affected, as determined by the majority leader.

c. That the cochairpersons of the Joint Committee on Legislative Organization may authorize a legislative service agency employee who requires legal representation to obtain outside legal counsel if the acts or allegations underlying the action are arguably within the scope of the employee’s duties; and that the cochairpersons may obtain outside legal counsel in any action in which the legislature is a party or in which the interests of the legislature are affected, as determined by the cochairpersons.
SENATE BILL 59

This bill eliminates those provisions, restoring previous law with respect to the legislature’s retention of legal counsel.

3. Capitol security

Under Act 369, DOA is required to submit any proposed changes to security at the capitol, including the posting of a firearm restriction, to the JCLO for approval under passive review. This bill eliminates that requirement.

4. Advice and consent of the senate

Under Act 369, any individual nominated by the governor or another state officer or agency, and with the advice and consent of the senate appointed, to any office or position may not hold the office or position, be nominated again for the office or position, or perform any duties of the office or position during the legislative session biennium if the individual’s confirmation for the office or position is rejected by the senate. This bill eliminates that restriction.

ADMINISTRATIVE RULES; GUIDANCE DOCUMENTS

1. Deferrance to agency interpretations of law

Prior to 2017 Wisconsin Act 369, the statutes did not prohibit courts from according deference to agency interpretations of law in most circumstances. Under Act 369, a court may not accord deference to agency interpretations of law and an agency may not seek such deference from a court.

This bill restores the state of the law prior to Act 369 concerning deference to agency interpretations of law.

2. Suspension of administrative rules

Prior to 2017 Wisconsin Act 369, administrative rules that were in effect could be temporarily suspended by the Joint Committee for Review of Administrative Rules. If JCRAR suspended a rule, JCRAR was required to introduce bills in each house of the legislature to make the suspension permanent. If neither bill to support the suspension was ultimately enacted, the rule would remain in effect and JCRAR could not suspend the rule again. Under current law as established in Act 369, JCRAR may suspend a rule multiple times.

This bill restores the prior law limitations on JCRAR’s ability to suspend a rule.

3. Agency rule-making authority

Under 2017 Wisconsin Act 369, a settlement agreement, consent decree, or court order does not confer rule-making authority and cannot be used by an agency as authority to promulgate rules. Additionally, no agency may agree to promulgate a rule as a term in any settlement agreement, consent decree, or stipulated order of a court unless the agency has explicit statutory authority to promulgate the rule at the time the settlement agreement, consent decree, or stipulated order of a court is executed.

This bill repeals those limitations on agency rule-making authority.

4. Guidance documents

2017 Wisconsin Act 369 established various requirements with respect to the adoption and use of guidance documents by state agencies, including requirements that agencies must satisfy in order to adopt guidance documents.
SENATE BILL 59

Under Act 369, each agency must submit each proposed guidance document to the Legislative Reference Bureau for publication in the Administrative Register and must provide a period for persons to submit written comments to the agency on the proposed guidance document. The agency must retain all written comments submitted during the public comment period and consider those comments in determining whether to adopt the guidance document as originally proposed, modify the proposed guidance document, or take any other action. Act 369 also requires each adopted guidance document, while valid, to remain available on the agency’s Internet site and requires the agency to permit continuing public comment on the guidance document. Each guidance document must be signed by the head of the agency below a statement containing certain certifications.

Also, under Act 369, a guidance document does not have the force of law and does not provide authority for implementing or enforcing a standard, requirement, or threshold, including as a term or condition of any license. An agency that proposes to rely on a guidance document to the detriment of a person in any proceeding must afford the person an adequate opportunity to contest the legality or wisdom of a position taken in the guidance document, and an agency may not use a guidance document to foreclose consideration of any issue raised in the guidance document.

This bill eliminates those and related requirements established under Act 369 with respect to agency guidance documents.

5. Informational materials

Under 2017 Wisconsin Act 369, a state agency must provide a statutory or administrative rule citation for any statement or interpretation of law that the agency provides in its informational materials. This bill repeals that requirement.

PUBLIC UTILITY REGULATION

1. Focus on energy spending

The bill allows the PSC to require investor-owned electric and natural gas public utilities to spend more than 1.2 percent of their annual operating revenues on certain energy efficiency, conservation, and renewable resource programs, which are commonly referred to as Focus on Energy programs. Current law limits the PSC’s authority by capping the required spending at 1.2 percent of the revenues on those programs. The bill requires the PSC to submit to JCF a proposal for requiring the spending of a greater percentage on the programs. If the cochairpersons of JCF do not notify the PSC within ten working days after submission of such a proposal that JCF has scheduled a meeting to review the proposal, the PSC may require that the utilities spend the greater percentage. If the cochairpersons of JCF do notify the PSC within ten working days after submission of such a proposal that JCF has scheduled a meeting to review the proposal, and JCF either approves or does not object to the proposal within 90 days of providing the notification to the PSC, the PSC may require that the utilities spend the greater percentage. However, if JCF objects to the proposal within the 90–day period, the PSC may not require that the utilities spend the greater percentage.
SENATE BILL 59

2. Broadband expansion grants

The bill makes changes to the broadband expansion program administered by the PSC. Under current law, the PSC makes grants for constructing broadband infrastructure in “underserved” areas, which are defined as areas of the state served by fewer than two broadband service providers. The bill revises the definition of underserved so that it refers instead to an area of the state in which households or businesses lack access to broadband service of at least 25 megabits per second download speed and 3 megabits per second upload speed. Current law also specifies various criteria for the PSC to prioritize grants for certain types of projects. One of the criteria is to prioritize grants for projects that affect “unserved” areas, which are defined, in part, as areas with Internet service that does not exceed minimum speeds based on speeds designated by the Federal Communications Commission. The bill revises the definition of “unserved” so that it refers instead to areas in which households or businesses lack access to broadband service of at least 10 megabits per second download speed and 1 megabit per second upload speed.

The bill provides additional funding for the broadband expansion grant program by making transfers from moneys received under a federal program for assisting schools and libraries in obtaining telecommunications services and Internet access, which is commonly known as the federal e-rate program. The bill transfers $6,900,000 in fiscal year 2019-20 and $17,300,000 in fiscal year 2020-21. The bill also appropriates general purpose revenue for the broadband expansion grant program.

3. State broadband goal

This bill creates a state goal that, no later than January 1, 2025, all businesses and homes in the state have access to high-speed broadband that provides minimum download speeds of at least 25 megabits per second and minimum upload speeds of at least 3 megabits per second.

4. Broadband report

This bill requires the PSC and DOA to jointly submit a report to the governor and the legislature no later than June 30, 2020, that provides a) updates on emerging broadband technologies, b) recommendations for incentives to broadband providers to serve unserved or underserved areas of the state, and c) proposals for leveraging existing state agency technology, resources, or a combination of technology and resources to serve those areas of the state.

5. Carbon-free electricity

The bill specifies a state goal that all electricity produced within the state is 100 percent carbon-free by January 1, 2050.

6. Ratepayer advocate grants

The bill increases from $300,000 to $500,000 the total annual grants PSC is allowed to make to nonprofit corporations that advocate at PSC on behalf of public utility ratepayers.

7. High-voltage transmission line fees

The bill requires the PSC to administer annual impact and onetime environmental impact fees paid under current law by persons granted certificates of
SENATE BILL 59

public convenience and necessity by the PSC for high-voltage transmission lines. Under current law, DOA administers the fees.

TAXATION

INCOME TAXATION

1. Lowest bracket rate reduction

This bill modifies the requirement that individual income tax rates for the taxable year ending on December 31, 2019, be decreased in proportion to the increase in sales and use tax collections from October 1, 2018, to September 30, 2019, due to the expansion of the state’s authority to collect sales and use taxes from out-of-state retailers, pursuant to the U.S. Supreme Court decision, South Dakota v. Wayfair, Inc., 585 U.S. ___ (2018). The bill uses the increase in sales and use tax revenue to decrease the rate of the lowest tax bracket rather than the rate of all tax brackets.

2. Manufacturing and agriculture credit limitation

Currently, a person may claim a tax credit on the basis of the person’s income from manufacturing or agriculture. This bill limits to $300,000 the amount of income from manufacturing that a person may use as the basis for claiming the credit.

3. Tax-advantaged first-time home buyer accounts

This bill creates a tax-advantaged first-time home buyers savings account. Under the bill, an individual may create the account and must designate a beneficiary of the account, which may be the account holder. The beneficiary must be an individual who is a first-time home buyer, which is defined as someone who resides in this state and has not owned or purchased a single-family residence during the 36 months before the month in which the individual purchases the residence in this state. An account holder may withdraw funds from the account to pay the down payment and eligible closing costs for the purchase of a single-family residence in this state by the beneficiary or to reimburse the beneficiary for eligible costs. The account holder may not use funds from the account to pay any expenses he or she incurs in administering the account, although the financial institution may deduct a service fee from the account.

Beginning in taxable year 2020, annually, an account holder may subtract from his or her federal adjusted gross income (FAGI) up to $5,000, or $10,000 if the account holder files a joint income tax return, of the amount he or she contributes to an account, as well as any gain that is redeposited into the account. An account holder may not claim a subtraction for more than a total of $50,000 of deposits into an account for each beneficiary.

4. Increase the earned income tax credit

Under this bill, for taxable years beginning after 2018, an individual who is eligible to claim the federal earned income tax credit may claim as a credit against Wisconsin taxes due 11 percent of the amount that the claimant may claim under the federal credit if the claimant has one qualifying child with the same residence, 14 percent if the claimant has two such qualifying children, and 34 percent if the claimant has three or more such qualifying children. Currently, the percentage of
SENATE BILL 59

the federal credit that an individual may claim for Wisconsin purposes is 4 if the
claimant has one qualifying child with the same residence, 11 if the claimant has two
such qualifying children, and 34 if the claimant has three or more such qualifying
children. The credit is refundable, which means that, if the amount of credit due the
claimant exceeds his or her tax liability, the difference is refunded to the claimant
by check.

5. Homestead tax credit changes to indexing provisions and increasing the
maximum income

Under current law, the homestead income tax credit is not allowed to claimants
whose household income exceeds $24,680. Under this bill, that maximum income
threshold is increased to $30,000 for claims filed in 2020 and thereafter.

Under current law, the homestead tax credit formula factors, which are
maximum income, maximum property taxes, and income threshold, are not indexed
for inflation. This bill amends those provisions and restores the indexing provisions
of the former law. Under the bill, the homestead tax credit formula factors would be
indexed for inflation for taxable year 2020 and beyond, except that the maximum
income will not be indexed for taxable year 2020.

6. Repeal of the private school tuition subtraction

The bill repeals the subtraction for private school tuition expenses that an
individual may claim when determining his or her income for income tax purposes.

7. Child and dependent care tax credit

This bill creates a nonrefundable individual income tax credit based on the
federal tax credit for expenses for household and dependent care services necessary
for gainful employment. Under the bill, an individual who is eligible for and claims
the federal tax credit for expenses for household and dependent care services may
claim 50 percent of the same amount as a nonrefundable credit on his or her
Wisconsin income tax return. Under the bill, the Wisconsin credit may not be
claimed by a part-year resident or nonresident of this state.

This bill also sunsets the current law individual income tax subtract
modification that allows a taxpayer a deduction for the same expenses for which the
credit may be claimed.

Generally, the federal credit is a nonrefundable individual income tax credit
that may be claimed by an individual for employment-related expenses for
household services and dependent care services for a qualifying individual. Because
the credit is nonrefundable, it may be claimed only up to the amount of a taxpayer’s
tax liability. Under federal law, a qualifying individual is someone who has the same
principal place of abode as the claimant for more than one-half the year, is the
claimant’s dependent, and is a) a child 12 or under; b) a child 13 or older who is
incapable of self-care; or c) the claimant’s spouse who is incapable of self-care.

The federal credit may be claimed for expenses to enable the claimant to be
gainfully employed or actively search for gainful employment. Generally, allowable
expenses for a qualifying individual under federal law include costs for in-home care
or daycare, nursery school or preschool programs, and before-school and
after-school care for school-age children. Depending on the claimant’s adjusted
gross income, the credit may be worth between 20 percent and 35 percent of the
claimant’s allowable expenses, up to a maximum annual amount of $3,000 if there is one qualifying individual and up to $6,000 if there are two or more qualifying individuals.

8. Moving expense deduction

Under current law, a business may deduct from its income or franchise tax liability all expenses that the business paid to move its operations from one location to another, including expenses paid to relocate outside the state. Under this bill, a business may not deduct expenses paid to move outside the state or outside the United States.

9. Research credit

Current law allows a person to claim a tax credit equal to a percentage of the person’s expenses to conduct research in this state. For example, a person may claim 11.5 percent of the amount of the expenses that exceed 50 percent of the person’s average research expenses for the previous three years on research involving engines or hybrid-electric vehicles. The credit is partially refundable. If the credit exceeds the amount of the person’s tax liability, the person receives a refund in an amount not exceeding 10 percent of the person’s claim. Any amount not used to offset the person’s tax liability or paid as a refund may be claimed as a credit against the person’s tax liability in subsequent years.

This bill increases the amount that a person may receive as a refund. Under the bill, a person may receive a refund in an amount not exceeding 20 percent of the person’s claim. However, the bill prohibits a person certified to claim the electronics and information technology manufacturing zone credit from receiving the refund.

10. Historical rehabilitation credit

Current law authorizes WEDC to certify a person to receive a tax credit equal to 20 percent of the qualified rehabilitation expenses, as defined under the federal Internal Revenue Code, for certified historic structures on property located in this state. WEDC may also certify a person to receive a similar credit for the rehabilitation expenses for qualified rehabilitated buildings, as defined under the federal Internal Revenue Code, that are not certified historic structures. Finally, current law prohibits WEDC from certifying persons to claim more than $3,500,000 in all such credits for all projects undertaken on the same parcel.

This bill eliminates the credit for qualified rehabilitated buildings and prohibits WEDC from certifying persons to claim more than $3,500,000 in tax credits for any project involving the rehabilitation of certified historic structures, regardless of the number of parcels on which the project is undertaken.

11. Repeal of net operating loss carryback

This bill repeals the provision under which an individual may carry back a net operating loss to the two prior taxable years in order to reduce the amount of income subject to tax in those years.

12. Broadcaster’s income apportionment

Under current law, a broadcaster’s gross royalties and other gross receipts received for the use or license of intangible property are apportioned to this state for income and franchise tax purposes only if the commercial domicile of the purchaser
or licensee is in this state and the purchaser or licensee has a direct connection or relationship with the broadcaster pursuant to a contract under which the royalties or receipts are derived. This bill eliminates that provision. As a result, a broadcaster’s gross royalties and other gross receipts received for the use or license of intangible property are apportioned in the same manner as those of other taxpayers. In general, such royalties and receipts are apportioned to this state if the purchaser or licensee uses the property at a location in this state, is billed for the purchase or license at a location in this state, or has its commercial domicile in this state.

13. Addition of low-income housing tax credit to income

Under this bill, a business that claims the low-income housing credit must include the amount of the credit in income when computing its income or franchise tax liability.

14. Modification to medical care insurance subtraction

This bill changes how nonresidents and part-year residents calculate the subtraction for medical care insurance premiums that self-employed individuals may claim for income tax purposes. Under current law, the subtraction is prorated based on the individual’s share of income earned from a trade or business that is taxable in Wisconsin. Under the bill, the subtraction is prorated based on the individual’s share of total income that is taxable in Wisconsin, not just the earnings from a trade or business. The bill also repeals several provisions that provided a subtraction for medical care insurance premiums but are no longer operable.

15. Family and individual reinvestment income tax credit

This bill creates a new family and individual reinvestment income tax credit for taxable years beginning in 2019. The credit is nonrefundable and may be claimed only up to the amount of the taxpayer’s income tax liability. Under the bill, for a single individual or an individual who files as a head of household whose adjusted gross income is less than $80,000, for a married couple filing jointly whose combined AGI is less than $125,000, or for a married individual filing separately whose AGI is less than $62,500, the credit is equal to 10 percent of the claimant’s net tax liability or $100 ($50 for married separate filers), whichever is greater. Net tax liability is a claimant’s income tax liability after the application of most nonrefundable income tax credits. Under the bill, the credit phases out to zero as a single individual or head of household filer’s AGI increases from $80,000 to $100,000. A similar phaseout occurs for a married joint filer whose combined AGI increases from $125,000 to $150,000, and a married separate filer whose AGI increases from $62,500 to $75,000. Also, under the bill, no new claims for the working families tax credit may be filed for a taxable year that begins after December 31, 2018.

16. Capital gains exclusion limitation

Under current law, there is an income tax exclusion for individuals, fiduciaries, members of limited liability companies and partnerships, and shareholders of tax-option corporations for 30 percent of the net long-term capital gains realized from the sale of assets held more than one year and the sale of all assets acquired from a decedent, and an exclusion for 60 percent of such gains realized from the sale
of farm assets held more than one year and the sale of all farm assets acquired from a decedent.

Under this bill, for individuals, the exclusion of 30 percent of such net long-term capital gains, and all assets acquired from a decedent, does not apply to taxable years beginning after December 31, 2018, if the taxpayer’s federal adjusted gross income exceeds specified threshold amounts. These amounts are $100,000 for a single individual or head of household filer; $150,000 for a married couple who files jointly; and $75,000 for a married individual who files separately. The bill also provides that for a taxpayer whose FAGI, before adjustment for net capital gains, is below the specified threshold amounts, such a taxpayer may claim the current law capital gains exclusion for nonfarm assets to the extent that the sum of the taxpayer’s noncapital gains adjusted FAGI and the taxpayer’s net federal capital gains does not exceed the threshold amount. The bill does not affect the exclusion of the gains realized from the sale of farm assets held more than one year and the sale of farm assets acquired from a decedent.

17. **WHEFA bonds exemption**

This bill exempts from individual income and corporate income and franchise taxation interest earned on bonds or notes issued by WHEFA, provided that the bond or notes are issued in an amount totaling $35,000,000 or less, and to the extent that the interest income is not otherwise exempt from taxation.

18. **Internal Revenue Code references**

This bill adopts, for state income and franchise tax purposes, changes made to the Internal Revenue Code by the Bipartisan Budget Act and Consolidated Appropriations Act of 2018. The federal act retroactively extended, through the end of 2017, a variety of federal tax benefits for individuals and businesses, including the tuition expense deduction, the exclusion from income for forgiven mortgage debt, and tax incentives for businesses to invest in mine safety equipment or in certain communities. These provisions have always been temporary under federal law, generally expiring every one or two years, and had expired at the end of 2016. The federal act also includes several permanent provisions of limited scope, such as one allowing certain whistleblowers to fully deduct attorney fees.

**PROPERTY TAXATION**

1. **Dark property and leased property tax assessments**

This bill requires that real property be assessed for property tax purposes at its highest and best use and provides that real property includes any leases, rights, and privileges pertaining to the property, including assets that are inextricably intertwined with it. The bill also requires that an assessor determine the value of leased property by considering the lease provisions and actual rent if the provisions and rent are the result of an arm's-length transaction. In so doing, the bill reverses a 2008 decision by the Wisconsin Supreme Court that held a property tax assessment of leased retail property using the income approach must be based on market rent, which is what a person would pay based on similar rentals, rather than the actual rent. See, *Walgreen Company v. City of Madison*, 2008 WI 80, 752 N.W.2d 689 (2008). The bill also requires an assessor, when determining the value of property using
SENATE BILL 59

generally accepted appraisal methods, to consider property as comparable to the property being assessed if the properties have the same or similar highest and best use or share certain characteristics, such as age, condition, and location. Under the bill, a property is not comparable to the property being assessed if the property is dark property or if the seller has placed restrictions on its highest and best use or that prohibit competition, and the property being assessed is not dark property or subject to similar restrictions. The bill defines “dark property” as property that is vacant or unoccupied beyond the normal period for property in the same real estate market segment.

2. School aid reduction information

This bill requires that a person’s property tax bill include information from the school district where the property is located regarding the amount of any gross reduction in state aid to the district as a result of pupils enrolled in the statewide choice program, the Racine Parental Choice Program, or the Milwaukee Parental Choice Program or as a result of making payments to private schools under the Special Needs Scholarship Program.

3. School levy and first dollar property tax credits

This bill eliminates the school levy and first dollar property tax credits. Currently, each municipality receives payments from the state to use for the credits, and the municipalities apply those credits to each person’s property tax liability. For the school levy credit, each municipality receives a payment equal to its proportionate share of the sum of average school levies for all municipalities. Currently, the total amount of the school levy credit that is distributed each year is $940,000,000. For the first dollar credit, each municipality receives a payment determined by multiplying the school tax rate by the estimated fair market value of every parcel with improvements, such as a building, that is located in the municipality. Currently, the total amount of the first dollar credit that is distributed each year is $150,000,000. Under the bill, the last distribution of both credits occurs in 2020.

GENERAL TAXATION

1. Motor vehicle fuel tax increase

This bill increases the current motor vehicle fuel tax rate from 30.9 cents per gallon to 38.9 cents per gallon beginning on October 1, 2019. The rate has remained unchanged since 2006 when it was increased from 29.9 cents to 30.9 cents.

2. Motor vehicle fuel tax annual adjustment

Prior to 2007, DOR annually adjusted the motor vehicle fuel tax rate to incorporate the percentage change in the consumer price index. This bill restores the annual adjustment of the motor vehicle fuel tax rate based on the change in the consumer price index beginning with the rate that takes effect on April 1, 2020. Under current law, and under the bill, DOR publishes the rate by April 1 of each year.

3. Excise tax on vapor products

The bill imposes the tobacco products tax on vapor products at the rate of 71 percent of the manufacturer’s list price. Under the bill, “vapor product” is defined as any noncombustible product that employs a heating element, power source,
electronic circuit, or other electronic, chemical, or mechanical means that can be used to produce vapor from a solution or other substance, regardless of whether the product contains nicotine. A “vapor product” includes an electronic cigarette, electronic cigar, electronic cigarillo, electronic pipe, or similar product or device, as well as any container of a solution or other substance that is intended to be used with these items. Under the bill, any product regulated by the federal Food and Drug Administration as a drug or device is exempt from the tax.

4. **Excise tax on little cigars**

   This bill taxes little cigars at the same rate as the excise tax imposed on cigarettes. Under current law, all cigars are taxed at the rate of 71 percent of the manufacturer’s established list price, limited to 50 cents per cigar. Under the bill, little cigars weighing no more than three pounds per thousand are taxed at the rate of 126 mills per little cigar and all other little cigars are taxed at the rate of 252 mills per little cigar. The bill defines “little cigar” to mean a cigar that has an integrated cellulose acetate filter and is wrapped in any substance containing tobacco.

5. **Collection of sales tax by marketplace providers**

   This bill requires that marketplace providers collect and remit sales and use tax on sales facilitated on behalf of marketplace sellers. For purposes of the bill, a “marketplace provider” is a person who contracts with a seller to facilitate the sale of the seller’s products through a physical or electronic marketplace operated by the person and who engages in certain activities with respect to the seller’s products, such as providing services for payment processing, order taking, or fulfillment and storage. Additionally, the person must engage, directly or through an affiliated person, in activities related to the marketplace’s operation, such as transmitting the offer or acceptance between the marketplace seller and a buyer, providing a virtual currency used to purchase products from the marketplace seller, or developing software for the marketplace. The bill defines “marketplace seller” to mean a seller who sells products through a physical or electronic marketplace operated by a marketplace provider, regardless of whether the seller is required to be registered with DOR.

6. **Repeal of sales tax exemption for farm-raised deer**

   The bill repeals the sales and use tax exemption that applies to the sale of farm-raised deer to a person operating a hunting preserve or game farm in this state.

7. **Repeal of sales tax exemption for game birds and clay pigeons**

   This bill repeals the sales and use tax exemption that applies to the sale of live game birds and clay pigeons to qualifying bird hunting preserves and shooting facilities.

8. **Modifications to state debt collection programs**

   This bill modifies the programs under which DOR is authorized to collect debt owed to state agencies, municipalities, and counties by offsetting tax refunds and other state payments due the debtor. The bill consolidates provisions under which a state agency, municipality, or county refers a debt to DOR for collection and includes the State of Wisconsin in the definition of “state agency” for purposes of the debt collection programs. Under the bill, any legal action contesting the validity of
SENATE BILL 59

a debt must be brought against the unit of government that referred the debt. The bill repeals the requirement that DOR provide quarterly status updates to a state agency, municipality, or county regarding the debt collection. Under the bill, DOR may provide, upon request, information to a state agency, municipality, or county about each debt’s status and may provide weekly reports of the amounts collected and payments disbursed. The bill replaces the current requirement that DOR charge debtors for administration expenses with a requirement that debtors pay a collection fee, and repeals the requirement that DOR annually review its prior year’s administrative costs and adjust the charges accordingly.

9. Offsetting lottery payments for debt owed to state

This bill modifies the program under which DOR is authorized to collect debt owed to state agencies by offsetting tax refunds and other state payments due to the debtor. The bill provides that lottery prizes of at least $600 and compensation or payments owed to lottery retailers are offsettable refunds for purposes of the debt collection program.

10. Real estate transfer fee exemption

Current law provides an exemption to the real estate transfer fee for a conveyance by a subsidiary corporation to its parent for no consideration. This bill clarifies that both the subsidiary and the parent must be a corporation. The bill also modifies the real estate transfer fee exemption for a conveyance made solely in order to provide or release security for a debt or obligation so that the exemption does not apply if the debt or obligation was incurred as the result of a conveyance.

TRANSPORTATION

HIGHWAYS

1. Transportation projects

Under current law, for certain highway projects for which DOT spends federal money, federal money must make up at least 70 percent of the funding for those projects. DOT is required to notify political subdivisions receiving aid for local projects whether the aid includes federal moneys and how those moneys must be spent. For certain projects that receive no federal money, DOT may not require political subdivisions to comply with any portion of DOT’s facilities development manual other than design standards. Any local project funded with state funds under the surface transportation program or the local bridge program must be let through competitive bidding and by contract to the lowest responsible bidder. The bill repeals all of these requirements.

2. Bridge bonding authorizations

Current law authorizes the state to contract up to $245,000,000 in public debt in the form of general obligation bonds to fund major interstate bridge projects. A “major interstate bridge project” is defined to mean “a project involving the construction or reconstruction of a bridge on the state trunk highway system, including approaches, that crosses a river forming a boundary of the state and for which this state’s estimated cost share is at least $100,000,000.” This bill increases
the general obligation bonding authorization for major interstate bridge projects to $272,000,000.

Under current law, the state may contract up to $216,800,000 for DOT to fund high-cost state highway bridge projects. This bill reduces this general obligation bonding limit to $206,800,000.

3. Interstate bridge design funding

Under current law, this state’s share of costs for any major interstate bridge project, including preliminary design work for the project, may be funded only from specified appropriations. This bill eliminates the reference to preliminary design work being a part of a major interstate bridge project that may be funded only from specified appropriations.

4. Increased bonding authorization for Zoo interchange

Under current law, a southeast Wisconsin freeway megaproject is “any project on a southeast Wisconsin freeway having a total cost of more than $500 million,” as adjusted annually for inflation by DOT. DOT may not provide funding for construction of these projects without legislative approval. Currently, the legislature has approved only the I 94 north-south corridor project and the Zoo interchange project. Among the available funding sources for these projects are proceeds from general obligation bonds.

This bill authorizes the state to contract an additional $65,000,000 in public debt in the form of general obligation bonds to fund the Zoo interchange project.

5. Transportation revenue bonds

Under current law, the Building Commission may issue revenue bonds for major highway projects and transportation administrative facilities in a principal amount that may not exceed $4,055,372,900. This bill increases the revenue bond limit to $4,197,627,500.

6. Enumeration of I 43 project

Current law requires that a major highway project receive the approval of the Transportation Projects Commission (TPC) and the legislature before the project may be constructed. This bill adds a project on I 43 between Silver Spring Drive in the city of Glendale and STH 60 in the city of Grafton in Milwaukee and Ozaukee counties, which has been approved by TPC, to the current list of statutorily enumerated projects approved for construction.

7. Sunset of intelligent transportation systems appropriations

Under current law, state, federal, and local appropriations authorize DOT expenditures for the installation, replacement, or rehabilitation of traffic control signals and intelligent transportation systems. Under current law, no moneys from these appropriations may be encumbered after June 30, 2021. This bill removes from each appropriation the prohibition on encumbering moneys after June 30, 2021.

DRIVERS AND MOTOR VEHICLES

1. Driver’s cards

Under 2007 Wisconsin Act 20, certain provisions specified in the federal REAL ID Act of 2005 (REAL ID) were incorporated into state law and these provisions
SENATE BILL 59

became effective on January 1, 2013. Among these provisions was the requirement that DOT follow certain procedures in processing applications for driver’s licenses and identification cards. However, under 2011 Wisconsin Acts 23 and 32, DOT may process applications for driver’s licenses and identification cards in a manner other than that required by REAL ID if the driver’s licenses and identification cards are marked to indicate that they are not REAL ID compliant, and DOT processes the applications in compliance with DOT practices and procedures applicable immediately prior to implementation of REAL ID.

Under current law, an applicant for a driver’s license or identification card, regardless of whether it is REAL ID compliant or REAL ID noncompliant, must provide to DOT a) an identification document that includes either the applicant’s photograph or both the applicant’s full legal name and date of birth; b) documentation, which may be the same as item a, above, showing the applicant’s date of birth; c) proof of the applicant’s social security number or verification that the applicant is not eligible for a social security number; d) documentation showing the applicant’s name and address of principal residence; and e) documentary proof that the applicant is a U.S. citizen or is otherwise lawfully present in the United States. However, in processing an application for a REAL ID noncompliant driver’s license or identification card, DOT is not required to meet the standards for document retention and verification that are imposed for REAL ID compliant products.

Under this bill, an applicant for a REAL ID noncompliant driver’s license or identification card (noncompliant REAL ID) is not required to provide documentary proof that the applicant is a U.S. citizen or is otherwise lawfully present in the United States. Also, an applicant may, in lieu of item a, above, provide an individual taxpayer identification number, a foreign passport, or any other documentation deemed acceptable to DOT and, in lieu of items b and d, above, provide documentation deemed acceptable to DOT. If the applicant does not have a social security number, the applicant is required to provide verification only that he or she does not have one, rather than verification that he or she is not eligible for one. In processing an application for, and issuing or renewing, a noncompliant REAL ID, DOT may not include any question or require any proof or documentation as to whether the applicant is a U.S. citizen or is otherwise lawfully present in the United States. The bill does not change any current law requirements related to driver qualifications such as minimum age or successful completion of knowledge and driving skills tests.

Under current law, most driver’s licenses issued by DOT are issued for an initial two-year period and must be renewed every eight years thereafter. In general, an applicant for renewal of a driver’s license must pass an eyesight test and have his or her photograph taken with each renewal. Most identification cards issued by DOT are issued for an initial period of eight years and are renewable for eight-year periods thereafter, and applicants, generally, must have their photograph taken with each renewal.

Under this bill, an applicant for a noncompliant REAL ID who does not provide a social security number is issued a noncompliant REAL ID that displays, on its face, the words “Not valid for voting purposes. Not evidence of citizenship or immigration
status.” and that has a four-year renewal period rather than an eight-year renewal period. With each renewal, DOT has discretion whether or not to take a new photograph and, for a driver’s license, give an eyesight test. However, DOT must take a new photograph and, for a driver’s license, give an eyesight test at least once every eight years.

With limited exceptions, DOT may not disclose social security numbers obtained from operator’s license or identification card applicants. This bill prohibits DOT from disclosing the fact that an applicant has verified to DOT that the applicant does not have a social security number, except that DOT may disclose this information to the Elections Commission.

This bill also prohibits discrimination on the basis of a person’s status as a holder or a nonholder of a noncompliant REAL ID, adding this license status as a prohibited basis for discrimination in employment, housing, and the equal enjoyment of a public place of accommodation or amusement.

2. Exemption from probationary license requirement for persons enlisted in the U.S. armed forces

Under current law, a probationary license is, with certain exceptions, issued to all applicants who qualify for an original driver’s license and remains in effect for two years from the date of the licensee’s next birthday. Currently, the following persons are exempt from this requirement:

a. Certain persons who have been licensed by another jurisdiction.

b. Persons who are issued a commercial driver license.

c. Persons entitled to a regular license under a foreign license reciprocity agreement.

Those who are exempt from the probationary license requirement are instead issued a regular license that remains in effect for eight years after the date of issuance.

Under this bill, a person who provides DOT with proof that the person is enlisted in the U.S. armed forces is also exempt from the probationary license requirement.

3. Vehicle title fee

Under current law, motor vehicles must be titled, and DOT issues a certificate of title to the new owner of a vehicle after ownership of the vehicle is transferred. The new owner pays a $62 title fee and a $7.50 supplemental title fee. This bill increases the title fee to $72.

4. Registration fees based on gross weight

Under current law, the registration fee for certain vehicles is based on the vehicle’s gross weight and ranges from $75 for a vehicle weighing up to 4,500 pounds to $2,560 for a vehicle weighing up to 80,000 pounds. This bill increases registration fees based on gross vehicle weight by approximately 27 percent.

5. Hybrid electric vehicle definition

Under current law, in addition to an annual registration fee, DOT adds a surcharge of $75 for a motor truck or automobile that is a hybrid electric vehicle. Current law defines a hybrid electric vehicle to mean “a vehicle that is capable of
SENATE BILL 59

using gasoline, diesel fuel, or alternative fuel to propel the vehicle but that is
propelled to a significant extent by an electric motor that draws electricity from a
battery that has a capacity of not less than 4 kilowatt hours and may be capable of
being recharged from an external source of electricity.” This bill replaces the current
definition of hybrid electric vehicle and defines the term to mean “a vehicle that is
capable of using both electricity and gasoline, diesel fuel, or alternative fuel to propel
the vehicle.”

6. Salvage vehicle inspectors

Under current law, a repaired salvage vehicle may not be registered or be issued
a new certificate of title until an inspector authorized by DOT examines the vehicle
to verify the title, source and ownership of parts, and compliance with safety
equipment requirements. Current rules promulgated by DOT require that a person be a
Wisconsin law enforcement officer or a full-time employee of DOT’s division of
state patrol and complete specified training to be qualified to conduct salvage
inspections. This bill prohibits DOT from requiring that a salvage inspector be
employed by the department or by a law enforcement agency.

TRANSPORTATION AIDS

1. General transportation aids

Under current law, DOT makes general transportation aid payments to
counties based on a share-of-costs formula and to municipalities based on the
greater of a share-of-costs formula or an aid rate per mile. Under the bill, for
calendar year 2020 and thereafter, the aid rate per mile is increased from $2,389 to
$2,628. For calendar year 2020 and thereafter, this bill increases the maximum
amount of aid that may be paid to counties under the program from $111,093,800 to
$122,203,200 and increases the maximum amount of aid that may be paid to
municipalities under the program from $348,639,300 to $383,503,200.

2. Mass transit aids amounts

Under current law, DOT provides state aid payments to local public bodies in
urban areas served by mass transit systems to assist the local public bodies with the
expenses of operating those systems. There are five classes of mass transit systems,
and the total amount of state aid payments to four of these classes is limited to a
specified amount in each calendar year. The fifth class consists of certain commuter
or light rail systems, and no state aid amounts are specified for this class.

This bill increases the total amount of state aid payments to the four classes of
mass transit systems for which state aid amounts are specified, as follows:

   a. For mass transit systems having annual operating expenses of $80,000,000
      or more, the bill maintains the current limit of $64,193,900 in calendar year 2019 and
      increases the limit to $70,613,300 in calendar year 2020 and thereafter.

   b. For mass transit systems having annual operating expenses of over
      $20,000,000 but less than $80,000,000, the bill maintains the current limit of
      $16,868,000 in calendar year 2019 and increases the limit to $18,554,800 in calendar
      year 2020 and thereafter.

   c. For mass transit systems serving urban areas having a population of at least
      50,000 but having annual operating expenses of no more than $20,000,000, the bill
SENATE BILL 59

maintains the current limit of $24,486,700 in calendar year 2019 and increases the limit to $26,935,400 in calendar year 2020 and thereafter.

d. For mass transit systems serving urban areas having a population of less than 50,000, the bill maintains the current limit of $5,188,900 in calendar year 2019 and increases the limit to $5,707,800 in calendar year 2020 and thereafter.

3. Local Roads Improvement Program discretionary grant amounts

Under current law, DOT administers the Local Roads Improvement Program (LRIP) to assist political subdivisions in improving seriously deteriorating local roads by reimbursing political subdivisions for certain improvements. LRIP includes an entitlement component and a discretionary component. Under the entitlement component, DOT distributes an appropriated amount to political subdivisions according to statutorily prescribed allocation percentages. Under the discretionary component, DOT allocates funds in fiscal year 2017-18 and each fiscal year thereafter as follows: $5,393,400 to fund eligible county trunk highway improvements, $5,923,600 to fund eligible town road improvements, and $3,850,400 to fund eligible municipal street improvements.

This bill increases DOT’s allocations for the discretionary component of LRIP for fiscal year 2019-20 as follows: $5,569,400 to fund eligible county trunk highway improvements, $6,033,600 to fund eligible town road improvements, and $3,867,000 to fund eligible municipal street improvements. The bill increases the allocations for fiscal year 2020-21 and each fiscal year thereafter as follows: $5,688,400 to fund eligible county trunk highway improvements, $6,162,400 to fund eligible town road improvements, and $3,950,300 to fund eligible municipal street improvements.

4. Transit capital assistance grants

This bill requires DOT to establish a transit capital assistance grant program, under which DOT awards grants to eligible applicants for the replacement of public transit vehicles.

RAIL AND AIR TRANSPORTATION

1. Increase bonding for passenger rail capital projects

Under current law, DOT administers a rail passenger route development program under which DOT may fund the following:

a. Capital costs related to certain Amtrak service extension routes or certain other rail service routes.

b. Railroad track or rail passenger station improvements related to an Amtrak service extension route, or the establishment of commuter rail service, between the city of Milwaukee and Waukesha County.

c. Rail passenger station improvements related to an existing rail passenger service.

Current law provides $79,000,000 in general obligation bonding authority for the program but does not provide for other sources of program funding. However, not more than $10,000,000 of the bonding proceeds may be used for the purposes described in items b and c, above; no proceeds may be used without JCF approval; and no proceeds may be used for the purposes described in items a and b, above, unless DOT provides to JCF certain information.
SENATE BILL 59

This bill increases the general obligation bonding authority for the program from $79,000,000 to $124,000,000 but does not modify any of these other program funding limitations.

2. Freight rail preservation bonding

Under current law, the state may contract up to $250,300,000 in public debt for DOT to acquire railroad property and to provide grants and loans for railroad property acquisition and improvement. This bill increases the authorized general obligation bonding limit for these purposes to $280,300,000.

GENERAL TRANSPORTATION

1. Eliminate general fund transfer to transportation fund

Under current law, the secretary of administration must annually transfer from the general fund to the transportation fund 0.25 percent of estimated general fund tax revenues for the fiscal year or $35,127,000, whichever amount is greater. This bill repeals this requirement.

2. Next Generation 911 and WISCOM

Under current law, DMA is required to contract for the creation, operation, and maintenance of an emergency services network capable of meeting certain standards known collectively as Next Generation 911. DMA is also required to develop and operate a statewide public safety interoperable communication system, commonly referred to as WISCOM. To assist DMA in developing the ability of public safety agencies to communicate with each other, there is an interoperability council with a 911 subcommittee attached to DMA. This bill transfers the requirements relating to Next Generation 911 and WISCOM from DMA to DOT and attaches the interoperability council and 911 subcommittee to DOT. The bill also requires DOT to issue a request for proposals for a statewide public safety interoperable communications system to be deployed on existing tower sites and authorizes DOT to spend up to $500,000 for professional consulting services related to the request for proposals.

3. Harbor assistance program bonding

Under current law, the state may contract up to $120,000,000 in public debt for DOT to provide grants for harbor improvements. This bill increases the authorized general obligation bonding limit to $159,000,000 for this purpose.

4. Harbor assistance grants priority

Under current law, DOT administers the harbor assistance program under which eligible applicants may be awarded a grant to partially reimburse the applicant for expenses incurred in making certain harbor improvements. Under this bill, during the 2019–21 fiscal biennium, DOT must prioritize making grant awards
under the harbor assistance program to municipalities in which a shipbuilder in the state is conducting operations.

VETERANS

1. **Veterans outreach and recovery program**

   2017 Wisconsin Act 295 created a requirement that DVA administer a pilot program that expires on June 30, 2019, to provide outreach, mental health services, and support to certain individuals who are serving or who have served in the armed forces, who reside in Wisconsin, and who may have a mental health condition or substance use disorder. This bill continues the program on an ongoing basis.

2. **Continuing appropriations**

   This bill changes the appropriations for the veterans home exchange program and the veterans cemetery operations from sum certain annual appropriations to continuing appropriations. An annual sum certain appropriation is expendable only for the fiscal year for which the appropriation is made and only up to the dollar amount shown in the schedule for that fiscal year. A continuing appropriation is expendable until fully depleted, and the moneys held therein do not lapse. Therefore, the effect of this change is to allow the moneys in the appropriations to continue to be spent until depleted.

3. **General fund supplement to veterans trust fund**

   This bill changes the appropriation for the general fund supplement to the veterans trust fund from a sum certain annual appropriation to a sum sufficient appropriation. An annual sum certain appropriation is expendable only for the fiscal year for which the appropriation is made and only up to the dollar amount shown in the schedule for that fiscal year; whereas, a sum sufficient appropriation is expendable up to the amount that is necessary to accomplish the purpose specified. The effect of this change is to allow the secretary of administration to determine the amounts of money that may be expended for veterans programs by transferring moneys from the general fund to the veterans trust fund.

4. **Elimination of the veterans housing loan program**

   This bill eliminates the veterans housing loan program. Under current law, DVA has authority to issue and service loans to veterans for certain housing related purposes.

5. **Veterans Memorial Cemetery**

   This bill renumbers the appropriation for the Central Wisconsin Veterans Memorial Cemetery to be appropriately grouped with the other appropriations for the bureau of cemeteries.
SENATE BILL 59

6. Institutional appropriations

This bill repeals one of the appropriations that funds a program that provides grants to counties and tribes for the improvement of veterans services.

Because this bill relates to an exemption from state or local taxes, it may be referred to the Joint Survey Committee on Tax Exemptions for a report to be printed as an appendix to the bill.

Because this bill creates a new crime or revises a penalty for an existing crime, the Joint Review Committee on Criminal Penalties may be requested to prepare a report.

This proposal may contain a health insurance mandate requiring a social and financial impact report under s. 601.423, stats.

Because this bill relates to public employee retirement or pensions, it may be referred to the Joint Survey Committee on Retirement Systems for a report to be printed as an appendix to the bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 1.12 (3) (d) of the statutes is created to read:

1.12 (3) (d) Carbon-free electricity. It is the goal of the state that all electricity produced within the state is 100 percent carbon-free by January 1, 2050.

SECTION 2. 3.002 (intro.) and (1m) of the statutes are consolidated, renumbered 3.002 and amended to read:

3.002 Description of territory. In this chapter: (1m) Reference, reference to any county or municipality means that county or municipality as its boundaries exist on April 1 of the year of the federal decennial census on which the districting plan described under subch. II is based.

SECTION 3. 3.002 (2) of the statutes is repealed.

SECTION 4. 3.004 (2) of the statutes is amended to read:

3.004 (2) "Ward" means a ward prescribed by a municipality based upon municipal boundaries in effect on April 1 of the year of the federal decennial census in accordance with the most recent revision of municipal wards under s. 5.15 upon
which the districting plan described under subch. II is based and used in preparing congressional and legislative redistricting plans as required under s. 4.005.

SECTION 5. Subchapter I of chapter 4 [precedes 4.001] of the statutes is repealed and recreated to read:

CHAPTER 4

SUBCHAPTER I

GENERAL PROVISIONS

AND REDISTRICTING

4.001 Definitions. In this chapter, unless the context requires otherwise:

(1) “Block” has the meaning given in s. 5.02 (1q).

(2) “Commission” means the redistricting advisory commission established under s. 13.49.

(3) “Plan” means a plan for legislative and congressional reapportionment prepared under this subchapter.

(4) “Political subdivision” means a city, town, village, or county within this state.

(5) “Section 2 of the Voting Rights Act” means 52 USC 10301.

(6) “Ward” means a municipal ward in effect on April 1 of the year of the federal decennial census and used in preparing congressional and legislative redistricting plans as required under s. 4.005.

4.002 Political subdivision boundaries. In this chapter, reference to any political subdivision means that political subdivision as its boundaries exist on April 1 of the year of the federal decennial census.

4.003 Legislative districts established. This state is divided into 33 senate districts, each composed of 3 assembly districts. Each senate district may elect one
member of the senate. Each assembly district may elect one representative to the assembly.

**4.004 Preparations for redistricting.**

(1) The legislative reference bureau shall acquire appropriate information, review and evaluate available facilities, and develop programs and procedures in preparation for drawing congressional and legislative redistricting plans on the basis of each federal decennial census.

(2) By December 1 of the year of the decennial federal census, the legislative reference bureau shall obtain from the U.S. bureau of the census information regarding geographic and political units in this state for which federal census population data has been gathered and will be tabulated. The legislative reference bureau shall use the information to do all of the following:

(a) Prepare necessary descriptions of geographic and political units for which census data will be reported and that are suitable for use as components of legislative districts.

(b) Prepare maps of geographic and political units within the state which may be used to illustrate the locations of district boundaries proposed in plans prepared in accordance with s. 4.007.

(3) As soon as possible after receiving from the U.S. bureau of the census the population data needed for legislative redistricting that the U.S. bureau of the census is required to provide this state under P.L. 94-171, the legislative reference bureau shall use that data to assign a population figure based upon certified federal census data to each geographic or political unit described under sub. (2) (b). The legislative reference bureau shall prepare and publish an analysis describing the population of current legislative and congressional districts and the extent to which the districts may violate the standards under s. 4.007. Upon satisfying these
requirements, the legislative reference bureau shall begin the preparation of congressional and legislative redistricting plans as required under s. 4.006.

(4) None of the 4 selecting authorities, as defined in s. 13.49 (1) (b), may assign or hire any person to work with the legislative reference bureau to prepare for redistricting under this section, to prepare plans under s. 4.006, or to oversee either process.

**4.005 Use of municipal ward plans.** After receipt of a division ordinance or resolution under s. 5.15 (4) (b), the legislative reference bureau shall use the data obtained from the U.S. bureau of the census under s. 4.004 (3) to assign a population figure based upon certified federal census data to each ward established in the division ordinance or resolution. The legislative reference bureau shall use each ward to which a population figure is assigned in preparing congressional and legislative redistricting plans as required under s. 4.006.

**4.006 Preparation of redistricting plans.** (1) Not later than January 1 of the 2nd year following the decennial federal census, the legislative reference bureau shall deliver to the majority leader of the senate and speaker of the assembly identical bills creating plans of legislative and congressional redistricting, prepared in accordance with s. 4.007. Either the assembly or the senate shall bring the bill to a vote expeditiously, but not less than 7 days after the commission report under s. 13.49 (3) (d) 2. is received and made available to the members of the legislature. The vote shall be under a procedure or rule permitting no amendments. If the bill is approved by the first house in which it is considered, the bill shall expeditiously be brought to a vote in the 2nd house under a similar procedure or rule.

(2) If neither of the bills delivered by the legislative reference bureau under sub. (1) is approved by both the assembly and the senate, the chief clerk of the house
that failed to approve the bill shall immediately transmit to the legislative reference
bureau information that the house may direct regarding reasons why the plan was
not approved. The legislative reference bureau shall prepare identical bills
embbodying a 2nd plan of legislative and congressional redistricting prepared in
accordance with s. 4.007, taking into account the reasons transmitted to the
legislative reference bureau under this subsection insofar as it is possible to do so
within the requirements of s. 4.007. The legislative reference bureau shall deliver
the bills to the majority leader of the senate and the speaker of the assembly no later
than 21 days after the date of the vote by which the senate or the assembly failed to
approve the bill submitted under sub. (1). Any bill delivered by the legislative
reference bureau under this subsection shall be expeditiously introduced and
brought to a vote not less than 7 days after the date of introduction, in the same
manner as prescribed for the bill required under sub. (1).

(3) If neither of the bills delivered by the legislative reference bureau under
sub. (2) is approved by both the assembly and the senate, the same procedure as
prescribed by sub. (2) shall be followed. If a 3rd plan is required under this
subsection, the legislative reference bureau shall deliver the bills to the majority
leader of the senate and the speaker of the assembly no later than 21 days after the
date of the vote by which the senate or the assembly failed to approve the bill
submitted under sub. (2). Any bill delivered by the legislative reference bureau
under this subsection shall be expeditiously introduced and brought to a vote not less
than 7 days after the date of introduction and shall be subject to amendment in the
same manner as other bills. Any bill delivered under this subsection, and any
amendment to such a bill, may be passed only with the approval of three-fourths of
all the members elected in each house.
(4) Notwithstanding subs. (1) to (3):

(a) If certified federal census data that is sufficient to permit preparation of a congressional redistricting plan becomes available at an earlier time than the population data needed to permit preparation of a legislative redistricting plan in accordance with s. 4.007, the legislative reference bureau shall so inform the majority leader of the senate and the speaker of the assembly. If the majority leader of the senate and the speaker of the assembly jointly direct, the legislative reference bureau shall prepare a separate bill establishing congressional districts and deliver it separately from the bill establishing legislative districts. The legislature shall proceed to consider the congressional redistricting bill in substantially the manner prescribed by subs. (1) to (3).

(b) If the population data for legislative redistricting that the U.S. bureau of the census is required to provide this state under P.L. 94–171 and, if used by the legislative reference bureau, the corresponding topologically integrated geographic encoding and referencing data file for that population data are not available to the legislative reference bureau on or before April 1 of the first year following the decennial federal census, the deadlines set forth in this section shall be extended by a number of days equal to the number of days after April 1 of the first year following the decennial federal census that the population data and the topologically integrated geographic encoding and referencing data file for legislative redistricting become available.

4.007 Redistricting standards. (1) Legislative and congressional districts shall be established on the basis of population requirements imposed under the Wisconsin Constitution and the U.S. Constitution and requirements imposed under Section 2 of the Voting Rights Act.
(2) Senate and assembly districts, respectively, shall satisfy the population standards established in this subsection. The quotient, obtained by dividing the sum of the absolute values of the deviations of all district populations from the applicable ideal district population by the number of districts established, may not exceed 1 percent of the applicable ideal district population, unless necessary to maintain compliance with Section 2 of the Voting Rights Act. For purposes of this subsection, the ideal district population is determined by dividing the population of the state reported in the most recent federal decennial census by the number of districts to be established. No senate district may have a population that exceeds that of any other senate district by more than 10 percent and no assembly district may have a population that exceeds that of any other assembly district by more than 10 percent, unless necessary to maintain compliance with Section 2 of the Voting Rights Act.

(3) Congressional districts shall each have a population as nearly equal as practicable to the ideal district population, derived as prescribed in sub. (2), while maintaining compliance with Section 2 of the Voting Rights Act. No congressional district may have a population which varies by more than 1 percent from the applicable ideal district population, unless necessary to comply with Section 2 of the Voting Rights Act.

(4) District boundaries shall coincide with ward boundaries and, to the extent consistent with sub. (1), shall coincide with the boundaries of political subdivisions. The number of political subdivisions divided among more than one district shall be as small as possible. When there is a choice among political subdivisions to divide, the more populous political subdivisions shall be divided before the less populous, except that this requirement does not apply to a legislative district boundary drawn
along a county boundary which passes through a city with territory in more than one county.

(5) Districts shall be composed of convenient contiguous territory. Areas which meet only at the points of adjoining corners are not contiguous.

(6) Districts shall not be drawn with the intent or result of denying or abridging the equal opportunity of racial or language minorities to participate in the political process or diminishing their ability to elect representatives of their choice, whether by themselves or by voting in concert with other persons.

(7) (a) In this subsection:

1. “Geographic unit center” means that point within a population data unit approximately equidistant from the northern and southern extremities and also approximately equidistant from the eastern and western extremities of the population data unit. This point shall be determined by visual observation of a map of the population data unit, unless it is otherwise determined within the context of an appropriate coordinate system developed by the federal government or another source that the legislative reference bureau determines is qualified and objective and is obtained for use in this state with prior approval of the joint committee on legislative organization.

2. “Population data unit” means a ward, census enumeration district, block, or other unit of territory having clearly identified geographic boundaries and for which a total population figure is included in or can be derived directly from certified federal census data.

3. “X-coordinate” means the relative location of a point along the east–west axis of the state. Unless otherwise measured within the context of an appropriate coordinate system obtained for use as permitted by subd. 1., the x-coordinate shall
be measured along a line drawn due east from a due north and south line running through the point which is the western extremity of this state, to the point to be located.

4. “Y-coordinate” means the relative location of a point along the north–south axis of the state. Unless otherwise measured within the context of an appropriate coordinate system obtained for use as permitted by subd. 1., the y-coordinate shall be measured along a line drawn due south from a due east and west line running through the point which is the northern extremity of this state, to the point to be located.

(b) To the extent consistent with subs. (1) to (3), districts shall be compact in form. Compact districts are those which are square, rectangular, or hexagonal in shape to the extent permitted by natural or political boundaries. When it is necessary to compare the relative compactness of 2 or more districts, or of 2 or more alternative redistricting plans, the tests prescribed by pars. (c) and (d) shall be used. Should the results of these 2 tests be contradictory, the standard under par. (c) shall be given greater weight than the standard under par. (d).

(c) 1. The compactness of a district is greatest when the length of the district and the width of the district are equal. The measure of a district’s compactness is the absolute value of the difference between the length and the width of the district.

2. In measuring the compactness of a district by means of electronic data processing, the difference between the x-coordinates of the easternmost and the westernmost geographic unit centers included in the district shall be compared to the difference between the y-coordinates of the northernmost and southernmost geographic unit centers included in the district.
3. To determine the length and width of a district by manual measurement, the distance from the northernmost point or portion of the boundary of a district to the southernmost point or portion of the boundary of the same district and the distance from the westernmost point or portion of the boundary of the district to the easternmost point or portion of the boundary of the same district shall each be measured. If the northernmost or southernmost portion of the boundary, or each of these points, is a part of the boundary running due east and west, the line used to make the measurement required by this subdivision shall be drawn either due north and south or as nearly so as the configuration of the district permits. If the easternmost or westernmost portion of the boundary, or each of these points, is a part of the boundary running due north and south, a similar procedure shall be followed. The lines to be measured for the purpose of this subdivision shall each be drawn as required by this subdivision, even if some part of either or both lines lies outside the boundaries of the district which is being tested for compactness.

4. The absolute values computed for individual districts under this paragraph may be cumulated for all districts in a plan in order to compare the overall compactness of 2 or more alternative redistricting plans for the state or for a portion of the state. However, it is not valid to cumulate or compare absolute values computed using the measurements under subd. 2. with those computed using the measurements under subd. 3.

(d) 1. The compactness of a district is greatest when the ratio of the dispersion of population about the population center of the district to the dispersion of population about the geographic center of the district is one to one.

2. The population dispersion about the population center of a district or about the geographic center of a district is computed as the sum of the products of the
population of each population data unit included in the district multiplied by the square of the distance from the geographic unit center of that population data unit to the population center or the geographic center of the district, as the case may be. The geographic center of the district is defined by averaging the locations of all geographic unit centers which are included in the district. The population center of the district is defined by computing the population-weighted average of the x-coordinates and y-coordinates of each geographic unit center assigned to the district, it being assumed for the purpose of this calculation that each population data unit possesses uniform density of population.

3. The ratios computed for individual districts under this paragraph may be averaged for all districts in a plan in order to compare the overall compactness of 2 or more alternative redistricting plans for the state or for a portion of the state.

(8) In preparing any redistricting plan, the legislative reference bureau shall be strictly nonpartisan. No district may be drawn for the purpose of favoring a political party, incumbent legislator or member of Congress, or other person or group or, except to the extent required under sub. (1), for the purpose of augmenting or diluting the voting strength of a language or racial minority group. Except as provided in sub. (10), in establishing districts, no use shall be made of any of the following data:

(a) The residence addresses of incumbent legislators or members of Congress.
(b) Political affiliations of registered voters.
(c) Previous election results.
(d) Demographic information except as necessary to meet the requirements of subs. (1) and (10).
The number of assembly districts in any redistricting plan may not be less than 54 nor more than 100. The number of senate districts in any redistricting plan may not be more than one-third nor less than one-fourth of the number of assembly districts. Each senate district shall contain only whole assembly districts. Except as otherwise provided in this subsection, to the extent possible, each congressional district shall contain only whole senate districts. The other standards specified in this section shall take precedence where a conflict arises between those standards and the requirement of including only whole senate districts within a congressional district.

In preparing any redistricting plan, the legislative reference bureau shall test the efficiency gap and competitiveness of each district and make the test results available to the public, including publishing the results on its Internet site, no later than 72 hours prior to the first public hearing on the proposed plan. The legislative reference bureau may use the data described under sub. (8) (b) to (d) to perform the tests under this subsection.

4.008 Required provisions in redistricting bills. Each bill delivered under s. 4.006 shall provide all of the following:

(1) That, wherever territory is described in the bill by geographic boundaries, the following conventions are used:

(a) Each bound continues to the intersection with the bound next named, or to the intersection with a straight-line extension of such bound.

(b) If the bound is a street, it follows the center line of the street or the center line of the street extended.

(c) If the bound is a railroad right-of-way, it follows the center line of the railroad right-of-way.
(d) If the bound is a river or stream, it follows the center of the main channel of such river or stream.

(e) If the bound follows a municipal boundary, it coincides with such boundary.

(2) That the bill first applies, with respect to regular elections, to offices filled at the next occurring general election after the bill takes effect and, with respect to special or recall elections, to offices filled or contested on or after the date of that general election.

4.0085 Challenge based on population inequality; burden of proof. If an action is brought challenging a legislative redistricting plan under this subchapter on the basis of an excessive population variance among senate or assembly districts established in the plan, the legislature has the burden of justifying any variance in excess of 10 percent between the population of a senate or assembly district and the applicable ideal district population. If an action is brought challenging a congressional redistricting plan under this subchapter on the basis of an excessive population variance among congressional districts established in the plan, the legislature has the burden of justifying any variance in excess of 1 percent between the population of a congressional district and the applicable ideal district population.

SECTION 6. 5.02 (6m) (f) of the statutes is amended to read:

5.02 (6m) (f) An unexpired student identification card issued by a university or college in this state that is accredited, as defined in s. 39.30 (1) (d), or by a technical college in this state that is a member of and governed by the technical college system under ch. 38, that contains the date of issuance and signature of the individual to whom it is issued and that contains an expiration date indicating that the card expires no later than 2.5 years after the date of issuance if the individual establishes
that he or she is enrolled as a student at the university or college on the date that
the card is presented.

SECTION 7. 5.056 of the statutes is amended to read:

5.056 Matching program with secretary of transportation. The
commission administrator shall enter into the agreement with the secretary of
transportation specified under s. 85.61 (1) to match personally identifiable
information on the official registration list maintained by the commission under s.
6.36 (1) and the information specified in ss. 6.256 (2) and 6.34 (2m) with personally
identifiable information maintained by the department of transportation. Subject
to s. 343.14 (2p) (b), the agreement shall provide for the electronic transfer of
information under s. 6.256 (2) to the commission on a continuous basis, no less often
than monthly.

SECTION 8. 5.15 (4) (a) of the statutes is amended to read:

5.15 (4) (a) Except as provided in par. (c), the division ordinance or resolution
shall number all wards in the municipality with unique whole numbers in
consecutive order, beginning with the number one, shall designate the polling place
for each ward, and shall describe the boundaries of each ward consistent with the
conventions set forth in s. 4.003 4.008 (1). The ordinance or resolution shall be
accompanied by a list of the block numbers used by the U.S. bureau of the census that
are wholly or partly contained within each ward, with any block numbers partly
contained within a ward identified, and a map of the municipality which illustrates
the revised ward boundaries. If the legislature, in an act redistricting legislative
districts under article IV, section 3, of the constitution, or in redistricting
congressional districts, establishes a district boundary within a municipality that
does not coincide with the boundary of a ward established under the ordinance or
resolution of the municipality, the municipal governing body shall, no later than
April 10 of the 2nd year following the year of the federal decennial census on which
the act is based, amend the ordinance or resolution to the extent required to effect
the act. The amended ordinance or resolution shall designate the polling place for
any ward that is created to effect the legislative act. Nothing in this paragraph shall
be construed to compel a county or city to alter or redraw supervisory or aldermanic
districts.

SECTION 9. 6.256 of the statutes is created to read:

6.256 Commission shall facilitate registration of electors. (1) Except as
provided for electors specified in sub. (7) and as otherwise expressly provided, the
commission shall use all feasible means to facilitate the registration of all eligible
electors of this state who are subject to a registration requirement and the
maintenance of the registration of all eligible electors for so long as they remain
eligible.

(2) Subject to s. 343.14 (2p) (b), for the purpose of carrying out its functions
under sub. (1), the commission shall obtain the following information from the
department of transportation, to the extent that the department has the
information:

(a) The full name of each individual who holds a current operator’s license
issued to the individual under ch. 343 or a current identification card issued to the
individual under s. 343.50, together with the following information pertaining to
that individual:

1. The current address of the individual together with any address history and
any name history maintained by the department of transportation.

2. The date of birth of the individual.
3. The number of the license or identification card issued to the individual.

4. A copy of the document that the applicant provided as proof of citizenship and a statement from the department of transportation indicating that the department verified the applicant’s citizenship. For purposes of this subdivision, the applicant shall provide a document that meets the requirements under 42 USC 1320b–7 (d).

(b) For each item of information specified in this subsection, the most recent date that the item of information was provided or obtained by the department of transportation.

If the commission finds discrepancies between the information obtained under sub. (2) regarding an elector and the information in the registration list under s. 6.36 (1) (a) regarding that same elector, the commission shall contact the elector by mail or telephone or in person to resolve the discrepancies. If the commission is able to resolve the discrepancies after contacting the elector, the commission shall update the information on the registration list. If the commission is unable to contact the elector, the commission shall resolve any discrepancies in favor of the information in the registration list.

(4) Except as provided in this subsection and sub. (7), if the commission concludes that an individual appears eligible to vote in this state but is not registered, and the commission has obtained from reliable sources all the information required under s. 6.33 (1) to complete the individual’s registration, the commission shall enter the individual’s name on the registration list. If the commission has not obtained from reliable sources all the information pertaining to an individual that is required under s. 6.33 (1), the commission shall attempt to
obtain from reliable sources the necessary information under s. 6.33 (1) that is required to complete the individual’s registration. If a municipality has changed the status of an elector from eligible to ineligible under s. 6.50 (1) and the elector’s eligibility, name, or residence has not changed, the commission may not change the individual’s name to eligible status unless the commission first verifies that the individual is eligible and wishes to change his or her status to eligible.

(7) Any individual may file a request with the commission to exclude his or her name from the registration list. Any individual whose name is added to the registration list by the commission may file a request with the commission or a municipal clerk to have his or her name deleted from the list. A request for exclusion or deletion shall be filed in the manner prescribed by the commission. An individual who files an exclusion or deletion request under this subsection may revoke his or her request by the same means that an individual may request an exclusion or deletion. The commission shall ensure that the name of any individual who has filed an exclusion or deletion request under this subsection is excluded from the registration list or if the individual’s name appears on the list, is removed from the registration list and is not added to the list at any subsequent time unless the individual files a revocation of his or her request under this subsection.
(8) If the commission removes from the registration list the name of an elector who does not request that his or her name be deleted, other than to correct an entry that the commission positively determines to be a duplication or to change the name of an individual who is verified to be deceased to ineligible status, the commission shall mail the individual a notice of the removal or change in status by 1st class postcard at the individual’s last-known address. The notice shall provide that the individual may apply to have his or her status changed to eligible if he or she is a qualified elector.

(1), the indication of whether the registration is received by mail, and the type of identifying document submitted by the elector as proof of residence under s. 6.34 or the indication of verification of information in lieu of proof of residence under
s. 6.34 (2m). Except as provided in s. 6.30 (5), each elector shall sign his or her own name unless the elector is unable to sign his or her name due to physical disability. In such case, the elector may authorize another elector to sign the form on his or her behalf. If the elector so authorizes, the elector signing the form shall attest to a statement that the application is made upon request and by authorization of a named elector who is unable to sign the form due to physical disability.

No application may be received on a legal holiday. A municipality shall specify the hours in the notice under s. 10.01 (2) (e). The municipal clerk or an election official shall witness the certificate for any in-person absentee ballot cast. Except as provided in par. (c), if the elector is making written application for an absentee ballot at the partisan primary, the general election, the presidential preference primary, or a special election for national office, and the application indicates that the elector is a military elector, as defined in s. 6.34 (1), the application shall be received by the municipal clerk no later than 5 p.m. on
election day. If the application indicates that the reason for requesting an absentee
ballot is that the elector is a sequestered juror, the application shall be received no
later than 5 p.m. on election day. If the application is received after 5 p.m. on the
Friday immediately preceding the election, the municipal clerk or the clerk’s agent
shall immediately take the ballot to the court in which the elector is serving as a juror
and deposit it with the judge. The judge shall recess court, as soon as convenient,

elector shall enclose proof of residence under s. 6.34 in the envelope with the ballot.
The clerk shall verify that the name on any required proof of identification presented

The building commission may not approve a contract for the construction, reconstruction, remodeling of, or addition to a state building as defined in s. 41.51 (2) unless it determines that the requirements under s. 41.58 have been complied with or that s. 41.58 does not apply. This section applies to the department of transportation only in respect to buildings, structures, and facilities to be used for administrative or operating functions, including buildings, land, and equipment to be used for the motor vehicle emission inspection and maintenance program under s. 110.20.
SECTION 19. 13.48 (14) (a) of the statutes is renumbered 13.48 (14) (a) (intro.) and amended to read:

13.48 (14) (a) (intro.) In this subsection, “agency”:

1. “Agency” has the meaning given in s. 16.52 (7).

SECTION 20. 13.48 (14) (a) 2. of the statutes is created to read:

13.48 (14) (a) 2. “Statutory bond purpose” means a purpose specified in s. 20.866 (2) (s) to (zz), but not including any purpose specified in s. 20.866 (2) (s) 1., (z) 1m. to 4m., and (zhj) 1. and 2.

SECTION 21. 13.48 (14) (c) (intro.) of the statutes is amended to read:

13.48 (14) (c) (intro.) Except as provided in par. (e), if there is any outstanding public debt used to finance the acquisition, construction, or improvement of any property that is sold or leased under par. (am), the building commission shall deposit a sufficient amount of the net proceeds from the sale or lease of the property in the bond security and redemption fund under s. 18.09 to repay the principal and pay the interest on the debt, and any premium due upon refunding redeeming any of that debt, except that the commission may deposit some or all of the net proceeds, not to exceed the amount the commission would have deposited in the bond security and redemption fund, in the capital improvement fund for use as a substitute source of funding under s. 20.924 (1) (em) for a project enumerated under the authorized state building program that is within the same statutory bond purpose as the property sold or leased under par. (am). If there is any outstanding public debt used to finance the acquisition, construction, or improvement of any property that is sold or leased under par. (am), the building commission shall then provide a sufficient amount of the net proceeds from the sale or lease of the property for the costs of maintaining federal tax law compliance applicable to the debt. If the property was acquired, constructed,
or improved with federal financial assistance, the commission shall pay to the federal
government any of the proceeds required by federal law. If the property was acquired
by gift or grant or with gift or grant funds, the commission shall adhere to any
restriction governing use of the proceeds. Except as required under par. (e) and ss.

the net proceeds or remaining net proceeds to pay principal and interest costs on
outstanding public debt issued to finance the acquisition, construction, or
improvement of property, except that the commission may deposit some or all of the
net proceeds in the capital improvement fund for use as a substitute source of
funding under s. 20.924 (1) (em) for a project enumerated under the authorized state
building program that is within the same statutory bond purpose as the property sold
or leased under par. (am). If any net proceeds remain thereafter, the commission
shall use the proceeds to pay principal and interest costs on other outstanding public
debt, except that the commission may deposit some or all of the net proceeds in the
capital improvement fund for use as a substitute source of funding under s. 20.924
(1) (em) for any statutory bond purpose. For the purpose of paying principal and
interest costs on other outstanding public debt under this paragraph, the
commission may cause outstanding bonds to be called for redemption on or following
their optional redemption date, establish one or more escrow accounts to redeem
bonds at their optional redemption date, or purchase bonds in the open market. For
the purpose of using an amount deposited under this paragraph as a substitute
source of funding under s. 20.924 (1) (em), the commission shall determine which
projects to fund and shall authorize expenditures for those projects. To the extent practical, the commission shall consider all of the following in determining which public debt to redeem, whether to use any net proceeds as a substitute source of funding under s. 20.924 (1) (em), and which projects to fund:

13.48 (14) (cf) If, under par. (c), the commission deposits an amount in the capital improvement fund for use as a substitute source of funding under s. 20.924 (1) (em), the amount of public debt that may be contracted under the statutory bond purpose for which the amount deposited under par. (c) is used as a substitute source of funding shall be reduced by the amount used as a substitute source of funding for that statutory bond purpose.

**SECTION 25.** 13.48 (14) (cm) of the statutes is amended to read:

13.48 (14) (cm) If there are any outstanding revenue obligations, issued pursuant to subch. II of ch. 18, used to finance the acquisition, construction, or improvement of any property that is sold or leased under par. (am), the commission shall adhere to any restrictions in the authorizing resolution of the revenue obligations governing the use of the proceeds. To the extent the authorizing
resolution does not restrict such use, the commission shall deposit a sufficient amount of the net proceeds from the sale or lease of the property in the respective redemption fund provided under s. 18.561 (5) or 18.562 (3) to repay the principal and pay the interest on the revenue obligations, and any premium due upon refunding redeeming any of the revenue obligations, or shall deposit an amount in the appropriate fund under s. 18.57 or apply the amount for a purpose for which similar revenue obligations may be issued under s. 18.53 (3) or (4). If there are any outstanding revenue obligations, issued pursuant to subch. II of ch. 18, used to finance the acquisition, construction, or improvement of any property that is sold or leased under par. (am), the commission shall then provide a sufficient amount of the net proceeds from the sale or lease of the property for the costs of maintaining federal tax law compliance applicable to the revenue obligations. For the purpose of paying principal and interest costs on other outstanding revenue obligations, the commission may cause outstanding revenue obligations to be called for redemption on or following their optional redemption date, establish one or more escrow accounts to redeem obligations at their optional redemption date, or purchase bonds on the open market. Except as required under par. (e) and ss. 20.395 (9) (qd) and 51.06 (6), if the net proceeds exceed the amount required to be deposited, paid, or used for another purpose under this paragraph, the department shall use the net proceeds or the remaining net proceeds to pay principal and interest costs on other similar revenue obligations or for a purpose for which similar revenue obligations may be issued under s. 18.53 (3) or (4).

SECTION 26. 13.48 (14) (ct) of the statutes is created to read:

13.48 (14) (ct) If under par. (cm) the commission deposits net proceeds into an appropriate fund provided in s. 18.57 or applies net proceeds for a purpose for which
revenue obligations may be issued, the amount of revenue obligations authorized
under s. 18.54 (2) shall be reduced by the amount deposited or applied.

SECTION 27. 13.48 (26m) of the statutes is created to read:

school sponsor use data lines and video links to benefit pupils attending the charter school and a requirement that Internet access to material that is harmful to children, as defined in s. 948.11 (1) (b), is blocked on the computers of juvenile correctional facilities that are served by data links and video links subsidized under this section.

**SECTION 111.** 16.997 (2) (c) of the statutes is amended to read:

16.997 (2) (c) Establish specifications for data lines and video links for which access is provided to an educational agency under the program established under sub. (1) or for which additional access is provided to an educational agency under s. 16.998.

**SECTION 112.** 16.997 (2) (d) of the statutes is amended to read:

16.997 (2) (d) Require an educational agency to pay the department not more than $250 per month for each data line or video link that is provided to the educational agency under the program established under sub. (1), except that the charge may not exceed $100 per month for each data line or video link that relies on a transport medium that operates at a speed of 1.544 megabits per second.

**SECTION 113.** 16.997 (2) (f) of the statutes is amended to read:

16.997 (2) (f) Ensure that juvenile correctional facilities that receive access under this section to data lines and video links or that receive additional access under s. 16.998 to data lines, video links, and bandwidth use those data lines and video links and that bandwidth only for educational purposes.

**SECTION 114.** 16.997 (2c) of the statutes is amended to read:

16.997 (2c) The department shall develop criteria to use to evaluate whether to provide more than one data line and video link to an educational agency. The department shall include in the criteria an educational agency's current bandwidth,
equipment, and readiness, and the available providers and any other economic
development in the geographic area that the educational agency serves.

SECTION 115. 16.997 (3) of the statutes is amended to read:

16.997 (3) The department shall prepare an annual report on the status of
providing data lines and video links that are requested under sub. (2) (a) and the
impact on the universal service fund of any payment under contracts under s. 16.974.

SECTION 116. 16.997 (7) of the statutes is repealed.

SECTION 117. 16.998 of the statutes is amended to read:

16.998 Educational telecommunications; additional access. An
educational agency that is eligible for a rate discount for telecommunications
services under 47 USC 254 may request data lines, video links, and bandwidth access
that is in addition to what is provided under the program under s. 16.997 (1). The
department shall apply for aid under 47 USC 254 to cover the costs of the data lines,
video links, and bandwidth access that are provided under this section and shall
credit any aid received to the appropriation account under s. 20.505 (4) (mp). To the
extent that the aid does not fully cover those costs, the department shall require an
educational agency to pay the department a monthly fee that is sufficient to cover
those costs and shall credit any monthly fee received to the appropriation account
under s. 20.505 (4) (Lm).

SECTION 118. 18.04 (5) (c) of the statutes is repealed.

SECTION 119. 18.04 (5) (d) of the statutes is amended to read:

18.04 (5) (d) To acquire public debt contracted for any of the purposes under
pars. (a) to (e) and (b).

SECTION 120. 18.04 (6) (b) of the statutes is amended to read:
18.04 (6) (b) The commission may direct that moneys resulting from any public
debt contracted under this section be deposited in the funds or accounts created or
designated by resolution of the commission or established by resolution under s.
45.37 (7), including escrow accounts established under refunding escrow agreements
that are authorized by the commission.

**SECTION 121.** 18.04 (6) (c) of the statutes is amended to read:

specified by resolution of the commission.

**SECTION 122.** 18.06 (9) of the statutes is amended to read:

18.06 (9) **Clean water fund program and safe drinking water loan program**
bonds. Notwithstanding sub. (4), the sale of bonds under this subchapter to provide
revenue for the clean water fund program or the safe drinking water loan program
may be a private sale to the environmental improvement fund under s. 25.43, if the
bonds sold are held or owned by the environmental improvement fund, or a public
sale, as provided in the authorizing resolution.

**SECTION 123.** 19.36 (12) of the statutes is created to read:

19.36 (12) **Information relating to certain employees.** Unless access is
specifically authorized or required by statute, an authority may not provide access
to a record prepared or provided by an employer performing work on a project to
which s. 66.0903, 103.49, or 103.50 applies, or on which the employer is otherwise
required to pay prevailing wages, if that record contains the name or other personally
identifiable information relating to an employee of that employer, unless the
employee authorizes the authority to provide access to that information. In this
subsection, “personally identifiable information” does not include an employee’s work classification, hours of work, or wage or benefit payments received for work on such a project.

20.9315 False claims; actions by or on behalf of state. (1) In this section:

(b) “Claim” means any request or demand, whether under a contract or otherwise, for money or property and whether the state has title to the money or property, that is presented to an officer, employee, agent, or other representative of the state or to a contractor, grantee, or other person if the money or property is to be spent or used on the state’s behalf or to advance a state program or interest, and if the state provides any portion of the money or property which is requested or
demanded, or if the state will reimburse directly or indirectly such contractor, grantee, or other person for any portion of the money or property which is requested or demanded. “Claim” includes a request or demand for services from a state agency or as part of a state program. “Claim” does not include requests or demands for money or property that the state has paid to an individual as compensation for state employment or as an income subsidy with no restriction on that individual’s use of the money or property.

(d) “Knowingly” means, with respect to information, having actual knowledge of the information, acting in deliberate ignorance of the truth or falsity of the information, or acting in reckless disregard of the truth or falsity of the information. “Knowingly” does not mean specifically intending to defraud.

(de) “Material” means having a natural tendency to influence, or be capable of influencing, the payment or receipt of money or property or the receipt of services.

(dm) “Medical assistance” has the meaning given under s. 49.43 (8).

(dr) “Obligation” has the meaning given in 31 USC 3729 (b) (3).

(dt) “Original source” has the meaning given in 31 USC 3730 (e) (4) (B).

(e) “Proceeds” includes damages, civil penalties, surcharges, payments for costs of compliance, and any other economic benefit realized by this state as a result of an action or settlement of a claim.

(2) Except as provided in sub. (3), any person who does any of the following is liable to this state for 3 times the amount of the damages that were sustained by the state or would have been sustained by the state, whichever is greater, because of the actions of the person, and shall forfeit, for each violation, an amount within the range specified under 31 USC 3729 (a):
(a) Knowingly presents or causes to be presented a false or fraudulent claim to a state agency, including a false or fraudulent claim for medical assistance.

(b) Knowingly makes, uses, or causes to be made or used, a false record or statement material to a false or fraudulent claim to a state agency, including a false or fraudulent claim for medical assistance.

(dm) Knowingly makes, uses, or causes to be made or used a false record or statement material to an obligation to pay or transmit money or property to a state agency, or knowingly conceals or knowingly and improperly avoids or decreases an obligation to pay or transmit money or property to a state agency.

(dr) Conspires to commit a violation under par. (a), (b), (dg), or (dm).

(3) The court may assess against a person who violates sub. (2) not less than 2 nor more than 3 times the amount of the damages sustained by the state because of the acts of the person, and shall not assess any forfeiture, if the court finds all of the following:

(a) The person who commits the acts furnished the attorney general with all information known to the person about the acts within 30 days after the date on which the person obtained the information.

(b) The person fully cooperated with any investigation of the acts by this state.

(c) At the time that the person furnished the attorney general with information concerning the acts, no criminal prosecution or civil or administrative enforcement
action had been commenced with respect to any such act, and the person did not have
actual knowledge of the existence of any investigation into any such act.

(5) (a) Except as provided in subs. (10) and (12), any person may bring a civil
action as a qui tam plaintiff against a person who commits an act in violation of sub.
(2) for the person and the state in the name of the state.

(b) The plaintiff shall serve upon the attorney general a copy of the complaint
and documents disclosing substantially all material evidence and information that
the person possesses. The plaintiff shall file a copy of the complaint with the court
for inspection in camera. Except as provided in par. (c), the complaint shall remain
under seal for a period of 60 days from the date of filing, and shall not be served upon
the defendant until the court so orders. Within 60 days from the date of service upon
the attorney general of the complaint, evidence, and information under this
paragraph, the attorney general may intervene in the action.

(bm) Any complaint filed by the state in intervention, whether filed separately
or as an amendment to the qui tam plaintiff’s complaint, shall relate back to the filing
date of the qui tam plaintiff’s complaint, to the extent that the state’s claim arises
out of the conduct, transactions, or occurrences set forth, or attempted to be set forth,
in the qui tam plaintiff’s complaint.

(c) The attorney general may, for good cause shown, move the court for one or
more extensions of the period during which a complaint in an action under this
subsection remains under seal.

(d) Before the expiration of the period during which the complaint remains
under seal, the attorney general shall do one of the following:

1. Proceed with the action or an alternate remedy under sub. (10), in which case
the action or proceeding under sub. (10) shall be prosecuted by the state.
2. Notify the court that he or she declines to proceed with the action, in which case the person bringing the action may proceed with the action.

(e) If a person brings a valid action under this subsection, no person other than the state may intervene or bring a related action while the original action is pending based upon the same facts underlying the pending action.

(f) In any action or other proceeding under sub. (10) brought under this subsection, the plaintiff is required to prove all essential elements of the cause of action or complaint, including damages, by a preponderance of the evidence.

(6) If the state proceeds with an action under sub. (5) or an alternate remedy under sub. (10), the state has primary responsibility for prosecuting the action or proceeding under sub. (10). The state is not bound by any act of the person bringing the action, but that person has the right to continue as a party to the action.

(7) (b) With the approval of the governor, the attorney general may compromise and settle an action under sub. (5) or an administrative proceeding under sub. (10) to which the state is a party, notwithstanding objection of the person bringing the action, if the court determines, after affording to the person bringing the action the right to a hearing at which the person is afforded the opportunity to present evidence in opposition to the proposed settlement, that the proposed settlement is fair, adequate, and reasonable considering the relevant circumstances pertaining to the violation.

(c) Upon a showing by the state that unrestricted participation in the prosecution of an action under sub. (5) or an alternate proceeding to which the state is a party by the person bringing the action would interfere with or unduly delay the prosecution of the action or proceeding, or would result in consideration of
repetitious or irrelevant evidence or evidence presented for purposes of harassment, the court may limit the person’s participation in the prosecution, such as:

1. Limiting the number of witnesses that the person may call.
2. Limiting the length of the testimony of the witnesses.
3. Limiting the cross-examination of witnesses by the person.
4. Otherwise limiting the participation by the person in the prosecution of the action or proceeding.

(d) Upon showing by a defendant that unrestricted participation in the prosecution of an action under sub. (5) or alternate proceeding under sub. (10) to which the state is a party by the person bringing the action would result in harassment or would cause the defendant undue burden or unnecessary expense, the court may limit the person’s participation in the prosecution.

(8) Except as provided in sub. (7), if the state elects not to participate in an action filed under sub. (5), the person bringing the action may prosecute the action. If the attorney general so requests, the attorney general shall, at the state’s expense, be served with copies of all pleadings and deposition transcripts in the action. If the person bringing the action initiates prosecution of the action, the court, without limiting the status and rights of that person, may permit the state to intervene at a later date upon showing by the state of good cause for the proposed intervention.

(9) Whether or not the state participates in an action under sub. (5), upon showing in camera by the attorney general that discovery by the person bringing the action would interfere with the state’s ongoing investigation or prosecution of a criminal or civil matter arising out of the same facts as the facts upon which the action is based, the court may stay such discovery in whole or in part for a period of not more than 60 days. The court may extend the period of any such stay upon
further showing in camera by the attorney general that the state has pursued the
criminal or civil investigation of the matter with reasonable diligence and the
proposed discovery in the action brought under sub. (5) will interfere with the
ongoing criminal or civil investigation or prosecution.

(10) The attorney general may pursue a claim relating to an alleged violation
of sub. (2) through an alternate remedy available to the state or any state agency,
including an administrative proceeding to assess a civil forfeiture. If the attorney
general elects any such alternate remedy, the attorney general shall serve timely
notice of his or her election upon the person bringing the action under sub. (5), and
that person has the same rights in the alternate venue as the person would have had
if the action had continued under sub. (5). Any finding of fact or conclusion of law
made by a court or by a state agency in the alternate venue that has become final is
conclusive upon all parties named in an action under sub. (5). For purposes of this
subsection, a finding or conclusion is final if it has been finally determined on appeal,
if all time for filing an appeal or petition for review with respect to the finding or
conclusion has expired, or if the finding or conclusion is not subject to judicial review.

(11) (a) Except as provided in pars. (b) and (e), if the state proceeds with an
action brought by a person under sub. (5) or the state pursues an alternate remedy
relating to the same acts under sub. (10), the person who brings the action shall
receive at least 15 percent but not more than 25 percent of the proceeds of the action
or settlement of the claim, depending upon the extent to which the person
contributed to the prosecution of the action or claim.

(b) Except as provided in par. (e), if an action or claim is one in which the court
or other adjudicator finds to be based primarily upon disclosures of specific
information not provided by the person who brings an action under sub. (5) relating
to allegations or transactions specifically in a criminal, civil, or administrative
hearing, or in a legislative or administrative report, hearing, audit, or investigation,
or report made by the news media, the court or other adjudicator may award such
amount as it considers appropriate, but not more than 10 percent of the proceeds of
the action or settlement of the claim, depending upon the significance of the
information and the role of the person bringing the action in advancing the
prosecution of the action or claim.

(c) Except as provided in par. (e), in addition to any amount received under par.
(a) or (b), a person bringing an action under sub. (5) shall be awarded his or her

An employee, contractor, or agent may bring an action to obtain the relief to which the employee, contractor, or agent is entitled under this subsection within 3 years after the date the retaliation occurred.

requirements of ch. 103 relating to the examination of records.

(c) If requested by any person, the department shall inspect the payroll records
of any contractor, subcontractor, or agent performing work on a project of public
works that is subject to this section as provided in this paragraph to ensure
compliance with this section. On receipt of such a request, the department shall
request that the contractor, subcontractor, or agent submit to the department a certified record of the information specified in par. (a), other than personally identifiable information relating to an employee of the contractor, subcontractor, or agent, for no longer than a 4-week period. The department may request that a contractor, subcontractor, or agent submit those records no more than once per calendar quarter for each project of public works on which the contractor, subcontractor, or agent is performing work. The department may not charge a requestor a fee for obtaining that information. Certified records submitted to the department under this paragraph are open for public inspection and copying under s. 19.35 (1).

(d) Section 103.005 (5) (f), (11), (12), and (13) applies to this section, except that s. 103.005 (12) (a) does not apply to a person who fails to provide any information to the department to assist the department in determining prevailing wage rates under sub. (3) (am) or (ar). Section 111.322 (2m) applies to discharge and other discriminatory acts arising in connection with any proceeding under this section, including proceedings under sub. (11) (a).

(11) LIABILITY AND PENALTIES. (a) 1. A contractor, subcontractor, or contractor’s or subcontractor’s agent who fails to pay the prevailing wage rate determined by the department under sub. (3) or who pays less than 1.5 times the hourly basic rate of pay for all hours worked in excess of the prevailing hours of labor is liable to any affected employee in the amount of his or her unpaid wages or his or her unpaid overtime compensation and in an additional amount as liquidated damages as provided under subd. 2. or 3., whichever is applicable.

2. If the department determines upon inspection under sub. (10) (b) or (c) that a contractor, subcontractor, or contractor’s or subcontractor’s agent has failed to pay
the prevailing wage rate determined by the department under sub. (3) or has paid
less than 1.5 times the hourly basic rate of pay for all hours worked in excess of the
prevailing hours of labor, the department shall order the contractor to pay to any
affected employee the amount of his or her unpaid wages or his or her unpaid
overtime compensation and an additional amount equal to 100 percent of the amount
of those unpaid wages or that unpaid overtime compensation as liquidated damages
within a period specified by the department in the order.

3. In addition to or in lieu of recovering the liability specified in subd. 1. as
provided in subd. 2., any employee for and on behalf of that employee and other
employees similarly situated may commence an action to recover that liability in any
court of competent jurisdiction. If the court finds that a contractor, subcontractor,
or contractor’s or subcontractor’s agent has failed to pay the prevailing wage rate
determined by the department under sub. (3) or has paid less than 1.5 times the
hourly basic rate of pay for all hours worked in excess of the prevailing hours of labor,
the court shall order the contractor, subcontractor, or agent to pay to any affected
employee the amount of his or her unpaid wages or his or her unpaid overtime
compensation and an additional amount equal to 100 percent of the amount of those
unpaid wages or that unpaid overtime compensation as liquidated damages.

5. No employee may be a party plaintiff to an action under subd. 3. unless the
employee consents in writing to become a party and the consent is filed in the court
in which the action is brought. Notwithstanding s. 814.04 (1), the court shall, in
addition to any judgment awarded to the plaintiff, allow reasonable attorney fees
and costs to be paid by the defendant.

(b) 1. Except as provided in subds. 2., 4., and 6., any contractor, subcontractor,
or contractor’s or subcontractor’s agent who violates this section may be fined not
more than $200 or imprisoned for not more than 6 months or both. Each day that
any violation continues is a separate offense.

2. Whoever induces any individual who seeks to be or is employed on any
project of public works that is subject to this section to give up, waive, or return any
part of the wages to which the individual is entitled under the contract governing the
project, or who reduces the hourly basic rate of pay normally paid to an individual
for work on a project that is not subject to this section during a week in which the
individual works both on a project of public works that is subject to this section and
on a project that is not subject to this section, by threat not to employ, by threat of
dismissal from employment, or by any other means is guilty of an offense under s.
946.15 (1).

3. Any individual employed on a project of public works that is subject to this
section who knowingly allows a contractor, subcontractor, or contractor’s or
subcontractor’s agent to pay him or her less than the prevailing wage rate set forth
in the contract governing the project, who gives up, waives, or returns any part of the
compensation to which he or she is entitled under the contract, or who gives up,
waives, or returns any part of the compensation to which he or she is normally
entitled for work on a project that is not subject to this section during a week in which
the individual works both on a project of public works that is subject to this section
and on a project that is not subject to this section, is guilty of an offense under s.
946.15 (2).

4. Whoever induces any individual who seeks to be or is employed on any
project of public works that is subject to this section to allow any part of the wages
to which the individual is entitled under the contract governing the project to be
deducted from the individual’s pay is guilty of an offense under s. 946.15 (3), unless
the deduction would be allowed under 29 CFR 3.5 or 3.6 from an individual who is working on a project that is subject to 40 USC 3142.

5. Any individual who is employed on a project of public works that is subject to this section who knowingly allows any part of the wages to which he or she is entitled under the contract governing the project to be deducted from his or her pay is guilty of an offense under s. 946.15 (4), unless the deduction would be allowed under 29 CFR 3.5 or 3.6 from an individual who is working on a project that is subject to 40 USC 3142.

6. Subdivision 1. does not apply to any person who fails to provide any information to the department to assist the department in determining prevailing wage rates under sub. (3) (am) or (ar).

(12) Debarment. (a) Except as provided under pars. (b) and (c), the department shall notify any local governmental unit applying for a determination under sub. (3) of the names of all persons that the department has found to have failed to pay the prevailing wage rate determined under sub. (3) or has found to have paid less than 1.5 times the hourly basic rate of pay for all hours worked in excess of the prevailing hours of labor at any time in the preceding 3 years. The department shall include with each name the address of the person and shall specify when the person failed to pay the prevailing wage rate and when the person paid less than 1.5 times the hourly basic rate of pay for all hours worked in excess of the prevailing hours of labor. A local governmental unit may not award any contract to the person unless otherwise recommended by the department or unless 3 years have elapsed from the date the department issued its findings or the date of final determination by a court of competent jurisdiction, whichever is later.
(b) The department may not include in a notification under par. (a) the name of any person on the basis of having subcontracted a contract for a project of public works to a person that the department has found to have failed to pay the prevailing wage rate determined under sub. (3) or has found to have paid less than 1.5 times the hourly basic rate of pay for all hours worked in excess of the prevailing hours of labor.

(c) This subsection does not apply to any contractor, subcontractor, or agent who in good faith commits a minor violation of this section, as determined on a case-by-case basis through administrative hearings with all rights to due process afforded to all parties or who has not exhausted or waived all appeals.

(d) Any person submitting a bid or negotiating a contract on a project of public works that is subject to this section shall, on the date the person submits the bid or negotiates the contract, identify any construction business in which the person, or a shareholder, officer, or partner of the person, if the person is a business, owns, or has owned at least a 25 percent interest on the date the person submits the bid or negotiates the contract or at any other time within 3 years preceding the date the person submits the bid or negotiates the contract, if the business has been found to have failed to pay the prevailing wage rate determined under sub. (3) or to have paid less than 1.5 times the hourly basic rate of pay for all hours worked in excess of the prevailing hours of labor.

(e) The department shall promulgate rules to administer this subsection.

SECTION 809. 66.1011 (1) of the statutes is amended to read:

66.1011 (1) Declaration of policy. The right of all persons to have equal opportunities for housing regardless of their sex, race, color, disability, as defined in s. 106.50 (1m) (g), sexual orientation, as defined in s. 111.32 (13m), religion, national
origin, marital status, family status, as defined in s. 106.50 (1m) (k), status as a
victim of domestic abuse, sexual assault, or stalking, as defined in s. 106.50 (1m) (u),
status as a holder or nonholder of a license under s. 343.03 (3m), lawful source of
income, age, or ancestry is a matter both of statewide concern under ss. 101.132 and
106.50 and also of local interest under this section and s. 66.0125. The enactment
of ss. 101.132 and 106.50 by the legislature does not preempt the subject matter of
equal opportunities in housing from consideration by political subdivisions, and does
not exempt political subdivisions from their duty, nor deprive them of their right, to
enact ordinances that prohibit discrimination in any type of housing solely on the
basis of an individual being a member of a protected class.

SECTION 810. 66.1105 (2) (f) 2. d. of the statutes is amended to read:

66.1105 (2) (f) 2. d. Cash grants made by the city to owners, lessees, or
developers of land that is located within the tax incremental district unless the grant
recipient has signed a development agreement with the city, a copy of which shall be
sent to the appropriate joint review board or, if that joint review board has been
dissolved, retained by the city in the official records for that tax incremental district.
The total of all cash grants that are made under subd. 2. d. may not exceed 20 percent
of the total project costs of the tax incremental district, including financing costs
attributable to the grants.

SECTION 811. 66.1105 (4) (f) of the statutes is amended to read:

66.1105 (4) (f) Adoption by the planning commission of a project plan for each
tax incremental district and submission of the plan to the local legislative body. The
plan shall include a statement listing the kind, number and location of all proposed
public works or improvements within the district or, to the extent provided in sub.
(2) (f) 1. k. and 1. n., outside the district, an economic feasibility study, a detailed list
of estimated project costs, and a description of the methods of financing all estimated
project costs and the time when the related costs or monetary obligations are to be
incurred. The project plan shall also contain alternative projections of the district’s
finances and economic feasibility under different economic situations, including the
pace of development in the district being slower than expected and the rate of
property value growth in the district being lower than expected. The plan shall also
include a map showing existing uses and conditions of real property in the district;
a map showing proposed improvements and uses in the district; proposed changes
of zoning ordinances, master plan, if any, map, building codes and city ordinances;
a list of estimated nonproject costs; and a statement of the proposed method for the
relocation of any persons to be displaced. The plan shall indicate how creation of the
tax incremental district promotes the orderly development of the city. The city shall
include in the plan an opinion of the city attorney or of an attorney retained by the
city advising whether the plan is complete and complies with this section.

**SECTION 811.** 66.1105 (6) (c) of the statutes is amended to read:

66.1105 (6) (c) Except for tax increments allocated under par. (d), (dm), (e), (f),
or (g), or erroneous reporting of value increments as described in par. (h), all tax
increments received with respect to a tax incremental district shall, upon receipt by
the city treasurer, be deposited into a special fund for that district. The city treasurer
may deposit additional moneys into such fund pursuant to an appropriation by the
common council. No moneys may be paid out of such fund except to pay project costs
with respect to that district, to reimburse the city for such payments, to pay project
costs of a district under par. (d), (dm), (e), (f), or (g), to pay property tax
reimbursements as described under par. (h), or to satisfy claims of holders of bonds
or notes issued with respect to such district. Subject to par. (d), (dm), (e), (f), or (g),
moneys paid out of the fund to pay project costs with respect to a district may be paid out before or after the district is terminated under sub. (7). Subject to any agreement with bondholders, moneys in the fund may be temporarily invested in the same manner as other city funds if any investment earnings are applied to reduce project costs. After all project costs and all bonds and notes with respect to the district have been paid or the payment thereof provided for, subject to any agreement with bondholders, if there remain in the fund any moneys that are not allocated under par. (d), (dm), (e), (f), or (g), they shall be paid over to the treasurer of each county, school district or other tax levying municipality or to the general fund of the city in the amounts that belong to each respectively, having due regard for that portion of the moneys, if any, that represents tax increments not allocated to the city and that portion, if any, that represents voluntary deposits of the city into the fund.

**SECTION 812.** 66.1105 (6) (h) of the statutes is created to read:

66.1105 (6) (h) For property values reported to the department of revenue in 2018, if a city erroneously reports a higher value increment for its tax incremental districts in an aggregate amount of at least $50 million, that city's tax incremental districts may transfer the excess tax increments collected resulting from this error directly to the city's general fund for the sole purpose of reimbursing taxpayers for the resulting erroneously higher property tax rates imposed on the taxpayers. A city that acts under this paragraph shall verify with the department of revenue the amounts being transferred and disbursed before those transactions may take place.

**SECTION 814.** 66.1201 (2m) of the statutes is amended to read:

66.1201 (2m) DISCRIMINATION. Persons otherwise entitled to any right, benefit, facility, or privilege under ss. 66.1201 to 66.1211 may not be denied the right, benefit, facility, or privilege in any manner for any purpose nor be discriminated against

The notice shall state the
maximum amount proposed to be borrowed, the purpose of the borrowing, that the

SECTION 827. 70.03 (1) of the statutes is amended to read:

70.03 (1) In chs. 70 to 76, 78, and 79, “real property,” “real estate,” and “land”
include not only the land itself but all buildings and fixtures, improvements thereon,
and all fixtures and leases, rights, and privileges appertaining thereto, including
assets that cannot be taxed separately as real property, but are inextricably
intertwined with the real property, enable the real property to achieve its highest and
best use, and are transferable to future owners, except as provided in sub. (2) and
except that for the purpose of time-share property, as defined in s. 707.02 (32), real
property does not include recurrent exclusive use and occupancy on a periodic basis
or other rights, including, but not limited to, membership rights, vacation services,
and club memberships. In this subsection, “lease” means a right in real estate that
is related primarily to the property and not to the labor, skill, or business acumen of
the property owner or tenant. In this subsection, “highest and best use” has the
meaning given in s. 70.32 (1).

SECTION 828. 70.11 (1) of the statutes is amended to read:

70.11 (1) PROPERTY OF THE STATE. Property owned by this state except land
contracted to be sold by the state. This exemption shall not apply to land conveyed
after September, 1933, to this state or for its benefit while the grantor or others for
the grantor’s benefit are permitted to occupy the land or part thereof in consideration
for the conveyance; nor shall it apply to land devised to the state or for its benefit
while another person is permitted by the will to occupy the land or part thereof. This
exemption shall not apply to any property acquired by the department of veterans affairs under s. 45.32 (5) and (7), 2017 stats., or to the property of insurers undergoing rehabilitation or liquidation under ch. 645. Property exempt under this subsection includes general property owned by the state and leased to a private, nonprofit corporation that operates an Olympic ice training center, regardless of the use of the leasehold income.

SECTION 829. 70.32 (1) of the statutes is amended to read:

70.32 (1) Real property shall be valued by the assessor in the manner specified in the Wisconsin property assessment manual provided under s. 73.03 (2a) at its highest and best use from actual view or from the best information that the assessor can practicably obtain, at the full value which could ordinarily be obtained therefor at private sale. In determining the value, the assessor shall consider recent arm’s-length sales of the property to be assessed if according to professionally acceptable appraisal practices those sales conform to recent arm’s-length sales of reasonably comparable property; recent arm’s-length sales of reasonably comparable property; and all factors that, according to professionally acceptable appraisal practices, affect the value of the property to be assessed. In this subsection, “arm’s-length sale” means a sale between a willing buyer and willing seller, neither being under compulsion to buy or sell and each being familiar with the attributes of the property sold. In this subsection, “highest and best use” means the specific use of the property as of the current assessment date or a higher use to which the property can be expected to be put before the next assessment date, if the use is legally permissible, physically possible, not highly speculative, and financially feasible and provides the highest net return. When the current use of a property is the highest and best use of that property, value in the current use equals full market value.
value. In this subsection, “legally permissible” does not include a conditional use
that has not been granted as of the assessment date.

SECTION 830. 70.32 (1b) of the statutes is created to read:

70.32 (1b) In determining the value of real property under sub. (1), the assessor
shall consider, as part of the valuation under sub. (1), any lease provisions and actual
rent pertaining to a property and affecting its value, including the lease provisions
and rent associated with a sale and leaseback of the property, if all such lease
provisions and rent are the result of an arm’s-length transaction involving persons
who are not related, as provided under section 267 of the Internal Revenue Code for
the year of the transaction. In this subsection, an “arm’s-length transaction” means
an agreement between willing parties, neither being under compulsion to act and
each being familiar with the attributes of the property.

SECTION 831. 70.32 (1d) of the statutes is created to read:

70.32 (1d) (a) To determine the value of property using generally accepted
appraisal methods, the assessor shall consider all of the following as comparable to
the property being assessed:

1. Sales or rentals of properties exhibiting the same or a similar highest and

Federal law, regulation, or document granting operating authority, or a license when

par. (b) 1. or 3.

102.07 (17m) A participant in a trial employment match program job
subsidized employment placement under s. 49.147 (3) is an employee of any
employer under this chapter for whom the participant is performing service at the
time of the injury.

**SECTION 1110.** 102.07 (20) of the statutes is amended to read:

102.07 (20) An individual who is performing services for a person participating
in the self-directed services option, as defined in s. 46.2897 (1), for a person receiving
long-term care benefits under s. 46.27, 46.275, or 46.277 or under any children’s
long-term support waiver program on a self-directed basis, or for a person receiving
the Family Care benefit, as defined in s. 46.2805 (4), or benefits under the Family

basis and who does not otherwise have worker’s compensation coverage for those

days after the employee knew or ought to have known the nature of his or her
disability and its relation to the employment, actual notice was received by the
employer or by an officer, manager or designated representative of an employer. If no representative has been designated by posters placed in one or more conspicuous places where notices to employees are customarily posted, then notice received by any superior is sufficient. Absence of notice does not bar recovery if it is found that the employer was not misled by that absence. Regardless of whether notice was received, if no payment of compensation, other than medical treatment or burial expense, is made, and if no application is filed with the department within 2 years after the date of the injury or death or the date the employee or his or her dependent knew or ought to have known the nature of the disability and its relation to the employment, the right to compensation for the injury or death is barred, except that the right to compensation is not barred if the employer knew or should have known, within the 2-year period, that the employee had sustained the injury on which the claim is based. Issuance of notice of a hearing on the motion of the department or the division has the same effect for the purposes of this section as the filing of an application. This section does not affect any claim barred under s. 102.17 (4).

SECTION 1113. 102.13 (1) (c) of the statutes is amended to read:

102.13 (1) (c) So long as the employee, after a written request of the employer or insurer that complies with par. (4). If the employee refuses to submit to the examination after direction by the department, the division, or an examiner, or in any way obstructs the examination, the employee’s right to the weekly indemnity that accrues and becomes payable during the period of that refusal or obstruction, is barred, except as provided in sub. (4).

SECTION 1114. 102.13 (1) (d) 2. of the statutes is amended to read:

SECTION 1115. 102.13 (1) (d) 3. of the statutes is amended to read:

102.13 (1) (d) 3. Notwithstanding any statutory provisions except par. Notwithstanding ss. 51.30 and 146.82 and any other law, any physician, chiropractor, psychologist, dentist, podiatrist, physician assistant, advanced practice nurse prescriber, hospital, or health care provider shall, within a
reasonable time after written request by the employee, employer, worker’s compensation insurer, or department, or division, or its representative, provide that person with any information or written material reasonably related to any injury for which the employee claims compensation.

SECTION 1118. 102.13 (3) of the statutes is amended to read:

102.13 (3) If 2 or more physicians, chiropractors, psychologists, dentists, or podiatrists disagree as to the extent of an injured employee’s temporary disability, the end of an employee’s healing period, an employee’s ability to return to work at suitable available employment or the necessity for further treatment or for a particular type of treatment, the department or the division may appoint another physician, chiropractor, psychologist, dentist, or podiatrist to examine the employee and render an opinion as soon as possible. The department or the division shall promptly notify the parties of this appointment. If the employee has not returned to work, payment for temporary disability shall continue until the department or the division receives the opinion. The employer or its insurance carrier, or both, shall pay for the examination and opinion. The employer or insurance carrier, or both, shall receive appropriate credit for any overpayment to the employee determined by the department or the division after receipt of the opinion.

SECTION 1119. 102.13 (4) of the statutes is amended to read:

102.13 (4) The right of an employee to begin or maintain proceedings for the collection of compensation and to receive weekly indemnities that accrue and become payable shall not be suspended or barred under sub. (1) when an employee refuses to submit to a physical examination, upon the request of the employer or worker’s compensation insurer or at the direction of the department, the division, or an examiner, that would require the employee to travel a distance of 100 miles or more...
from his or her place of residence, unless the employee has claimed compensation for
treatment from a practitioner whose office is located 100 miles or more from the
employee’s place of residence or the department, division, or examiner determines
that any other circumstances warrant the examination. If the employee has claimed
compensation for treatment from a practitioner whose office is located 100 miles or
more from the employee’s place of residence, the employer or insurer may request,
or the department, the division, or an examiner may direct, the employee to submit
to a physical examination in the area where the employee’s treatment practitioner
is located.

SECTION 1120. 102.13 (5) of the statutes is amended to read:

102.13 (5) The department or the division may refuse to receive testimony as
to conditions determined from an autopsy if it appears that the party offering the
testimony had procured the autopsy and had failed to make reasonable effort to
notify at least one party in adverse interest or the department or the division at least
12 hours before the autopsy of the time and place at which the autopsy would be
performed, or that the autopsy was performed by or at the direction of the coroner
or medical examiner or at the direction of the district attorney for purposes not
authorized under ch. 979. The department or the division may withhold findings
until an autopsy is held in accordance with its directions.

SECTION 1121. 102.14 (title) of the statutes is amended to read:

At the request of the chairpersons of the senate and assembly committees on labor, the department shall schedule a meeting of the council with the members of the senate and assembly committees on labor to review and discuss matters of legislative concern arising under this chapter.

\textbf{SECTION 1124.} 102.15 (1) of the statutes is amended to read:

102.15 (1) Subject to this chapter, the division department may adopt its own promulgate rules of procedure and may change the same from time to time.

\textbf{SECTION 1125.} 102.15 (2) of the statutes is amended to read:

102.15 (2) The division department may provide by rule the conditions under which transcripts of testimony and proceedings shall be furnished.

\textbf{SECTION 1126.} 102.16 (1) of the statutes is repealed and recreated to read:

102.16 (1) Any controversy concerning compensation or a violation of sub. (3), including a controversy in which the state may be a party, shall be submitted to the department in the manner and with the effect provided in this chapter. Every compromise of any claim for compensation may be reviewed and set aside, modified, or confirmed by the department within one year after the date on which the compromise is filed with the department, the date on which an award has been entered based on the compromise, or the date on which an application for the department to take any of those actions is filed with the department. Unless the word “compromise” appears in a stipulation of settlement, the settlement shall not

(1) or stipulation under s. 102.18 (1) (a) that the insurer or self-insured employer is liable under this chapter for any health services provided to an injured employee by a health service provider, but disputes the reasonableness of the fee charged by the health service provider, the department or the division may include in its order confirming the compromise or stipulation a determination made by the department under sub. (2) as to the reasonableness of the fee or, if such a determination has not yet been made, the department or the division may notify, or direct the insurer or self-insured employer to notify, the health service provider under sub. (2) (b) that the reasonableness of the fee is in dispute. The department or the division shall deny payment of a health service fee that the department determines under sub. (2) to be unreasonable. A health service provider and an insurer or self-insured employer that are parties to a fee dispute under this paragraph are bound by the department’s determination under sub. (2) on the reasonableness of the disputed fee, unless that determination is set aside, reversed, or modified by the department under sub. (2) (f) or is set aside on judicial review as provided in sub. (2) (f).

SECTION 1128. 102.16 (1m) (b) of the statutes is amended to read:
102.16 (1m) (b) If an insurer or self-insured employer concedes by compromise under sub. (1) or stipulation under s. 102.18 (1) (a) that the insurer or self-insured employer is liable under this chapter for any treatment provided to an injured employee by a health service provider, but disputes the necessity of the treatment, the department or the division may include in its order confirming the compromise or stipulation a determination made by the department under sub. (2m) as to the necessity of the treatment or, if such a determination has not yet been made, the department or the division may notify, or direct the insurer or self-insured employer to notify, the health service provider under sub. (2m) (b) that the necessity of the treatment is in dispute. Before determining under sub. (2m) the necessity of treatment provided to an injured employee, the department may, but is not required to, obtain the opinion of an expert selected by the department who is qualified as provided in sub. (2m) (c). The standards promulgated under sub. (2m) (g) shall be applied by an expert and by the department in rendering an opinion as to, and in determining, necessity of treatment under this paragraph. In cases in which no standards promulgated under sub. (2m) (g) apply, the department shall find the facts regarding necessity of treatment. The department or the division shall deny payment for any treatment that the department determines under sub. (2m) to be unnecessary. A health service provider and an insurer or self-insured employer that are parties to a dispute under this paragraph over the necessity of treatment are bound by the department’s determination under sub. (2m) on the necessity of the disputed treatment, unless that determination is set aside, reversed, or modified by the department under sub. (2m) (e) or is set aside on judicial review as provided in sub. (2m) (e).

SECTION 1129. 102.16 (1m) (c) of the statutes is amended to read:
102.16 (1m) (c) If an insurer or self-insured employer concedes by compromise under sub. (1) or stipulation under s. 102.18 (1) (a) that the insurer or self-insured employer is liable under this chapter for the cost of a prescription drug dispensed under s. 102.425 (2) for outpatient use by an injured employee, but disputes the reasonableness of the amount charged for the prescription drug, the department or the division may include in its order confirming the compromise or stipulation a determination made by the department under s. 102.425 (4m) as to the reasonableness of the prescription drug charge or, if such a determination has not yet been made, the department or the division may notify, or direct the insurer or self-insured employer to notify, the pharmacist or practitioner dispensing the prescription drug under s. 102.425 (4m) (b) that the reasonableness of the prescription drug charge is in dispute. The department or the division shall deny payment of a prescription drug charge that the department determines under s. 102.425 (4m) to be unreasonable. A pharmacist or practitioner and an insurer or self-insured employer that are parties to a dispute under this paragraph over the reasonableness of a prescription drug charge are bound by the department’s determination under s. 102.425 (4m) on the reasonableness of the disputed prescription drug charge, unless that determination is set aside, reversed, or modified by the department under s. 102.425 (4m) (e) or is set aside on judicial review as provided in s. 102.425 (4m) (e).

SECTION 1130. 102.16 (2) (a) of the statutes is amended to read:

102.16 (2) (a) Except as provided in this paragraph, the department has jurisdiction under this subsection, the department and the division have jurisdiction under sub. (1m) (a), and the division has jurisdiction under s. 102.17 to resolve a dispute between a health service provider and an insurer or self-insured employer
over the reasonableness of a fee charged by the health service provider for health
services provided to an injured employee who claims benefits under this chapter. A
health service provider may not submit a fee dispute to the department under this
subsection before all treatment by the health service provider of the employee’s
injury has ended if the amount in controversy, whether based on a single charge or
a combination of charges for one or more days of service, is less than $25. After all
treatment by a health service provider of an employee’s injury has ended, the health
service provider may submit any fee dispute to the department, regardless of the
amount in controversy. The department shall deny payment of a health service fee
that the department determines under this subsection to be unreasonable.

**SECTION 1131.** 102.16 (2) (b) of the statutes is amended to read:

102.16 (2) (b) An insurer or self-insured employer that disputes the
reasonableness of a fee charged by a health service provider or the department or the
division under sub. (1m) (a) or s. 102.18 (1) (bg) 1. shall provide reasonable written
notice to the health service provider that the fee is being disputed. After receiving
reasonable written notice under this paragraph or under sub. (1m) (a) or s. 102.18
(1) (bg) 1. that a health service fee is being disputed, a health service provider may
not collect the disputed fee from, or bring an action for collection of the disputed fee
against, the employee who received the services for which the fee was charged.

**SECTION 1132.** 102.16 (2m) (a) of the statutes is amended to read:

102.16 (2m) (a) Except as provided in this paragraph, the department has
jurisdiction under this subsection, the department and the division have jurisdiction
under sub. (1m) (b), and the division has jurisdiction under s. 102.17 to resolve a
dispute between a health service provider and an insurer or self-insured employer
over the necessity of treatment provided for an injured employee who claims benefits
under this chapter. A health service provider may not submit a dispute over necessity of treatment to the department under this subsection before all treatment by the health service provider of the employee’s injury has ended if the amount in controversy, whether based on a single charge or a combination of charges for one or more days of service, is less than $25. After all treatment by a health service provider of an employee’s injury has ended, the health service provider may submit any dispute over necessity of treatment to the department, regardless of the amount in controversy. The department shall deny payment for any treatment that the department determines under this subsection to be unnecessary.

**Section 1133.** 102.16 (2m) (b) of the statutes is amended to read:

102.16 (2m) (b) An insurer or self-insured employer that disputes the necessity of treatment provided by a health service provider or the department or the division under sub. (1m) (b) or s. 102.18 (1) (bg) 2. shall provide reasonable written notice to the health service provider that the necessity of that treatment is being disputed. After receiving reasonable written notice under this paragraph or under sub. (1m) (b) or s. 102.18 (1) (bg) 2. that the necessity of treatment is being disputed, a health service provider may not collect a fee for that disputed treatment from, or bring an action for collection of the fee for that disputed treatment against, the employee who received the treatment.

**Section 1134.** 102.16 (4) of the statutes is amended to read:

102.16 (4) The department and the division have jurisdiction to pass on any question arising out of sub. (3) and to order the employer to reimburse an employee or other person for any sum deducted from wages or paid by him or her in violation of that subsection. In addition to the penalty provided in s. 102.85 (1), any employer violating sub. (3) shall be liable to an injured employee for the reasonable value of
the necessary services rendered to that employee under any arrangement made in
violation of sub. (3) without regard to that employee's actual disbursements for those
services.

**SECTION 1135.** 102.17 (1) (a) 1. of the statutes is amended to read:

102.17 (1) (a) 1. Upon the filing with the department by any party in interest
of any application in writing stating the general nature of any claim as to which any
dispute or controversy may have arisen, the department shall mail a copy of the
application to all other parties in interest, and the insurance carrier shall be
considered a party in interest. The department or the division may bring in
additional parties by service of a copy of the application.

**SECTION 1136.** 102.17 (1) (a) 2. of the statutes is amended to read:

102.17 (1) (a) 2. Subject to subd. 3., the division department shall cause notice
of hearing on the application to be given to each interested party by service of that
notice on the interested party personally or by mailing a copy of that notice to the
interested party's last-known address at least 10 days before the hearing. If a party
in interest is located without this state, and has no post-office address within this
state, the copy of the application and copies of all notices shall be filed with the
department of financial institutions and shall also be sent by registered or certified
mail to the last-known post-office address of the party. Such filing and mailing shall
constitute sufficient service, with the same effect as if served upon a party located
within this state.

**SECTION 1137.** 102.17 (1) (a) 3. of the statutes is amended to read:

102.17 (1) (a) 3. If a party in interest claims that the employer or insurer has
acted with malice or bad faith as described in s. 102.18 (1) (b) 3. or (bp), that party
shall provide written notice stating with reasonable specificity the basis for the claim
to the employer, the insurer, and the division before the division department schedules a hearing on the claim of malice or bad faith.

**SECTION 1138.** 102.17 (1) (a) 4. of the statutes is amended to read:

102.17 (1) (a) 4. The hearing may be adjourned in the discretion of the division department, and hearings may be held at such places as the division department designates, within or without the state. The division department may also arrange to have hearings held by the commission, officer, or tribunal having authority to hear cases arising under the worker’s compensation law of any other state, of the District of Columbia, or of any territory of the United States, with the testimony and proceedings at any such hearing to be reported to the division department and to be made part of the record in the case. Any evidence so taken shall be subject to rebuttal upon final hearing before the division department.

**SECTION 1139.** 102.17 (1) (b) of the statutes is amended to read:

102.17 (1) (b) In any dispute or controversy pending before the division department, the division department may direct the parties to appear before an examiner for a conference to consider the clarification of issues, the joining of additional parties, the necessity or desirability of amendments to the pleadings, the obtaining of admissions of fact or of documents, records, reports, and bills that may avoid unnecessary proof, and such other matters as may aid in disposition of the dispute or controversy. After that conference the division department may issue an order requiring disclosure or exchange of any information or written material that the division department considers material to the timely and orderly disposition of the dispute or controversy. If a party fails to disclose or exchange that information within the time stated in the order, the division department may issue an order dismissing the claim without prejudice or excluding evidence or testimony relating
to the information or written material. The division department shall provide each party with a copy of any order issued under this paragraph.

**SECTION 1140.** 102.17 (1) (c) 1. of the statutes is amended to read:

102.17 (1) (c) 1. Any party shall have the right to be present at any hearing, in person or by attorney or any other agent, and to present such testimony as may be pertinent to the controversy before the division department. No person, firm, or corporation, other than an attorney at law who is licensed to practice law in the state, may appear on behalf of any party in interest before the division department or any member or employee of the division department assigned to conduct any hearing, investigation, or inquiry relative to a claim for compensation or benefits under this chapter, unless the person is 18 years of age or older, does not have an arrest or conviction record, subject to ss. 111.321, 111.322 and 111.335, is otherwise qualified, and has obtained from the department a license with authorization to appear in matters or proceedings before the division department. Except as provided under pars. (cm), (cr), and (ct), the license shall be issued by the department under rules promulgated by the department. The department shall maintain in its office a current list of persons to whom licenses have been issued.

**SECTION 1141.** 102.17 (1) (d) 1. of the statutes is amended to read:

102.17 (1) (d) 1. The contents of certified medical and surgical reports by physicians, podiatrists, surgeons, dentists, psychologists, physician assistants, advanced practice nurse prescribers, and chiropractors licensed in and practicing in this state, and of certified reports by experts concerning loss of earning capacity under s. 102.44 (2) and (3), presented by a party for compensation constitute prima facie evidence as to the matter contained in those reports, subject to any rules and limitations the division department prescribes. Certified reports of physicians,
podiatrists, surgeons, dentists, psychologists, physician assistants, advanced
practice nurse prescribers, and chiropractors, wherever licensed and practicing, who
have examined or treated the claimant, and of experts, if the practitioner or expert
consents to being subjected to cross-examination, also constitute prima facie
evidence as to the matter contained in those reports. Certified reports of physicians,
podiatrists, surgeons, psychologists, and chiropractors are admissible as evidence of
the diagnosis, necessity of the treatment, and cause and extent of the disability.
Certified reports by doctors of dentistry, physician assistants, and advanced practice
nurse prescribers are admissible as evidence of the diagnosis and necessity of
treatment but not of the cause and extent of disability. Any physician, podiatrist,
surgeon, dentist, psychologist, chiropractor, physician assistant, advanced practice
nurse prescriber, or expert who knowingly makes a false statement of fact or opinion
in a certified report may be fined or imprisoned, or both, under s. 943.395.

SECTION 1142. 102.17 (1) (d) 2. of the statutes is amended to read:

102.17 (1) (d) 2. The record of a hospital or sanatorium in this state that is
satisfactory to the division department, established by certificate, affidavit, or
testimony of the supervising officer of the hospital or sanatorium, any other person
having charge of the record, or a physician, podiatrist, surgeon, dentist, psychologist,
physician assistant, advanced practice nurse prescriber, or chiropractor to be the
record of the patient in question, and made in the regular course of examination or
treatment of the patient, constitutes prima facie evidence as to the matter contained
in the record, to the extent that the record is otherwise competent and relevant.

SECTION 1143. 102.17 (1) (d) 3. of the statutes is amended to read:

102.17 (1) (d) 3. The division department may, by rule, establish the
qualifications of and the form used for certified reports submitted by experts who
provide information concerning loss of earning capacity under s. 102.44 (2) and (3). The division department may not admit into evidence a certified report of a practitioner or other expert or a record of a hospital or sanatorium that was not filed with the division department and all parties in interest at least 15 days before the date of the hearing, unless the division department is satisfied that there is good cause for the failure to file the report.

**Section 1143.** 102.17 (1) (d) 4. of the statutes is amended to read:

102.17 (1) (d) 4. A report or record described in subd. 1., 2., or 3. that is admitted or received into evidence by the division department constitutes substantial evidence under s. 102.23 (6) as to the matter contained in the report or record.

**Section 1144.** 102.17 (1) (e) of the statutes is amended to read:

102.17 (1) (e) The division department may, with or without notice to any party, cause testimony to be taken, an inspection of the premises where the injury occurred to be made, or the time books and payrolls of the employer to be examined by any examiner, and may direct any employee claiming compensation to be examined by a physician, chiropractor, psychologist, dentist, or podiatrist. The testimony so taken, and the results of any such inspection or examination, shall be reported to the division department for its consideration upon final hearing. All ex parte testimony taken by the division department shall be reduced to writing, and any party shall have opportunity to rebut that testimony on final hearing.

**Section 1145.** 102.17 (1) (f) 1. of the statutes is amended to read:

102.17 (1) (f) 1. Beyond reach of the subpoena of the division department.

**Section 1146.** 102.17 (1) (g) of the statutes is amended to read:

102.17 (1) (g) Whenever the testimony presented at any hearing indicates a dispute or creates a doubt as to the extent or cause of disability or death, the division
department may direct that the injured employee be examined, that an autopsy be performed, or that an opinion be obtained without examination or autopsy, by or from an impartial, competent physician, chiropractor, dentist, psychologist or podiatrist designated by the division department who is not under contract with or regularly employed by a compensation insurance carrier or self-insured employer. The expense of the examination, autopsy, or opinion shall be paid by the employer or, if the employee claims compensation under s. 102.81, from the uninsured employers fund. The report of the examination, autopsy, or opinion shall be transmitted in writing to the division department and a copy of the report shall be furnished by the division department to each party, who shall have an opportunity to rebut the report on further hearing.

SECTION 1148. 102.17 (1) (h) of the statutes is amended to read:

102.17 (1) (h) The contents of certified reports of investigation made by industrial safety specialists who are employed, contracted, or otherwise secured by the department or the division and who are available for cross-examination, if served upon the parties 15 days prior to hearing, shall constitute prima facie evidence as to matter contained in those reports. A report described in this paragraph that is admitted or received into evidence by the division department constitutes substantial evidence under s. 102.23 (6) as to the matter contained in the report.

SECTION 1149. 102.17 (2) of the statutes is amended to read:

102.17 (2) If the division department has reason to believe that the payment of compensation has not been made, the division department may on its own motion give notice to the parties, in the manner provided for the service of an application, of a time and place when a hearing will be held for the purpose of determining the
facts. The notice shall contain a statement of the matter to be considered. All provisions of this chapter governing proceedings on an application shall apply, insofar as applicable, to a proceeding under this subsection. When the division schedules a hearing on its own motion, the division does not become a party in interest and is not required to appear at the hearing.

SECTION 1150. 102.17 (2m) of the statutes is amended to read:

102.17 (2m) The division or any party, including the department, may require any person to produce books, papers, and records at the hearing by personal service of a subpoena upon the person along with a tender of witness fees as provided in ss. 814.67 and 885.06. Except as provided in sub. (2s), the subpoena shall be on a form provided by the division and shall give the name and address of the party requesting the subpoena.

SECTION 1151. 102.17 (2s) of the statutes is amended to read:

102.17 (2s) A party’s attorney of record may issue a subpoena to compel the attendance of a witness or the production of evidence. A subpoena issued by an attorney must be in substantially the same form as provided in s. 805.07 (4) and must be served in the manner provided in s. 805.07 (5). The attorney shall, at the time of issuance, send a copy of the subpoena to the hearing examiner or other representative of the division responsible for conducting the proceeding.

SECTION 1152. 102.17 (7) (b) of the statutes is amended to read:

102.17 (7) (b) Except as provided in par. (c), the division shall exclude from evidence testimony or certified reports from expert witnesses under par. (a) offered by the party that raises the issue of loss of earning capacity if that party failed to notify the division and the other parties of interest, at least 60 days before the date of the hearing, of the party’s intent to provide the
testimony or reports and of the names of the expert witnesses involved. Except as
provided in par. (c), the division department shall exclude from evidence testimony
or certified reports from expert witnesses under par. (a) offered by a party of interest
in response to the party that raises the issue of loss of earning capacity if the
responding party failed to notify the division department and the other parties of
interest, at least 45 days before the date of the hearing, of the party's intent to provide
the testimony or reports and of the names of the expert witnesses involved.

SECTION 1153. 102.17 (7) (c) of the statutes is amended to read:

102.17 (7) (c) Notwithstanding the notice deadlines provided in par. (b), the
division department may receive in evidence testimony or certified reports from
expert witnesses under par. (a) when the applicable notice deadline under par. (b) is
not met if good cause is shown for the delay in providing the notice required under
par. (b) and if no party is prejudiced by the delay.

SECTION 1154. 102.17 (8) of the statutes is amended to read:

102.17 (8) Unless otherwise agreed to by all parties, an injured employee shall
file with the division department and serve on all parties at least 15 days before the
date of the hearing an itemized statement of all medical expenses and incidental
compensation under s. 102.42 claimed by the injured employee. The itemized
statement shall include, if applicable, information relating to any travel expenses
incurred by the injured employee in obtaining treatment including the injured
employee’s destination, number of trips, round trip mileage, and meal and lodging
expenses. The division department may not admit into evidence any information
relating to medical expenses and incidental compensation under s. 102.42 claimed
by an injured employee if the injured employee failed to file with the division
department and serve on all parties at least 15 days before the date of the hearing.
an itemized statement of the medical expenses and incidental compensation under
s. 102.42 claimed by the injured employee, unless the division department is satisfied
that there is good cause for the failure to file and serve the itemized statement.

SECTION 1155. 102.175 (2) of the statutes is amended to read:

102.175 (2) If after a hearing or a prehearing conference the division
department determines that an injured employee is entitled to compensation but
that there remains in dispute only the issue of which of 2 or more parties is liable for
that compensation, the division department may order one or more parties to pay
compensation in an amount, time, and manner as determined by the division
department. If the division department later determines that another party is liable
for compensation, the division department shall order that other party to reimburse
any party that was ordered to pay compensation under this subsection.

SECTION 1156. 102.175 (3) (c) of the statutes is amended to read:

102.175 (3) (c) Upon request of the department, the division, the employer, or
the employer’s worker’s compensation insurer, an injured employee who claims
compensation for an injury causing permanent disability shall disclose all previous
findings of permanent disability or other impairments that are relevant to that
injury.

SECTION 1157. 102.18 (1) (b) 1. of the statutes is amended to read:

102.18 (1) (b) 1. Within 90 days after the final hearing and close of the record,
the division department shall make and file its findings upon the ultimate facts
involved in the controversy, and its order, which shall state the division's
department's determination as to the rights of the parties. Pending the final
determination of any controversy before it, the division department, after any
SECTION 1157. 102.18 (1) (b) 2. of the statutes is amended to read:

102.18 (1) (b) 2. The division department may include in any interlocutory or final award or order an order directing the employer or insurer to pay for any future treatment that may be necessary to cure and relieve the employee from the effects of the injury or to pay for a future course of instruction or other rehabilitation training services provided under a rehabilitation training program developed under s. 102.61 (1) or (1m).

SECTION 1159. 102.18 (1) (b) 3. of the statutes is amended to read:

102.18 (1) (b) 3. If the division department finds that the employer or insurer has not paid any amount that the employer or insurer was directed to pay in any interlocutory order or award and that the nonpayment was not in good faith, the division department may include in its final award a penalty not exceeding 25 percent of each amount that was not paid as directed.

SECTION 1160. 102.18 (1) (bg) 1. of the statutes is amended to read:

102.18 (1) (bg) 1. If the division department finds under par. (b) that an insurer or self-insured employer is liable under this chapter for any health services provided to an injured employee by a health service provider, but that the reasonableness of the fee charged by the health service provider is in dispute, the division department may include in its order under par. (b) a determination made by the department under s. 102.16 (2) as to the reasonableness of the fee or, if such a determination has not yet been made, the division department may notify, or direct the insurer or self-insured employer to notify, the health service provider under s. 102.16 (2) (b) that the reasonableness of the fee is in dispute.
SECTION 1161. 102.18 (1) (bg) 2. of the statutes is amended to read:

102.18 (1) (bg) 2. If the division department finds under par. (b) that an employer or insurance carrier is liable under this chapter for any treatment provided to an injured employee by a health service provider, but that the necessity of the treatment is in dispute, the division department may include in its order under par. (b) a determination made by the department under s. 102.16 (2m) as to the necessity of the treatment or, if such a determination has not yet been made, the division department may notify, or direct the employer or insurance carrier to notify, the health service provider under s. 102.16 (2m) (b) that the necessity of the treatment is in dispute.

SECTION 1162. 102.18 (1) (bg) 3. of the statutes is amended to read:

102.18 (1) (bg) 3. If the division department finds under par. (b) that an insurer or self-insured employer is liable under this chapter for the cost of a prescription drug dispensed under s. 102.425 (2) for outpatient use by an injured employee, but that the reasonableness of the amount charged for that prescription drug is in dispute, the division department may include in its order under par. (b) a determination made by the department under s. 102.425 (4m) as to the reasonableness of the prescription drug charge or, if such a determination has not yet been made, the division department may notify, or direct the insurer or self-insured employer to notify, the pharmacist or practitioner dispensing the prescription drug under s. 102.425 (4m) (b) that the reasonableness of the prescription drug charge is in dispute.

SECTION 1163. 102.18 (1) (bp) of the statutes is amended to read:

102.18 (1) (bp) If the division department determines that the employer or insurance carrier suspended, terminated, or failed to make payments or failed to
report an injury as a result of malice or bad faith, the division department may include a penalty in an award to an employee for each event or occurrence of malice or bad faith. That penalty is the exclusive remedy against an employer or insurance carrier for malice or bad faith. If the penalty is imposed for an event or occurrence of malice or bad faith that causes a payment that is due an injured employee to be delayed in violation of s. 102.22 (1) or overdue in violation of s. 628.46 (1), the division department may not also order an increased payment under s. 102.22 (1) or the payment of interest under s. 628.46 (1). The division department may award an amount that the division department considers just, not to exceed the lesser of 200 percent of total compensation due or $30,000 for each event or occurrence of malice or bad faith. The division department may assess the penalty against the employer, the insurance carrier, or both. Neither the employer nor the insurance carrier is liable to reimburse the other for the penalty amount. The division department may, by rule, define actions that demonstrate malice or bad faith.

SECTION 1164. 102.18 (1) (bw) of the statutes is amended to read:

102.18 (1) (bw) If an insurer, a self-insured employer, or, if applicable, the uninsured employers fund pays compensation to an employee in excess of its liability and another insurer or self-insured employer is liable for all or part of the excess payment, the department or the division may order the insurer or self-insured employer that is liable for that excess payment to reimburse the insurer or self-insured employer that made the excess payment or, if applicable, the uninsured employers fund.

SECTION 1165. 102.18 (1) (c) of the statutes is amended to read:

102.18 (1) (c) If 2 or more examiners have conducted a formal hearing on a claim and are unable to agree on the order or award to be issued, the decision shall be the
decision of the majority. If the examiners are equally divided on the decision, the department may appoint an additional examiner who shall review the record and consult with the other examiners concerning their impressions of the credibility of the evidence. Findings of fact and an order or award may then be issued by a majority of the examiners.

SECTION 1166. 102.18 (1) (e) of the statutes is amended to read:

102.18 (1) (e) Except as provided in s. 102.21, if the department or the division orders a party to pay an award of compensation, the party shall pay the award no later than 21 days after the date on which the order is mailed to the last-known address of the party, unless the party files a petition for review under sub. (3). This paragraph applies to all awards of compensation ordered by the department or the division, whether the award results from a hearing, the default of a party, or a compromise or stipulation confirmed by the department or the division.

SECTION 1167. 102.18 (2) of the statutes is repealed and recreated to read:

102.18 (2) The department shall have and maintain on its staff such examiners as are necessary to hear and decide claims and to assist in the effective administration of this chapter. Those examiners shall be attorneys and may be designated as administrative law judges. Those examiners may make findings and orders and may approve, review, set aside, modify, or confirm stipulations of settlement or compromises of claims for compensation.

SECTION 1168. 102.18 (3) of the statutes is amended to read:

102.18 (3) A party in interest may petition the commission for review of an examiner’s decision awarding or denying compensation if the department, the division, or the commission receives the petition within 21 days after the department or the division mailed a copy of the examiner’s findings and order to the last-known
addresses of the parties in interest. The commission shall dismiss a petition that is not filed within those 21 days unless the petitioner shows that the petition was filed late for a reason that was beyond the petitioner’s control. If no petition is filed within those 21 days, the findings or order shall be considered final unless set aside, reversed, or modified by the examiner within that time. If the findings or order are set aside by the examiner, the status shall be the same as prior to the setting aside of the findings or order that were set aside. If the findings or order are reversed or modified by the examiner, the time for filing a petition commences on the date on which notice of the reversal or modification is mailed to the last-known addresses of the parties in interest. The commission shall either affirm, reverse, set aside, or modify the findings or order, in whole or in part, or direct the taking of additional evidence. The commission’s action shall be based on a review of the evidence submitted.

**SECTION 1169.** 102.18 (4) (c) 3. of the statutes is amended to read:

102.18 (4) (c) 3. Remand the case to the department or the division for further proceedings.

**SECTION 1170.** 102.18 (4) (d) of the statutes is amended to read:

102.18 (4) (d) While a petition for review by the commission is pending or after entry of an order or award by the commission but before commencement of an action for judicial review or expiration of the period in which to commence an action for judicial review, the commission shall remand any compromise presented to it to the department or the division for consideration and approval or rejection under s. 102.16 (1). Presentation of a compromise does not affect the period in which to commence an action for judicial review.

**SECTION 1171.** 102.18 (5) of the statutes is amended to read:
102.18 (5) If it appears to the division department that a mistake may have been made as to cause of injury in the findings, order, or award upon an alleged injury based on accident, when in fact the employee was suffering from an occupational disease, within 3 years after the date of the findings, order, or award the division department may, upon its own motion, with or without hearing, set aside the findings, order or award, or the division department may take that action upon application made within those 3 years. After an opportunity for hearing, the division department may, if in fact the employee is suffering from disease arising out of the employment, make new findings, and a new order or award, or the division department may reinstate the previous findings, order, or award.

If the employer or his or her insurer inexcusably delays in making the first payment that is due an injured employee for more than 14 days after the date on which the employee leaves work as a result of an injury, the payments as to which the delay is found may be increased by 10 percent. If the employer or his or her insurer inexcusably delays for any length of time in making any other payment that is due an injured employee, the payments as to which the delay is found may be increased by 10 percent. If the delay is chargeable to the employer and not to the insurer, s. 102.62 applies and the relative liability of the parties shall be fixed and discharged as provided in that section. The department or the division may also order the employer or insurance carrier to reimburse the employee for any finance charges, collection charges, or interest that the employee paid as a result of the inexcusable delay by the employer or insurance carrier.

Section 1175. 102.22 (2) of the statutes is amended to read:

The department or the division has jurisdiction to issue an award for payment of interest under this subsection at any time within one year after the date of its order or, if the order is appealed, within one year after final court determination. Interest awarded under this subsection becomes due from the date the examiner’s order becomes final or from the date of a decision by the commission, whichever is later.
SECTION 1176. 102.23 (2) of the statutes is amended to read:

102.23 (2) Upon the trial of an action for review of an order or award, the court shall disregard any irregularity or error of the commission, or the department, or the division unless it is made to affirmatively appear that the plaintiff was damaged by that irregularity or error.

102.23 (5) When an action for review involves only the question of liability as between the employer and one or more insurance companies or as between several insurance companies, a party that has been ordered by the department, the division, the commission, or a court to pay compensation is not relieved from paying compensation as ordered.

SECTION 1179. 102.24 (2) of the statutes is amended to read:

102.24 (2) After the commencement of an action to review any order or award of the commission, the parties may have the record remanded by the court for such time and under such condition as the parties may provide, for the purpose of having the department or the division act upon the question of approving or disapproving any settlement or compromise that the parties may desire to have so approved. If approved, the action shall be at an end and judgment may be entered upon the approval as upon an award. If not approved, the department or the division shall immediately return the record to the circuit court and the action shall proceed as if no remand had been made.

A trial court may not require the commission or any party to the action to execute, serve, or file an undertaking under s. 808.07 or to serve, or secure approval of, a transcript of the notes of the stenographic reporter or the tape of the recording machine. The state is a party aggrieved under this subsection if a judgment is entered upon the review confirming any order or award against the state. At any time before the case is set down for hearing in the court of appeals or the supreme court, the parties may have the record remanded by the court to the department or the division in the same manner and for the same purposes as provided for remanding from the circuit court to the department or the division under s. 102.24 (2).

The limitation as to fees shall apply to the combined charges of attorneys, solicitors, representatives, and adjusters
who knowingly combine their efforts toward the enforcement or collection of any
compensation claim.

SECTION 1182. 102.26 (3) (b) 1. of the statutes is amended to read:

102.26 (3) (b) 1. Subject to sub. (2), upon application of any interested party, the department or the division may fix the fee of the claimant's attorney or representative and provide in the award for that fee to be paid directly to the attorney or representative.

If the insurer or self-insured employer agrees to the request, the insurer or self-insured employer may deposit the payment by direct deposit, electronic funds transfer, or any other money transfer technique approved by the department or the division. The claimant may revoke a request under this subdivision at any time by providing appropriate written notice to the insurer or self-insured employer.

SECTION 1184. 102.26 (4) of the statutes is amended to read:

the governmental unit provided the assistance and the cost of that assistance, the
department or the division shall order the employer or insurance carrier owing
compensation to reimburse that governmental unit for the amount of assistance the
governmental unit provided or two-thirds of the amount of the award or payment
remaining after deduction of attorney fees and any other fees or costs chargeable
under ch. 102, whichever is less. The department shall comply with this paragraph
when making payments under s. 102.81.

SECTION 1186. 102.28 (3) (c) of the statutes is amended to read:

102.28 (3) (c) An employee who has signed a waiver under par. (a) 1. and an
affidavit under par. (a) 2., who sustains an injury that, but for that waiver, the
employer would be liable for under s. 102.03, who at the time of the injury was a
member of a religious sect whose authorized representative has filed an affidavit
under par. (a) 3. and an agreement under par. (a) 4., and who as a result of the injury
becomes dependent on the religious sect for financial and medical assistance, or the
employee’s dependent, may request a hearing under s. 102.17 (1) to determine if the
religious sect has provided the employee and his or her dependents with a standard
of living and medical treatment that are reasonable when compared to the general
standard of living and medical treatment for members of the religious sect. If, after
hearing, the division department determines that the religious sect has not provided
that standard of living or medical treatment, or both, the division department may
order the religious sect to provide alternative benefits to that employee or his or her
dependent, or both, in an amount that is reasonable under the circumstances, but
not in excess of the benefits that the employee or dependent could have received
under this chapter but for the waiver under par. (a) 1.
SECTION 1187. 102.28 (4) (c) of the statutes is amended to read:

102.28 (4) (c) After a hearing under par. (b), or without a hearing if one is not requested, the division department may issue an order to an employer to cease operations on a finding that the employer is an uninsured employer. If no hearing is requested, the department may issue such an order.

SECTION 1188. 102.29 (1) (b) (intro.) of the statutes is amended to read:

102.29 (1) (b) (intro.) If a party entitled to notice cannot be found, the department shall become the agent of that party for the giving of a notice as required in par. (a) and the notice, when given to the department, shall include an affidavit setting forth the facts, including the steps taken to locate that party. Each party shall have an equal voice in the prosecution of the claim, and any disputes arising shall be passed upon by the court before whom the case is pending, and if no action is pending, then by a court of record or by the department or the division. If notice is given as provided in par. (a), the liability of the tort-feasor shall be determined as to all parties having a right to make claim and, irrespective of whether or not all parties join in prosecuting the claim, the proceeds of the claim shall be divided as follows:

SECTION 1189. 102.29 (1) (c) of the statutes is amended to read:

102.29 (1) (c) If both the employee or the employee's personal representative or other person entitled to bring action, and the employer, compensation insurer, or department, join in the pressing of said claim and are represented by counsel, the attorney fees allowed as a part of the costs of collection shall be, unless otherwise agreed upon, divided between the attorneys for those parties as directed by the court or by the department or the division.

SECTION 1190. 102.29 (1) (d) of the statutes is amended to read:
102.29 (1) (d) A settlement of a 3rd-party claim shall be void unless the settlement and the distribution of the proceeds of the settlement are approved by the court before whom the action is pending or, if no action is pending, then by a court of record or by the department or the division.

102.30 (7) (a) The department or the division may order direct reimbursement out of the proceeds payable under this chapter for payments made under a nonindustrial insurance policy covering the same disability and expenses compensable under s. 102.42 when the claimant consents or when it is established that the payments under the nonindustrial insurance policy were improper. No attorney fee is due with respect to that reimbursement.

SECTION 1192. 102.32 (1m) (intro.) of the statutes is amended to read:

102.32 (1m) (intro.) In any case in which compensation payments for an injury have extended or will extend over 6 months or more after the date of the injury or in any case in which death benefits are payable, any party in interest may, in the discretion of the department or the division, be discharged from, or compelled to guarantee, future compensation payments by doing any of the following:

The acceptance of the bond, or other security, and the form and sufficiency of the bond or other security, shall be subject to the approval of the department or the division. If the employer or insurer is unable or fails to immediately procure the bond, the employer or insurer, in lieu of procuring the bond, shall deposit with a credit union, savings bank, savings and loan association, bank, or trust company designated by the department or the division the maximum amount that may reasonably become payable in those cases, to be determined by the department or the division at amounts consistent with the extent of the injuries and the law. The bonds and deposits may be reduced only to satisfy claims and may be withdrawn only after the claims which they are to guarantee are fully satisfied or liquidated under par. (a), (b), or (c).

SECTION 1196. 102.32 (5) of the statutes is amended to read:

102.32 (5) Any insured employer may, in the discretion of the department or the division, compel the insurer to discharge, or to guarantee payment of, the employer’s liabilities in any case described in sub. (1m) and by that discharge or guarantee release the employer from liability for compensation in that case, except that if for any reason a bond furnished or deposit made under sub. (1m) (d) does not fully protect the beneficiary of the bond or deposit, the compensation insurer or insured employer, as the case may be, shall still be liable to that beneficiary.

SECTION 1197. 102.32 (6m) of the statutes is amended to read:
102.32 (6m) The department or the division may direct an advance on a payment of unaccrued compensation for permanent disability or death benefits if the department or the division determines that the advance payment is in the best interest of the injured employee or the employee’s dependents. An injured employee or dependent may receive no more than 3 advance payments per calendar year.

In determining the availability of suitable employment the continuance in business of the employer shall be considered and any written rules promulgated by the employer with respect to seniority or the provisions of any collective bargaining agreement with respect to seniority shall govern.

SECTION 1208. 102.42 (1m) of the statutes is amended to read:

102.42 (1m) LIABILITY FOR UNNECESSARY TREATMENT. If an employee who has sustained a compensable injury undertakes in good faith invasive treatment that is generally medically acceptable, but that is unnecessary, the employer shall pay disability indemnity for all disability incurred as a result of that treatment. An employer is not liable for disability indemnity for any disability incurred as a result
of any unnecessary treatment undertaken in good faith that is noninvasive or not medically acceptable. This subsection applies to all findings that an employee has sustained a compensable injury, whether the finding results from a hearing, the default of a party, or a compromise or stipulation confirmed by the department or the division.

Temporary disability on account of receiving instruction under s. 102.61 (1) or (1m), and not otherwise resulting from the injury, shall not be in excess of 80
weeks. That 80-week limitation does not apply to temporary disability benefits under this section, the cost of tuition, fees, books, travel, or maintenance under s. 102.61 (1), or the cost of private rehabilitation counseling or rehabilitative training under s. 102.61 (1m) if the department or the division determines that additional training is warranted. The necessity for additional training as authorized by the department or the division for any employee shall be subject to periodic review and reevaluation.

SECTION 1215. 102.44 (2) of the statutes is amended to read:

102.44 (2) In case of permanent total disability, aggregate indemnity shall be weekly indemnity for the period that the employee may live. Total impairment for industrial use of both eyes, the loss of both arms at or near the shoulder, the loss of both legs at or near the hip, or the loss of one arm at the shoulder and one leg at the hip constitutes permanent total disability. This enumeration is not exclusive, but in other cases the division department shall find the facts.

SECTION 1216. 102.44 (6) (b) of the statutes is amended to read:

102.44 (6) (b) If during the period set forth in s. 102.17 (4) the employment relationship is terminated by the employer at the time of the injury or by the employee because his or her physical or mental limitations prevent his or her
continuing in such employment, or if during that period a wage loss of 15 percent or more occurs, the division department may reopen any award and make a redetermination taking into account loss of earning capacity.

**SECTION 1217.** 102.475 (6) of the statutes is amended to read:

102.48 (1) An unestranged surviving parent or parents to whose support the deceased has contributed less than $500 in the 52 weeks next preceding the injury causing death shall receive a death benefit of $6,500. If the parents are not living together, the department or the division shall divide this sum in such proportion as the department or division considers to be just, considering their ages and other facts bearing on dependency.

**SECTION 1219.** 102.48 (2) of the statutes is amended to read:

102.48 (2) In all other cases the death benefit shall be such sum as the department or the division determines to represent fairly and justly the aid to support which the dependent might reasonably have anticipated from the deceased employee but for the injury. To establish anticipation of support and dependency, it shall not be essential that the deceased employee made any contribution to support. The aggregate benefits in that case shall not exceed twice the average annual earnings of the deceased or 4 times the contributions of the deceased to the support of his or her dependents during the year immediately preceding the deceased employee’s death, whichever amount is the greater. In no event shall the aggregate benefits in that case exceed the amount that would accrue to a person who is solely
and wholly dependent. When there is more than one partial dependent the weekly benefit shall be apportioned according to their relative dependency. The term “support” as used in ss. 102.42 to 102.63 shall include contributions to the capital fund of the dependents for their necessary comfort.

**SECTION 1220.** 102.48 (3) of the statutes is amended to read:

102.56 (1) Subject to sub. (2), if an employee is so permanently disfigured as
to occasion potential wage loss due to the disfigurement, the department or the
division may allow such sum as the department or the division considers just as
compensation for the disfigurement, not exceeding the employee’s average annual
earnings. In determining the potential for wage loss due to the disfigurement and
the sum awarded, the department or the division shall take into account the age, education, training, and previous experience and earnings of the employee, the employee's present occupation and earnings, and likelihood of future suitable occupational change. Consideration for disfigurement allowance is confined to those areas of the body that are exposed in the normal course of employment. The department or the division shall also take into account the appearance of the disfigurement, its location, and the likelihood of its exposure in occupations for which the employee is suited.

SECTION 1229. 102.56 (2) of the statutes is amended to read:

SECTION 1230. 102.565 (1) of the statutes is amended to read:

102.565 (1) When, as a result of exposure in the course of employment over a period of time to toxic or hazardous substances or conditions, an employee performing work that is subject to this chapter develops any clinically observable abnormality or condition that, on competent medical opinion, predisposes or renders the employee in any manner differentially susceptible to disability to such an extent that it is inadvisable for the employee to continue employment involving that exposure, is discharged from or ceases to continue the employment, and suffers wage loss by reason of that discharge from, or cessation of, employment, the department or the division may allow such sum as the department or the division considers just as compensation for that wage loss, not exceeding $13,000. If a nondisabling
condition may also be caused by toxic or hazardous exposure not related to employment and if the employee has a history of that exposure, compensation as provided under this section or any other remedy for loss of earning capacity shall not be allowed. If the employee is discharged from employment prior to a finding by the department or the division that it is inadvisable for the employee to continue in that employment and if it is reasonably probable that continued exposure would result in disability, the liability of the employer who discharges the employee is primary, and the liability of the employer’s insurer is secondary, under the same procedure and to the same effect as provided by s. 102.62.

SECTION 1231. 102.565 (2) of the statutes is amended to read:

102.565 (2) Upon application of any employer or employee, the department or the division may direct any employee of the employer or an employee who, in the course of his or her employment, has been exposed to toxic or hazardous substances or conditions to submit to examination by one or more physicians appointed by the department or the division to determine whether the employee has developed any abnormality or condition under sub. (1), and the degree of that abnormality or condition. The cost of the medical examination shall be borne by the person making application. The physician conducting the examination shall submit the results of the examination to the department or the division, which shall submit copies of the reports to the employer and employee, who shall have an opportunity to rebut the reports if a request to submit a rebuttal is made to the department or the division within 10 days after the department or the division mails the report to the parties. The department or the division shall make its findings as to whether it is inadvisable for the employee to continue in his or her employment.

SECTION 1232. 102.565 (3) of the statutes is amended to read:
102.565 (3) If, after direction by the commission, or any member of the commission, the department, the division, or an examiner, an employee refuses to submit to an examination or in any way obstructs the examination, the employee's right to compensation under this section shall be barred.

SECTION 1233. 102.61 (1g) (c) of the statutes is amended to read:

Within 60 days after receiving that report, the employer shall provide to the employee in writing an offer of suitable employment, a statement that the employer has no suitable employment for the employee, or a report from a physician, chiropractor, psychologist, or podiatrist showing that the permanent work restrictions provided by the employee's practitioner are in dispute and documentation showing that the difference in work restrictions would materially affect either the employer’s ability to provide suitable employment or a vocational rehabilitation counselor’s ability to recommend a rehabilitative training program. If the employer and employee cannot resolve the dispute within 30 days after the employee receives the employer’s report and documentation, the employer or employee may request a hearing before the division department to determine the employee’s work restrictions. Within 30 days after the division department determines the employee’s work restrictions, the employer shall provide to the employee in writing an offer of suitable employment or a statement that the employer has no suitable employment for the employee.

SECTION 1234. 102.61 (1m) (c) of the statutes is amended to read:

Notwithstanding that the department or the division may authorize under s. 102.43 (5) (b) a rehabilitative training program that lasts longer than 80 weeks, a rehabilitative training program that lasts 80 weeks or less is presumed to be reasonable.

Section 1235. 102.61 (2) of the statutes is amended to read:

102.61 (2) The division department, the commission, and the courts shall determine the rights and liabilities of the parties under this section in like manner and with like effect as the division department, the commission, and the courts determine other issues under this chapter. If proceedings are had before the division department for the recovery of that liability, the division department shall set forth in its award the amount and order of liability as provided in this
section. Execution shall not be issued against the insurance carrier to satisfy any judgment covering that liability until execution has first been issued against the employer and has been returned unsatisfied as to any part of that liability. Any provision in any insurance policy undertaking to guarantee primary liability or to avoid secondary liability for a liability under s. 102.57 or 102.60 is void. If the employer has been adjudged bankrupt or has made an assignment for the benefit of creditors, if the employer, other than an individual, has gone out of business or has been dissolved, or if the employer is a corporation and its charter has been forfeited or revoked, the insurer shall be liable for the payment of that liability without judgment or execution against the employer, but without altering the primary liability of the employer.

102.64 (1) Upon request of the department of administration, a representative of the department of justice shall represent the state in cases involving payment into or out of the state treasury under s. 20.865 (1) (fm), (kr), or (ur) or 102.29. The department of justice, after giving notice to the department of administration, may compromise the amount of those payments but such compromises shall be subject to review by the department or the division. If the spouse or domestic partner under ch. 770 of the deceased employee compromises his or her claim for a primary death benefit, the claim of the children of the employee under s. 102.49 shall be compromised on the same proportional basis, subject to approval by the department or the division. If the persons entitled to compensation on the basis of total dependency under s. 102.51 (1) compromise their claim, payments under s. 102.49 (5) (a) shall be compromised on the same proportional basis.

in those proceedings, but the compromises are subject to review by the department
or the division. Costs incurred by the department of justice in prosecuting or
defending any claim for payment into or out of the work injury supplemental benefit
fund under s. 102.65, including expert witness and witness fees but not including
attorney fees or attorney travel expenses for services performed under this
subsection, shall be paid from the work injury supplemental benefit fund.

department of administration to process, investigate, and pay claims under ss.
102.44 (1), 102.49, 102.59, and 102.66. If retained by the department of workforce
development, the department of administration may compromise a claim processed
by that department, but a compromise made by that department is subject to review

department or the division may, in lieu of worker’s compensation benefits, direct
payment from the work injury supplemental benefit fund under s. 102.65 of such
compensation and such medical expenses as would otherwise be due, based on the
date of injury, to or on behalf of the injured employee. The benefits shall be
supplemental, to the extent of compensation liability, to any disability or medical

8. The day following if January 1, July 4, or December 25 falls on a Sunday.
(d) 1. Except as provided in subd. 2., “prevailing wage rate” for any trade or occupation engaged in the erection, construction, remodeling, repairing, or demolition of any project of public works in any area means the hourly basic rate of pay, plus the hourly contribution for health insurance benefits, vacation benefits, pension benefits, and any other bona fide economic benefit, paid directly or indirectly for a majority of the hours worked in the trade or occupation on projects in the area.

2. If there is no rate at which a majority of the hours worked in the trade or occupation on projects in the area is paid, “prevailing wage rate” for any trade or occupation engaged in the erection, construction, remodeling, repairing, or demolition of any project of public works in any area means the average hourly basic rate of pay, weighted by the number of hours worked, plus the average hourly contribution, weighted by the number of hours worked, for health insurance benefits, vacation benefits, pension benefits, and any other bona fide economic benefit, paid directly or indirectly for all hours worked at the hourly basic rate of pay of the highest-paid 51 percent of hours worked in that trade or occupation on projects in that area.

(em) “Single-trade project of public works” means a project of public works in which a single trade accounts for 85 percent or more of the total labor cost of the project.

(f) “State agency” means any office, department, independent agency, institution of higher education, association, society, or other body in state government created or authorized to be created by the constitution or any law, including the legislature and the courts. “State agency” also includes the University of Wisconsin Hospitals and Clinics Authority, the Fox River Navigational System Authority, and the Wisconsin Aerospace Authority.
(fm) “Supply and installation contract” means a contract under which the material is installed by the supplier, the material is installed by means of simple fasteners or connectors such as screws or nuts and bolts, and no other work is performed on the site of the project of public works, and the total labor cost to install the material does not exceed 20 percent of the total cost of the contract.

(g) “Truck driver” includes an owner-operator of a truck.

(1m) APPLICABILITY. Subject to sub. (3g), this section applies to any project of public works erected, constructed, repaired, remodeled, or demolished for the state or a state agency, including all of the following:

(a) A project erected, constructed, repaired, remodeled, or demolished by one state agency for another state agency under any contract or under any statute specifically authorizing cooperation between state agencies.

(b) A project in which the completed facility is leased, purchased, lease purchased, or otherwise acquired by, or dedicated to, the state in lieu of the state or a state agency contracting for the erection, construction, repair, remodeling, or demolition of the facility.

(c) A sanitary sewer or water main project in which the completed sanitary sewer or water main is acquired by, or dedicated to, the state for ownership or maintenance by the state.

(2) PREVAILING WAGE RATES AND HOURS OF LABOR. Any contract made for the erection, construction, remodeling, repairing, or demolition of any project of public works to which the state or any state agency is a party shall contain a stipulation that no individual performing the work described in sub. (2m) may be allowed to work a greater number of hours per day or per week than the prevailing hours of labor, except that any such individual may be allowed or required to work more than such
prevailing hours of labor per day and per week if he or she is paid for all hours worked
in excess of the prevailing hours of labor at a rate of at least 1.5 times his or her hourly
basic rate of pay; nor may he or she be paid less than the prevailing wage rate
determined under sub. (3) in the same or most similar trade or occupation in the area
in which the project of public works is situated. The notice published for the purpose
of securing bids for the project must contain a reference to the prevailing wage rates
determined under sub. (3) and the prevailing hours of labor. Except as otherwise
provided in this subsection, if any contract or subcontract for a project of public works
that is subject to this section is entered into, the prevailing wage rates determined
under sub. (3) and the prevailing hours of labor shall be physically incorporated into
and made a part of the contract or subcontract. For a minor subcontract, as
determined by the department, the department shall prescribe by rule the method
of notifying the minor subcontractor of the prevailing wage rates and prevailing
hours of labor applicable to the minor subcontract. The prevailing wage rates and
prevailing hours of labor applicable to a contract or subcontract may not be changed
during the time that the contract or subcontract is in force.

(2m) Covered employees. (a) Subject to par. (b), any person subject to this
section shall pay all of the following employees the prevailing wage rate determined
under sub. (3) and may not allow such employees to work a greater number of hours
per day or per week than the prevailing hours of labor, unless the person pays for all
hours worked in excess of the prevailing hours of labor at a rate of at least 1.5 times
the employees’ hourly basic rate of pay:

1. All laborers, workers, mechanics, and truck drivers employed on the site of
a project of public works that is subject to this section.
2. All laborers, workers, mechanics, and truck drivers employed in the manufacturing or furnishing of materials, articles, supplies, or equipment on the site of a project of public works that is subject to this section or from a facility dedicated exclusively, or nearly so, to a project of public works that is subject to this section by a contractor, subcontractor, agent, or other person performing any work on the site of the project.

(b) A laborer, worker, mechanic, or truck driver who is employed to process, manufacture, pick up, or deliver materials or products from a commercial establishment that has a fixed place of business from which the establishment supplies processed or manufactured materials or products or from a facility that is not dedicated exclusively, or nearly so, to a project of public works that is subject to this section is not entitled to receive the prevailing wage rate determined under sub. (3) or to receive at least 1.5 times his or her hourly basic rate of pay for all hours worked in excess of the prevailing hours of labor unless any of the following applies:

1. The laborer, worker, mechanic, or truck driver is employed to go to the source of mineral aggregate such as sand, gravel, or stone and deliver that mineral aggregate to the site of a project of public works that is subject to this section by depositing the material directly in final place, from the transporting vehicle or through spreaders from the transporting vehicle.

2. The laborer, worker, mechanic, or truck driver is employed to go to the site of a project that is subject to this section, pick up excavated material or spoil from the site of the project of public works, and transport that excavated material or spoil away from the site of the project.
(c) A person that is subject to this section shall pay a truck driver who is an owner-operator of a truck separately for his or her work and for the use of his or her truck.

(3) INVESTIGATION; DETERMINATION. (a) Before a state agency issues a request for bids for any work to which this section applies, the state agency having the authority to prescribe the specifications shall apply to the department to determine the prevailing wage rate for each trade or occupation required in the work under contemplation in the area in which the work is to be done. The department shall conduct investigations and hold public hearings as necessary to define the trades or occupations that are commonly employed on projects that are subject to this section and to inform itself of the prevailing wage rates in all areas of the state for those trades or occupations, in order to determine the prevailing wage rate for each trade or occupation. The department shall issue its determination within 30 days after receiving the request and shall file the determination with the requesting state agency. A state agency that has contracted for a project of public works subject to this section shall post the prevailing wage rates determined by the department, the prevailing hours of labor, and the provisions of subs. (2) and (6m) in at least one conspicuous place on the site of the project that is easily accessible by employees working on the project.

(am) The department shall, by January 1 of each year, compile the prevailing wage rates for each trade or occupation in each area. The compilation shall, in addition to the current prevailing wage rates, include future prevailing wage rates when those prevailing wage rates can be determined for any trade or occupation in any area and shall specify the effective date of those future prevailing wage rates.
If a project of public works extends into more than one area, the department shall determine only one standard of prevailing wage rates for the entire project.

(ar) In determining prevailing wage rates under par. (a) or (am), the department may not use data from projects that are subject to this section, s. 66.0903, 103.50, or 229.8275, or 40 USC 3142 unless the department determines that there is insufficient wage data in the area to determine those prevailing wage rates, in which case the department may use data from projects that are subject to this section, s. 66.0903, 103.50, or 229.8275, or 40 USC 3142. In determining prevailing wage rates under par. (a) or (am), the department may not use data from any construction work performed by a state agency or a local governmental unit, as defined in s. 66.0903 (1) (d).

(b) Any person may request a recalculation of any portion of an initial determination within 30 days after the initial determination date if the person submits evidence with the request showing that the prevailing wage rate for any given trade or occupation included in the initial determination does not represent the prevailing wage rate for that trade or occupation in the area. The evidence shall include wage rate information reflecting work performed by individuals working in the contested trade or occupation in the area during the current survey period. The department shall affirm or modify the initial determination within 15 days after the date on which the department receives the request for recalculation.

(c) In addition to the recalculation under par. (b), the state agency that requested the determination under this subsection may request a review of any portion of a determination within 30 days after the date of issuance of the determination if the state agency submits evidence with the request showing that the prevailing wage rate for any given trade or occupation included in the
determination does not represent the prevailing wage rate for that trade or occupation in the city, village, or town in which the proposed project of public works is located. That evidence shall include wage rate information for the contested trade or occupation on at least 3 similar projects located in the city, village, or town where the proposed project of public works is located on which some work has been performed during the current survey period and that were considered by the department in issuing its most recent compilation under par. (am). The department shall affirm or modify the determination within 15 days after the date on which the department receives the request for review.

(3g) NONAPPLICABILITY. This section does not apply to any of the following:

(a) A single-trade project of public works for which the estimated project cost of completion is less than $48,000 or a multiple-trade project of public works for which the estimated project cost of completion is less than $100,000.

(b) Work performed on a project of public works for which the state or the state agency contracting for the project is not required to compensate any contractor, subcontractor, contractor’s or subcontractor’s agent, or individual for performing the work.

(c) Minor service or maintenance work, warranty work, or work under a supply and installation contract.

(f) A public highway, street, or bridge project.

(g) A project of public works involving the erection, construction, repair, remodeling, or demolition of a residential property containing 2 dwelling units or less.

(h) A road, street, bridge, sanitary sewer, or water main project that is a part of a development in which not less than 90 percent of the lots contain or will contain...
2 dwelling units or less, as determined by the local governmental unit at the time of
approval of the development, and that, on completion, is acquired by, or dedicated to,
the state for ownership or maintenance by the state.

(4r) Compliance. (a) When the department finds that a state agency has not
requested a determination under sub. (3) (a) or that a state agency, contractor, or
subcontractor has not physically incorporated a determination into a contract or
subcontract as required under sub. (2) or has not notified a minor subcontractor of
a determination in the manner prescribed by the department by rule promulgated
under sub. (2), the department shall notify the state agency, contractor or
subcontractor of the noncompliance and shall file the determination with the state
agency, contractor, or subcontractor within 30 days after the notice.

(b) Upon completion of a project of public works and before receiving final
payment for his or her work on the project, each agent or subcontractor shall furnish
the contractor with an affidavit stating that the agent or subcontractor has complied
fully with the requirements of this section. A contractor may not authorize final
payment until the affidavit is filed in proper form and order.

(c) Upon completion of a project of public works and before receiving final
payment for his or her work on the project, each contractor shall file with the state
agency authorizing the work an affidavit stating that the contractor has complied
fully with the requirements of this section and that the contractor has received an
affidavit under par. (b) from each of the contractor’s agents and subcontractors. A
state agency may not authorize a final payment until the affidavit is filed in proper
form and order. If a state agency authorizes a final payment before an affidavit is
filed in proper form and order or if the department determines, based on the greater
weight of the credible evidence, that any person performing the work specified in sub.
(2m) has been or may have been paid less than the prevailing wage rate or less than 1.5 times the hourly basic rate of pay for all hours worked in excess of the prevailing hours of labor and requests that the state agency withhold all or part of the final payment, but the state agency fails to do so, the state agency is liable for all back wages payable up to the amount of the final payment.

(5) RECORDS; INSPECTION; ENFORCEMENT. (a) Each contractor, subcontractor, or contractor’s or subcontractor’s agent that performs work on a project of public works that is subject to this section shall keep full and accurate records clearly indicating the name and trade or occupation of every individual performing the work described in sub. (2m) and an accurate record of the number of hours worked by each of those individuals and the actual wages paid for the hours worked.

(b) The department shall enforce this section. The department may demand and examine, and every contractor, subcontractor, and contractor’s and subcontractor’s agent shall keep, and furnish upon request by the department, copies of payrolls and other records and information relating to the wages paid to individuals performing the work described in sub. (2m) for work to which this section applies. The department may inspect records in the manner provided in this chapter. Every contractor, subcontractor, or agent performing work on a project of public works that is subject to this section is subject to the requirements of this chapter relating to the examination of records. Section 111.322 (2m) applies to discharge and other discriminatory acts arising in connection with any proceeding under this section.

(c) If requested by any person, the department shall inspect the payroll records of any contractor, subcontractor, or agent performing work on a project of public works that is subject to this section as provided in this paragraph to ensure
compliance with this section. On receipt of such a request, the department shall request that the contractor, subcontractor, or agent submit to the department a certified record of the information specified in par. (a), other than personally identifiable information relating to an employee of the contractor, subcontractor, or agent, for no longer than a 4-week period. The department may request a contractor, subcontractor, or agent to submit those records no more than once per calendar quarter for each project of public works on which the contractor, subcontractor, or agent is performing work. The department may not charge a requester a fee for obtaining that information. Certified records submitted to the department under this paragraph are open for public inspection and copying under s. 19.35 (1).

(6m) LIABILITY AND PENALTIES. (ag) 1. A contractor, subcontractor, or contractor’s or subcontractor’s agent who fails to pay the prevailing wage rate determined by the department under sub. (3) or who pays less than 1.5 times the hourly basic rate of pay for all hours worked in excess of the prevailing hours of labor is liable to any affected employee in the amount of his or her unpaid wages or his or her unpaid overtime compensation and in an additional amount as liquidated damages as provided in subd. 2. or 3., whichever is applicable.

2. If the department determines upon inspection under sub. (5) (b) or (c) that a contractor, subcontractor, or contractor’s or subcontractor’s agent has failed to pay the prevailing wage rate determined by the department under sub. (3) or has paid less than 1.5 times the hourly basic rate of pay for all hours worked in excess of the prevailing hours of labor, the department shall order the contractor to pay to any affected employee the amount of his or her unpaid wages or his or her unpaid overtime compensation and an additional amount equal to 100 percent of the amount
of those unpaid wages or that unpaid overtime compensation as liquidated damages
within a period specified by the department in the order.

3. In addition to or in lieu of recovering the liability specified in subd. 1. as
provided in subd. 2., any employee for and on behalf of that employee and other
employees similarly situated may commence an action to recover that liability in any
court of competent jurisdiction. If the court finds that a contractor, subcontractor,
or contractor’s or subcontractor’s agent has failed to pay the prevailing wage rate
determined by the department under sub. (3) or has paid less than 1.5 times the
hourly basic rate of pay for all hours worked in excess of the prevailing hours of labor,
the court shall order the contractor, subcontractor, or agent to pay to any affected
employee the amount of his or her unpaid wages or his or her unpaid overtime
compensation and an additional amount equal to 100 percent of the amount of those
unpaid wages or that unpaid overtime compensation as liquidated damages.

5. No employee may be a party plaintiff to an action under subd. 3. unless the
employee consents in writing to become a party and the consent is filed in the court
in which the action is brought. Notwithstanding s. 814.04 (1), the court shall, in
addition to any judgment awarded to the plaintiff, allow reasonable attorney fees
and costs to be paid by the defendant.

(am) Except as provided in pars. (b), (d), and (f), any contractor, subcontractor,
or contractor’s or subcontractor’s agent who violates this section may be fined not
more than $200 or imprisoned for not more than 6 months or both. Each day that
a violation continues is a separate offense.

(b) Whoever induces an individual who seeks to be or is employed on any project
of public works that is subject to this section to give up, waive, or return any part of
the wages to which the individual is entitled under the contract governing the
Section 1272

SENIATE BILL 59

(c) Any individual who is employed on a project of public works that is subject to this section who knowingly allows a contractor, subcontractor, or contractor's or subcontractor's agent to pay him or her less than the prevailing wage rate set forth in the contract governing the project, who gives up, waives, or returns any part of the compensation to which he or she is entitled under the contract, or who gives up, waives, or returns any part of the compensation to which he or she is normally entitled for work on a project that is not subject to this section during a week in which the individual works both on a project of public works that is subject to this section and on a project that is not subject to this section, is guilty of an offense under s. 946.15 (2).

(d) Whoever induces any individual who seeks to be or is employed on any project of public works that is subject to this section to allow any part of the wages to which the individual is entitled under the contract governing the project to be deducted from the individual's pay is guilty of an offense under s. 946.15 (3), unless the deduction would be allowed under 29 CFR 3.5 or 3.6 from an individual who is working on a project that is subject to 40 USC 3142.

(e) Any individual who is employed on a project of public works that is subject to this section who knowingly allows any part of the wages to which he or she is entitled under the contract governing the project to be deducted from his or her pay
is guilty of an offense under s. 946.15 (4), unless the deduction would be allowed
under 29 CFR 3.5 or 3.6 from an individual who is working on a project that is subject
to 40 USC 3142.

(f) Paragraph (am) does not apply to any person who fails to provide any
information to the department to assist the department in determining prevailing
wage rates under sub. (3) (a) or (am).

(7) DEBARMENT. (a) Except as provided under pars. (b) and (c), the department
shall distribute to all state agencies a list of all persons that the department has
found to have failed to pay the prevailing wage rate determined under sub. (3) or has
found to have paid less than 1.5 times the hourly basic rate of pay for all hours worked
in excess of the prevailing hours of labor at any time in the preceding 3 years. The
department shall include with any name the address of the person and shall specify
when the person failed to pay the prevailing wage rate and when the person paid less
than 1.5 times the hourly basic rate of pay for all hours worked in excess of the
prevailing hours of labor. A state agency may not award any contract to the person
unless otherwise recommended by the department or unless 3 years have elapsed
from the date the department issued its findings or date of final determination by a
court of competent jurisdiction, whichever is later.

(b) The department may not include in a notification under par. (a) the name
of any person on the basis of having subcontracted a contract for a project of public
works to a person that the department has found to have failed to pay the prevailing
wage rate determined under sub. (3) or has found to have paid less than 1.5 times
the hourly basic rate of pay for all hours worked in excess of the prevailing hours of
labor.
(c) This subsection does not apply to any contractor, subcontractor, or agent who in good faith commits a minor violation of this section, as determined on a case-by-case basis through administrative hearings with all rights to due process afforded to all parties or who has not exhausted or waived all appeals.

(d) Any person submitting a bid on a project of public works that is subject to this section shall, on the date the person submits the bid, identify any construction business in which the person, or a shareholder, officer, or partner of the person if the person is a business, owns or has owned at least a 25 percent interest on the date the person submits the bid or at any other time within 3 years preceding the date the person submits the bid, if the business has been found to have failed to pay the prevailing wage rate determined under sub. (3) or to have paid less than 1.5 times the hourly basic rate of pay for all hours worked in excess of the prevailing hours of labor.

(e) The department shall promulgate rules to administer this subsection.

development shall, by May 1 of each year, certify to the department of transportation
the prevailing wage rates in each area for all trades or occupations commonly
employed in the highway construction industry. The certification shall, in addition

subcontract, as determined by the department of workforce development, that
department shall prescribe by rule the method of notifying the minor subcontractor
of the prevailing wage rates and prevailing hours of labor applicable to the minor
subcontract. The prevailing wage rates and prevailing hours of labor applicable to
a contract or subcontract may not be changed during the time that the contract or

For purposes of requalification, the employee’s weekly benefit rate shall be the rate that would have been paid had the discharge not occurred.

(e) The department shall charge to the fund's balancing account the cost of any benefits paid to an employee that are otherwise chargeable to the account of an employer that is subject to the contribution requirements under ss. 108.17 and 108.18 if the employee is discharged by that employer and par. For purposes of requalification, the employee’s weekly benefit rate shall be that rate which would have been paid had the failure not occurred. This paragraph does not preclude an employee from establishing a benefit year during a period in which the employee is ineligible to receive benefits under this
paragraph if the employee qualifies to establish a benefit year under s. 108.06 (2) (a). Except as provided in par. (b), the department shall charge to the fund's balancing account any benefits otherwise chargeable to the account of an employer that is subject to the contribution requirements under ss. 108.17 and 108.18 whenever an employee of that employer fails, without good cause, to accept suitable work offered by that employer.

For purposes of requalification, the employee's weekly benefit rate shall be that rate which would have been paid had the failure not occurred. 108.04 (8) (d) An employee shall have good cause under par. (a) or (c), regardless of the reason articulated by the employee for the failure, if the department determines that the failure involved work at a lower grade of skill or significantly lower rate of pay than applied to the employee on one or more recent jobs, and that the employee had not yet had a reasonable opportunity, in view of labor market conditions and the employee’s degree of skill, but not to exceed 6 weeks after the employee became unemployed, to seek a new job substantially in line with the employee’s prior job skill and rate of pay.

The claimant shall not receive waiting period credit under s. 108.04 (3) for the period of ineligibility applied under par. (be). If no benefit rate applies to the week for which the claim is made, the department shall use the claimant’s benefit rate for the claimant’s next benefit year beginning after the week of concealment to determine the amount of the benefit reduction.

employer may be joined in a single proceeding, but the court may order separate

subsection, any taxable costs recovered by the district attorney shall be paid into the
general fund of the county in which the violation occurs and used by that county to
meet its financial responsibility under s. 978.13 (2) (b) for the operation of the office

Section 1389. 109.09 (3) of the statutes is repealed.

Section 1390. 111.01 of the statutes is created to read:
Declaration of policy. The public policy of the state as to employment relations and collective bargaining, in the furtherance of which this subchapter is enacted, is declared to be as follows:

1. It recognizes that there are 3 major interests involved, namely: the public, the employee, and the employer. These 3 interests are to a considerable extent interrelated. It is the policy of the state to protect and promote each of these interests with due regard to the situation and to the rights of the others.

2. Industrial peace, regular and adequate income for the employee, and uninterrupted production of goods and services are promotive of all of these interests. They are largely dependent upon the maintenance of fair, friendly, and mutually satisfactory employment relations and the availability of suitable machinery for the peaceful adjustment of whatever controversies may arise. It is recognized that certain employers, including farmers, farmer cooperatives, and unincorporated farmer cooperative associations, in addition to their general employer problems, face special problems arising from perishable commodities and seasonal production that require adequate consideration. It is also recognized that whatever may be the rights of disputants with respect to each other in any controversy regarding employment relations, they should not be permitted, in the conduct of their controversy, to intrude directly into the primary rights of 3rd parties to earn a livelihood, transact business, and engage in the ordinary affairs of life by any lawful means and free from molestation, interference, restraint, or coercion.

3. Negotiations of terms and conditions of work should result from voluntary agreement between employer and employee. For the purpose of such negotiation an employee has the right, if the employee desires, to associate with others in organizing
and bargaining collectively through representatives of the employee's own choosing, without intimidation or coercion from any source.

(4) It is the policy of the state, in order to preserve and promote the interests of the public, the employee, and the employer alike, to establish standards of fair conduct in employment relations and to provide a convenient, expeditious, and impartial tribunal by which these interests may have their respective rights and obligations adjudicated. While limiting individual and group rights of aggression and defense, the state substitutes processes of justice for the more primitive methods of trial by combat.

SECTION 1391. 111.04 (1) and (2) of the statutes are consolidated, renumbered 111.04 and amended to read:

111.04 Rights of Employees. Employees shall have the right of self-organization and the right to form, join or assist labor organizations, to bargain collectively through representatives of their own choosing, and to engage in lawful, concerted activities for the purpose of collective bargaining or other mutual aid or protection. (2) Employees shall also have the right to refrain from self-organization; forming, joining, or assisting labor organizations; bargaining collectively through representatives; or engaging in activities for the purpose of collective bargaining or other mutual aid or protection such activities.

SECTION 1392. 111.04 (3) of the statutes is repealed.

SECTION 1393. 111.06 (1) (c) of the statutes is amended to read:

111.06 (1) (c) To encourage or discourage membership in any labor organization, employee agency, committee, association, or representation plan by discrimination in regard to hiring, tenure, or other terms or conditions of employment except in a collective bargaining unit where an all-union, fair-share,
or maintenance of membership agreement is in effect. An employer may enter into
an all-union agreement with the voluntarily recognized representative of the
employees in a collective bargaining unit, where at least a majority of such employees
voting have voted affirmatively, by secret ballot, in favor of the all-union agreement
in a referendum conducted by the commission, except that where the bargaining
representative has been certified by either the commission or the national labor
relations board as the result of a representation election, no referendum is required
to authorize the entry into an all-union agreement. An authorization of an all-union
agreement continues, subject to the right of either party to the all-union agreement
to petition the commission to conduct a new referendum on the subject. Upon receipt
of the petition, if the commission determines there is reasonable ground to believe
that the employees concerned have changed their attitude toward the all-union
agreement, the commission shall conduct a referendum. If the continuance of the
all-union agreement is supported on a referendum by a vote at least equal to that
provided in this paragraph for its initial authorization, it may continue, subject to
the right to petition for a further vote by the procedure under this paragraph. If the
continuance of the all-union agreement is not supported on a referendum, it
terminates at the expiration of the contract of which it is then a part or at the end
of one year from the date of the announcement by the commission of the result of the
referendum, whichever is earlier. The commission shall declare any all-union
agreement terminated whenever it finds that the labor organization involved has
unreasonably refused to receive as a member any employee of such employer. An
interested person may, as provided in s. 111.07, request the commission to perform
this duty.

Section 1394. 111.06 (1) (e) of the statutes is amended to read:
111.06 (1) (e) To bargain collectively with the representatives of less than a
majority of the employer’s employees in a collective bargaining unit, or to enter into

SECTION 1395. 111.06 (1) (i) of the statutes is amended to read:

111.06 (1) (i) To deduct labor organization dues or assessments from an
employee’s earnings, unless the employer has been presented with an individual
order therefor, signed by the employee personally, and terminable by the employee
giving to the employer at least 30 days’ written notice of the termination. This
paragraph applies to the extent permitted under federal law unless there is an
all-union, fair-share, or maintenance of membership agreement in effect. The
employer shall give notice to the labor organization of receipt of a notice of
termination.

SECTION 1396. 111.06 (1) (m) of the statutes is created to read:

111.06 (1) (m) To fail to give the notice of intention to engage in a lockout
provided in s. 111.115 (3).

SECTION 1397. 111.31 (1) of the statutes is amended to read:

111.31 (1) The legislature finds that the practice of unfair discrimination in

creed, color, disability, marital status, sex, national origin, ancestry, sexual
orientation, arrest record, conviction record, military service, use or nonuse of lawful
products off the employer’s premises during nonworking hours, or declining to
attend a meeting or to participate in any communication about religious matters or
political matters, substantially and adversely affects the general welfare of the state.
Employers, labor organizations, employment agencies, and licensing agencies that
deny employment opportunities and discriminate in employment against properly
qualified individuals solely because of their age, race, creed, color, disability, marital

employment discrimination because of age, race, creed, color, disability, marital
status, sex, national origin, ancestry, sexual orientation, arrest record, conviction
record, military service, status as a holder or nonholder of a license under s. 343.03

nonworking hours, or declining to attend a meeting or to participate in any
communication about religious matters or political matters, and to encourage the
full, nondiscriminatory utilization of the productive resources of the state to the
benefit of the state, the family, and all the people of the state. It is the intent of the
legislature in promulgating this subchapter to encourage employers to evaluate an
employee or applicant for employment based upon the individual qualifications of
the employee or applicant rather than upon a particular class to which the individual
may belong.

SECTION 1399. 111.31 (3) of the statutes is amended to read:
111.31 (3) In the interpretation and application of this subchapter, and otherwise, it is declared to be the public policy of the state to encourage and foster to the fullest extent practicable the employment of all properly qualified individuals regardless of age, race, creed, color, disability, marital status, sex, national origin, ancestry, sexual orientation, arrest record, conviction record, military service, status as a holder or nonholder of a license under s. 343.03 (3m), use or nonuse of lawful products off the employer’s premises during nonworking hours, or declining to attend a meeting or to participate in any communication about religious matters or political matters. Nothing in this subsection requires an affirmative action program to correct an imbalance in the work force. This subchapter shall be liberally construed for the accomplishment of this purpose.
