This bill amends the 2019-21 Authorized State Building Program to add a grant to Wiscraft, Inc., doing business as Beyond Vision, to assist in the purchase and renovation of a new facility in Milwaukee County for the employment of blind and visually impaired individuals and the provision of related services to those individuals. The project has a combined cost of $11,000,000 ($5,000,000 in general fund supported borrowing authority and $6,000,000 in gifts, grants, and other receipts). SECTION 1. 13.48 (46p) of the statutes is created to read:
13.48 (46p) **BEYOND VISION; NEW FACILITY.** (a) The legislature finds and determines that the employment of individuals who are blind or visually impaired, including statewide remote employment, and providing other related services to those individuals, improves those individuals’ lives and increases the workforce and reduces unemployment in this state and is a statewide responsibility of statewide dimension. It is therefore in the public interest, and it is the public policy of this state, to assist Wiscraft, Inc., doing business as Beyond Vision, in the purchase and renovation of a new facility in Milwaukee County, to be known as the VisABILITY Center, for the employment of, and provision of other related services to, blind and visually impaired individuals.

(b) The building commission may authorize up to $5,000,000 in general fund supported borrowing to assist Wiscraft, Inc., in the purchase and renovation of a new facility in Milwaukee County for the employment of, and provision of other related services to, blind and visually impaired individuals. The state funding commitment shall be in the form of a grant to Wiscraft, Inc. Before approving any state funding commitment for the purchase and renovation of the new facility, the building commission shall determine that Wiscraft, Inc., has secured additional funding for the project of at least $6,000,000 from nonstate revenue sources.

(c) If the building commission authorizes a grant to Wiscraft, Inc., under par. (b) and if, for any reason, the space that is purchased and renovated with funds from the grant is not used for the employment of, and provision of other related services to, blind and visually impaired individuals, the state shall retain an ownership interest in the renovated space equal to the amount of the state’s grant.
