2019 SENATE BILL 827

AN ACT to repeal 946.49 (1) (a) and (b); to renumber and amend 946.49 (1) (intro.); to amend 946.49 (2); and to create 946.49 (3) of the statutes; relating

to: bail jumping and providing a penalty.

Analysis by the Legislative Reference Bureau

Under current law, bail jumping means failure to comply with the terms of a bond after being released from custody in a pending criminal matter. Bail jumping for a defendant who has been released on bond after being charged with a crime is a Class A misdemeanor if the offense with which the defendant is charged is a misdemeanor and a Class H felony if the offense with which the defendant is charged is a felony, and bail jumping for a witness for whom bail has been required is a Class I felony. Under this bill, bail jumping means failure to appear as required or failure to comply with a term of a bond that prohibits contact with another individual or prohibits his or her presence in a specified location. Under the bill, any form of bail jumping is a Class B misdemeanor, regardless of the underlying offense or whether the person for whom bail is required is a defendant or a witness. In addition, under this bill, a person may only be charged with bail jumping once per underlying charge for which he or she has been released on bail.
