February 28, 2020 - Introduced by Senators L. TAYLOR, RISSER, SMITH and LARSON, cosponsored by Representatives Riemer, StUCK, STUBBS, ANDERSON, L. MYERS, SUBECK, C. TAYLOR, SINICKI, SARGENT, VINING and Spreitzer. Referred to Committee on Utilities and Housing.

AN ACT to renumber and amend 709.02 (1); to amend 254.34 (1) (h) 1., 709.01 (1), 709.03 (form) C2. and 709.08; and to create 709.03 (form) C2m. and 709.09 of the statutes; relating to: disclosures regarding radon in real estate transactions.

Analysis by the Legislative Reference Bureau

Under current law, with certain exceptions, an owner of residential real property with one to four dwelling units (residential real property) must give a prospective buyer a form, known as a real estate condition report form, on which the owner discloses certain conditions of, and other information about, the residential real property of which the owner is aware. The bill requires an owner to disclose on the report whether the owner has notice or knowledge of the presence of radon on the residential real property, tests for radon conducted on the residential real property, or the presence of radon mitigation systems serving the residential real property.

The bill also requires that, in addition to the report, the owner must provide to the prospective buyer a pamphlet developed by the Department of Health Services that describes the risks of, testing for, and mitigation of indoor radon. Under current law, DHS must develop and disseminate current radon information to the news media, builders, realtors, and the general public, and the bill specifies that DHS must develop and disseminate the pamphlet.

Finally, the bill requires that the owner of residential real property must include in a contract of sale or option contract a statement explaining potential risks from dangerous levels of indoor radon gas.
SENATE BILL 874

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 254.34 (1) (h) 1. of the statutes is amended to read:

254.34 (1) (h) 1. Develop and disseminate current radon information to the news media, builders, realtors, and the general public, including a pamphlet for home buyers and sellers that describes the risks of, testing for, and mitigation of indoor radon.

SECTION 2. 709.01 (1) of the statutes is amended to read:

709.01 (1) Except as provided in sub. (2), all persons who transfer real property located in this state, including a condominium unit and time-share property, by sale, exchange, or land contract, unless the transfer is exempt from the real estate transfer fee under s. 77.25, shall comply with ss. 709.02 to 709.04 and 709.06, and 709.09.

SECTION 3. 709.02 (1) of the statutes is renumbered 709.02 (1) (a) and amended to read:
