1 **AN ACT to amend** 5.84 (1), 6.15 (4) (b), 6.86 (1) (b), 6.87 (6), 6.88 (1) and 7.52 (1)
2 (a); and **to create** 6.885 and 6.91 of the statutes; **relating to:** canvassing
3 absentee ballots during a state of emergency on the Sunday before an election
4 and providing a penalty.

Analysis by the Legislative Reference Bureau

Under current law, absentee ballots may not be canvassed until election day. This bill authorizes a municipality to adopt an ordinance providing for the canvassing of absentee ballots during a state of emergency on the Sunday before an election, subject to the following requirements:

1. The municipality must use automatic tabulating equipment to process absentee ballots.

2. Prior to enacting an ordinance under the bill, the municipal clerk or municipal board of election commissioners must notify the Elections Commission in writing of the proposed enactment and must consult with the Elections Commission concerning administration of early canvassing of absentee ballots.

3. Early canvassing of absentee ballots under the bill must satisfy the procedures required under current law for canvassing absentee ballots on election day.

4. Members of the public must have the same right of access to a place where absentee ballots are being canvassed early as is provided under current law for canvassing absentee ballots on election day.

SENATE BILL 917

5. When not in use, automatic tabulating equipment used for canvassing absentee ballots and the areas where the programmed media and the absentee ballots are housed must be secured with tamper-evident security seals in a double-lock location such as a locked cabinet inside a locked office.

6. Ballots canvassed early under the bill may not actually be tabulated until the closing of the polls on election day.

7. Subject to criminal penalty, no person may act in any manner that would give him or her the ability to know or to provide information on the accumulating or final results from the ballots canvassed early under the bill before the close of the polls on election day.

8. Certain notices must be provided before each election at which the municipality intends to canvass absentee ballots on the Sunday before election day.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
