AN ACT to renumber and amend 6.87 (6); and to create 6.87 (6) (b) of the
statutes; relating to: the deadline for returning absentee ballots by mail
during a state of emergency.

Analysis by the Legislative Reference Bureau

Under current law, an absentee ballot must be returned in time to be delivered
to the polling place no later than 8 p.m. on election day. An absentee ballot not
returned on time cannot be counted. Under the bill, if the governor declares a state
of emergency, an absentee ballot being returned by mail for any primary or election
occurring no later than 90 days after the order is issued must be returned no later
than three days after the day of the primary or election and postmarked no later than
the day of the primary or election.

For further information see the state and local fiscal estimate, which will be
printed as an appendix to this bill.
