**Section 2.** 48.48 (8p) of the statutes is amended to read:

48.48 (8p) To reimburse tribes and county departments, from the appropriation under s. 20.437 (1) (kz), for unexpected or unusually high−cost out−of−home care placements of Indian children by tribal courts, other than placements to which s. 938.485 (4) applies, and for subsidized guardianship payments under s. 48.623 (1) or (6) for guardianships of Indian children ordered by tribal courts. In this subsection, “unusually high−cost out−of−home care placements” means the amount by which the cost to a tribe or to a county department of out−of−home care placements of Indian children by tribal courts, other than placements to which s. 938.485 (4) applies, exceeds $50,000 in a fiscal year.

**Section 3.** 48.569 (1) (d) of the statutes is amended to read:

County matching funds are required for the distribution under s. 48.563 (2). Each county’s required match for the distribution under s. 48.563 (2) shall be specified in a schedule established annually by the department. Matching funds may be from county tax levies, federal and state revenue sharing funds, or private donations to the county that meet the requirements specified in sub. (1m). If the county match is less than the amount required to generate the full amount of state and federal funds distributed for this period, the decrease in the amount of state and federal funds equals the difference between the required and the actual amount of county matching funds.

48.623 (3) (a) Except as provided in this paragraph, the county department shall provide the monthly payments under sub. (1) or (6). The county department shall provide those payments from moneys received under s. 48.48 (8p) or 48.569 (1) (dd) (8r). The department shall reimburse county departments for the cost of subsidized guardianship payments, including guardianships of Indian children ordered by tribal courts, from the appropriations under s. 20.437 (1) (dd) and (pd). The department shall provide those payments from the appropriations under s. 20.437 (1) (cx) and (mx).
