Date of publication*: **July 9, 2021**

2021 WISCONSIN ACT 58

(Vetoed in Part)

AN ACT; relating to: state finances and appropriations, constituting the executive budget act of the 2021 legislature.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 13.48 (20m) (c) of the statutes is amended to read:

13.48 (20m) (c) The building commission may authorize up to \$25,000,000 in general fund supported borrowing under par. (b), including up to \$3,000,000 for the project described in par. (d).

SECTION 2. 13.48 (20m) (d) of the statutes is created to read:

13.48 (20m) (d) 1. The legislature finds and determines that supporting entrepreneurs and innovators, providing facilities for job training, and promoting dynamic community revitalization and development are of vital importance in creating jobs and contributing to economic development and tourism in this state and are statewide responsibilities of statewide dimension. It is therefore in the public interest, and it is the public policy of this state, to assist the Incurage Community Foundation, Inc., in redeveloping the former Daily Tribune building in the city of Wisconsin Rapids into an economic and community hub.

2. The building commission may under this subsection assist the Incurage Community Foundation, Inc., in redeveloping the former Daily Tribune building in the city of Wisconsin Rapids into an economic and commu-

nity hub. The state funding commitment shall be in the form of a grant to the Incurage Community Foundation, Inc. Before approving any state funding commitment for redeveloping the former Daily Tribune building, the building commission shall determine that the Incurage Community Foundation, Inc., has secured additional funding for the project from nonstate revenue sources at least equal to the state's grant.

3. If the building commission authorizes a grant to the Incurage Community Foundation, Inc., under subd. 2., and if, for any reason, the facility that is redeveloped with funds from the grant is not used for an economic and community hub, the state shall retain an ownership interest in the facility equal to the amount of the state's grant.

SECTION 3. 13.48 (20t) of the statutes is created to read:

13.48 (20t) PSYCHIATRIC AND BEHAVIORAL HEALTH TREATMENT BEDS. (a) The legislature finds and determines that expanding psychiatric bed capacity as described in par. (b) would greatly benefit state residents by expanding access to timely inpatient mental health treatment and other behavioral health services and allowing public financial resources to be better distributed to more effectively improve delivery of mental health services and is a statewide responsibility of statewide dimension. It is therefore in the public interest, and

* Section 991.11, WISCONSIN STATUTES: Effective date of acts. "Every act and every portion of an act enacted by the legislature over the governor's partial veto which does not expressly prescribe the time when it takes effect shall take effect on the day after its date of publication."

it is the public policy of this state, to expand psychiatric bed capacity and behavioral health treatment capacity.

(b) The building commission may authorize up to \$5,000,000 in general fund supported borrowing to make a grant for the purpose of renovating an existing mental health facility in Marathon County. The renovation shall provide 26 beds for expanded capacity for psychiatric and other behavioral health treatment to an organization that applies to the building commission and meets all of the following criteria:

1. The organization provides mental and behavioral health services in the north central region of the state and has a campus in Marathon County.

2. The organization agrees to renovate an existing mental health facility in Marathon County to provide 16 adult inpatient psychiatric beds, 5 beds for emergency stabilization, and 5 beds for detoxification and substance use treatment. The organization shall serve individuals, including individuals who meet the criteria for emergency detention under s. 51.15 or 51.45, who are from Forest, Langlade, Lincoln, Marathon, Oneida, and Vilas Counties.

3. The organization identifies measures that it believes will serve the needs of area residents with behavioral health needs, especially, as a critical component of the measures, in reducing the burden on state-operated facilities.

4. The organization agrees to annually report to the legislature, in the manner described under s. 13.172 (2), the services provided with the resources funded by the grant awarded under this subsection, including the number of individuals diverted from state-operated mental health institutes.

5. The organization recognizes that it is liable to repay the grant funds to the state if the organization fails to continue to maintain the expanded services and number of beds described under subd. 2. for a minimum of 10 years.

(c) Notwithstanding s. 150.93, a hospital may increase its approved bed capacity for purposes of this subsection.

(d) If, for any reason, the space that is renovated with funds from the grant under par. (b) is not used for the purpose of providing the services described under par. (b) 2., the state shall retain an ownership interest in the renovated space equal to the amount of the state's grant.

SECTION 4. 13.48 (20v) of the statutes is created to read:

13.48 (20v) GRANTS FOR LOCAL PROJECTS. (a) The building commission shall establish and operate a grant program under this subsection to assist nonstate organizations to carry out construction projects having a statewide public purpose. The building commission cannot award a grant for a construction project under this subsection unless the joint committee on finance both approves the grant and finds that the project is in the

public interest and serves one or more statewide public purposes.

(b) The building commission may award a grant to any nonstate organization for a construction project that satisfies par. (a). The municipality, as defined in s. 59.001 (3), in which the construction project is or will be located shall apply to the building commission for the grant on behalf of the nonstate organization carrying out the construction project.

(c) The building commission may authorize up to \$10,000,000 in general fund supported borrowing for grants awarded under par. (b). Each grant award cannot exceed \$2,000,000. Before approving each grant, the building commission shall determine that the organization carrying out the project has secured additional funding for the project from nonstate revenue sources in an amount that is equal to at least half of the total cost of the project.

(d) If the building commission awards a grant under par. (b), and if, for any reason, the space that is constructed with funds from the grant is not used for one or more public purposes determined by the building commission under par. (a), the state shall retain an ownership interest in the constructed space equal to the amount of the state's grant.

(e) The building commission cannot award a grant under par. (b) unless the department of administration has reviewed and approved plans for the construction project associated with the grant. Notwithstanding ss. 16.85 (1) and 16.855 (1m), the department of administration cannot supervise any services or work or let any contract for the project. Section 16.87 does not apply to the project.

SECTION 5. 13.48 (30) of the statutes is created to read:

13.48 (30) BROADBAND EXPANSION GRANTS. (a) In this section:

1. "Underserved" has the meaning given in s. 196.504 (1) (b).

2. "Unserved" has the meaning given in s. 196.504 (1) (c).

(b) The legislature finds and determines that the provision of broadband Internet access is essential to the welfare of the citizens of this state and to economic development in this state, and therefore the provision of broadband Internet access is a government function and a statewide responsibility of statewide dimension. The legislature further determines that sufficient private capital has been and continues to be unavailable to fulfill the need for the development of broadband Internet access in underserved and unserved areas in this state. It is therefore in the public interest, and it is the public policy of this state, to assist the public service commission in making broadband expansion grants under s. 196.504 (2) (a) for the purpose of constructing broadband infrastructure in underserved and unserved areas of this state.

(c) The building commission may authorize up to \$125,000,000 in general fund supported borrowing. The amount is for use under s. 196.504 (2) (a).

(d) If the building commission authorizes borrowing under par. (c), and if, for any reason, a grant funded from the proceeds of such borrowing is not used for the construction of broadband infrastructure, as specified in par. (b), the state shall retain an ownership interest in the project funded from the grant equal to the amount of those proceeds.

SECTION 6. 13.48 (42m) of the statutes is created to read:

13.48 (42m) MUSEUM OF NATURE AND CULTURE. (a) The legislature finds and determines that providing education, programming, and immersive exhibits concerning Wisconsin's natural history and the intersection of nature and culture in Wisconsin and the world vastly enriches the lives of the citizens of this state and is a statewide responsibility of statewide dimension. It is therefore in the public interest, and it is the public policy of this state, to assist Historic Haymarket Milwaukee, LLC, in the construction of a new building to serve as a museum of nature and culture in the city of Milwaukee.

(b) The building commission may authorize up to \$40,000,000 in general fund supported borrowing to assist Historic Haymarket Milwaukee, LLC, in the construction of a museum of nature and culture to be located on the northeast corner of 6th Street and McKinley Avenue in the city of Milwaukee. The state funding commitment shall be in the form of a grant to Historic Haymarket Milwaukee, LLC. Before approving any state funding commitment for the construction of the museum, the building commission shall determine that Historic Haymarket Milwaukee, LLC, has secured additional funding for the project of at least \$85,000,000 from nonstate revenue sources.

(c) If the building commission authorizes a grant to Historic Haymarket Milwaukee, LLC, under par. (b), and if, for any reason, the facility that is constructed with funds from the grant is not used as a museum of nature and culture, the state shall retain an ownership interest in the facility equal to the amount of the state's grant.

SECTION 7. 13.48 (46p) of the statutes is created to read:

13.48 (46p) BEYOND VISION; NEW FACILITY. (a) The legislature finds and determines that the employment of individuals who are blind or visually impaired, including statewide remote employment, and the provision of other related services to those individuals improves those individuals' lives, increases the workforce and reduces unemployment in this state, and is a statewide responsibility of statewide dimension. It is therefore in the public interest, and it is the public policy of this state, to assist Wiscraft, Inc., doing business as Beyond Vision, in the purchase and renovation of a new facility in Milwaukee County, to be known as the VisABILITY Center, for the

employment of and provision of other related services to blind and visually impaired individuals.

(b) The building commission may authorize up to \$5,000,000 in general fund supported borrowing to assist Wiscraft, Inc., in the purchase and renovation of a new facility in Milwaukee County for the employment of and provision of other related services to blind and visually impaired individuals. The state funding commitment shall be in the form of a grant to Wiscraft, Inc. Before approving any state funding commitment for the purchase and renovation of the new facility, the building commission shall determine that Wiscraft, Inc., has secured additional funding for the project of at least \$14,000,000 from nonstate revenue sources.

(c) If the building commission authorizes a grant to Wiscraft, Inc., under par. (b) and if, for any reason, the space that is purchased and renovated with funds from the grant is not used for the employment of and provision of other related services to blind and visually impaired individuals, the state shall retain an ownership interest in the renovated space equal to the amount of the state's grant.

SECTION 8. 13.75 (1g) (b) of the statutes is amended to read:

In fiscal year 2021–22, from the appropriation under s. 20.505 (1) (kk), the department shall award grants to American Indian tribes or bands in this state. The department shall establish the amount of each grant based on the pro rata number of employees employed by the tribe or band as of December 31, 2019. Each tribe or band may use grant moneys as it deems necessary to support programs to meet the needs of members of the tribe or band. No grant moneys may be used to pay gaming-related expenses.

(d) Following a review of cost proposals, the office may reject all proposals. If the office rejects all proposals or does not execute a contract after issuing an intent to award a contract under par. (c) The design-builder shall submit to the office in the form prescribed by the office documentation of the construction services the design-builder or member will perform and the dollar value of the services.

(d) The office shall calculate the percentage of total construction services identified in the contract to be performed by the design-builder or member by subtracting the value of specialty services to be performed from the total contract amount and dividing the dollar value of construction services to be performed by the design-builder or member by the difference. If the value of construction services to be performed by the design-builder

or member is less than 30 percent of the value of all construction services required under the contract, the office shall cancel the contract award.

SECTION 317. 84.062 (11) of the statutes is created to read:

(b) The department shall pay the fee to each qualified responsible bidder under par. (a) no later than 90 days after the department issues a notice of intent to award a contract, determines that it will not issue a notice of intent to award a contract, or cancels the solicitation.

(c) In consideration for paying the fee, the department may use work product contained in an unsuccessful proposal in connection with any proposed or awarded design-build project without making any additional compensation to the design-builder. If an unsuccessful design-builder waives the fee, the department cannot use work product in the design-builder's unsuccessful proposal.

4. There is evidence of bias of a member of the technical review committee.

There is evidence that a member of the technical review committee has a conflict of interest because the committee member, a member of his or her immediate family, as defined in s. 19.42 (7), or any organization or business with which the member is associated, as defined in s. 19.42 (2), may benefit from the intent to award a contract.

6. The technical proposal or cost proposal submitted by the design-builder that received the notice of intent to award a contract is not responsive to the request for proposals, contains conditions or qualifications not provided for in the request for proposals, or does not assign costs to all services identified in the technical proposal or is otherwise materially unbalanced.

(c) If the office prevails upon judicial review, following any protest and appellate court proceedings, the office shall be entitled to recover all costs and charges included in the final order or judgment, excluding attorney fees. Upon payment of costs and charges by the protester, the bond shall be returned. The health system is considered to be in compliance with this subdivision if at least half of the expanded psychiatric beds under par. (b) 2. are available for individuals who are initially admitted under an emergency detention under s. 51.15.

2. Enters into a contract with, at minimum, two-thirds of the counties specified in par. (b) 2. in which at least one of the hospitals agrees to do all of the following:

a. **Be the primary receiver for individuals under an emergency detention under s. 51.15 for the county.**
