Assumptions Used in Arriving at Fiscal Estimate

This bill requires the Department of Administration to establish on the Internet a clearinghouse of information for small businesses in Wisconsin. Under the bill, DOA must coordinate with the Wisconsin Economic Development Corporation, the Wisconsin Housing and Economic Development Authority, the Departments of Workforce Development and Revenue, local governments, local economic development organizations, and any other person DOA considers appropriate, to publish information relevant to small businesses on the clearinghouse.

While WEDC would need to designate existing staff to coordinate with DOA, the agency does not anticipate this requirement would reduce resources available for other activities and programs.
