<b>Description</b> Groundwater Coordinating Council activities funding and making an appropriation					

**Assumptions Used in Arriving at Fiscal Estimate**

This bill appropriates \$500,000 each to DNR and to the Board of Regents of the UW System for their respective activities related to the Groundwater Coordinating Council

The bill provides additional funding for special education.

This bill transfers a total of \$160,000 to s. 20.255 (2) (b) to increase the annual GPR appropriation aids for special education under s. 115.88 in fiscal year 2021-22. This would increase the appropriation from \$468,091,800 to \$468,251,800 in FY22. An increase of \$160,000 for the 2022-23 fiscal year is included. This would increase the appropriation from \$517,890,000 to \$518,050,000 in FY23.

This would increase the payments paid under the appropriation by the Department of Public Instruction to school districts, independent charter schools, cooperative educational service agencies, and county children with disabilities education boards distributed by the funding formulas.

State: Direct impact

Increase to appropriation s. 20.255 (2) (b) Aids for special education and school age parents program by \$160,000 in FY2021-22 and by \$160,000 in FY2022-23.

**Long-Range Fiscal Implications**

This would have long-range fiscal implications as the increase of \$160,000 in FY2022-23 would raise the base appropriation for the following fiscal years.
