Description					
creating a human trafficking council					

## **Assumptions Used in Arriving at Fiscal Estimate**

This act would create a council on human trafficking which would include, among other members, the Secretary of DCF or a designee thereof. While this would create additional time requirements, the fiscal effect is likely negligible and could be absorbed within the existing agency budget.

This act creates no new revenue sources and does not increase chapter 20 authority.

## **Long-Range Fiscal Implications**
