Assumptions Used in Arriving at Fiscal Estimate

Under this bill, the definition of "Telehealth" is to be incorporated into statutory chapters pertaining to occupational licensing. The bill requires the Department of Safety and Professional Services to define "telehealth" and related terms in all promulgated rules. Adopting this change will not result in any fiscal impact on the Department.

Additionally, the bill incorporates into statute the allocation made in the biennial budget act, 2019 Wisconsin Act 9, that requires DHS to give \$500,000 GPR in grants annually to free and charitable clinics and establishes a definition for the clinics in statute.
