

Fiscal Estimate Narratives

Description license fee waivers for veterans' spouses		

Assumptions Used in Arriving at Fiscal Estimate

The bill's changes will require staff training and updates to division websites. The costs for training can be rolled into normal operations. Updates to the website are a normal and regular activity, and the website updates resulting from this bill can be absorbed into normal operations.

Currently, only driver school licenses and some motor vehicle dealer licenses are subject to this fee waiver. The department has had no requests to waive these fees from veterans and the department assumes an equivalent number of waiver requests would come from spouses and surviving spouses under this bill.

Long-Range Fiscal Implications

None.
