<b>Description</b> information cards to be distributed by law enforcement officers		

**Assumptions Used in Arriving at Fiscal Estimate**

The bill would require each WI law enforcement agency that has a website to provide a link to a clear description of the process by which an individual may file a formal complaint regarding his or her interaction with a law enforcement officer. The bill would require each agency to provide to each of its officers an information card that contains the officer's name, the officer's badge number, the telephone number of the officer's direct supervisor, and either a link to the law enforcement agency's formal complaint web page or, if the law enforcement agency doesn't have a website, a clear description of the process by which an individual may file a formal complaint regarding his or her interaction with the law enforcement officer. The bill would require each officer to provide the information card upon request to any individual he or she comes into contact in his or her official capacity.

**Long-Range Fiscal Implications**

The UW System does not estimate this bill to result in a significant cost increase and therefore would absorb it in the current budget.
