Fiscal Estimate Narratives

DNR 8/24/2021

LRB Number 21-4227/1	Introduction Number AB-0504	Estimate Type Original
Description water supply service area plans for public water systems		

Assumptions Used in Arriving at Fiscal Estimate

The bill makes numerous changes to the requirements for water supply service area plans for public water supply systems, but it does not remove the requirement that applicable communities complete a water supply service area plan.

The Department estimates that the bill will have no state or local fiscal impact since the only change in criterion for a water supply service area is whether the plan requires DNR approval.

Long-Range Fiscal Implications
