**Assumptions Used in Arriving at Fiscal Estimate**

One-time costs estimated at \$16,813.29, which likely could be absorbed within the agency's operating budget. Please see the attachment for additional details regarding this estimate.

However, the department wishes to note that changes in the proposed appropriation authority, additional legislative or other requirements with associated increases in workload, and/or higher than anticipated operational demands may result in an inability to absorb this work.

**Long-Range Fiscal Implications**

Ongoing costs estimated at \$17,586.82, which likely could be absorbed within the agency's operating budget. Please see the attachment for additional details regarding this estimate.
