<b>Description</b> bargaining over wages, hours, and conditions of employment for public employees					

**Assumptions Used in Arriving at Fiscal Estimate**

This bill would allow most state and municipal employees to bargain over increase in wages, hours, and conditions of employment. It also allows representatives for most bargaining units to be selected based on the simple majority of the employees voting in the bargaining unit and repeals the annual certification of representatives.

**Long-Range Fiscal Implications**

The fiscal impact of this bill is unclear until guidelines are established and potential changes are known.
