Description technical college farmer tuition assistance grants and making an appropriation					

Assumptions Used in Arriving at Fiscal Estimate

AB-64 creates a tuition assistance grant program under which the Technical College System Board awards grants to current or prospective farmers in the state for the purpose of paying no more than 50 percent of tuition costs for enrolling in Wisconsin technical college courses on farm management or farm finance.

A current or prospective farmer may receive no more than \$1,000 in these grants per year for no more than three years.

Long-Range Fiscal Implications
