Description community health center grants and making an appropriation					

Assumptions Used in Arriving at Fiscal Estimate

Under current law, the Department of Health Services awards grants to every community health center that receives federal grant using a specified formula. This bill increases funding for this grant program by \$2,000,000 GPR annually, which is to be divided among community health centers in the same manner as current law.

Additionally, the bill incorporates the allocation made in the biennial budget act, 2019 Wisconsin Act 9, that requires DHS to give \$500,000 GPR in grants annually to free and charitable clinics into statute.

To satisfy the activities of the proposed legislation, DHS will not require additional resources.

In sum, the total fiscal effect of the bill is \$2,000,000 GPR annually.
