Description excluding from income grants received from the federal coronavirus relief fund					

Assumptions Used in Arriving at Fiscal Estimate

The bill provides and income tax exclusion for all income received in the form of a grant issued by the state with moneys received from the federal coronavirus relief fund. In addition, the bill provides that amounts otherwise deductible for state income tax purposes that are paid directly or indirectly with the grant money are also deductible.

The provisions in this bill were adopted under 2021 Wisconsin Act 1, so the bill has no further effect.
