<b>Description</b> prohibiting foreign missions of China at University of Wisconsin institutions and University of Wisconsin System involvement with Communist Chinese recruitment or propaganda programs and requiring the University of Wisconsin System to report funding received from foreign missions of China					

**Assumptions Used in Arriving at Fiscal Estimate**

This bill requires the UW System to ensure no designated foreign mission of China is established at or recognized by a UW institution; annually identify the amount and source of funding received from a designated foreign mission of China; identify and end any "cultural exchange" programs that are consistent with those identified by the U.S. State Department as Chinese Communist Party propaganda tools; prohibit employees and students from participation in Communist Chinese recruitment programs; and requires reporting.

**Long-Range Fiscal Implications**

This bill would increase costs for the UW-System. Until the programmatic requirements are determined it is difficult to quantify an amount for a fiscal estimate. The cost would however be significant enough that it couldn't be absorbed in the current budget.
