Description reorganizing the Milwaukee Public School System into four to eight school districts and creating a Milwaukee Public Schools Redistricting and Implementation Commission					

Assumptions Used in Arriving at Fiscal Estimate

Effective July 1, 2024, this bill dissolves the Milwaukee Public Schools (MPS) and creates in its place four to eight city of Milwaukee public school districts. The bill specifies certain requirements for the new city of Milwaukee public school districts (grades operated, school board composition).

The bill creates a Milwaukee Public Schools Redistricting and Implementation Commission consisting of the governor, two members appointed by the governor, the state superintendent of public instruction, the mayor of the city of Milwaukee, and two members appointed by the mayor. No later than October 1, 2022, the commission must determine the number of new school districts and the boundaries of those new school districts and submit to the legislature recommended changes to the statutes necessary to organize and operate the new school districts.

The local and state fiscal impact of this bill is indeterminate.
