### Assumptions Used in Arriving at Fiscal Estimate

The bill requires the Department of Administration to establish a clearinghouse of information for small businesses in Wisconsin. The type of information published within the clearinghouse includes the following:

1. Budding opportunities for small businesses to participate in state and local government contracts.
2. Economic development programs, whether public or private, that may offer benefits to small businesses.
3. Courses of instruction, networking opportunities, and other events or opportunities encouraging the establishment, development, and expansion of small businesses.
4. Requirements for small businesses to obtain from the state or a local government any license, permit, or other authorizations.

Requirements for small businesses to pay any tax, fee, assessment, or other charge imposed by the state or a local government.

Fiscal Estimate

The bill will not impact the Department's costs or state revenues.
