LRB Number <b>21-0074/1</b>	Introduction Number <b>SB-118</b>	Estimate Type <b>Original</b>
<b>Description</b> the creation of an independent use of force review advisory board		

**Assumptions Used in Arriving at Fiscal Estimate**

The creation of the proposed advisory board would not have a direct fiscal impact on the Department of Transportation's Division of State Patrol. The department assumes that it would not pay the salary or expenses related to the state trooper's service to the board, because the State Troopers Association appointing that representative is not part of state government. There might be some small cost associated with sharing reports and information with the advisory board, but those costs are expected to be limited and absorbed within the agency's budget.

Lacking the necessary data and information, the Department of Transportation's Division of State Patrol cannot provide an assessment of the bill's effects on local law enforcement agencies.

**Long-Range Fiscal Implications**

None.
