Fiscal Estimate Narratives DOT 4/12/2021

LRB Number	21-2809/1	Introduction Number	SB-270	Estimate Type	Original	
Description						
discontinuance of certain special group plates						

Assumptions Used in Arriving at Fiscal Estimate

The license plates identified in the bill are currently in production and in stock. Continuing to provide these plates creates no additional financial burden on DOT. Choosing to eliminate these plates from stock and production would not lead to savings for DOT as the purchase price of these plates meets the costs of production and delivery.

Long-Range Fiscal Implications
