Assumptions Used in Arriving at Fiscal Estimate

Under the bill, and after June 30, 2026, the Legislative Audit Bureau is required to conduct a program evaluation audit of the agricultural exports program created by the bill, and to submit its report no later than December 31, 2026.

It is difficult to accurately estimate the cost of conducting this audit until planning and scheduling work is completed to determine the scope. It is likely that conducting this audit would reduce the flexibility of the Joint Legislative Audit Committee to direct the Bureau to complete other audits and evaluations.
