Description establishing the Wisconsin commission for the United States semiquincentennial commission to coordinate the commemoration of the 250th anniversary of the founding of the United States					

Assumptions Used in Arriving at Fiscal Estimate

This bill creates the Wisconsin commission for the United States semiquincentennial commission and attaches the commission to the Department of Veterans Affairs. The commission is charged with planning, coordinating, and implementing a program to commemorate the 250th anniversary of the founding of the United States, specifically highlighting the role of Wisconsin in that event.

The bill does not identify an agency to fund the commission activities or an appropriation from which to expend funds. The language of this bill suggests that there will be costs associated with the commission (travel). It is not identified or described in the bill who much travel would be incurred or what the commission would specifically expend funds on. To that end, the costs for commission operations is indeterminable.
