Assumptions Used in Arriving at Fiscal Estimate

This bill requires the Department of Natural Resources (DNR) to provide an opportunity for persons applying for hunting, fishing or trapping licenses to elect to include their name in the record of potential organ donors maintained by the Department of Transportation (DOT). The DOT works with the Department of Health Services for the donor registry, and this bill would also require the DNR to cooperate with DHS in a similar manner. DHS would experience minimal or no fiscal impact under this proposal.
