Description a law enforcement marketing campaign		

Assumptions Used in Arriving at Fiscal Estimate

This bill requires the Wisconsin Economic Development Corporation and the Department of Justice to develop and implement a marketing campaign, titled the "Pro-Cop Wisconsin Campaign," that is designed to recruit and retain law enforcement officers in Wisconsin. The bill requires that the agencies spend \$1M on the advertising campaign using funds from the federal American Rescue Plan Act of 2021.

WEDC assumes adding additional program and staffing requirements to the corporation will reduce resources available for other activities and programs.
