## Fiscal Estimate Narratives

<b>Description</b> fee remission for certain veterans enrolled in University of Wisconsin System institutions or technical colleges					

### Assumptions Used in Arriving at Fiscal Estimate

Senate Bill 908 expands the Wisconsin GI Bill remission program for eligible veterans who enroll in a noncredit course at Wisconsin Technical College System (WTCS) Districts.

The Higher Education Aids Board reimburses WTCS Districts and University of Wisconsin System (UWS) Institutions for tuition and fees that have been remitted for eligible veterans, spouses and children.

State appropriations have been inadequate to reimburse the colleges for the total tuition and fees that are remitted to students under this program. Due to the lack of funding, WTCS districts are using other resources to pay for the cost of remissions. The chart attached provides the number of recipients over the last five years, the total amount reimbursed by HEAB and the local cost being absorbed by the districts.

### Long-Range Fiscal Implications

The state currently appropriates \$6.5 million dollars to reimburse both the WTCS and UWS for the Wisconsin GI Bill. If this legislation is enacted, WTCS Districts would see an increase in the number of recipients for the Wisconsin GI Bill. If state funding for the Wisconsin GI Bill remains at its current funding level, WTCS districts would continue to see an increase in costs at the local level.
