Assumptions Used in Arriving at Fiscal Estimate

Senate Bill 947 (SB 947) proposes the creation of a 401Kids program and guidelines for said program. As part of this program, SB 947 proposes the creation of a new fund and fiscal structure as authorized under s. 20.515 (2), Wis. Stats. The Department of Administration's (Department) Division of Executive Budget and Finance (DEBF) performs the enterprise fiscal, budget and accounting functions for state agencies. Under the proposed, DEBF staff would be tasked with setting up the new segregated fund and fiscal structure and providing ongoing pertaining enterprise financial and accounting support, including for transfers to the general fund as proposed. The amount of staff time required to accomplish this is indeterminate, however the Department anticipates that the work would be able to be absorbed within current existing staffing levels and position and expenditure authority.
