Thursday, June 10, 2021
10:00 AM
328 Northwest

This meeting is for invited speakers only. There will be no opportunity for public testimony at this meeting.

Careers Industries, Racine - Joe Greene, Executive Director

"The vision of Careers Industries is to be the premier service provider for adults with disabilities in Southeastern Wisconsin. Our goal is to enable the people we serve to reach their highest potential by fostering life skill enhancement, self-direction, independence and community integration. We do this by providing a continuum of the highest quality vocational offerings, employment networks and social opportunities."

Representative Robert Wittke
Chair
