ANNOUNCEMENTS, ADJOURNMENT HONORS, AND REMARKS UNDER SPECIAL PRIVILEGE

Senator Agard, with unanimous consent, asked that the Senate adjourn, in honor of her brother, Wyatt Berryman Agard, who passed away on May 3rd, 2021.

Senator Erpenbach, with unanimous consent, asked that the Senate adjourn, in honor of Art and Phyliss Hellenbrand. Some people go their whole life looking for "the one" — their

person, lover, confidant—but to no avail. For others, experiencing the emotions surrounding love may infrequently emerge and soon drift away like a midday dream. Finding love is difficult in this world. True love, rare. Art and Phyllis Hellenbrand, were two strangers at dance hall back in 1948 when fate decided to intervene. On May 16th, 1950, they married and had four children soon after. A quick back of the envelop calculation and you'll be at a subtle 70 years of marriage— an amazing accomplishment. Their complimentary qualities, mutual respect, and commitment for one another were reinforced by faith, family, and friends. Art's outspokenness and curiosity paired with Phyllis' quiet nature and maternal spirit was a potent combination. The way that they looked at each other, you could sense a spark, something undeniably special about their relationship. Sadly, in recent weeks, their health declined and their love story slowly entered a new phase into the afterworld. They both passed away within days of each other - a testament to their magical bond. Losing them both so abruptly is heartbreaking to their friends and family, who found comfort in their presence and will forever look back at their time together fondly. Rest easy grandma and grandpa Hellenbrand.

Senator Wanggaard, with unanimous consent, asked that the Senate adjourn, in honor of his daughter Amy Wanggaard who is the mother of his three granddaughters on the anniversary of her birthday June, 7th.

Senator Wanggaard, with unanimous consent, asked that the Senate adjourn, in honor of all of our veterans who served in WW II and honor the anniversary of D - Day June 6th, 1944 with the beginning of the end Nazi Germany!

Senator Wanggaard, with unanimous consent, asked that the Senate adjourn, in honor of Bruce Berger, Supreme Governor for the Loyal Order of the Moose, a fraternal organization focused at helping others who are less fortunate. Governor Berger will be touring our capital tomorrow.

Senator Wanggaard, with unanimous consent, asked that the Senate adjourn, in honor of Reagan Kelly and congratulation on her 8th grade graduation.

Senator Taylor, with unanimous consent, asked that the Senate adjourn, in honor of her mother, the original Lena Taylor, on her 66th birthday.

Senator Pfaff, with unanimous consent, asked that the Senate adjourn, in honor of all of Wisconsin's dairy farmers for June Dairy Month. He encourages everyone to check out a dairy breakfast or buy local products from our farmers this June.

Senator Bradley, with unanimous consent, asked that the Senate adjourn, in honor of a wonderful, compassionate, woman who passed away last week. Anne Schultz dedicated her life to caring for others. Anne was born and raised in Burlington, WI., and was a graduate of Burlington High School. She went on to get a degree from Oak Hills Christian College, before getting her nursing degree from Gateway Technical College. Anne began her career of service and compassionate care at Burlington Memorial Hospital. She stayed there until 1982 when she married her husband Lindy

and relocated to Wilton, WI. There, Anne spent the next two decades working at Hess Memorial Hospital in Mauston before completing her career at Mayo Clinic Health System where she worked as both an ICU nurse and on the nurse line. She was set to retire in just a few days. Anne was an avid lover of nature, a skilled baker, and a loving wife, mother, sister, aunt, and friend. Her common sense and compassion live on in her son Jeff, a staffer here in the Capitol, and all those she impacted during her 66 years. It's Senator Bradley's privilege to adjourn in her honor today.

Senator Bewley, with unanimous consent, asked that the Senate adjourn, in honor of Kelly Grimes, who was known as the unofficial Mayor of Mac Lake and a pillar of the Trego community as the proprietor of the popular Mac Lake Tavern. Kelly passed away on April 18th, 2021 at her home on Mac Lake after a courageous battle with cancer. Born in Spooner, Kelly moved back in 1991 after leaving for college at St. Norbert's where she studied music, and a career in the music industry. As the owner of the Mac Lake Tavern, Kelly seemed to know everyone in the neighborhood, from full-time residents to summer visitors. She was a great supporter of local charities and organizations, hosting fundraisers and participating in groups like ABATE of Wisconsin and the regional Trail Club. Kelly was passionate about hunting, fishing, 4-wheeling, and motorcycling, enjoying all that her northern Wisconsin home provided. Loved and greatly missed, Kelly will be remembered by all visitors to Mac Lake Tavern as full of life and generosity. People will walk into Mac Lake Tavern for years to come, expecting her iconic greeting of "living the dream." Kelly welcomed everyone to her tavern with the same energy as reuniting with a long-lost friend. A friend, a storyteller, truly a one-of-a-kind woman. The Northwoods will not be the same for many people without Kelly behind the bar, on the lake and on the roads and trails. Rest easy, Kelly. We love you.

Senator Bewley, with unanimous consent, asked that the Senate adjourn, in honor of another wonderful man, friend, and coworker, William Nagy, who passed away on May 31. Many people here will remember Bill as the Wisconsin State Assembly's Sargent-At-Arms for the 2009-2010 legislative session. While Senator Bewley never served with him, her Chief of Staff and Bill were pages together in the early 1990's! He was intensely curious and passionate about politics, a wonderful friend and colleague. Though born in New Jersey, Bill loved Wisconsin sports and followed the Packers, the Badgers and the Brewers closely. Bill always had a laugh ready, and took great joy in making others laugh as well. He was a hardworking, loving and happy person. Truly happy. Even through a long battle with cancer, Bill never lost his energy, his enjoyment in life. Senator Bewley is sorry she did not get to know him better, and she is deeply saddened by his loss for his family, his friends, and his community. If we could all love and laugh like Bill did, the world would be a better place.

Senator Darling, with unanimous consent, asked that the Senate adjourn, in honor of the State Fair. She hopes everyone can make it out for a day.

Senator Johnson, with unanimous consent, asked that the Senate adjourn, in honor of her daughter, Sydney Lee, for her graduation and birthday.

Senator Roys, with unanimous consent, asked that the Senate adjourn, in honor of Rep. Ann Hraychuck. She was saddened to learn of her passing on June 6th after a hard-fought battle with cancer. Rep. Hraychuck served in the Assembly 2006-2010 as the Rep. from the 28th. She was a tenacious legislator from Balsam Lake who spent 3 decades in law enforcement with the Polk County Sheriff's Department, where she worked as a homicide and sexual abuse investigator and trainer for law enforcement. Rep. Hraychuck was a big game hunter in her free time. Visitors to her Capitol office were greeted by a giant taxidermy bear. Senator Roys was lucky to have served with her in the Assembly and honor her today for her work.

Senator Wirch, with unanimous consent, asked that the Senate adjourn, in honor of Rita LaPointe, grandlady of the yacht club in Kenosha. Tomorrow she will be 100 years old.

Senator Ringhand, with unanimous consent, asked that the Senate adjourn, in honor of her grandchildren –Jayden Dunphy, who graduated from Evansville High School on Friday, June 4th, and Makenna Eckhoff-Ringhand, who graduated Magna Cum Laude.

Senator Carpenter, with unanimous consent, asked that the Senate adjourn, in honor and memory of the victims of the AIDS epidemic, and in honor of long term survivors of HIV. 40 years ago on June 5th, the CDC received its first reports of AIDS in the United States. Since then this terrible disease has claimed over 32 million lives across the world, including 700,000 in this country. In Wisconsin, almost 7,000 people are living with diagnosed HIV, with over 200 new cases identified each year, and at the end of 2019 it was estimated that another 1,100 Wisconsinites were living with HIV but unaware of their status. Senator Carpenter is very thankful that the rates of infection and deaths attributed to HIV and AIDS continue to decrease, and that medical science makes progress in treatment each year. However, HIV is still considered an epidemic stealing the life away from too many of our neighbors. We must recommit to ending the HIV epidemic by working together as a nation and with our partners across the world.

ADJOURNMENT

Senator LeMahieu, with unanimous consent, asked that the Senate stand adjourned until Thursday, June 10, 2021.
