ACT MEMO

Prepared by: Steve McCarthy, Senior Staff Attorney

February 8, 2022

2021 Wisconsin Act 125
[2021 Senate Bill 453]

**Eliminating Prior Authorization
for Enteral Nutrition Products
Administered by Tube**

2021 WISCONSIN ACT 125

The act removes a requirement from administrative code promulgated by the Department of Health Services that a health care provider must receive prior authorization under the Medical Assistance program for any enteral nutrition products administered through a tube.

Effective date: February 6, 2022
