2021 Wisconsin Act 207
[2021 Senate Bill 827]

**Grants for Dairy Exports
Promotion**

2021 WISCONSIN ACT 207

Current law allows the Department of Agriculture, Trade and Consumer Protection (DATCP) to administer a loan program for the development of rural business enterprises and for rural economic development. The program operates as a revolving loan program, with an appropriation consisting of moneys received by DATCP for loan origination fees and the repayment of principal and interest on loans.¹

2021 Wisconsin Act 207 allows DATCP to use the appropriation described above to provide grants for the purpose of promoting dairy exports.

Effective date: March 24, 2022

BK:ksm

¹ The loan program was initially funded through federal grants. Further information on the program is available in [Legislative Fiscal Bureau, Rural Business Enterprise Loans, Budget Paper #144 \(May 2005\)](#).
