AN ACT to renumber 118.235; to amend 119.04 (1); and to create 118.235 (title)

and 118.235 (2) of the statutes; relating to: requiring school boards to compensate teachers for time spent on nonclassroom services.

Analysis by the Legislative Reference Bureau

This bill prohibits a school board from requiring its teachers to perform any services outside of regular classroom instruction unless the school board either compensates the teacher for his or her time or the teacher volunteers to perform the services. Under current law, a school must provide each teacher a daily duty-free 30-minute lunch period, or the school board may enter into a contract with a teacher for services during the teacher’s lunch period.

For further information see the local fiscal estimate, which will be printed as an appendix to this bill.
