Analysis by the Legislative Reference Bureau

This bill exempts from taxation up to $8,000 in payments received in 2021 by an individual from the U.S. Civil Service Retirement System and the full amount of such payments received in 2022 and beyond. Under the bill, the exemption applies without regard to when the individual became a member of or retired under CSRS. CSRS was the retirement system used by the federal government until 1984. In 1984, the federal government created a new retirement system, but federal employees covered by CSRS were allowed to choose to stay in CSRS.

Under current law, payments received from CSRS are exempt from Wisconsin income taxes, but generally only if the individual was a member of or retired under CSRS as of December 31, 1963. Similarly, payments received from the Milwaukee City and County Retirement Systems, the police officer’s annuity and benefit fund of Milwaukee, the Milwaukee public school teachers’ retirement fund, the Wisconsin state teachers’ retirement fund, and the sheriff’s annuity and benefit fund of Milwaukee County are exempt from tax for individuals who were members of or retired from the systems as of December 31, 1963. Current law also provides an exemption for payments received from the U.S. Military Employee Retirement System and retirement payments that relate to service with the U.S. Coast Guard, the commissioned corps of the National Oceanic and Atmospheric Administration,
and the commissioned corps of the U.S. Public Health Service. Also under current
law, an individual may subtract up to $5,000 of payments or distributions received
from a qualified retirement plan or individual retirement account if the individual
is at least 65 years old and has federal adjusted gross income of less than $15,000,
or $30,000 if married.

Because this bill relates to an exemption from state or local taxes, it may be
referred to the Joint Survey Committee on Tax Exemptions for a report to be printed
as an appendix to the bill.

For further information see the state fiscal estimate, which will be printed as
an appendix to this bill.
