AN ACT to create 252.03 (2g) of the statutes; relating to: closure of and
forbidding gatherings in places of worship.

Analysis by the Legislative Reference Bureau
This bill prohibits local health officers from closing or forbidding gatherings in
places of worship to control outbreaks and epidemics of the 2019 novel coronavirus. 
Currently, local health officers have the statutory authority to do what is reasonable 
and necessary for the prevention and suppression of disease and forbid public 
gatherings when necessary to control outbreaks or epidemics, among other public 
health powers.

The people of the state of Wisconsin, represented in senate and assembly, do 
enact as follows:

SECTION 1. 252.03 (2g) of the statutes is created to read:

252.03 (2g) A local health officer may not order the closure of or forbid
gatherings in places of worship to control outbreaks and epidemics of the 2019 novel
coronavirus.
