AN ACT to renumber and amend 38.24 (7) (a) 1p.; and to create 38.24 (7) (a) 1p. b. of the statutes; relating to: technical college fees covered by the Wisconsin GI Bill.

Analysis by the Legislative Reference Bureau

Under current law, eligible veterans, a spouse of an eligible veteran, an unremarried surviving spouse of an eligible veteran, and a child of an eligible veteran, if the child is at least 17 but not yet 26 years of age, may receive fee remission to cover the cost of tuition and fees for their enrollment in the University of Wisconsin System or Technical College System. These programs are collectively known as the “Wisconsin GI Bill.” Under current law, an eligible individual receiving Wisconsin GI Bill benefits from the University of Wisconsin System may receive full remission of tuition and segregated fees. An eligible individual receiving Wisconsin GI Bill benefits from the Technical College System may receive full remission of fees established by the Technical College System board, but this remission does not include remission of certain student activity and incidental fees set by the student’s technical college district.

This bill requires that a technical college district also remit to eligible individuals under the Wisconsin GI Bill the student activity and incidental fees set by the student’s individual technical college district.
For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.
