2021 ASSEMBLY BILL 605

October 8, 2021 - Introduced by Representatives BROOKS, ARMSTRONG, DITTRICH, GUNDRUM, PENTERMAN and BORN. Referred to Committee on Housing and Real Estate.

AN ACT relating to: municipal workforce housing incentive program.

Analysis by the Legislative Reference Bureau

This bill requires, to the extent permitted by federal law, political subdivisions to use a certain portion of moneys received by the political subdivisions from the federal American Rescue Plan Act of 2021 toward workforce housing projects. Under the bill, a political subdivision is defined as a city, village, town, or county. The bill requires that a political subdivision use at least $1,000,000 or at least 10 percent of the total stimulus moneys it receives, whichever is less, for one or more of the following projects: 1) new workforce housing infrastructure, including streets, sewer, water, and sidewalks; 2) establishing a low interest or no interest loan program for the remodeling and repair expenses related to the rehabilitation of older workforce housing; 3) establishing a low interest or no interest loan program for the building of new workforce housing units; or 4) redeveloping idle sites currently used for a shopping center, shopping mall, or other commercial property of at least 40,000 square feet to workforce housing. The bill allows political subdivisions to make loans as part of the loan programs established. If the loan is not repaid at the time of the sale of the property, the loan amount is delinquent and becomes a lien on the property.

Because this bill may increase or decrease, directly or indirectly, the cost of the development, construction, financing, purchasing, sale, ownership, or availability of housing in this state, the Department of Administration, as required by law, will prepare a report to be printed as an appendix to this bill.
For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.
